PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Cognizant Technology Solutions Corporation of proxies to be voted at our Annual Meeting of Stockholders to be held on Wednesday, May 26, 2004 (the "Meeting"), at our headquarters, 500 Glenpointe Centre West, Teaneck, New Jersey at 10:00 a.m. local time, and at any adjournment or adjournments thereof. Holders of record of shares of Class A Common Stock, \$0.01 par value ("Class A Common Stock"), as of the close of business on April 13, 2004, will be entitled to notice of and to vote at the Meeting and any adjournment or adjournments thereof. As of that date, there were [] shares of Class A Common Stock issued and outstanding and entitled to vote. Each share of Class A Common Stock is entitled to one vote on any matter presented to stockholders at the Meeting. Pursuant to our Restated Certificate of Incorporation all the outstanding shares of Class B Common Stock, \$0.01 par value ("Class B Common Stock"), automatically converted into shares of Class A Common Stock on February 20, 2003. Accordingly, as of the close of business on April 13, 2004, there were no holders of record of our Class B Common Stock.

In this Proxy Statement, "Cognizant", "Company," "we," "us," and "our" refer to Cognizant Technology Solutions Corporation.

If proxies in the accompanying form are properly executed and returned, the shares of Class A Common Stock represented thereby will be voted in the manner specified therein. If not otherwise specified, the shares of Class A Common Stock represented by the proxies will be voted (i) FOR the election of the two (2) Class I Director nominees; (ii) FOR the proposal to amend our Restated Certificate of Incorporation to (A) increase the number of authorized shares of our Class A Common Stock from 100,000,000 shares to 325,000,000 shares and (B) eliminate the authorization of our Class B Common Stock; (iii) FOR the proposal to amend our 1999 Incentive Compensation Plan, as amended (the "Incentive Plan"), to (A) increase the maximum number of shares of Class A Common Stock reserved for issuance from 18,000,000 to 19,000,000 shares and to reserve an additional 1,000,000 shares of Class A Common Stock for issuance upon the exercise of stock options or for the issuance of other awards granted under the Incentive Plan, (B) provide that repricing of stock options may not occur without stockholder approval, (C) provide for minimum restriction periods for stock based awards, other than stock options, (D) provide that stock options may not be granted below fair market and (E) provide that all material amendments to the Incentive Plan shall be subject to stockholder approval; (iv) FOR the proposal to adopt our 2004 Employee Stock Purchase Plan; (v) FOR the

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

ratification of the appointment of PricewaterhouseCoopers LLP as independent auditors for the year ending December 31, 2004; and (vi) in the discretion of the persons named in the enclosed form of proxy, on any other proposals which may properly come before the Meeting or any adjournment or adjournments thereof. Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Secretary, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

The presence, in person or by proxy, of holders of the shares of Class A Common Stock having, in the aggregate, a majority of the votes entitled to be cast at the Meeting shall constitute a quorum. The affirmative vote by the holders of a plurality of the shares of Class A Common Stock represented at the Meeting, is required for the election of Directors, provided a quorum is present in person or by proxy. The affirmative vote of a majority of the shares of outstanding Class A Common Stock is required to amend our Restated Certificate of Incorporation to increase our authorized shares and eliminate the authorization of our Class B Common Stock. All actions proposed herein other than the election of Directors and the amendment to our Restated Certificate of Incorporation, may be taken upon the affirmative vote of stockholders possessing a majority of the shares of Class A Common Stock represented at the Meeting provided a quorum is present in person or by proxy.

Abstentions are included in the shares present at the Meeting for purposes of determining whether a quorum is present, and are counted as a vote against for purposes of determining whether a proposal is approved. Broker non-votes (when shares are represented at the Meeting by a proxy specifically conferring only limited authority to vote on certain matters and no authority to vote on other matters) are included in the determination of

- 2 -

the number of shares represented at the Meeting for purposes of determining whether a quorum is present but are not counted for purposes of determining whether a proposal has been approved and thus have no effect on the outcome.

This Proxy Statement, together with the related proxy card and our Annual Report to Stockholders for the year ended December 31, 2003, including financial statements (the "Annual Report"), is being mailed to all stockholders of record as of April 13, 2004. The mailing date will be on or about April 28, 2004. In addition, we have provided brokers, dealers, banks, voting trustees and their nominees, at our expense, with additional copies of the Annual Report so that such record holders could supply such materials to beneficial owners as of April 13, 2004.

ELECTION OF DIRECTORS

At this Meeting, two Class I Directors are to be elected to hold office until the Annual Meeting of Stockholders to be held in 2007, or until their successors shall have been elected and qualified.

We currently have six directors. As set forth in our Restated Certificate of Incorporation, the terms of office of the members of the Board of Directors

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

are divided into three classes: Class I, whose term will expire at the 2004 Annual Meeting of Stockholders; Class II, whose term will expire at the 2005 Annual Meeting of Stockholders; and Class III, whose term will expire at the 2006 Annual Meeting of Stockholders. Effective December 19, 2003, in connection with his retirement, Wijayaraj (Kumar) Mahadeva resigned as a Class I member of our Board of Directors. The remaining members of the Board elected Lakshmi Narayanan as a Class I Director, filling the vacancy on the Board. Therefore, the current Class I Directors are Lakshmi Narayanan and John E. Klein, the current Class II Directors are Robert W. Howe and Robert E. Weissman and the current Class III Directors are Venetia Kontogouris and Thomas M. Wendel. At each Annual Meeting of Stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, and any additional director of any class elected to fill a newly created directorship resulting from an increase in such class shall hold office for a term that shall coincide with the remaining term of that class, but in no case shall a decrease in the number of directors remove or shorten the term of any incumbent director. This classification of our Board of Directors may have the effect of delaying or preventing changes in control or management of Cognizant.

All Directors hold office until the expiration of their respective term and until their successors are duly elected and qualified. There are no family relationships among any of our executive officers, Directors and key employees.

It is the intention of the persons named in the enclosed form of proxy to vote the shares of Class A Common Stock represented thereby, unless otherwise specified in the proxy, for the election as Directors of the persons whose names and biographies appear below. Except as noted below, all of the persons whose names and biographies appear below are at present our Directors. In the event any of the nominees should become unavailable or unable to serve as a Director, it is intended that votes will be cast for a substitute nominee designated by the Board of Directors. The Board of Directors has no reason to believe that the nominees named will be unable to serve if elected. Each of the nominees has consented to being named in this Proxy Statement and to serve if elected.

CORPORATE GOVERNANCE

GENERAL

We believe that good corporate governance is important to ensure that we are managed for the long-term benefit of our stockholders. During the past year, we have continued to review our corporate governance policies and practices and to compare them to those suggested by various authorities in corporate governance and the practices of other public companies. We have also continued to review the provisions of the Sarbanes-Oxley Act of 2002, the new and proposed rules of the Securities and Exchange Commission and the new listing standards of the NASDAQ National Market.

Based on this review, in March 2004, our Board of Directors adopted Corporate Governance Guidelines, a Code of Business Conduct and Ethics and a charter for our Nominating and Corporate Governance Committee. In March 2004, we also amended and restated charters for our Audit Committee and Compensation Committee. You can access our current committee charters and Code of Business Conduct and Ethics in the "About Us" section of our Web site located at www.cognizant.com or by writing to our Secretary at our offices at 500 Glenpointe Centre West, Teaneck, New Jersey 07666.

DETERMINATION OF INDEPENDENCE

Under NASDAQ rules that become applicable to us on the date of the annual meeting, a director will only qualify as an "independent director" if, in the opinion of our Board of Directors, that person does not have a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board of Directors has determined that none of Robert Howe, Thomas Wendel, John Klein, Venetia Kontogouris or Robert Weissman has a relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is an "independent director" as defined under Rule 4200(a)(15) of the NASDAQ Stock Market, Inc. Marketplace Rules.

DIRECTOR CANDIDATES

The process to be followed by the Nominating and Corporate Governance Committee to identify and evaluate director candidates shall include requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Committee and the Board.

In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, the Nominating and Corporate Governance Committee will apply the criteria set forth in our Corporate Governance Guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Stockholders may recommend individuals to the Nominating and Corporate Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the stockholder or group of stockholders making the recommendation has beneficially owned more than 5% of

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

Class A Common Stock for at least a year as of the date such recommendation is made, to Nominating and Corporate Governance Committee, c/o Corporate Secretary, Cognizant Technology Solutions Corporation, 500 Glenpointe Centre West, Teaneck, New Jersey 07666. Assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate stockholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

COMMUNICATIONS FROM STOCKHOLDERS

The Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Our Secretary and Chairman of the Board, with the assistance of our General

- 7 -

Counsel, are primarily responsible for monitoring communications from stockholders and for providing copies or summaries to the other directors as they consider appropriate.

Under procedures approved by a majority of the independent directors, communications are forwarded to all directors if they relate to important substantive matters and include suggestions or comments that our Secretary and Chairman of the Board consider to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Board of Directors by emailing the Board of Directors at the following email address: corporategovernance@cognizant.com; or in writing: c/o Corporate Secretary, Cognizant Technology Solutions Corporation, 500 Glenpointe Centre West Teaneck, New Jersey 07666.

CODE OF BUSINESS CONDUCT AND ETHICS

We have adopted a written Code of Business Conduct and Ethics that applies to our Directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted the Code of Business Conduct and Ethics on our Web site, which is located at www.cognizant.com. In addition, we intend to post on our Web site all disclosures that are required by law or NASDAQ stock market listing standards concerning any amendments to, or waivers from, any provision of our Code of Business Conduct and Ethics.

ATTENDANCE BY MEMBERS OF THE BOARD OF DIRECTORS AT MEETINGS

There were 11 meetings of the Board of Directors during 2003. Each Director attended at least 75% of the aggregate of all meetings of the Board of Directors held during the period in which he or she served as a Director and the total number of meetings held by the committee on which he or she served during the period, if applicable.

Our Corporate Governance Guidelines adopted in March 2004 provide that directors are expected to attend the annual meeting of stockholders. None of our

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

directors attended the 2003 Annual Meeting of Stockholders.

COMMITTEES OF THE BOARD

The Board of Directors has established three standing committees - Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee - each of which operates under a charter that has been approved by our Board of Directors. Current copies of each committee's charter are posted on the "About Us" section of our Web site www.cognizant.com. In addition, a copy of the Audit Committee charter, as in effect on the date of this proxy statement, is attached hereto as Appendix A.

The Board of Directors has determined that all of the members of each of the Board's three standing committees are independent as defined under the new rules of the NASDAQ Stock Market that become applicable to us on the date of the 2004 Annual Meeting, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. In addition, all of the members of the Audit Committee are independent as defined by the rules of the NASDAQ Stock Market that apply to us until the date of the 2004 Annual Meeting.

Audit Committee

Our Audit Committee's responsibilities include:

- o appointing, approving the compensation of, and assessing the independence of our independent auditor;
 - o overseeing the work of our independent auditor, including through the receipt and consideration of certain reports from independent auditors;
- 8 -
- o reviewing and discussing with management and the independent auditors our annual and quarterly financial statements and related disclosures;
 - o monitoring our internal control over financial reporting, disclosure controls and procedures and code of business conduct and ethics;
 - o discussing and assessing our risk management policies;
 - o establishing policies regarding hiring employees from the independent auditor and procedures for the receipt and retention of accounting related complaints and concerns;
 - o meeting independently with our independent auditors and management; and
 - o preparing the audit committee report required by SEC rules (which is included on page 10 of this proxy statement).

Pursuant to the Audit Committee Charter, the Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2003 with our management and independent auditors. Additionally, the Audit Committee has discussed with the independent auditors the matters required by

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

Statement of Auditing Standards ("SAS") 61, has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 and has discussed with the independent auditors the independent auditors' independence. Based in part on the foregoing, the Audit Committee recommended to the Board of Directors that the financial statements as of and for the year ended December 31, 2003 audited by PricewaterhouseCoopers LLP be included in our Annual Report on Securities and Exchange Commission (the "SEC") Form 10-K.

The Board of Directors has determined that Thomas M. Wendel is an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K.

The members of the Audit Committee are Messrs. Howe, Klein and Wendel. During 2003, Messrs. Howe, Klein and Wendel were the only members of the Audit Committee. The Audit Committee was established in 1998 and met seven times during 2003. It is anticipated that Mr. Klein, if elected to the Board of Directors by our stockholders, will continue to serve on the Audit Committee.

Compensation Committee -----

Our Compensation Committee, which is comprised of Messrs. Howe, Klein and Weissman, is responsible for the administration of all salary and incentive compensation plans for our officers and key employees, including bonuses. In addition, our Compensation Committee has the following principal duties:

- o annually reviewing and approving corporate goals and objectives relevant to CEO compensation;
- o determining the CEO's compensation;
- o reviewing and approving, or making recommendations to the Board with respect to, the compensation of our other executive officers;

The Compensation Committee also administers our stock option plans, including the Incentive Plan, and establishes the terms and conditions of all stock options granted thereunder. The Compensation Committee will also administer our 2004 Employee Stock Purchase Plan if approved by the stockholders. During 2003, the

- 9 -

Compensation Committee was comprised of Messrs. Howe and Klein. In March 2004, Mr. Weissman was appointed to serve on the Compensation Committee. The Compensation Committee met one time during 2003.

To the Board of Directors of Cognizant Technology Solutions Corporation:

The Audit Committee of our Board of Directors is currently composed of three members and acts under a written charter first adopted and approved on May 17, 2000. The members of the Audit Committee are independent directors, as defined in its charter and the rules of the NASDAQ Stock Market. The Audit Committee held seven meetings during 2003.

Management is responsible for the preparation of the Company's financial statements and for maintaining an adequate system of disclosure controls and procedures and internal control over financial reporting for that purpose. Our independent auditors are responsible for conducting an independent audit of our annual financial statements in accordance with generally accepted accounting principles and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of these processes.

The Audit Committee has reviewed the Company's audited financial statements for the fiscal year ended December 31, 2003 and has discussed these financial statements with management and our independent auditors. The Audit Committee has also received from, and discussed with, our independent auditors various communications that our independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees). SAS 61 requires our independent auditors to discuss with the Audit Committee, among other things, the following:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

- 10 -

Our independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that, in the auditor's professional opinion, may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. In addition, the Audit Committee discussed with the independent auditors their independence from Cognizant. The Audit Committee also considered whether the independent auditors' provision of certain other non-audit related services to us is compatible with maintaining such auditors' independence.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2003.

COMPENSATION OF DIRECTORS

Directors who are our employees or employees of our subsidiaries receive no cash remuneration for serving as Directors. All other non-employee Directors receive an annual retainer of \$20,000 for attendance at meetings of the Board of Directors (no additional fees are paid for attendance at non-committee meetings of the Board of Directors) and \$1,500 for attendance at each meeting of a committee of the Board of Directors or \$2,000 for attendance at each meeting of a committee of the Board of Directors if serving as the chairperson of such committee meeting. All Directors who are not our employees or employees of our subsidiaries are eligible to participate in our Non-Employee Directors' Stock Option Plan (the "Director Plan") and, effective as of May 1999, the Incentive Plan.

The Director Plan became effective in December 1997 and was amended in March 1998. The aggregate number of shares of Class A Common Stock reserved for issuance under the Director Plan is 429,000 shares. The Director Plan, which is administered by the Compensation Committee, provides for the issuance of non-qualified stock options to purchase up to 90,000 shares of Class A Common Stock in any year to any of our Directors who is not our employee or an employee of one of our subsidiaries. Subject to the provisions of the Director Plan, the Compensation Committee has the authority to interpret the provisions of the Director Plan, and to determine the persons to whom options will be granted, the number of shares to be covered by each option and the terms and conditions upon which an option may be granted. The option price for options granted under the Director Plan shall be determined by the Compensation Committee and may be granted at an exercise price greater than, less than or equal to the fair market value of the underlying shares on the date of grant. Options granted under the Director Plan become exercisable as to 50% on each of the first and second anniversaries of the date of initial grant. Options granted under the Director Plan expire after 10 years, are nontransferable and, with certain exceptions in the event of a death of a participant, may be exercised by the optionee only during service. In the event of an optionee's death or disability, the unexercised portion of an option immediately vests in full and may be exercised until (i) the earlier of the remaining stated term of the option or five years after the date of death with respect to a termination due to death or (ii) the earlier of the remaining stated term of the option and the longer of five years after the date of termination due to disability or one year after the date of death, in the case of a termination due to disability. In the case of a termination for any other reason, the unexercised portion of an option may be exercised for the period ending ninety days after termination, but only to the extent such option was exercisable at the time of termination.

The Incentive Plan became effective in May 1999. The aggregate number of shares of Class A Common Stock currently reserved for issuance under the Incentive Plan is 18,000,000. The purpose of the Incentive Plan is to (i) aid us in motivating certain employees, non-employee directors and independent contractors to put forth maximum efforts toward the our growth, profitability and success; and (ii) provide incentives which will attract and retain highly qualified individuals as employees and non-employee directors and to assist in aligning the interests of such employees and non-employee directors with those of our stockholders. Subject to adjustment, for among other things, a merger, consolidation, reorganization, stock split, or other change in capital structure, an individual is limited to a maximum of 4,500,000 shares during the life of the Incentive Plan. Additionally, the maximum dollar amount paid in cash to any individual during the life of the Incentive Plan is \$10,000,000. An award may be designated as a stock option, stock appreciation right, stock award, stock unit, performance share, performance unit or cash. Generally, all awards under the Incentive Plan are nontransferable except by will or in accordance with the laws of descent and distribution. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has furnished the following report:

Our executive compensation policy is designed to attract and retain highly qualified individuals for our executive positions and to provide incentives for such executives to achieve maximum Company performance by aligning the executives' interest with that of stockholders by basing a portion of compensation on corporate performance.

The Compensation Committee reviews and determines base salary levels for our executive officers on an annual basis and determines actual bonuses after the end of the fiscal year based upon Company and individual performance. Additionally, the Compensation Committee administers all of our stock option plans.

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

Our executive officer compensation program is comprised of base salary, discretionary annual cash bonuses, stock options and various other benefits, including health insurance and a 401(k) Plan, which are generally available to all of our employees.

Salaries are established in accordance with industry standards through review of publicly available information concerning the compensation of officers of comparable companies. Consideration is also given to relative responsibility, seniority, individual experience and performance. Salary increases are generally made based on increases in the industry for similar companies with similar performance profiles and/or attainment of certain division or Company goals.

Bonuses are paid on an annual basis and are discretionary. The amount of bonus is based on criteria designed to effectively measure a particular executive's attainment of goals which relate to his or her duties and responsibilities as well as overall Company performance. In general, the annual incentive bonus is based on our operational and financial results and the executive's individual performance in achieving the results.

The stock option program is designed to relate executives' and certain middle managers' and other key personnel's long-term interests to stockholders' long-term interests. In general, stock option awards are granted if warranted by our growth and profitability. Stock options are awarded on the basis of individual performance and/or the achievement of internal strategic objectives.

The Committee established the Chief Executive Officer's total annual compensation based on the size, complexity and historical performance of our business, our position as compared to our peers in the industry, and the specific challenges faced by us during the year, such as changes in the market for information technology products and services and other industry factors. No specific weight was assigned to any of the criteria relative to the Chief Executive Officer's compensation.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to our CEO and the four other most highly compensated executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The Compensation Committee reviews the potential effect of Section 162(m) periodically and uses its judgment to authorize compensation payments that may be subject to the limit when the Compensation Committee believes such payments are appropriate and in our best interests and the best interest of our stockholders, after taking into consideration changing business conditions and the performance of our employees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

TRANSACTIONAL HISTORY WITH IMS HEALTH AND ITS AFFILIATES

From November 30, 1996 through June 30, 1998, we were a subsidiary of Cognizant Corporation. In June 1998, Cognizant Corporation spun off (the "Spin-Off") from IMS Health. IMS Health consisted of all of Cognizant Corporation's businesses other than the business conducted by Nielsen Media Research. Therefore, all of our shares held by Cognizant Corporation immediately prior to the Spin-Off were subsequently held by IMS Health. At December 31, 2002, IMS Health owned 55.3% of our outstanding stock (representing all of our Class B common stock) and held 92.5% of the combined voting power of our common stock.

On January 30, 2003, we filed a tender offer in which IMS Health stockholders could exchange IMS Health shares held by them for our Class B common stock held by IMS Health.

On February 13, 2003 (the "Split-Off Date"), IMS Health distributed all of our Class B Common Stock that IMS Health owned (a total of 33,872,700 shares) in

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

an exchange offer to its stockholders (the "Exchange Offer"). IMS Health distributed 0.927 shares of our Class B common stock to its stockholders for every one share of IMS Health's common stock tendered. There was no impact on the number of our total shares outstanding upon the completion of the Exchange Offer. Accordingly, as of February 13, 2003, IMS Health is no longer a related party since it no longer owns any equity interest or holds any of our voting power.

In connection with the Exchange Offer, we were obligated to pay the costs associated with the Exchange Offer under the provisions of an Intercompany Agreement, dated May 15, 1998. Pursuant to the terms of such agreement, we agreed we would pay IMS Health's costs (other than underwriting discounts, commissions and certain other specified costs) necessary to facilitate a sale or spin-off of IMS Health's ownership interest in Cognizant. During 2003, we incurred direct and incremental costs of approximately \$2,000,000 resulting from external costs contractually incurred related to the Exchange Offer.

TRANSACTIONS WITH IMS HEALTH

In connection with the Exchange Offer, we amended and entered into certain agreements with IMS Health which are summarized below.

Master Services Agreement. Pursuant to an amended and restated Master Services Agreement, we continue to provide software development and maintenance services to IMS Health and its subsidiaries on terms that are comparable to unrelated third parties. During the period January 1, 2003 through the Split-Off Date, such services resulted in related-party revenue to us in the amount of \$2.6 million. The Master Services Agreement provides that any work order issued thereunder may be terminated by IMS Health with or without cause on 30 days' prior written notice.

Intercompany Services Agreement. Pursuant to the Intercompany Services Agreement, IMS Health provides us with certain administrative services, including payables processing and certain other administrative services. Total costs in connection with such administrative services provided by IMS Health during the period January 1, 2003 through the Split-Off Date were approximately \$28,000.

Distribution Agreement. We also entered into a Distribution Agreement, dated January 7, 2003, with IMS Health (the "Distribution Agreement"), the terms of which were approved by a special committee of our Board of Directors, which was comprised of our independent directors. The Distribution Agreement sets forth certain rights and obligations of IMS Health and us in respect of the Exchange Offer in addition to those provided in the Intercompany Services Agreement. The material terms of the Distribution Agreement include:

- o indemnification provisions in respect of the respective disclosure in the Exchange Offer documents, the conduct of the Exchange Offer and any failure to perform under the terms of the Distribution Agreement;
- o the agreement of us to undertake to be jointly and severally liable to certain of IMS Health's prior affiliates for liabilities arising out of or in connection with IMS Health's business and our businesses and other successors to the businesses of Cognizant Corporation in accordance with the terms of the Distribution Agreement, dated as of October 28, 1996, among Cognizant Corporation, which has been

renamed Nielsen Media Research, Inc., The Dun & Bradstreet Corporation, which has been renamed the R.H. Donnelly Corporation and ACNielsen Corporation and related agreements. However, subject to the general allocation of liabilities arising from the respective businesses of IMS Health and us, IMS Health has agreed to indemnify and reimburse us for liabilities incurred with respect to these undertakings;

- o the continuation of certain commercial relationships between the companies for a period of at least three years; and
- o provisions governing the administration of certain insurance programs and procedures for making claims.

The Distribution Agreement also provided that we and IMS Health will comply with, and not take any action during the relevant time period that is inconsistent with, the representations made to and relied upon by McDermott, Will & Emery in connection with rendering its opinion regarding the U.S. federal income tax consequences of the Exchange Offer. In addition, pursuant to the Distribution Agreement, we indemnify IMS Health for any tax liability to which they may be subject as a result of the Exchange Offer but only to the extent that such tax liability resulted solely from a breach in the representations we made to and were relied upon by McDermott, Will & Emery in connection with rendering its opinion regarding the U.S. federal income tax consequences of the Exchange Offer.

During 2003, we provided services to the Trizetto Group, Inc. ("Trizetto") pursuant to a strategic relationship that includes helping Trizetto's healthcare customers integrate Trizetto's products with their existing information systems and, within Trizetto, supporting further development of these software applications. As of the Split-Off Date, IMS Health owned approximately 26.4% of the outstanding common stock of Trizetto. From January 1, 2003 through the Split-Off Date, we recorded revenues from Trizetto of approximately \$831,000. In addition, from January 1, 2003 through the Split-Off Date, we recorded expenses related to Trizetto commissions of approximately \$9,000. David M. Thomas, a member of our Board of Directors through the Split-Off Date, is also a member of the Board of Directors of Trizetto.

Certain of our employees, including Mr. Mahadeva and Mr. Coburn, participated in IMS Health's defined benefit pension plans. The plans are cash balance pension plans under which six percent of creditable compensation plus interest is credited to the employee's retirement account on a monthly basis. The cash balance earns monthly investment credits based on the 30-year Treasury bond yield. At the time of retirement, the vested employee's account balance is actuarially converted into an annuity. Our cost for these plans is included in the allocation of expense from IMS Health for employee benefits plans.

TRANSACTIONS WITH OTHER AFFILIATES

In August 1995, we loaned \$57,200 to Mr. Chandrasekaran for the purchase of a residence. The loan was secured by the residence and bore interest at the rate of two percent per annum. Principal and interest on the loan were payable over a ten-year period. Mr. Chandrasekaran repaid the loan in full in July 2003.

On December 19, 2003, our founder, Chairman and Chief Executive Officer, Wijayaraj (Kumar) Mahadeva, retired as a director and officer of Cognizant. In connection with Mr. Mahadeva's retirement, on December 19, 2003, we entered into an agreement and general release of all claims with Mr. Mahadeva.

PROPOSED AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION

Our Restated Certificate of Incorporation (the "Certificate") presently provides that we are authorized to issue two classes of common stock and one class of preferred stock consisting of 100,000,000 shares of Class A Common Stock, \$0.01 par value per share, 25,000,000 shares of Class B Common Stock, \$0.01 par value per share, and 15,000,000 shares of Preferred Stock, \$0.01 par value per share ("Preferred Stock"). In April 2004, our Board of Directors authorized an amendment to the Certificate, subject to stockholder approval, to (i) increase the authorized number of shares of Class A Common Stock to 325,000,000 shares, and (ii) eliminate the authorization of Class B Common Stock and delete all references thereto. The stockholders are being asked to approve such amendment to the Certificate. The proposed increase in the authorized number of shares will permit a proposed two-for-one stock split of our capital stock. In April 2004, our Board of Directors declared a two-for-one stock split on our Class A Common Stock in the form of a stock dividend, subject to stockholder approval of this proposal to increase the authorized shares of Class A Common Stock. In addition, the remaining shares would give the Board the authority to issue additional shares of Class A Common Stock without requiring future stockholder approval of such issuances except as may be required by applicable law. A copy of the proposed amendment to the Certificate is attached hereto as Appendix B.

We currently have authorized 100,000,000 shares of Class A Common Stock. As of April 12, 2004, 64,695,461 shares of Class A Common Stock were issued and outstanding; 12,460,269 shares were reserved for future grant or for issuance upon the exercise of outstanding options under the Incentive Plan; 723,558 shares were reserved for future grant or for issuance upon the exercise of outstanding options under the Key Employees Stock Option Plan; and 96,000 shares were reserved for future grant or for issuance upon the exercise of outstanding options under the Non-Employee Directors' Stock Option Plan. Accordingly, as of April 12, 2004, and without giving effect to the proposed adoption of the amendment to the 1999 Incentive Compensation Plan and adoption of our 2004 Employee Stock Purchase Plan described in this Proxy Statement, we had only 22,024,712 shares of authorized but unreserved and unissued Class A Common Stock.

The principal purpose of the proposed amendment to the Certificate relating to the authorization of additional shares of Class A Common Stock is to effect the proposed stock split and to ensure that a sufficient number of shares of Class A Common Stock will be available in the event the Board of Directors determines that is it necessary or appropriate to issue additional shares of Class A Common Stock, including, for example, to raise additional capital through the sale of securities, to grant options or other stock incentives to our employees, to acquire another company or its business or assets, to seek to establish a strategic relationship with a corporate partner or to permit a future stock dividend or stock split. Except for the proposed stock split and our commitment under our existing and proposed equity compensation plans, our Board of Directors has no other present agreement or arrangement to issue any additional shares. If the amendment is approved by the stockholders, our Board of Directors does not intend to solicit further stockholder approval prior to the issuance of any additional shares of Class A Common Stock, except as may be required by applicable law.

The principal purpose of proposed amendment to the Certificate relating to the elimination of the authorization of our Class B Common Stock and deletion of all references to Class B Common Stock in the Certificate is to remove the

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

super-voting provisions of the Class B Common Stock. The Class B Common Stock originally was authorized as a result of our historical relationship with IMS Health. We do not have any intention of issuing any shares of our Class B Common Stock.

The increase in the authorized number of shares of Class A Common Stock and the subsequent issuance of such shares could have the effect of delaying or preventing a change in control of Cognizant without further action by our stockholders. Shares of authorized and unissued Class A Common Stock could (within the limits imposed by applicable law) be issued in one or more transactions that would make a change in control of us more difficult, and therefore less likely. Any such issuance of additional stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Class A Common Stock, and such additional shares could be used to dilute the stock ownership or voting rights of persons seeking to obtain control of Cognizant. The holders of Class A Common Stock have no preemptive rights.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION.

- 31 -

PROPOSED AMENDMENT TO THE 1999 INCENTIVE COMPENSATION PLAN

The Incentive Plan was adopted by Board of Directors on April 13, 1999 and approved by our stockholders on May 25, 1999. Currently, there are 18,000,000 shares of Class A Common Stock reserved for issuance upon the exercise of stock options or other awards granted under the Incentive Plan. A copy of the Incentive Plan, as amended, is attached hereto as Appendix C.

GENERAL

The purpose of the Incentive Plan is to:

- aid us in motivating certain employees, non-employee directors and independent contractors to put forth maximum efforts toward our growth, profitability and success; and
- provide incentives which will attract and retain highly qualified individuals as employees and non-employee directors and to assist in aligning the interests of such employees and non-employee directors with those of our stockholders.

Pursuant to the Incentive Plan, all of our employees, all of our non-employee directors and all of our independent contractors are eligible to receive awards that may be stock-based or payable in cash. Subject to adjustment, for among other things, a merger, consolidation, reorganization, stock split, or other change in capital structure, an individual is limited to a maximum of 4,500,000 shares during the life of the Incentive Plan. Additionally, the maximum dollar amount paid in cash to any individual during the life of the Incentive Plan is \$10,000,000. The Incentive Plan terminates on April 13, 2009, unless sooner terminated by the Board of Directors. The Board may amend the Incentive Plan, except that no such action can adversely affect awards previously granted. Without stockholder approval, the Board may not:

- increase the total amount of the Class A Common Stock allocated to the Incentive Plan (except for permitted capital adjustments);

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

- increase the maximum amount of the Class A Common Stock with respect to all awards measured in Class A Common Stock that may be granted to any individual under the Incentive Plan;
- increase the maximum dollar amount that may be paid with respect to all awards measured in cash; or
- modify the requirements as to eligibility for awards.

Additionally, stockholder approval is necessary if an amendment (1) is required by the stock exchange or national market system on which the Class A Common Stock is listed or (2) will disqualify any incentive stock option granted under the Incentive Plan. If stockholder approval of this proposal to amend the Incentive Plan is obtained, further stockholder approval will be necessary if any future amendment is considered material in the reasonable judgment of the Compensation Committee.

The Incentive Plan is administered by the Compensation Committee. Subject to the provisions of the Incentive Plan, the Compensation Committee has the authority, among other things, to do the following:

- determine eligibility for participation;
- determine eligibility for and the type and size of awards;
- issue administrative guidelines and make rules as an aid to administer the Incentive Plan;
- grant waivers of terms, conditions, restrictions and limitations; and
- accelerate the vesting of any award.

- 32 -

TYPES OF AWARDS

Several types of awards are provided for by the Incentive Plan. The awards may be measured in stock or in cash. An award may be designated as a stock option, stock appreciation right, stock award, stock unit, performance share, performance unit or cash.

Stock Options. The Incentive Plan provides for the granting of options intended to qualify as incentive stock options, or ISOs, as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"). The Incentive Plan also provides for the granting of non-qualified stock options, or NQSOs. ISOs or NQSOs may be granted to employees, while only NQSOs may be granted to non-employee directors and independent contractors. ISOs granted under the Incentive Plan may not be granted at an exercise price less than fair market value of the underlying shares on the date of grant. NQSOs granted under the Incentive Plan may not be granted at an exercise price less than fair market value of the underlying shares on the date of grant unless the Compensation Committee determines otherwise on the date of grant. If stockholder approval of this proposal to amend the Incentive Plan is obtained, NQSOs may no longer be granted at an exercise price less than fair market of the underlying shares on the date of grant. Unless the Compensation Committee specifies otherwise, options granted under the Incentive Plan become exercisable to the extent of 25% of the grant on each of the first, second, third and fourth anniversary of the grant. Under the Incentive Plan, ISOs and NQSOs expire 10 years after the grant.

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

Stock Appreciation Rights. Stock appreciation rights ("SARs") entitle their recipients to receive payments in cash, Class A Common Stock or a combination as determined by the Compensation Committee. Any such payments will represent the appreciation in the market value of a specified number of shares from the date of grant until the date of exercise. Such appreciation will be measured by the excess of the fair market value on the exercise date over the fair market value of the Class A Common Stock, or other valuation (which shall be no less than the fair market value of the Class A Common Stock) on the effective date of grant of SARs or the grant of an award which the SAR replaced.

Stock Awards. A stock award consists of shares of Class A Common Stock, subject to such terms and conditions as determined by the Compensation Committee. A grantee of a stock award has all of the rights of a holder of shares of Class A Common Stock unless otherwise determined by the Compensation Committee on the date of grant.

Stock Units. A stock unit is a hypothetical share of Class A Common Stock represented by a notional account established and maintained or caused to be established and maintained by us for a grantee of a stock unit. Stock units are subject to such terms and conditions as determined by the Compensation Committee. A stock unit shall provide for payment in shares of Class A Common Stock at such time as the award agreement shall specify. The Compensation Committee has the sole discretion to pay the stock unit in Class A Common Stock, cash or a combination.

Performance Shares. A performance share consists of a share or shares of Class A Common Stock, subject to such terms and conditions as determined by the Compensation Committee. Such terms and conditions may include, among other things, a determination of performance goals which will determine the number and/or value of the performance shares that will be paid out or distributed. The Compensation Committee has the sole discretion to pay the performance share in Class A Common Stock, cash or a combination.

Performance Unit. A performance unit is a hypothetical share or shares of Class A Common Stock represented by a notional account established and maintained or caused to be established and maintained by us for a grantee of a performance unit. The Compensation Committee has the sole discretion to pay the performance share in Class A Common Stock, cash or a combination.

Cash Awards. The Compensation Committee may grant cash awards subject to such terms and conditions as it determines appropriate.

Subject to certain criteria, Compensation Committee has the sole discretion to designate awards as performance-based awards if it determines that such compensation might not be tax deductible by us under Section

- 33 -

162(m) of the Code. The Compensation Committee may use the following performance measures (either individually or in any combination) to set performance goals with respect to awards intended to qualify as performance-based awards: net sales; pretax income before allocation of corporate overhead and bonus; budget; cash flow; earnings per share; net income; division, group or corporate financial goals; return on stockholders' equity; return on assets; attainment of

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

strategic and operational initiatives; appreciation in and/or maintenance of the price of the Class A Common Stock or any of our other publicly-traded securities; market share; gross profits; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; economic value-added models; comparisons with various stock market indices; increase in number of customers; and/or reductions in costs. The material terms of performance goals must be approved by our stockholders. Additionally, the material terms of performance goals must be disclosed and reapproved by our stockholders no later than the first stockholder meeting that occurs in the fifth year following the year in which our stockholders previously approved such performance goals.

In the event a grantee's employment is terminated due to death or disability, all non-vested portions of awards are forfeited. All vested portions of stock options or SARs remain exercisable during the shorter of the remaining stated term of the stock option or SAR or twelve months following the date of death or disability. If a grantee's employment is terminated for cause, as defined in the Incentive Plan, all awards, whether vested or non-vested, are forfeited. If a grantee's employment is terminated any other reason other than for cause or due to death or disability, all non-vested portions of awards are forfeited and all vested portions of stock options or SARs remain exercisable during the shorter of the remaining stated term of the award or 90 days following the date of termination. Notwithstanding the above, the Compensation Committee may, in its discretion, provide that:

- the vesting of any or all non-vested portions of stock options or SARs held by a grantee on the date of his or her death or termination shall be accelerated and remain exercisable for the term of the stock option or SAR;
- any or all vested portions of non-qualified stock options or SARs held by a grantee on the date of his or her death or termination shall remain exercisable until a date that occurs on or prior to the date the stock option or SAR is scheduled to expire; and/or
- any or all non-vested portions of stock awards, stock units, performance shares, performance units and/or cash awards held by a grantee on the date of his or her death or termination shall become vested on a date that occurs on or prior to the date the award is scheduled to vest.

Generally, all awards under the Incentive Plan are nontransferable except by will or in accordance with the laws of descent and distribution. Stock options and SARs are exercisable only by the grantee during his or her lifetime. The Compensation Committee, in its discretion, may permit the transferability of a stock option (other than an ISO) by a grantee to members of his or her immediate family or trusts or other similar entities for the benefit of such person.

CHANGE IN CONTROL

Upon the occurrence of a change in control of Cognizant, as defined in the Incentive Plan, with certain exceptions, the Compensation Committee has the discretion to, among other things, accelerate the vesting and payout of outstanding awards or provide that an award be assumed by the entity which acquires control of us or be substituted by a similar award under such entity's compensation plan.

AMENDMENTS TO THE INCENTIVE PLAN

If stockholder approval of this proposal to amend the Incentive Plan is obtained, (i) the maximum number of shares of Class A Common Stock of Cognizant

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

reserved for issuance under the Incentive Plan will increase from 18,000,000 to 19,000,000 shares and we will reserve an additional 1,000,000 shares of Class A Common Stock for issuance upon the exercise of stock options or for the issuance of other awards granted under the Incentive Plan, (ii) the Compensation Committee may not, without the consent of our stockholders, reprice any outstanding award granted under the Incentive Plan, (iii) subject to certain exceptions, any award granted under the Incentive Plan other than a stock option that is not subject to performance criteria, must vest over a period of at least three years in equal installments over such three year period, (iv) subject to certain exceptions, any award granted under the Incentive Plan, other than a stock option that is subject to performance criteria, must vest over a period of at least 12 months in

- 34 -

equal installments, and (v) all amendments to the Incentive Plan considered material in the reasonable judgment of the Compensation Committee shall be subject to stockholder approval.

FEDERAL TAX ASPECTS OF THE INCENTIVE PLAN

We believe that, under the present law, the following are the federal tax consequences generally arising with respect to awards granted under the Incentive Plan. The grant of an option or SAR will create no tax consequences for an optionee or us. The optionee will have no taxable income upon exercising an ISO (except that the alternative minimum tax may apply), and we will receive no deduction when an ISO is exercised. Upon exercising an option other than an ISO, the optionee must recognize ordinary income equal to the difference between the exercise price and the fair market value of the stock on the date of exercise; we will be entitled to a deduction for the same amount. The treatment of an optionee on a disposition of shares acquired through the exercise of an option depends on how long the shares have been held and on whether such shares were acquired by exercising an ISO or by exercising an option other than an ISO. Generally, there will be no tax consequences to us in connection with a disposition of shares acquired under an option except that we may be entitled to a deduction in the case of a disposition of shares acquired under an ISO before the applicable ISO holding periods have been satisfied.

With respect to other awards granted under the Incentive Plan that are settled either in cash or in stock or other property that is either transferable or not subject to substantial risk of forfeiture, the participant must recognize ordinary income equal to the cash or the fair market value of shares or other property received; we will be entitled to a deduction for the same amount. With respect to awards that are settled in stock or other property that is restricted as to transferability and subject to substantial risk of forfeiture, the participant must recognize ordinary income equal to the fair market value of the shares or other property received at the time the shares or other property become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier; we will be entitled to a deduction for the same amount. Different tax rules may apply with respect to participants who are subject to Section 16 of the Exchange Act.

PROPOSED AMENDMENT TO THE 1999 INCENTIVE COMPENSATION PLAN

Stockholders are being asked to consider and vote upon a proposed amendment to the Incentive Plan to (i) increase the maximum number of shares of Class A Common Stock of the Corporation reserved for issuance from 18,000,000 to 19,000,000 shares and to reserve an additional 1,000,000 shares of Class A Common Stock for issuance upon the exercise of stock options or for the issuance

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

of other awards granted under the Incentive Plan, (ii) provide that repricing of stock options may not occur without stockholder approval, (iii) provide for minimum restriction periods for stock based awards, other than stock options, (iv) provide that stock options may not be granted below fair market value, and (v) provide that all material amendments to the Incentive Plan shall be subject to stockholder approval.

The Board of Directors believes that the amendment provides an important inducement to recruit and retain the best available personnel and will assist in aligning the interests of such personnel with our stockholders' interests.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE FOREGOING AMENDMENT TO THE INCENTIVE PLAN.

PROPOSED APPROVAL OF 2004 EMPLOYEE STOCK PURCHASE PLAN

Our Board of Directors has adopted, and is submitting to stockholders for approval, our 2004 Employee Stock Purchase Plan (the "2004 Employee Stock Purchase Plan"). A copy of our 2004 Employee Stock Purchase Plan is attached hereto as Appendix D.

Our 1999 Employee Stock Purchase Plan (the "1999 ESPP") expired pursuant to its terms on December 31, 2003. An aggregate of 2,400,000 shares of Class A Common Stock were authorized under the 1999 ESPP of which 371,751 shares of Class A Common Stock were issued and 2,028,249 shares of Class A Common Stock remained available for issuance under the 1999 ESPP at the time of expiration. In April 2004, our Board of Directors deemed it advisable and in our best interests to provide our eligible employees with opportunities to purchase shares of our Class A Common Stock pursuant to our 2004 Employee Stock Purchase Plan, such plan to consist of 1,500,000 shares of Class A Common Stock available for issuance.

The purpose of the 2004 Employee Stock Purchase Plan is to provide a further incentive for employees to promote our best interests and to encourage stock ownership by employees in order to participate in our potential economic progress. A total of 1,500,000 shares will be made available for issuance and purchase pursuant to the 2004 Employee Stock Purchase Plan. If our 2004 Employee Stock Purchase Plan is approved, U.S. employees will be eligible to participate in such plan effective as of April 1, 2004. If our 2004 Employee Stock Purchase Plan is not approved, no Class A Common Stock shall be purchased under the 2004 Employee Stock Purchase Plan and the balance of each Participant's Account (as defined below) shall be promptly returned to the Participant.

Our 2004 Employee Stock Purchase Plan is intended to form part of our overall compensation structure, in conjunction with our stock option plans, to provide an additional source for our employees to share in our prospects for equity growth. Our Board of Directors believes that a broad-based plan, such as the 2004 Employee Stock Purchase Plan, serves as an important element in promoting equity ownership among employees generally. At April 12, 2004, we had approximately 10,518 full-time employees.

In general, our 2004 Employee Stock Purchase Plan provides for eligible employees to designate in advance of specified purchase periods (which will be quarterly, unless otherwise elected by the Board) a percentage of compensation (up to 15%) to be withheld from their pay and applied toward the purchase of such number of whole shares of Class A Common Stock as can be purchased at a price of 90% of the lesser of (a) the fair market value of a share of Class A

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

Common Stock on the first day of the Purchase Period; or (b) the fair market value of a share of Class A Common Stock on the Exercise Date (as hereinafter defined) of such Purchase Period. No employee can purchase more than \$25,000 worth of stock annually, and no stock can be purchased by any person which would result in the purchaser owning five percent or more of our total combined voting power or value of all classes of our stock.

The 2004 Employee Stock Purchase Plan is intended to satisfy the requirements of Section 423(b) of the Code which requires that it be approved by stockholders within one year of the earlier of its adoption by the Board of Directors or the 2004 Employee Stock Purchase Plan's effective date. The 2004 Employee Stock Purchase Plan was adopted by the Board of Directors on April 8, 2004. In addition, the 2004 Employee Stock Purchase Plan is intended to comply with certain requirements of Rule 16b-3 under the Exchange Act. Messrs. Howe, Klein and Weissman serve on the committee which administers the 2004 Employee Stock Purchase Plan.

The term of the 2004 Employee Stock Purchase Plan will continue in effect until all shares reserved for issuance have been granted to participants, unless terminated earlier by our Board of Directors. Our Board of Directors generally has the right to amend or terminate the 2004 Employee Stock Purchase Plan without the consent of participants or stockholders, subject to certain exceptions.

Each U.S. employee (except short-term, part-time, or seasonal employees) is eligible to participate in the 2004 Employee Stock Purchase Plan (an "Eligible Employee"), provided he or she is not, as of the day preceding the first day of the Purchase Period (as defined below), deemed, for purposes of Section 423(b)(3) of the Code, to own stock possessing 5% or more of our total combined voting power or value of all classes of our stock.

The purchase price per share of the Class A Common Stock sold under the 2004 Employee Stock Purchase Plan for any Purchase Period will be equal to the lesser of (a) 90% of the "fair market value" of a shares of Class A Common Stock on the first day of such Purchase Period, or (b) 90% of the "fair market value" of a share of Class A

- 38 -

Common Stock on the last day of such Purchase Period (the "Exercise Date"). The fair market value will be deemed to be the average of the last bid and asked prices of the Class A Common Stock reported by NASDAQ, or as the case may be, the last reported sales price of the Class A Common Stock on such date as reported by the NASDAQ National Market or the principal national securities exchange on which such stock is listed and traded, or in each such case where there is no trading on such date, on the first previous date on which there is such trading.

Under the 2004 Employee Stock Purchase Plan, a separate option to purchase shares of Class A Common Stock will be granted to each Eligible Employee as of the first day of each "Purchase Period." The option grant applies automatically to all Eligible Employees, but to participate in the 2004 Employee Stock Purchase Plan, further action is required as explained below. A Purchase Period will be a period of three months or such other period elected by our Board of Directors, during which time payroll deductions will be made to fund the purchase of shares subject to option. If this proposal is approved by our stockholders, for 2004, the Purchase Periods shall be quarterly commencing on April 1, 2004 and ending on December 31, 2004. The maximum number of shares an Eligible Employee is eligible to purchase for any Purchase Period of one

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

calendar year is \$25,000 valued on the first day of the relevant Purchase Periods. If, as of the first day of each such Purchase Period, an Eligible Employee would be deemed for purposes of Section 423(b)(3) of the Code to own our stock (including any number of shares which such person is entitled to purchase under the 2004 Employee Stock Purchase Plan) possessing 5% or more of our total combined voting power or value of all classes of our stock, the maximum number of shares such person will be entitled to purchase pursuant to the 2004 Employee Stock Purchase Plan will be reduced. Options granted to Eligible Employees who fail to authorize payroll deductions will automatically lapse.

In order to purchase shares pursuant to an option, an Eligible Employee must sign a Stock Purchase Agreement and properly return it as instructed or electronically enroll in the plan in advance of the first day of each Purchase Period. By doing so, the employee becomes a Participant in the 2004 Employee Stock Purchase Plan. Under the Stock Purchase Agreement, each Eligible Employee who elects to participate in the 2004 Employee Stock Purchase Plan must authorize contributions to the 2004 Employee Stock Purchase Plan through regular payroll deductions, effective as of the first day of the relevant Purchase Period. A Participant may authorize payroll deductions from his or her cash W-2 compensation, as defined in the 2004 Employee Stock Purchase Plan ("Compensation"), for each payroll period, of a specified percentage of such compensation, not less than 1% and not more than 15%, in multiples of 1%. The amount of payroll deduction must be established at the beginning of a Purchase Period and may not be altered, except for complete discontinuance. The payroll deduction authorized by a Participant will be credited to an individual account maintained for the Participant under the 2004 Employee Stock Purchase Plan (an "Account").

For any particular Purchase Period, the committee administering the 2004 Employee Stock Purchase Plan may elect, in advance, a "Trust Administration Option" whereby the amounts of payroll deductions taken for Participants will be deposited regularly in a trust established by us with an institutional trustee for the benefit of Participants. Unless withdrawn earlier, the funds held for the respective Participants (together with applicable earnings) will be applied by the trustee on the Exercise Date to purchase shares of Class A Common Stock for each such Participant in accordance with the 2004 Employee Stock Purchase Plan. We will pay all the expenses of trust establishment and administration, but will not have a lien over, reversionary interest in, the trust assets. Withdrawals by Participants during a Purchase Period while the Trust Administration Option is in effect will entitle the withdrawing Participants to their respective shares of earnings by the trust on their accumulated payroll deductions.

Shares of Class A Common Stock acquired pursuant to the exercise of options under the 2004 Employee Stock Purchase Plan and funded pursuant to payroll deductions as provided in the Stock Purchase Agreement are to be offered and sold to Eligible Employees solely pursuant to an effective Registration Statement filed under the Securities Act of 1933, as amended.

If there is credited to the Account of a Participant as of any Exercise Date an amount at least equal to the purchase price determined under the 2004 Employee Stock Purchase Plan of one share of Class A Common Stock for the current Purchase Period, the Participant will purchase, and we will sell, at such price the largest number of whole shares of Class A Common Stock which can be purchased with the amount credited to his or her Account. In no event will fractional shares be issued. Any balance remaining in a Participant's Account at the end of a Purchase Period (not in excess of the purchase price of one share of Class A Common Stock) will be carried forward into a Participant's Account for the following Purchase Period.

No Participant may, in any calendar year, purchase such number of shares under the 2004 Employee Stock Purchase Plan which, when aggregated with all other shares of our stock which he or she may be entitled to purchase under any other of our employee stock purchase plans which meets the requirements of Section 423(b) of the Code, exceeds \$25,000 in fair market value. Since the exclusive method for purchasing shares under the 2004 Employee Stock Purchase Plan is through payroll deductions whose maximum limit is 15% of Compensation, the 15% limitation will be the effective limit on purchases of stock under the 2004 Employee Stock Purchase Plan for substantially all employees.

If, as of the Exercise Date in any Purchase Period, the aggregate funds available for the purchase of shares of Class A Common Stock would result in a purchase of shares in excess of the maximum number of shares then available for purchase under the 2004 Employee Stock Purchase Plan, the number of shares which would otherwise be purchased by each Participant on the Exercise Date will be reduced by a factor relative to the payroll deduction accumulation for each Participant.

FEDERAL INCOME TAX CONSEQUENCES

The following generally summarizes the United States federal income tax consequences that will arise with respect to participation in the 2004 Employee Stock Purchase Plan and with respect to the sale of common stock acquired under the 2004 Employee Stock Purchase Plan. This summary is based on the tax laws in effect as of the date of this proxy statement. Changes to these laws could alter the tax consequences described below.

TAX CONSEQUENCES TO PARTICIPANTS

A participant will not have income upon enrolling in the plan or upon purchasing stock at the end of a Purchase Period.

A participant may have both compensation income and a capital gain or loss upon the sale of stock that was acquired under the plan. The amount of each type of income and loss will depend on when the participant sells the stock.

If the participant sells the stock more than two years after the commencement of the Purchase Period during which the stock was purchased and more than one year after the date that the participant purchased the stock, at a profit (the sales proceeds exceed the purchase price), then the participant will have compensation income equal to the lesser of:

- o 10% of the value of the stock on the day the offering commenced; and
- o the participant's profit.

Any excess profit will be long-term capital gain. If the participant sells the stock at a loss (if sales proceeds are less than the purchase price) after satisfying these waiting periods, then the loss will be a long-term capital loss.

If the participant sells the stock prior to satisfying these waiting periods, then he or she will have engaged in a disqualifying disposition. Upon a disqualifying disposition, the participant will have compensation income equal to the value of the stock on the day he or she purchased the stock less the purchase price. The participant also will have a capital gain or loss equal to the difference between the sales proceeds and the value of the stock on the day he or she purchased the stock. This capital gain or loss will be long-term if

Edgar Filing: COGNIZANT TECHNOLOGY SOLUTIONS CORP - Form PRE 14A

the participant has held the stock for more than one year and otherwise will be short-term.

TAX CONSEQUENCES TO THE COMPANY

There will be no tax consequences to us except that we will be entitled to a deduction when a participant has compensation income upon a disqualifying disposition. Any such deduction will be subject to the limitations of Section 162(m) of the Code.

Any balance remaining in a Participant's Account at the end of a Purchase Period will be carried forward into the Participant's Account for the following Purchase Period. Except with respect to a Purchase Period for which the Trust Administration Option has been elected, no refund of an Account balance made pursuant to the Plan shall include any amount in respect of interest or other imputed earnings.

Such designation may be changed at any time by filing notice thereof. Certificates representing shares of purchased Common Stock shall be delivered promptly to the Participant following issuance.

The aggregate number of shares of Common Stock which may be purchased pursuant to options granted hereunder, the number of shares of Common Stock covered by each outstanding option, and the purchase price thereof for each such option shall be appropriately adjusted for any increase or decrease in the number of outstanding shares of Common Stock resulting from a stock split or other subdivision or consolidation of shares of Common Stock or for other capital adjustments or payments of stock dividends or distributions or other increases or decreases in the outstanding shares of Common Stock affected without receipt of consideration of the Company.
