Item 3. Source and Amount of Funds or Other Consideration

The TPG Funds and Armstrong World Industries, Inc. Asbestos Personal Injury Settlement Trust, a Delaware trust (the Trust), have entered into a Purchase and Sale Agreement, dated August 10, 2009 attached hereto as Exhibit 2 (the Purchase and Sale Agreement), pursuant to which the TPG Funds have agreed to purchase 7,000,000 shares of Issuer Common Stock (the Initial Shares) at a price of \$22.31 per share in cash (the Per Share Price). Simultaneously with the purchase and sale of the Initial Shares (such date, the Closing Date),

the TPG Funds and the Trust will enter into a Prepaid Share Forward Confirmation, substantially in the form attached as Exhibit B to the Purchase and Sale Agreement (the Confirmation), pursuant to which the TPG Funds will purchase from the Trust the economic interest in the equivalent of an additional 1,039,777 shares of Issuer Common Stock (the Initial Interests), and together with the Initial Shares, the Initial Investment) at the Per Share Price, subject to the ISDA Master Agreement and the Collateral Annex, by and between the Trust and the TPG Funds, substantially in the form attached as Exhibit C to the Purchase and Sale Agreement (the Collateral Annex), pursuant to which the Trust will pledge 1,039,777 shares of Issuer Common Stock as collateral for its obligations under the Confirmation. The Confirmation provides that the Initial Interests will be cash-settled on the third currency business day following the 20th scheduled trading day beginning on November 4, 2013, with an option of the Trust to physically settle at its election. The aggregate consideration for the purchase of the Initial Shares and the Initial Interests will be approximately \$180 million in cash. Prior to the purchase and sale of the Initial Investment, the TPG Funds intend to assign their rights to purchase the Initial Investment to a newly established subsidiary of the TPG Funds. It is currently anticipated that the funds required for the Initial Investment and the Tender Offer (see *Tender Offer* under Item 4 below) by the TPG Funds will be funded by equity contributions of the limited partners of TPG Partners V and TPG Partners VI or other affiliates.

References to and descriptions of the Purchase and Sale Agreement, the Confirmation and the Collateral Annex set forth above in this Item 3 do not purport to be complete and are qualified in their entirety by reference to the full text of the Purchase and Sale Agreement attached hereto as Exhibit 2 and the form of Confirmation and the form of Collateral Annex attached as Exhibits B and C, respectively, to such Purchase and Sale Agreement, and each is incorporated herein by this reference.

Item 4. Purpose of Transaction

The information set forth or incorporated in Items 3 and 6 is incorporated herein by this reference.

Tender Offer

Under the Purchase and Sale Agreement, the TPG Funds have agreed to commence a tender offer (the Tender Offer) at the Per Share Price consistent with the requirements of Article Sixth (H)(iii) of AWI's Amended and Restated Articles of Incorporation (the Charter). Under such provision of the Charter, upon the transfer by the Trust of more than 5% of the total outstanding shares of Issuer Common Stock, the purchaser of such shares shall offer to purchase at least that number of shares of Issuer Common Stock held by other holders of Issuer Common Stock equal to the product of (i) the total number of shares of Issuer Common Stock held by other holders of Issuer Common Stock and (ii) a fraction, the numerator of which is the number of shares of Issuer Common Stock acquired from the Trust and the denominator of which is the total number of shares of Issuer Common Stock held by the Trust prior to the transfer, for the same type and amount of consideration per share as paid to the Trust. TPG intends to make the Tender Offer for 4,435,935 shares of Issuer Common Stock. The Trust has agreed not to tender any shares pursuant to the Tender Offer.

The Tender Offer described in this Schedule 13D has not yet commenced. The description contained herein is neither an offer to purchase nor a solicitation of an offer to sell shares of Issuer Common Stock. At the time the Tender Offer is commenced, the TPG Funds will file a Tender Offer Statement on Schedule TO with the Securities and Exchange Commission (SEC) and AWI will file a Solicitation/Recommendation Statement on Schedule 14D-9 with respect to the Tender Offer. The Tender Offer will be made solely by the Tender Offer Statement (including an offer to purchase, a related letter of transmittal and the other offer documents). These documents will contain important information about the Tender Offer and stockholders of AWI are urged to read them carefully and in their entirety when they become available. The Tender Offer Statement, as well as the Solicitation/Recommendation Statement, will be made available to all stockholders of AWI, at no expense to them and will also be available at the SEC's website at www.sec.gov.

Shareholders Agreement

On the Closing Date, simultaneously with the purchase and sale of the Initial Investment, the TPG Funds and the Trust will enter a Shareholders Agreement, substantially in the form attached as Exhibit A to the Purchase and Sale Agreement (the Shareholders Agreement), which provides for certain rights and obligations between the parties thereto.

Composition of AWI's Board of Directors

Pursuant to the Shareholders Agreement, promptly following the Closing Date, the TPG Funds and the Trust will each designate two persons for nomination to the AWI Board of Directors and appoint one observer, and have agreed to take all necessary steps to assure their election. So long as the TPG Funds own a number of shares of Issuer Common Stock equal to the Initial Shares, the TPG Funds will continue to have the right to nominate two persons for election (the TPG Directors) and one observer to the AWI Board of Directors. Under certain circumstances, if the TPG Funds reduce their ownership of Issuer Common Stock, its rights to designate nominees and observers to the board will be reduced to one person or will expire entirely. Under the Shareholders Agreement, David Bonderman will serve as one of the initial TPG Directors.

AWI Charter requires that the Board of Directors shall nominate or, in the case of those candidates nominated by others, recommend for election as directors, at least a majority of persons who qualify as independent as defined therein and the Trust has agreed to such restriction pursuant to the Stockholder and Registration Rights Agreement dated as of October 2, 2006 between AWI and the Trust. Under the Shareholders Agreement, the TPG Funds and the Trust have agreed to take all necessary actions for the AWI Board of Directors to consist of eleven directors and, in addition to the two TPG Directors and the two designees of the Trust, to include AWI's Chief Executive Officer and six independent directors (within the meaning of the Charter) mutually agreed upon by TPG and the Trust. The AWI Board of Directors currently consists of eleven directors of which ten are independent as defined in the Charter.

Charter Amendments

The TPG Funds agreed in an Undertaking delivered to AWI dated August 10, 2009, pursuant to a Non-Disclosure Agreement, dated July 30, 2009, by and between TPG Capital, L.P. (TPG Capital) and AWI (the NDA), that for a period of two years following the Closing Date the TPG Funds will not vote to modify or amend certain provisions of AWI's Charter. The NDA was entered into as a condition of the Issuer permitting TPG Capital to conduct diligence in connection with a possible investment and, as a condition of such diligence, required such Undertaking to be delivered as a condition to TPG being permitted to purchase the Initial Shares.

Temporary Restrictions on the Trust's Right to Vote in Favor of Certain Business Combinations

Under the Shareholders Agreement, for 24 months following the Closing Date, the Trust will take all necessary actions to oppose and not otherwise support or facilitate certain types of mergers, consolidations, share exchanges, tender offers and other business combination transactions, unless certain conditions set forth in the Shareholders Agreement are met.

Certain Temporary Restrictions on Additional Purchases

Edgar Filing: ARMSTRONG WORLD INDUSTRIES INC - Form SC 13D

Under the NDA, subject to certain exceptions, TPG Capital agreed with AWI that it and its affiliates would not acquire additional shares of Issuer Common Stock for a period of 270 days following the Closing Date other than the purchase of up to 4,435,935 shares from non-Trust shareholders pursuant to the Tender Offer or following its completion, or the purchase of shares pursuant to a tender offer for all outstanding shares, or the purchase of additional shares from the Trust in the event the Trust sells shares as a result of a bona fide financial emergency on the part of the Trust. In the Shareholders Agreement, the Trust has agreed with the TPG Funds that it will not sell additional shares of Issuer Common Stock for a period of 270 days following the Closing Date except in the case of a bona fide financial emergency.

Other Rights

The Shareholders Agreement includes certain reciprocal and customary shareholder agreement provisions, including a right of first offer on certain sales of Issuer Common Stock by either party and tag-along rights in the event of certain sales to third parties. The Trust has agreed to transfer to the TPG Funds its registration rights under an existing agreement with the Issuer to the extent they relate to the Initial Shares or to any shares of Issuer Common Stock delivered to the TPG Funds from the Trust in the event of physical settlement under the Confirmation. The TPG Funds agreed that, for a period of eighteen months following the Closing Date, under certain circumstances, if the TPG Funds sell any of the Initial Shares, they will make a payment to the Trust of one-half of any net profit on the sale.

General

In addition to the foregoing, each Reporting Person, at any time and from time to time may directly or indirectly acquire additional shares of Issuer Common Stock, economic interests in the shares of Issuer Common Stock or associated rights or securities exercisable for or convertible into shares of Issuer Common Stock, or dispose of some or all of the Initial Investment, based upon its ongoing evaluation of AWI, prevailing market conditions, liquidity requirements of such Reporting Person and/or other investment considerations and subject to the provisions of the Shareholders Agreement, the NDA and applicable legal restrictions. In connection with the Reporting Persons evaluation of the dividend policy of AWI, the Reporting Persons will take into account AWI's capital structure and liquidity needs as part of their consideration of the best interests of AWI, and subject to such best interests, may also consult with the Trust regarding its liquidity considerations.

Other than as described above, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, without independent verification, any of the persons listed on Schedules I or II hereto, currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a) - (j) of Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

References to and descriptions of the Purchase and Sale Agreement, the form of Shareholders Agreement, the form of Confirmation, the NDA and the Charter set forth above in this Item 4 do not purport to be complete and are qualified in their entirety by reference to the full text of the Purchase and Sale Agreement attached hereto as Exhibit 2 and the form of Shareholders Agreement and the form of Confirmation attached thereto as Exhibits A and B, respectively, the NDA and the Charter, attached hereto as Exhibits 3 and 4, respectively, and each is incorporated herein by this reference.

Item 5. Interest in Securities of the Issuer

The information contained on the cover pages to this Schedule 13D and the information set forth or incorporated in Items 2, 3 and 4 is incorporated herein by this reference.

(a)-(b) The following disclosure assumes that there are 57,385,956 shares of Issuer Common Stock outstanding as of July 24, 2009, which figure is based on information set forth in the Issuer's Quarterly Report on Form 10-Q for the quarter ended June 30, 2009, which was filed with the SEC on July 30, 2009.

Edgar Filing: ARMSTRONG WORLD INDUSTRIES INC - Form SC 13D

As a result of the consummation of the Purchase and Sale Agreement, the TPG Funds will, as of the Closing Date, own an aggregate of 7,000,000 shares of Issuer Common Stock, which represents approximately 12.2% of the outstanding shares of Issuer Common Stock. Through their respective affiliations with the TPG Funds, as described in greater detail in Item 2, each of the Reporting Persons may be deemed to have acquired dispositive power with respect to the 7,000,000 shares of Issuer Common Stock held by the TPG Funds.

In addition, pursuant to the execution and delivery of the Confirmation and the related Collateral Annex, the TPG Funds will, as of the Closing Date, hold an economic interest in the equivalent of an additional 1,039,777 shares of Issuer Common Stock. The Confirmation contemplates that such economic interest will be cash-settled on the third currency business day following the 20th scheduled trading day beginning on November 4, 2013, with an option for AWI to physically settle at its election.

As a result of the execution and delivery of the Shareholders Agreement each of the Reporting Persons may, as of the Closing Date, also be deemed and to have acquired shared voting power over an aggregate of 36,981,480 shares of Issuer Common Stock, which includes 29,981,480 shares of Issuer Common Stock directly held by the Trust (the Trust Shares) which are subject to the Shareholders Agreement. Further, the Reporting Persons and the Trust will be deemed members of a group and therefore each will be deemed to beneficially own the other's shares of Issuer Common Stock. The Trust Shares represent approximately 52.2% of the outstanding shares of Issuer Common Stock.
