SCHEDULE 13D

Page 5 of 15

Item 1. Security and Issuer

This Schedule 13D ("Schedule") relates to shares of common stock, with par value \$0.0001 (the "Common Stock"), of Crdentia Corp. (the "Issuer"). The principal executive office of the Issuer is 5001 LBJ Freeway, Suite 850, Dallas, TX 75244.

Item 2. Identity and Background

This Schedule is filed on behalf of MedCap Partners L.P. ("MedCap"), MedCap Management & Research LLC ("MMR") and C. Fred Toney ("Toney"), each of whose principal business office address is 500 Third Street, Suite 535, San Francisco, CA 94107.

MedCap is an investment limited partnership, whose general partner is MMR. MMR is an investment adviser registered under the laws of the State of California. Toney is MMR's sole managing member. MMR is also the general partner and investment manager of MedCap Master Fund, L.P., an investment limited partnership ("MedCap Master"). MedCap Master is a "master fund" and contains substantially all of the assets of a "feeder fund," MedCap Partners Offshore, Ltd. ("MedCap Offshore")."

None of MedCap, MMR nor Toney has, during the past five years, been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors).

None of MedCap, MMR nor Toney has, during the past five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction, as a result of which any of them became or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

MedCap is a Delaware limited partnership, MMR is a Delaware limited liability company and Toney is a United States citizen.

Item 3. Source and Amount of Funds or Other Consideration

The source of funds to make the purchases described in Item 5(c) was working capital of MedCap Master Fund, L.P. in the amount of approximately \$364,052.30.

Item 4. Purpose of Transaction

The acquisitions of Common Stock described in Item 5(c) were made for investment purposes.

The agreement of limited partnership of MedCap provides MMR with discretion to cause MedCap to make payments upon a withdrawal by a limited partner in cash or in securities, or a combination of cash and securities, or to segregate a portion of MedCap's assets equal to the amount payable to the withdrawing limited partner and sell those assets for the account of the withdrawn limited partner. Limited partners of

CUSIP 225235209

SCHEDULE 13D

Page 6 of 15

MedCap have the right, upon written request, to receive a distribution of

Edgar Filing: CRDENTIA CORP - Form SC 13D/A

the segregated assets. Effective September 30, 2006, MedCap segregated some of the Issuer's Common Stock beneficially owned by MedCap into a separate account for the benefit of some of MedCap's former limited partners who have withdrawn from MedCap. MMR, as MedCap's general partner, and Toney, as MMR's sole managing member, will continue to have voting and dispositive control over the segregated shares of Common Stock. Some of the withdrawn limited partners have requested distribution to them of 255,893 shares of the segregated Common Stock leaving, after distribution, 440,153 shares of Common Stock in the segregated account. It is possible others may in the future request additional distributions. MMR intends to cause MedCap to sell the remaining segregated Common Stock in an orderly fashion and distribute the proceeds to the withdrawn limited partners, subject to those limited partners' right to request a distribution of the segregated Common Stock. MMR and MedCap are not aware when MedCap will sell what portion of the Common Stock or to what extent limited partners may in the future request distribution to them of the Common Stock.

As previously disclosed on the Issuer's Current Report on Form 8-K filed with the Securities and Exchange Commission on September 26, 2006, the Issuer, iVOW Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of the Issuer ("Merger Sub") and iVOW, Inc., a Delaware corporation ("iVOW"), have entered into an Agreement and Plan of Merger, dated as of September 20, 2006 (the "Merger Agreement"), pursuant to which Merger Sub will merge with and into iVOW, with iVOW surviving as a wholly-owned subsidiary of the Issuer (the "Merger"). At the effective time of the Merger, all shares of iVOW common stock issued and outstanding immediately prior to the effective time will be converted automatically into the right to receive, in the aggregate, approximately \$3.5 million in shares of the Issuer's Common Stock (based on the average of the closing sale prices for Issuer's Common Stock for each of the 20 consecutive trading days ending the second complete trading day prior to the effective time of the Merger, as reported on the OTC Bulletin Board), subject to reduction based on the iVOW bank and financing debt assumed by the Issuer, the value of any uncollected accounts receivable at the effective time and the value of any iVOW warrants assumed by the Issuer.

Toney and MMR have beneficial ownership (through MedCap and MedCap Master) of approximately 19.7% of iVOW's outstanding common stock (which ownership has been separately reported on a Schedule 13D filed with the Commission). Toney was also a member of the iVOW's Board of Directors when the Merger Agreement was approved by the iVOW Board, but Toney has voluntarily resigned from that position. Toney remains a member of the Issuer's Board of Directors.

In connection with the execution of the Merger Agreement, each of the Issuer and iVOW have entered into separate voting agreements (the "Voting Agreements") with MedCap and MedCap Master, each dated September 20, 2006, pursuant to which MedCap and MedCap Master have agreed, among other things, to vote all of the shares of the Issuer's Common Stock and the

CUSIP 225235209

SCHEDULE 13D

common stock of iVOW held by them in favor of the adoption of the Merger Agreement. MedCap and MedCap Master have also agreed under the Voting Agreements not to dispose of shares of the Issuer's Common Stock or the common stock of iVOW, except as permitted thereunder.

Depending on market conditions and other factors, the reporting

Edgar Filing: CRDENTIA CORP - Form SC 13D/A

persons may, at any time or from time to time, acquire additional securities of the Issuer, or alternatively, may (if and to the extent permitted under the Voting Agreements) dispose of some or all of the securities of the Issuer beneficially owned by them (including but not limited to the aforementioned segregated shares of Common Stock).

Except as described herein, the reporting persons do not currently have any plans or proposals that relate to or would result in any of the following:

(a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;

(b) An extraordinary corporate transaction, such as a merger, reorganization, or liquidation, involving the Issuer or any of its subsidiaries;

(c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;

(d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;

(e) Any material change in the present capitalization or dividend policy of the Issuer;

(f) Any other material change in the Issuer's business or corporate structure;

(g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;

(h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

(i) A class of equity securities of the issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or

(j) Any action similar to those enumerated above.

Item 5. Interest in Securities of the Issuer

(a) As noted above, MedCap beneficially owns 10,999,519 shares of the Issuer's Common Stock. The percentage of common stock beneficially owned by MedCap for the purposes of this Schedule is 76.8%.

In addition to the securities beneficially owned through MedCap, MMR and Toney beneficially own 177,250 shares of the Issuer's Common Stock through MedCap Master. MedCap Master is a "master fund" and contains substantially all of the assets of a "feeder fund," MedCap Partners Offshore, Ltd. ("MedCap Offshore")

Edgar Filing: CRDENTIA CORP - Form SC 13D/A

On October 24, 2006 all outstanding options held by Mr. Toney terminated.

MMR, as general partner and investment manager of MedCap and MedCap Master, and Toney, as the sole managing member of MMR, may be deemed to beneficially own the shares owned by MedCap and MedCap Master in that they may be deemed to have the power to direct the voting or disposition of the shares. Neither the filing of this Schedule nor any of its contents shall be deemed to constitute an admission that either MMR or Toney is, for any other purpose, the beneficial owner of any such securities to which this Schedule relates, and MMR and Toney disclaim beneficial ownership as to the Common Stock except to the extent of their respective pecuniary interests therein. The percentage of Common Stock beneficially owned by MMR and Toney for the purposes of this Schedule is 78.0%.

The calculation of percentage of beneficial ownership in Item 11 of pages 2, 3 and 4 was derived from the Agreement and Plan of Merger, dated September 20, 2006 among the Issuer, iVOW Acquisition Corp. and iVOW, Inc., included as Exhibit 2.1 to the Issuer's Report on Form 8-K filed with the Securities and Exchange Commission on September 26, 2006, in which the Issuer stated that the number of shares of its Common Stock outstanding as of September 20, 2006 was 14,329,966 shares.

The foregoing amounts do not include shares of the Issuer's Common Stock issuable in respect of shares of the common stock of iVOW outstanding at the effective time of the Merger (including shares of iVOW common stock held by the reporting persons).

- (b) Reference is made hereby to Items 7 to 10 of pages 2, 3 and 4 of this Schedule, which Items are incorporated herein by reference.
