Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 18, 2009, Brookfield Homes Corporation (the Company) filed with the Secretary of State of the State of Delaware an Amended and Restated Certificate of Designations (the Certificate of Designations) with respect to the creation of a series of 8% Convertible Preferred Stock, Series A, par value \$0.01 per share, with an initial stated value of \$25.00 per share (the Preferred Stock). The Preferred Stock consists of 10,000,000 shares, and has the powers, designations, preferences and relative, participating, optional and other rights and the qualifications, limitations and restrictions thereof as are set forth in the Company's Amended and Restated Certificate of Incorporation and in the Certificate of Designations.

The following is a summary of the material terms of the Preferred Stock, which summary does not purport to be complete and is qualified in its entirety by reference to the Certificate of Designations, a copy of which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is hereby incorporated by reference in this Item 5.03:

The Preferred Stock will rank prior to the Company's common stock, both as to payment of dividends and as to distributions of assets upon the liquidation, dissolution or winding up of the Company, whether voluntary or involuntary.

Holders of Preferred Stock will be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for such purpose, dividends at the rate of 8% of the stated value per share per year. Dividends will be fully cumulative, will accumulate without interest from the date of original issuance and will be payable semi-annually in arrears. The stated value may be adjusted from time to time as set forth in the Certificate of Designations.

Dividends on the Preferred Stock may be paid, at the election of the Company, in cash, shares of common stock or a combination of cash and shares of common stock. Where the Company elects to pay dividends in shares of common stock, the number of shares to be so issued will be determined as set forth in the Certificate of Designations.

The Preferred Stock will initially be convertible into shares of common stock of the Company at the rate of 3.571428571 shares of common stock per share of Preferred Stock. The conversion rate may be adjusted from time to time as set forth in the Certificate of Designations.

The Preferred Stock will not be redeemable by the Corporation or upon the request of the holders of the Preferred Stock, nor will the Preferred Stock be exchangeable for other capital stock or indebtedness of the Company or other property.

In the event that at any time on or after June 30, 2014, the average of the volume weighted closing price (as defined in the Certificate of Designations) of the common stock of the Company over the 90 consecutive trading days immediately prior to the date of determination is greater than \$14.00 per share of common stock, as adjusted in accordance with the Certificate of Designations, the Company may, at its option, elect that all, but not less than all, outstanding shares of Preferred Stock be automatically converted into shares of common stock at the then effective conversion rate.

The holders of Preferred Stock will generally not have any voting rights.
