PROXY STATEMENT

Annual Meeting of Securityholders
To Be Held on June 16, 2008

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of Century Casinos, Inc. for the Annual Meeting of Securityholders ("Annual Meeting") to be held on Monday, June 16, 2008 at the Century Casino & Hotel, 102 Main Street, Central City, Colorado at 8:00 a.m. Mountain Time (10:00 a.m. Eastern Time, 16:00 Central European Time), for the purposes set forth in the accompanying Notice of Annual Meeting of Securityholders. The enclosed materials were mailed on or about May 5, 2008 to our securityholders of record as of April 21, 2008.

The matters to be brought before the Annual Meeting are the election of one Class II director of the Board of Directors, the ratification of Grant Thornton LLP as our independent registered public accounting firm and the transaction of such other business that properly comes before the meeting.

All properly executed proxies received at or prior to the Annual Meeting will be voted at the Annual Meeting. If a securityholder directs how a proxy is to be voted with respect to the business coming before the Annual Meeting, the proxy will be voted in accordance with the securityholder's directions. If a securityholder does not direct how a proxy is to be voted, it will be voted in favor of the election of the nominees to the Board of Directors named in this proxy statement and for the ratification of Grant Thornton LLP as our independent registered public accounting firm. A proxy may be revoked at any time before it is exercised by giving written notice to our Secretary at the above address or by a subsequently executed proxy. Securityholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. Securityholders will not be able to vote their shares by phone at the meeting. If no instructions are indicated on the proxy, the shares will be voted in favor of the proposals presented in this proxy statement and in the proxy holder's discretion for any other matters presented in accordance with our bylaws to be considered at the Annual Meeting.

Expenses in connection with the solicitation of proxies in regard to the proposals brought forward by us and included in this proxy statement will be paid by us.

Proxies are being solicited by mail, and, in addition, our directors, officers and regular employees (who will not receive any additional compensation) may solicit proxies personally, by telephone, by email, or by special correspondence. We will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners of our common stock, including beneficial owners who hold our Austrian Depositary Certificates, or ADCs.

VOTING SECURITIES

Only securityholders of record at the close of business on April 21, 2008 will be entitled to vote at the Annual Meeting. On that date, there were issued and outstanding 23,864,067 shares of our \$.01 par value common stock, our only class of voting securities. This number includes 3,442,478 shares of common stock represented by ADCs. Each share of common stock is entitled to one vote per share. Cumulative voting in the election of directors is not permitted.

The holders of a majority of our issued and outstanding shares of common stock, represented either in person or by proxy and entitled to vote at the meeting, will constitute a quorum for the transaction of business at the Annual Meeting. Of the votes cast at the Annual Meeting, a vote of the holders of a majority of the common stock present, either in person or by proxy, and entitled to vote, is required to elect each director nominee and to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal year 2008.

In accordance with Delaware law, a securityholder entitled to vote for the election of directors can withhold authority to vote for nominees for director. Abstentions are counted for purposes of determining a quorum to conduct business, but are ignored in vote tabulation, thereby increasing the number of votes necessary to approve any proposal. The inspectors of election will treat broker non-votes, which are shares held by brokers or nominees for which the broker or nominee has no discretionary power to vote on a particular matter and for which they have received no instructions from the beneficial owners or persons entitled to vote, as shares that are present for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matters as to which the broker has indicated on the proxy that it does not have discretionary authority to vote, those shares will be treated as not entitled to vote with respect to that matter (even though those shares may be entitled to vote on other matters).

All shares of common stock, including shares underlying the ADCs, will vote as a single class. Neither our Certificate of Incorporation nor our Bylaws provide for cumulative voting rights in the election of directors.

SECURITYHOLDER PROPOSALS

If you are a securityholder who wishes to present a proposal for inclusion in the proxy statement and form of proxy for consideration at our 2009 Annual Meeting of Securityholders, you must submit your proposals to the attention of our Secretary at our executive office located in Colorado Springs, Colorado, so that the proposal is received by us no later than December 29, 2008. In order for a securityholder proposal to be properly considered at the 2009 Annual Meeting, our Secretary must have received notice of the proposal no sooner than December 18, 2008 and no later than February 16, 2009, in accordance with our amended and restated bylaws. Proposals received by us after February 16, 2009 will be deemed untimely and will not be considered at the 2009 Annual Meeting.

SECURITYHOLDER COMMUNICATIONS AND DIRECTOR NOMINATIONS

Securityholders or other interested parties may communicate with our Board of Directors, any individual director, or members of any board committee. Securityholders should send any communications to investor@cnty.com, and identify the intended recipient or recipients. All communications addressed to the Board of Directors or any identified director or directors will be forwarded to the identified person or persons.

In order to nominate candidates for election to our Board, nominations must be timely received from a securityholder of record at our executive office located in Colorado Springs, Colorado as described above under "Securityholder Proposals", and must set forth the name, age, business address and residence address of each nominee, the nominees' principal occupations or employment, the number of shares of our common stock owned by each nominee, and any other information regarding each nominee required to be disclosed by applicable laws. The nomination must also state the name and address of the securityholder making such nominations and the number of shares of our common stock owned by such person.

PROPOSAL 1

ELECTION OF DIRECTOR

Our Board is divided into three classes of directors as nearly equal in number as possible. Each director who is elected at an annual meeting will be elected for a three-year term expiring at the third annual meeting of securityholders after such director's election. Accordingly, directors of one class only are elected at each year's annual meeting of securityholders. If elected, all nominees are expected to serve until the expiration of their respective three-year terms or until their successors are duly elected and qualified. Presently, our Board consists of five directors comprising the following: (i) two Class I directors, Mr. Eichberg and Dr. Corbaci, whose terms will expire at the 2010 annual meeting; (ii) one Class II director, Mr. Hoetzing, who is standing for re-election at the 2008 annual meeting; and (iii) two Class III directors, Dr. Haitzmann and Mr. Schellmann, whose terms will expire at the 2009 annual meeting.

At the Annual Meeting, one Class II director will be elected. The Board of Directors has nominated Peter Hoetzing for election as the Class II director to serve for a three year term expiring at the 2011 annual meeting of securityholders. Proxies cannot be voted for a greater number of directors than the number nominated.

Mr. Hoetzing is presently a member of the Board of Directors, having served continuously as a director since March 1994. He has indicated a willingness to serve; however, in the event he should become unable to serve as a director, all proxies will be voted in accordance with the best judgment of the persons acting under such proxies.

The information concerning Mr. Hoetzing, the nominee for the Class II director, is set forth below under "Information Concerning Directors."

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ABOVE NOMINEE FOR DIRECTOR.

The number of shares indicated as beneficially owned by each person listed below is calculated pursuant to Rule 13d-3(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Under Rule 13d-3(d), shares not outstanding that are subject to options, warrants, rights or conversion privileges exercisable within 60 days are deemed outstanding for the purpose of calculating the number and percentage owned by such person, but are not deemed outstanding for the purpose of calculating the percentage owned by each other person listed. Accordingly, share ownership in each case includes shares issuable upon exercise of outstanding options that are exercisable within 60 days after April 21, 2008. Unless otherwise indicated in the footnotes and subject to community property laws where applicable, each of the named persons has sole voting and investment power with respect to the shares shown as beneficially owned. We have no knowledge of any arrangement that would, at a subsequent date, result in a change in control of our company.

CERTAIN INFORMATION REGARDING THE BOARD OF DIRECTORS

The Board of Directors held two meetings during 2007 and on several occasions executed unanimous written consents in lieu of meetings, in accordance with Delaware law. Each director attended at least 75% of the meetings of the Board of Directors and of each committee on which he or she sits. A majority of our directors are independent directors, as required by the NASDAQ listing standards. Our Board of Directors determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relation between us and a director not merely from the director's standpoint, but also from that of persons or

organizations with which the director has an affiliation. In making this determination, the Board of Directors adheres to the independence criteria defined by the NASDAQ listing standards and applicable Securities and Exchange Commission rules. Using these standards, our Board of Directors has determined that Robert S. Eichberg, Gottfried Schellmann and Dinah Corbaci qualify as independent directors.

Our policy regarding attendance by members of the Board of Directors at our annual meeting of securityholders is to encourage directors to attend, either in person or by teleconference, subject to their availability during that time. In 2007, four members of the board attended the annual meeting.

We have an Audit Committee of the Board of Directors, which is comprised of Robert S. Eichberg (Chairman), Gottfried Schellmann and Dinah Corbaci and which is governed by an Amended and Restated Charter and Powers of the Audit Committee, a current copy of which can be found at www.cnty.com. The Audit Committee selects and appoints our independent registered public accounting firm, reviews the performance of the independent registered public accounting firm, and approves the fees of the independent registered public accounting firm. The Audit Committee also reviews the independence of such accountants, our annual and quarterly financial statements and our system of internal controls. During 2007, the Audit Committee held four meetings.

The Board of Directors and the Audit Committee believe that the Audit Committee's current composition satisfies the applicable rules and pronouncements of NASDAQ and the Securities and Exchange Commission that govern audit committee selection, experience, and composition, including the requirement that all audit committee members be "independent directors," as that term is defined by such rules. The Board of Directors has also determined that Robert S. Eichberg is an "audit committee financial expert," as defined in applicable regulations of the Securities and Exchange Commission.

The Compensation Committee of the Board of Directors is comprised of Dinah Corbaci and Gottfried Schellmann. The Compensation Committee sets the compensation to be paid to each of our executive officers on an annual basis and periodically sets compensation for our non-employee directors. The Compensation Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com.

The Compensation Committee has responsibility to: (i) develop guidelines and review the compensation and performance of our executive officers, review and approve corporate goals relevant to the compensation of our executive officers in light of our goals and objectives, set the Co Chief Executive Officers' and other executive officers' compensation based on this evaluation; (ii) make recommendations to the Incentive Plan Committee with respect to incentive-compensation plans and equity-based plans; (iii) develop plans for management succession; (iv) review major organizational and staffing matters; (v) review director compensation levels and practices, and recommend, from time to time, changes in such compensation levels and practices to the Board; (vi) annually review and reassess the adequacy of the Compensation Committee's charter and recommend any proposed changes to the Board for approval; (vii) annually review the Compensation Committee's own performance; and (viii) perform any other activities consistent with the Compensation Committee's charter, our bylaws and applicable laws, rules and regulations that the Compensation Committee or the Board of Directors deem appropriate.

The Compensation Committee has the discretion to modify the recommendations and make the final decisions regarding material compensation to senior executives, including base pay, incentive pay (bonus) and equity awards.

In fulfilling its responsibilities, the Compensation Committee may delegate any of its responsibilities to one or more subcommittees or to one of its members as the Compensation Committee may deem appropriate in its sole discretion, to the extent permitted by law, NASDAQ rules and other rules and regulations. In addition, the Compensation Committee may engage external compensation consultants to assist in setting executive compensation, but did not do so in 2007. During 2007, the Compensation Committee held two meetings.

We have no standing nominating committee. All of the directors participate in the consideration of director nominees, but our nominations must be approved by a majority of the independent directors in order to be presented to the securityholders. The Board does not have an express policy with regard to the consideration of any director candidates recommended by securityholders because Delaware law permits any securityholder to nominate director candidates, and the Board believes that it can adequately evaluate any such nominees on a case by case basis. The Board will consider director candidates nominated by securityholders in accordance with the procedures set forth under "Securityholder Communications and Director Nominations" above, and will evaluate securityholder-recommended candidates under the same criteria as internally generated candidates.

The general criteria that the Board uses to select nominees are:

- Such individual's reputation for integrity, honesty and adherence to high ethical standards;
 - Demonstrated business acumen;
- Experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives;
 - Willingness and ability to contribute positively to our decision making process;
- Commitment to understand us and our industry and to regularly attend and participate in meetings of the Board and its committees;
- Interest and ability to understand the sometimes conflicting interests of our various constituencies, which include securityholders, employees, customers, governmental units, creditors, and the general public;
 - Ability to act in the interest of all stakeholders;
- Shall not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of our securityholders and to fulfill the responsibilities of a director; and
 - Understanding the complexity of diverse international business structures.

It is the Board of Directors' view, considering our size and the composition of the Board of Directors, which is comprised of five directors, three of whom are independent, that the Board of Directors can select nominees to the Board meeting these criteria without a separate nominating committee.

DIRECTOR COMPENSATION

Directors who are not our employees nor employees of any of our subsidiaries earn \$1,000 for each Board meeting attended and for each gaming application completed. Directors are reimbursed for expenses reasonably incurred in connection with their service on the Board.

In addition, Mr. Eichberg receives \$10,000 per year for his work as Chairman of the Audit Committee. Mr. Schellmann and Dr. Corbaci each receive \$3,000 per year for their work as members of the Audit Committee, the Compensation Committee and the Incentive Plan Committee.

Pursuant to our 2005 Equity Incentive Plan, directors are eligible for grants of equity awards. During 2007, we awarded 10,000 options to Mr. Eichberg, 7,500 options to Mr. Schellmann and 7,500 options to Dr. Corbaci, in each case, with a grant date fair value of \$4.67 per share for their continued participation on our Board. These options become exercisable on July 3, 2008 and expire on July 2, 2017.

The following table sets forth the compensation provided by us to non-employee directors during 2007:

Name	Fees Earned or Paid in Cash		Option Awards	Total
	(\$)(1)	(\$)(2)	(\$)(2)	(\$)
Robert S. Eichberg	16,000	24,032		40,032
Gottfried Schellmann	11,000	18,191		29,191
Dinah Corbaci	11,000	18,191		29,191

- (1) Includes cash payments made to all non-employee Directors for participation in various meetings.
- (2) The value of stock option awards was determined as required by Statement of Financial Accounting Standard No. 123 (revised 2004), "Share-Based Payment" (SFAS 123(R)). See Century Casinos, Inc., Annual Report on Form 10-K for the year ended December 31, 2007, Note 10, for details on assumptions used in the valuation of the awards. Outstanding stock awards at December 31, 2007 for each non-employee director are as follows: Mr. Eichberg: 30,000 option awards; Mr. Schellmann: 15,500 option awards; and Dr. Corbaci: 15,500 option awards.

Notwithstanding anything to the contrary set forth in any of our filings under the Securities Act or the Exchange Act, the following report of the Audit Committee shall not be incorporated by reference into any such filings and shall not otherwise be deemed filed under such acts.

**REPORT OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**

The Audit Committee has reviewed and discussed with the Company's management the audited consolidated financial statements of the Company for the year ended December 31, 2007. The Committee discussed with Grant Thornton LLP, the Company's independent auditors, the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications), which included a discussion of the quality and adequacy of the Company's internal controls.

The Committee has received the written disclosures and the letter from Grant Thornton LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed with Grant Thornton LLP its independence.

Based upon the review and discussions noted above, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2007, which was filed with the Securities and Exchange Commission on March 17, 2008.

Notwithstanding the selection of Grant Thornton LLP, the Audit Committee, in its discretion, may appoint another independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of us and our securityholders. If the appointment is not ratified by our securityholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting, either in person or via telephone, to respond to appropriate questions and will have an opportunity to make a statement if the representative desires to do so.

The Audit Committee of the Board of Directors concluded that Grant Thornton LLP's provision of the services generating tax fees is compatible with maintaining Grant Thornton LLP's independence.

The Audit Committee approves in advance any and all audit services, including audit engagement fees and terms, and non-audit services provided to us by our independent auditors (subject to the de minimis exception for non-audit services contained in Section 10A (i)(1)(B) of the Exchange Act), all as required by applicable law or listing standards.

The independent auditors and our management are required to periodically report to the Audit Committee the extent of services provided by the independent auditors and the fees associated with these services.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2008.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Goals and Objectives

The Compensation Committee (the “Committee”) is responsible for setting and reviewing the compensation of our Co CEO’s and our other executive officers, including our named executive officers: Erwin Haitzmann, Peter Hoetzing, Larry Hannappel and Ray Sienko.

In order to better align the long-term interests of our executives with our securityholders and to attract and retain highly qualified executives, our compensation programs have been designed to provide competitive levels of compensation that integrate pay with our performance, with an emphasis on recognizing individual initiative and achievements.

We base our compensation primarily on performance, with a large portion of potential compensation dependent upon our successful long-term performance and position in the gaming industry. The Committee believes that the compensation program for our senior executives should motivate them to deliver financial results, ensure that our customers receive excellent service at our properties, facilitate the development of new gaming opportunities and keep a sound financial structure for our company.

Compensation Program Design

The executive compensation program is designed with our executive compensation objectives in mind and is comprised of fixed and variable pay plans, cash and non-cash plans, and short and long-term payment structures in order to recognize and reward executives for their contributions to us today and in the future.

Our current short-term executive compensation structure consists of base salary and annual incentive compensation in the form of cash bonuses. Our long-term executive compensation consists of equity awards issued under the 2005 Equity Incentive Plan and life insurance plans.

We continually assess and evaluate the internal and external competitiveness of all components of the executive compensation program. Internally, we look at critical and key positions that are directly linked to our profitability and viability. We ensure that the appropriate hierarchy of jobs is in place with appropriate ratios of Chief Executive

Officer compensation to other senior executive compensation. Due to the highly competitive nature of the gaming industry, it is important for our pay plans to provide us the ability to internally develop executive talent, retain our executives and recruit highly qualified senior executives.

Roles in Establishing Compensation

Internal Resources

When determining the pay levels for our Co Chief Executive Officers and our other senior executives, the Committee solicits advice from internal as well as external resources. Internal company resources may include, and are not limited to, our Co Chief Executive Officers, Principal Financial Officer, Chief Accounting Officer and Director of Human Resources.

Our Co Chief Executive Officers annually review the performance of our senior executives and, based on these reviews, recommend to the Committee compensation for all senior executives. The Committee, however, has the discretion to modify the recommendations and make the final decisions regarding material compensation to senior executives, including base pay, incentive pay (bonus) and equity awards based on this information and information from other internal resources.

External Resources

The Committee considered independent compensation studies and trade publication studies for the determination of competitive compensation. These include:

- An October 2004 independent compensation study prepared by HVS Executive Search, a firm that specializes in the gaming and hospitality industry, analyzing the compensation packages of other small and mid cap US casino and gaming companies;
- A 2004 study of management and employee equity incentive participation for the 200 largest public U.S. industrial and service corporations; and
- A November 2006 trade publication containing compensation information of CEOs of 47 gaming industry companies.

Elements of Compensation

Base Salary

The Committee sets base salaries for executive officers at its discretion, based on a variety of factors in determining base salaries for executive officers, including:

- the nature and responsibility of the position;
- the experience and contribution of the individual executive;
- the meeting or exceeding of objectives during a particular period (merit);
 - additional duties, responsibilities or organizational change;
 - the amount of international travel; and
 - retention

The Committee believes that the base salaries of the Co Chief Executive Officers, which includes amounts paid to Dr. Haitzmann's and Mr. Hoetzing's respective management companies (see "Executive Employment Agreements"), have been set at what the Committee believes, based on their knowledge of the gaming industry, to be fair. The Committee believes that the salaries of our other named executive officers were also set at fair and competitive levels.

The Committee reviews Dr. Haitzmann's and Mr. Hoetzing's respective management agreements from time to time. Because Dr. Haitzmann and Mr. Hoetzing entered into management agreements in September 2006, each of which

have a 5-year term, the Committee did not review the agreements in 2007. The Committee is required to review Mr. Hannappel's and Mr. Sienko's salaries on an annual basis, pursuant to their respective employment agreements. In lieu of a salary increase for 2007, the Committee chose to award each of Mr. Hannappel and Mr. Sienko an additional discretionary bonus in order to maintain base salaries at previous levels, which the Committee believes are fair and competitive.

Annual Incentive Compensation

The Committee considers salaries and bonuses in determining the competitiveness of the total compensation package. At the end of our fiscal year, the Committee reviews and approves all bonus payments which are awarded to our executive officers on a discretionary basis. Payment of bonuses is discretionary based on annual discussion by the Committee. In determining whether bonuses should be made and the amount of such bonuses, the Committee considers, among other things, growth in fundamental company values, market share, markets served, international diversification, risk spread, stock price development, revenues, adjusted EBITDA (earnings before interest, income taxes, depreciation, amortization, minority interest, pre-opening expenses, non-cash stock based compensation charges, asset impairment costs, gains (losses) on disposition of fixed assets, discontinued operations and certain other one-time items), net earnings, operating margins, positioning of the company for future growth, comparison to companies in the gaming and entertainment industry that operate world-wide, and other measurements and performance criteria as the Committee deems applicable and appropriate, such as our increased international exposure due to the increase in our international operations (e.g., travel, risks, health, etc.).

Incentive awards are made subject to the Committee's discretion. The Committee may make adjustments to our overall corporate performance goals and our actual performance results that may cause differences between the numbers used for our performance goals and the numbers reported in our financial statements. These adjustments may exclude all or a portion of both the positive or negative effect of external events that are outside the control of our executives, such as natural disasters, litigation, or regulatory changes in accounting or taxation standards. These adjustments may also exclude all or a portion of both the positive or negative effect of unusual or significant strategic events that are within the control of our executives but that are undertaken with an expectation of improving our long-term financial performance, such as restructuring, acquisitions, or divestitures.

For the year ended December 31, 2007, the Committee awarded bonuses of \$130,000 each to Dr. Haitzmann and Mr. Hoetzing, \$90,000 to Larry Hannappel and \$30,000 to Ray Sienko. In 2007, the bonuses for executive officers were based mainly on the increase in preliminary net operating revenue of 60% and an increase in Adjusted EBITDA of 50% (our actual net revenue increased 63% and our actual Adjusted EBITDA increased 67%). For our 2007 bonus determination, the Committee determined that the decline in our stock price did not follow our operational performance, but was due to expectations of even better results by certain analysts and a difficult stock market environment.

Long-term Incentive Compensation

As approved by stockholders, the Century Casinos, Inc. 2005 Equity Incentive Plan ("2005 Plan") promotes the success and enhances our value by linking the personal interests of the members of the Board, employees, and senior executives to those of our securityholders and by providing such individuals with an incentive for outstanding performance to generate superior returns to our securityholders. The 2005 Plan is intended to provide flexibility to us in our ability to motivate, attract and retain the services of key employees. The 2005 Plan provides for the grant of awards to eligible individuals in the form of stock, restricted stock, stock options, performance units or other stock-based awards, all as defined in the 2005 Plan. The exercise price of each option grant is equal to the fair market value of our common stock (based on the closing price on NASDAQ) on the date of grant. The number of shares covered by any grant is generally determined by the position, the eligible employee's salary at the time of grant, amounts granted in previous years, and the then current stock price. Grants may be made to reflect increased responsibilities or reward extraordinary performance.

The Committee decides on at least an annual basis whether or not to issue option grants to the executive officers. The amount of equity awards to be issued is based on the discretion of the Committee. In July 2007, the Committee awarded Dr. Haitzmann and Mr. Hoetzing each 200,000 shares of restricted common stock. Mr. Hannappel and Mr.

Sienko were each awarded 10,000 stock options. The restricted common stock and stock options vest 10% at one year from grant date, an additional 20% at two years from grant date, an additional 30% at three years from grant date and an additional 40% at four years from grant date. The stock options expire ten years from the date of grant.

The Committee awarded the shares of restricted stock and the stock options for past service and as an incentive to continue employment with us. In determining the basis of the award, the Committee took into account the asset growth and employee growth of the Company since the last award was made in March 2004. Our total assets grew from \$56.8 million as of March 31, 2004 to \$184.1 million as of March 31, 2007. Since the first quarter of 2004, our operations have increased from 10 casinos, 2 hotels and approximately 555 employees to 11 casinos, 5 hotels and approximately 1,000 employees.

In determining the amount of restricted common stock and stock options to award, the Committee also referred to a 2004 study of management and employee equity incentive participation. According to this study of the 200 largest public U.S. industrial and service corporations, on average 10.0% of the total number of fully diluted shares of each corporation was reserved for equity incentive awards. The Committee issued enough awards to remain below this average, with room to issue additional awards in the future and remain within the industry average. Subsequent to the issuance of the awards to the named executive officers, 7.4% of our total number of fully diluted shares was reserved for equity incentive awards.

Policy Concerning Tax Deductibility

The Committee's policy with respect to qualifying compensation paid to its executive officers for tax deductibility purposes is that executive compensation plans will generally be designed and implemented to maximize tax deductibility. However, non-deductible compensation may be paid to executive officers when necessary for competitive reasons or to attract or retain a key executive, or where achieving maximum tax deductibility would be considered disadvantageous to the best interests of the Company.

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation greater than \$1 million paid for any taxable year to any "covered employee" (defined as the Chief Executive Officer and the corporation's other four most highly compensated officers as of the end of a taxable year). However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met. The 2005 Plan is structured to qualify awards as compensation that is exempt from the \$1 million deduction limit. No "covered employees" were paid compensation exceeding \$1 million in 2007 and, as a result, all compensation to "covered employees" is fully tax-deductible.

Personal Benefits and Perquisites

Our use of perquisites as an element of compensation is limited. The Committee does not view perquisites as a significant element of our compensation structure, but does believe that they can be used in conjunction with base salary to attract, motivate and retain individuals in a competitive environment. Besides certain life insurance contributions and change in control protections, we generally provide broad-based perquisites to our executives and other employees. Executives and all other employees are eligible to participate in various benefit programs such as medical, dental and vision insurance, life insurance, both short and long-term disability, and employer contributions to the Century Casinos, Inc. 401(K) Savings and Retirement Plan. Relocation benefits are available and are negotiated on an individual basis when an employee is hired.

In addition to our group benefits, Erwin Haitzmann and Peter Hoetzinger are also entitled to:

1. A company-paid life insurance policy. Dr. Haitzmann's policy provides a maximum life insurance benefit of € 349,975, payable in either a single lump sum or as an annuity. Mr. Hoetzinger's policy provides a maximum life insurance benefit of € 418,032, payable in either a single lump sum or as an annuity;
2. Long term disability or death benefits equal to 1/12 of the executive's annual salary in effect at the time of disability or death, for a period of twelve (12) months from the date of disability or death; and
3. The use of a car provided to them and paid for by us for business and personal purposes.

The cost to us of these benefits, if used by a Named Executive Officer and if in excess of \$10,000, is reflected in "All Other Compensation" in the Summary Compensation Table.

Change in Control and Severance Benefits

We have entered into employment agreements with our executive officers, including our Co Chief Executive Officers and all named executive officers. These agreements are described in more detail under “Executive Employment Agreements.” These agreements provide for severance compensation to be paid if the executives are terminated under certain conditions, such as a change in our control or a termination without cause by us, each as is defined in the agreements.

Our 2005 Plan and our previous equity incentive plan under which we have issued equity awards to our executive officers provide for full accelerated vesting of stock awards following a change in our control, as defined in such plans.

The change of control provisions and the related severance compensation provisions of the employment agreements with our executive officers and our equity incentive plans are designed to meet the following objectives:

1. **Change in Control:** Many larger, established casino developers consider companies at similar stages of growth as Century Casinos, Inc. as potential acquisition targets as a means of adding value to their company. In some scenarios, the potential for merger or acquisition may be in the best interests of our securityholders. In certain cases, we provide severance compensation if an executive is terminated as a result of a corporate transaction in order to maintain the continuity of management during the transaction and in order to promote the ability of our executive officers to act in the best interests of our securityholders even though there exists the possibility that they could be terminated as a result of the transaction.

We define a change in our control as:

- a. any person or entity (not affiliated with the employee, other employees or members of the Board of Directors) becoming the beneficial owner of a majority of the voting rights of our outstanding securities;
 - b. the triggering of the issuance of stock rights to securityholders pursuant to our stock rights agreement, as amended from time to time;
 - c. the replacement or rejection of one or more person(s) nominated to be director(s) by our Board of Directors before any change of control;
 - d. the election of one or more persons to our Board of Directors that have not been nominated by our Board of Directors prior to any change of control;
 - e. Dr. Haitzmann ceases to serve as our Chairman, except by reason of his death or permanent disability (as stated in Mr. Hoetzing's employment agreement);
 - f. Mr. Hoetzing ceases to serve as our Vice Chairman, except by reason of his death or permanent disability (as stated in Dr. Haitzmann's employment agreement); or
 - g. the holders of securities approve a merger, consolidation or liquidation of the company.
2. **Termination Without Cause By Us:** If we terminate the employment of an executive officer without cause, we are obligated to continue to pay their base salary for a specified period of time, as per the executive officer's employment agreement. We believe this is appropriate because:
 - a. the terminated executive officer is bound by confidentiality and non-compete provisions covering a specified period of time;
 - b. we and the executive have mutually agreed to a severance package that is in place prior to any termination event. This provides us more flexibility to make a change in senior management if such a change is in the best interests of the company and our securityholders; and
 - c. the terminated executive receives a fair severance payment that is defined in advance of a termination without cause.

For this scenario, we define "cause" for Dr. Haitzmann and Mr. Hoetzing as:

- a. the failure of the employee for any reason, within thirty days after receipt by the employee of written notice thereof from us, to correct, cease, or otherwise alter any specific action or omission to act that constitutes a material and willful breach of such employee's employment agreement that is likely to result in material damage to us; or
 - b. any willful gross misconduct likely to result in material damage to us.

For this scenario, we define “cause” for Mr. Hannappel and Mr. Sienko as:

- a. any fraud, theft or intentional misappropriation perpetrated by an employee against us;
 - b. conviction of a felony;
 - c. a material and willful breach of such employee’s employment agreement by an employee, if such employee does not correct such breach within a reasonable period after we give written notice to employee;
 - d. willful or gross misconduct by the employee in the performance of his duties under his respective employment agreement;
 - e. failure by the employee to maintain in good standing any license that he must hold based on the requirements of any regulatory body;
 - f. the chronic, repeated, or persistent failure of the employee in any material respect to perform his obligations as an employee of ours (other than by reason of a disability as determined under common law or any pertinent statutory provision, including without limitation the Americans With Disabilities Act), if the employee does not correct such failure within a reasonable period after we give written notice to him (with such notice to specify in reasonable detail the action or inaction that constitutes such failure).
3. Termination With Cause By Employee: Dr. Haitzmann’s and Mr. Hoetzinger’s employment agreements provide severance in the event they terminate their employment with us for cause. This scenario would be treated similarly to a termination without cause by us for the same reasons provided for that situation, as described above.

For this scenario, we define “cause” as:

- a. our failure for any reason, within thirty days after receipt by us of written notice from the employee, to correct, cease, or otherwise alter any material adverse change in the conditions of such employee’s employment, including, but not limited to any change in his title or position, or the duties of such position (such as, but not limited to another person assuming the same or similar title, position or duties, or one or more of the employee's primary duties being assigned to be performed by the employee in a country other than his country of primary residence), unless the employee consents in writing to such change; or
 - b. a change in our control, as defined above.

EXECUTIVE EMPLOYMENT AGREEMENTS

Co Chief Executive Officers

On October 12, 2001, the Company entered into separate employment agreements with Erwin Haitzmann and Peter Hoetzing. The agreements were amended February 18, 2003 to extend the dates of employment to December 31, 2008 and to specify the duties of Dr. Haitzmann and Mr. Hoetzing. Additionally, the agreements were amended February 3, 2005 to reassign the employment agreements to a wholly owned foreign subsidiary of the Company, to include changes to the employees' salary and termination clauses (See "Compensation Discussion and Analysis – Change in Control and Severance Benefits"), and to extend the dates of employment to December 31, 2009, and for five year renewable periods thereafter, unless sooner terminated by them or us. Effective September 1, 2006, the employment agreements were further amended to provide each executive officer with life insurance. (See "Compensation Discussion and Analysis - Personal Benefits and Perquisites").

As compensation for the services rendered by Dr. Haitzmann and Mr. Hoetzing for us, Dr. Haitzmann and Mr. Hoetzing are paid not less than €70,000 (Euro seventy thousand) (approximately \$96,444 for the year ended December 31, 2007) in base salary, plus annual increases and bonuses, and such other incentives, benefits, insurance policies and compensation as may have been and may be awarded to them from time to time by the Committee. The Committee is required to review the salaries on an annual basis. We either provide Dr. Haitzmann and Mr. Hoetzing with, or reimburse them for, all reasonable expenses incurred in connection with the performance of their duties as our executives, in substantially at least the same form and fashion as we have done during the twelve months preceding the date of the agreements. Dr. Haitzmann and Mr. Hoetzing are also each entitled to the use of a car provided to them and paid for by us for business and personal purposes. (See "Compensation Discussion and Analysis – Personal Benefits and Perquisites").

In addition to the employment agreements, as amended, that we have with Dr. Haitzmann and Mr. Hoetzing, we are party to separate management agreements with Flyfish Casino Consulting AG, a Swiss corporation, to secure the services of Dr. Haitzmann, and with Focus Casino Consulting AG, a Swiss corporation, to secure the services of Mr. Hoetzing, to provide executive casino management services to us through December 31, 2011, and for five year renewable periods thereafter, unless sooner terminated by them or by us.

Payments to each of these management companies are included as salary in the Summary Compensation Table.

Payments of the management fees are reviewed annually by the Committee.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

We have entered into employment and severance agreements with our named executive officers that require us to make payments and provide various benefits in the event of the executive's termination or a change in our control.

The terms of the agreements and the estimated value of the payments and benefits due to the executives pursuant to their agreements under various termination events are detailed below.

Erwin Haitzmann and Peter Hoetzing. Pursuant to Dr. Haitzmann's and Mr. Hoetzing's employment agreements and management agreements, if we terminate these agreements without cause, if either officer terminates these agreements for cause or upon a change in our control, each of them will be entitled to:

- a lump sum cash benefit payment of three times his then current annual compensation/management fee, plus three times his average bonus for the last three years;
- serve as a consultant to us for an additional period of three years at his then current compensation/ management fee, his previous year's bonus and current benefits. During such additional period of three years, Dr. Haitzmann or Mr. Hoetzing would be required to keep himself reasonably available to us to render advice or to provide services for no more than thirty days per year;
- the immediate vesting of all unvested stock and stock options. Dr. Haitzmann or Mr. Hoetzing will have the option to either (a) receive an immediate payment of the stock value of 100% of his stock and the higher of (i) the value of the stock options according to the Black-Scholes model or (ii) the "in-the-money" value of his stock options as of the date of such written notice of termination, or (b) receive an immediate cash bonus from us enabling him, after the payment of all of his taxes, to exercise 100% of his stock options, and to continue to hold his stock, with the right to put the stock back to us, at any time and for an unlimited number of times, within three years of termination.

If either officer terminates his agreements without cause, we have the option either (i) to accept his resignation, effective immediately on receipt of written notice; or (ii) to require him to continue to perform his duties for a period not to exceed six months from the date of receipt of such written notice. In either event, he shall continue to be paid at the same compensation/management fee for a period of six months from the date of written notice of termination. Such compensation shall be paid to him in six equal, successive monthly payments, beginning on the 1st day of the month immediately following the date of written notice of termination.

Each executive has also agreed not to disclose to third parties any confidential or proprietary information relating to us.

Assuming Dr. Haitzmann was terminated on December 31, 2007 or that a change in control occurred on such date, and assuming further that the market value of his unvested equity awards was \$6.44, which was the market price of our stock on December 31, 2007, Dr. Haitzmann would be eligible for the following payments and benefits:
