Dear Shareholder:

You are cordially invited to attend the Annual Meeting of Shareholders of Independent Bank Corp. to be held on Thursday, April 11, 2002. The meeting will be held at Plimoth Plantation, 137 Warren Avenue on Route 3A in Plymouth, Massachusetts and will begin at 3:30 p.m. Shareholders of record as of February 15, 2002 will be entitled to vote at the Annual Meeting. I look forward to personally greeting those of you who will be able to attend.

This year's Annual Meeting is particularly important because, for the first time in my tenure at Independent Bank Corp., the election of Directors may be contested. William J. Spence is currently a Director who will be retiring in 2002 upon attaining age 72 (in accordance with a vote taken by the Board on February 11, 1993). Mr. Spence has nominated his daughter, Kerry Lee Spence, to serve as a Director contrary to the wishes of the rest of the Board. The size of the Board has been set at 15 members. Kerry Lee Spence, therefore, would need to unseat an incumbent member of the Board to be elected. The incumbent members of the Board who are up for reelection at the Annual Meeting are Alfred L. Donovan, E. Winthrop Hall, Robert D. Sullivan, Brian S. Tedeschi, and me.

Management, under the direction of the Board, is executing a solid operating plan that delivers value to the shareholders. The success which Independent Bank Corp. experienced in 2001, a year when net income increased by 45% and diluted earnings per share increased by 44%, indicates that the plan which the Board and management has in place is working.

Enclosed with this letter are Independent Bank Corp.'s Notice Of Annual Stockholder Meeting, Independent Bank Corp.'s Proxy Statement, and a white Independent Bank Corp. Proxy Card. Please read these materials carefully for a more complete description of the matters to be considered at the Annual Meeting. Then, please take a minute to do your part to reelect the five existing Class III Directors by voting "FOR ALL NOMINEES," and signing, dating, and returning your white proxy card in the enclosed postage-prepaid envelope.

I respectfully request that you do not sign any proxy card to support the election of Kerry Lee Spence. The role of director is not an inherited right.

It is important that your shares are represented at the Annual Meeting, regardless of the number you own. I therefore urge you to sign and return your white proxy card as soon as possible. If you have any questions, please contact our Clerk, Linda M. Campion, at 781-982-6243.

Thank you for your continued interest and support.

Best regards,

Douglas H. Philipsen
Chairman, President and CEO
Independent Bank Corp.

IMPORTANT

Your vote is important. Please take a moment to sign, date and promptly mail your WHITE proxy card in the postage paid envelope provided. Remember, do not return any proxy card sent to you in support of Kerry Lee Spence.

If no instructions are indicated, your vote will be cast "FOR ALL NOMINEES".

This proxy solicitation on behalf of the Independent Bank Corp. Board of Directors is being managed by:

INDEPENDENT BANK CORP. PROXY STATEMENT

I. Date, Time, And Place Of Annual Stockholders Meeting

The Board of Directors (the "Board") of Independent Bank Corp. (the "Company") furnishes this Proxy Statement to the holders of the Company's common stock, \$.01 par value per share ("Common Stock"), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders ("Annual Meeting") to be held at the Plimoth Plantation, 137 Warren Avenue on Route 3A, Plymouth, Massachusetts on Thursday, April 11, 2002 at 3:30 p.m., and also for use at any adjournments of the Annual Meeting.

II. Date Of Proxy Statement

The Board anticipates that this Proxy Statement will be mailed to stockholders on or about March 8, 2002.

III. Purposes Of Annual Meeting

The Annual Meeting will be held for the following purposes:

- (1) To elect five Directors to hold office, each for a term of three years and until their successors have been elected and qualified; and,
- (2) To consider and act upon any matters incidental to any of the foregoing purposes, and any other business which may properly come before the Annual Meeting or any adjournments thereof.

IV. Voting Of Proxies, Revocability Of Proxies, And Voting Procedures Generally

Each proxy solicited hereby, if properly signed and returned to the Company and not revoked, in writing, prior to its use, will be voted in accordance with the instructions contained therein. If no contrary instructions are given, each proxy received will be voted:

- (1) FOR the reelection of Alfred L. Donovan, E. Winthrop Hall, Douglas H. Philipsen, Robert D. Sullivan, and Brian S. Tedeschi as Class III Directors; and,
- (2) upon such other matters as may properly come before the Annual Meeting, in accordance with the best judgment of the persons appointed as proxies.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing with the Clerk of the Company written notice thereof at the Company's principal executive offices located at 288 Union Street, Rockland, Massachusetts 02370, (ii) submitting a duly executed proxy bearing a later date which is received by the Clerk at least one business day prior to the Annual Meeting, or (iii) appearing at the Annual Meeting and giving the Clerk written notice of his or her intention to vote in person. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournments thereof and will not be used for any other meeting.

Only stockholders of record at the close of business on February 15, 2002 ("Voting Record Date") will be entitled to vote at the Annual Meeting and any adjournments thereof. On the Voting Record Date, there were 14,349,775 shares of Common Stock of the Company issued and outstanding, and the Company had no other class of equity securities outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting. The By-Laws of the Company require that the holders of a majority of all shares of Common Stock then outstanding and entitled to vote be present in person or be represented by proxy at the Annual Meeting in order to constitute a quorum for the transaction of business.

1

A plurality of votes cast by stockholders present, in person or by proxy, at the Annual Meeting is required for the election of directors. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for transaction of business at the Annual Meeting. Abstentions are counted as a negative vote in the tabulations of the votes on proposals presented to stockholders, whereas broker non-votes are disregarded for purposes of determining whether a proposal has been approved. With regard to the election of directors, votes for which authority to vote is withheld will not be counted in the vote and will have no effect.

V. Matters To Be Voted Upon At Annual Meeting

A. Election Of Directors (Notice Item 1)

The Company's Articles of Organization and By-Laws provide that the Board shall be divided into three classes as nearly equal in number as possible, and that the members of each class are to be elected for a term of three years and until their successors are elected and qualified. Currently, the size of the Board is fixed at 15 members, and there are three classes of Directors, with five Directors in each class.

Directors continue to serve until their three-year terms expire and until their successors are elected and qualified, unless they earlier die, resign, or are removed from office. One class of directors is to be elected annually. The Board (with Director William J. Spence abstaining) has nominated Class III Directors (the "Board Nominees") for reelection at the Annual Meeting. The Board Nominees are:

Alfred L. Donovan. Age 67. Mr. Donovan resides in Chestnut Hill, Massachusetts and is an independent consultant specializing in marketing and business strategy, based in Boston, Massachusetts. Mr. Donovan became a Director of Rockland Trust Company, the Company's wholly-owned banking subsidiary ("Rockland Trust"), in 1967 and a Director of the Company in 2000.

E. Winthrop Hall. Age 66. Mr. Hall resides in Weymouth, Massachusetts and is President and Chairman of the Board of Directors of F. L. & J. C. Codman Co., a manufacturer of buffing, polishing, grinding wheels and special machinery in Rockland, Massachusetts. Mr. Hall became a Director of Rockland Trust in 1980 and a Director of the Company in 2000.

Douglas H. Philipsen. Age 63. Mr. Philipsen was appointed Chairman of the Board of the Company and of Rockland Trust in July 1998. Mr. Philipsen joined Rockland Trust in December 1991 as President, Chief Executive Officer, and a Director. At that time he also became President and a Director of the Company.

Robert D. Sullivan. Age 59. Mr. Sullivan resides in Hanover, Massachusetts and is President of Sullivan Tire Company, Inc., a retail and commercial tire and automotive repair service with locations throughout Massachusetts, Maine, New Hampshire, and Rhode Island. Mr. Sullivan has been a Director of Rockland Trust since 1979 and became a Director of the Company in 2000.

Brian S. Tedeschi. Age 51. Mr. Tedeschi resides in Norwell, Massachusetts and is Chairman of the Board of Directors of Tedeschi Realty Corp., a real estate development company in Rockland, Massachusetts. Mr. Tedeschi has served as a Director of Rockland Trust since 1980 and of the Company since 1991.

The Board Nominees have served the Company and Rockland Trust for many years and have each contributed to the Company's success. Management, under the direction of the Board of Directors, is executing a solid operating plan that delivers value to the shareholders. The success which the Company experienced in 2001, a year when net income increased by 45% and diluted earnings per share increased by 44%,

indicates that the plan which the Board and management has in place is working.

The Board (with Director William J. Spence abstaining) therefore recommends reelection of all five of the Board Nominees.

Unless instructions to the contrary are received, it is intended that the shares represented by proxies will be voted for the reelection the Board Nominees as Class III Directors. The Company has no reason to believe that any of the Board Nominees will be unable to serve. If, however, any of the Board Nominees should not be available for election at the time of the Annual Meeting, it is the intention of the persons named as proxies to vote the shares to which the proxy relates, unless authority to do so has been withheld or limited in the proxy, for the election of such other person or persons as may be designated by the Board or, in the absence of such designation, in such other manner as they may, in their discretion, determine.

**The Board Therefore Recommends That You Vote *FOR ALL NOMINEES*
On The Enclosed White Proxy Card And Reelect The Board Nominees.**

The reelection of the Board Nominees may be contested at the Annual Meeting because of actions taken by William J. Spence, who is a Director of the Company and who will be retiring in 2002 upon attaining age 72. During the past two years, Director Spence has informally proposed to the Board that it nominate his daughter, Kerry Lee Spence, for election to a three-year term as a Director of the Company. The Board has declined to do so on each occasion.

On November 2, 2001, Director Spence sent a letter to the Clerk of the Company, in the form of a shareholder proposal, which formally nominated his daughter, Kerry Lee Spence, for election to the Board. Kerry Lee Spence currently serves as Chief Financial Officer of Massachusetts Bay Lines, Inc., a ferry boat operator, in Boston, Massachusetts. Massachusetts Bay Lines, Inc. is, upon information and belief, owned or controlled by her father, Director Spence.

On November 8, 2001, the Board voted unanimously, with the exception only of Director Spence, to oppose the nomination of Kerry Lee Spence unless Director Spence withdrew that nomination by November 16, 2001. On November 15, 2001, however, Director Spence confirmed to Edward H. Saksay, General Counsel of the Company, in writing, that Director Spence was not withdrawing the nomination of his daughter, Kerry Lee Spence.

After Director Spence refused to withdraw his daughter's nomination, the Company retained outside counsel to represent the Company in connection with the nomination of Kerry Lee Spence. On December 18, 2001, outside counsel filed a "no-action" letter request with the Securities Exchange Commission ("SEC") on behalf of the Company to confirm that the SEC would not recommend enforcement action against the Company if it did not include Director Spence's shareholder proposal in the Company's proxy materials, because it pertained only to the nomination of a director to serve on the Board, a matter which is handled through compliance with the Company's nomination procedures set out in its By-Laws. A copy of that "no-action" request was simultaneously delivered to Director Spence. On February 8, 2002, the SEC responded and confirmed that it would not recommend enforcement action if the Company omitted Director Spence's shareholder proposal from its proxy materials, because the proposal "nominates an individual for membership on Independent Bank's board of directors."

Director Spence has complied with the Company's nomination procedures. Consequently, even though the Company does not need to include Director Spence's shareholder proposal in this Proxy Statement, the subject of Kerry Lee Spence's election will still come before the Annual Meeting.

Although Director Spence has indicated that, as of this date, he has not yet decided whether to solicit proxies in support of Kerry Lee Spence's nomination, you may in the future receive proxy materials recommending Kerry Lee Spence for election to the Company's Board of Directors. To support the Board and the five Board Nominees who are up for reelection, the Board urges you not to sign any proxy card you may receive to support the election of Kerry Lee Spence.

The Board appreciates the many years of service which Director Spence has devoted to the Company and acknowledges that Kerry Lee Spence's great-grandfather helped found Rockland Trust in 1907. Board membership, however, is not an inherited right. All members of the Board, with the exception of Director Spence, oppose the nomination of Kerry Lee Spence.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

The Common Stock of the Company is publicly traded on NASDAQ, and, for many years, the Company has had a diverse ownership comprised of many institutional and individual investors. Kerry Lee Spence should not be elected to the Board (based upon a nomination submitted by her father, Director Spence) because the Company is not a Spence family business, and it would be contrary to the best interests of the Company and its shareholders to do anything to indicate otherwise.

Because the size of the Board has been set at 15 members, Kerry Lee Spence would need to unseat an incumbent member of the Board of Directors to be elected. Kerry Lee Spence, therefore, is attempting to unseat and replace one of the five Board Nominees who are up for reelection at the Annual Meeting. By voting "FOR ALL NOMINEES" on the enclosed white proxy card to reelect the five Board Nominees, you will also be automatically voting against the election of Kerry Lee Spence. To support the Board and the five Board Nominees who are up for reelection, the Board urges you not to sign any proxy card you may receive to support the election of Kerry Lee Spence.

B. *Other Matters (Notice Item 2)*

The proxy also confers discretionary authority with respect to any other business which may come before the Annual Meeting, including rules for the conduct of the Annual Meeting. The Board knows of no other matter to be presented at the Annual Meeting. It is the intention of the persons named as proxies to vote the shares to which the proxies relate according to their best judgment if any matters not included in this Proxy Statement come before the Annual Meeting, unless the proxy states to the contrary.

VI. *Board Of Directors*

A. *Current Members*

The Board of the Company is currently comprised of the individuals listed below. Codman Co., a manufacturer of buffing, polishing, grinding wheels and special machinery in Rockland, Massachusetts. Mr. Hall became a Director of Rockland Trust in 1980 and a Director of the Company in 2000.

Douglas H. Philipsen. Age 63. Mr. Philipsen was appointed Chairman of the Board of the Company and of Rockland Trust in July 1998. Mr. Philipsen joined Rockland Trust in December 1991 as President, Chief Executive Officer, and a Director. At that time he also became President and a Director of the Company. From October 1987 through November 1990, Mr. Philipsen served as President and Chief Executive Officer of Bank of New England-Worcester, Worcester, Massachusetts, and its predecessor financial institutions, Guaranty Bank & Trust and Consumers Savings Bank.

With the exception of Messrs. Cushing and Levinson, who are current members of the Board of the Company while only Honorary Directors of Rockland Trust, the current membership of the Board of the Company and of the Board of Directors of Rockland Trust is the same.

Director Lawrence M. Levinson attended 0 out of 11 (or 0%) of the meetings of the Company's Board during 2001. All other Directors attended more than 75% of the meetings of the Company's Board during 2001.

B. Meetings And Compensation For The Board And Its Committees

During 2001, the Board of the Company had 11 meetings, and the Rockland Trust Board of Directors had 12 meetings. Under the Directors' Option Plan, each person who was a non-employee director of the Company or of Rockland Trust on April 16, 1996 automatically received a non-qualified stock option to purchase 5,000 shares of Common Stock at the then fair market value of the Common Stock. Each person who thereafter becomes a non-employee director of the Company or of Rockland Trust shall receive, on the first anniversary of his or her election, a non-qualified stock option to purchase 5,000 shares of Common Stock at its then fair market value. Thereafter, each such non-employee director shall receive a non-statutory stock option to purchase 1,000 shares of Common Stock upon the later of (a) the expiration of one year following his or her election to the Board, or (b) the third business day following the day of the annual meeting of stockholders, at the then current fair market value.

C. Report Of The Company's Audit Committee(1)

(1)

This Report of the Company's Audit Committee shall not be deemed to be incorporated by reference into any of the Company's previous filings with the Securities and Exchange Commission ("SEC") and shall not be deemed incorporated by reference into any of the Company's future SEC filings irrespective of any general incorporation language therein.

During 2001, the Audit Committee of the Company's Board had 6 meetings. Its membership was comprised of Messrs. Spurr (who served as Chairman), Clark, and Cushing.

Each member of the Company's Audit Committee is independent as defined under the National Association of Securities Dealers' listing standards. The Company's Audit Committee operates under a written charter approved by the Board, a copy of which is attached as Exhibit A to this Proxy Statement.

The Company's Audit Committee assists the Board by overseeing the audit coverage and monitoring the accounting, financial reporting, data processing, regulatory, and internal control environments. Management has the primary responsibility for the financial statements and the reporting process, including internal control systems. The primary duties and responsibilities of the Company's Audit Committee are to: (1) serve as an independent and objective party to monitor the Company's financial reporting process and internal control systems; (2) review and appraise the audit efforts of the Company's independent auditors and internal audit department; (3) evaluate the Company's quarterly financial performance, as well as its compliance with laws and regulations; (4) oversee management's establishment and enforcement of financial policies; and, to (5) provide an open avenue of communication among the independent auditors, financial and senior management, the internal audit department, and the Board.

The Company's Audit Committee has:

reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2001 with the Company's management and Arthur Andersen LLP, the Company's independent auditors, including a discussion of the quality and effect of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements;

discussed the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) with Arthur Andersen LLP, including the process used by management in formulating particularly sensitive accounting estimates and the basis for the conclusions of Arthur Anderson LLP regarding the reasonableness of those estimates; and

met with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

7

During the fiscal year ended December 31, 2001, the Company retained and paid Arthur Andersen LLP to provide audit and other services, as follows:

Audit Fees:	\$	162,000
All Other:		
Audit Related	\$	74,700
Other	\$	100,000

The \$100,000 in "Other" amounts paid to Arthur Andersen LLP during 2001 is comprised of: \$75,000 paid for tax return preparation and tax advisory services; and, \$25,000 paid for a review of the Company's network security.

The Company's Audit Committee has also received the written disclosures and the letter from Arthur Andersen LLP required by Independence Standards Board Standard No. 1 (entitled "Independence Discussion with Audit Committees"), has discussed the independence of Arthur Andersen LLP and considered whether the provision of non-audit services by Arthur Andersen LLP is compatible with maintaining auditor independence, and has satisfied itself as to the auditor's independence.

Based on the review and discussions noted above, the Company's Audit Committee has recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the SEC. A representative of Arthur Andersen LLP is expected to be present at the Annual Meeting to respond to appropriate questions and will have the opportunity to make a statement if s/he so desires.

Company, and Mr. Spurr, also a Director of the Company, are President and Executive Vice President and Treasurer of A.W. Perry, Inc., respectively. Rockland Trust's Investment Management Group Division is located in this office building. Rental payments for this property in 2001 were approximately \$247,234. These amounts did not exceed 5% of that firm's gross revenues for 2001. In November 1997, the aforementioned joint

venture entered into a triple net, 99-year ground lease with A.W. Perry, Inc. with respect to a portion of such land (on which a separate building had been constructed). All of the base rent due with respect to such lease (\$450,000) was paid to the joint venture upon execution of the lease. In November 1997, the joint venture made a distribution of such proceeds to Rockland Trust and A.W. Perry, Inc., in accordance with their respective 50% joint venture interests.

Burns & Levinson LLP, a law firm of which Mr. Levinson, a Director of the Company, is a partner, furnished legal services to the Company for which it received fees that did not exceed 5% of that firm's gross revenues for 2001. It is anticipated that Burns & Levinson LLP may continue to furnish such legal services in the future.

During 2001, Rockland Trust paid Paul Clark, Inc. of which Mr. Clark, a Director of the Company, is President, \$18,699 for repair services and the purchase by Rockland Trust of one automobile. These amounts did not exceed 5% of that firm's gross revenues for 2001.

Rockland Trust leased the 2,500 square feet of space at which its Kingston branch is located from Kingston Associates for which Rockland Trust paid total rent of approximately \$46,732 in 2001. Rockland Trust leased the 2,195 square feet of space at which its Whitman branch is located from Whitman Associates for which Rockland Trust paid total rent of approximately \$39,752 in 2001. The 2,400 square foot Middleborough Square facility is leased from Middleborough Associates for which Rockland Trust paid total rent of approximately \$68,216 in 2001. The 2,400 square foot Cranberry Plaza branch in Wareham is leased from the Darman-Tedeschi Trust for which total rent of approximately \$49,219 was paid in 2001. Rockland Trust leased 1,800 square feet at which its Rockland Plaza branch is located from the Rockland Plaza Inc. Nominee Trust for which Rockland Trust paid total rent of approximately \$29,843 in 2001. Rockland Trust leased the 1,496 square feet of space at which its Pocasset branch is located from Beta Nominee Trust for which Rockland Trust paid total rent of approximately \$19,448 in 2001. During 1998, Rockland Trust purchased an office condominium from Tedeschi Realty Corporation for \$1,074,000 in order to relocate its Hanover Branch. Rockland Trust paid condominium fees of approximately \$8,700 in 2001. In 2001, Rockland Trust opened a new bank branch approximately 1,860 square feet in size, in North Plymouth. The new North Plymouth branch was constructed pursuant to a lease between Rockland Trust and Tedeschi Realty Corporation, and, during 2001, Rockland Trust paid \$7,110 to the landlord in accordance with that lease. Brian S. Tedeschi, a Director of the Company, is affiliated with each of the foregoing landlords.

Some of the Directors and executive officers of the Company, as well as members of their immediate families and the companies, organizations, trusts, and other entities with which they are associated, are, or during 2001 were, also customers of Rockland Trust in the ordinary course of business, or had loans outstanding during 2001, including loans of \$60,000 or more, and it is anticipated that such persons and their associates will continue to be customers of and indebted to Rockland Trust in the future. All such loans were made in the ordinary course of business, did not involve more than normal risk of collectibility or present other unfavorable features, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with unaffiliated persons and, where required by law, were prior approved by the Rockland Trust Board of Directors. At December 31, 2001, such loans amounted to approximately \$16.5 million (12.4% of total stockholders' equity). None of these loans to directors, executive officers, or their associates are nonperforming.

9

In the opinion of management of the Company, the terms of the foregoing transactions were no less favorable to the Company than those it could have obtained from an unrelated party providing comparable premises or services.

B. Report Of The Company's Stock Option Plan Committee And Of Rockland Trust Company's Compensation Committee On Executive Compensation During 2001

The executive compensation program of the Company and Rockland Trust continues to have four primary components: base salary, annual cash incentive compensation, long-term compensation (equity based opportunities), and benefits. The base salary, cash incentives, and benefits are administered by Rockland Trust's Compensation Committee. The equity-based opportunities are administered by the Stock Option Plan Committee of the Company. The current membership of these Committees is comprised of the Directors of the Company or Rockland Trust set forth below. The Committees strive to balance short-term and long-term Company performance and shareholder returns in establishing performance criteria. The Committees evaluate executive compensation against these performance criteria and competitive executive pay practices before determining changes in base salary, the amount of any incentive payments, stock option awards, and other benefits.

In 2001, the Compensation Committee again engaged Hay Management Consultants ("Hay") to review base salary ranges for the executive officers. Hay conducts market analyses of cash compensation and uses its proprietary job evaluation process to recommend salary ranges that reflect competitive factors and maintain internal equity. The 2001 review by Hay was extensive, due to the significant growth of Rockland Trust during 2000, and involved all executive officers and many senior management positions. Salary ranges were adjusted based upon Hay's recommendations. Management has used the Hay process since 1993 to establish base salary ranges for most officer positions in Rockland Trust.

In 1997, the Compensation Committee engaged performance compensation consultants Sibson and Company ("Sibson") to review Rockland Trust's performance based cash compensation program for senior executives and other officers of Rockland Trust. Sibson's review encompassed total compensation, peer compensation levels, and the linkage between cash incentive compensation, plan results, and bank performance. Sibson found that Rockland Trust's compensation program is competitive and has supported performance improvement. Sibson's recommendations were incorporated in the 1999, 2000, and 2001 cash incentive compensation program for executive officers and other officers of Rockland Trust. Cash incentive awards for 2001 will be finalized in March of 2002 based principally by comparison of Rockland Trust's performance on Return on Assets and Return on Equity and measures of asset quality as compared to peer financial institutions.

In addition to the recommendations of Sibson and Hay, the Bank utilizes, for normative purposes, SNL Securities *SNL Executive Compensation Review for Commercial Banks*. This review provides a summary of the compensation of the top five executive officers of all publicly traded U. S. commercial banks as reported in their Proxy Statements.

In determining compensation for the Chief Executive Officer ("CEO"), the Compensation and Stock Option Plan Committees review the actual performance of the Company as compared to peer financial institutions as well as business plan objectives. The salary paid to Mr. Philipsen was increased effective April 2001, a performance bonus was awarded (upon completion of the review of the CEO's 2000 performance review in March 2001), and stock options were granted in December 2001. Mr. Philipsen's 2001 performance objectives included new business generation, positioning the Company to effectively compete within its market in the future, and the attainment of strategic objectives. A review of the CEO's performance for 2001 was conducted at executive sessions of the Board in July 2001 and again in January 2002. The Compensation Committee will complete its review of the CEO in March 2002.

In 1994, the Compensation Committee reviewed the objectives of Rockland Trust's qualified and non-qualified retirement plans in light of the Congressional Omnibus Budget Reconciliation Act of 1993 provisions as they affect qualified retirement plan benefits. The Committee established that the objective of its retirement program will be to replace from all Company funded sources, inclusive of social security, approximately 60% of the average of the highest five year annual covered compensation for a full 25-year career, with proportionate reductions for less than a 25-year career. To accomplish this objective for Mr. Philipsen, in December 1994 the Compensation Committee authorized a supplemental retirement program utilizing a split dollar life insurance agreement. In 1998, the Committee amended the objective of its non-qualified retirement program to include incentive compensation in the calculation of retirement income objectives. This was done in response to current peer practices in this area of long-term compensation and is consistent with the results of Hay's published survey of executive retirement practices. In 1999, the Committee authorized a funded Rabbi Trust for Mr. Philipsen to meet the resulting retirement objective.

Messrs. Driscoll, Fuerschbach, Kelley, Seksay, and Sheahan were also granted salary increases and a performance bonus by the Compensation Committee effective April 2001. These actions were based on Rockland Trust's improved results and individual performance within the framework of the salary ranges established using the Hay process and Rockland Trust's cash incentive compensation performance program. Year 2001 performance evaluations for these officers will be completed in March 2002. To accomplish the objectives of Rockland Trust's retirement program as stated above, in 1995 the Compensation Committee authorized a supplemental retirement program for Messrs. Driscoll, Kelley, Fuerschbach and, in 2000, for Messrs. Seksay and Sheahan utilizing a split dollar life insurance agreement. In 1999, the Compensation Committee authorized an additional supplemental retirement program to accomplish the objectives of the retirement program as stated above utilizing split dollar life insurance for Messrs. Kelley and Fuerschbach. In 1999, the Compensation Committee also authorized an additional supplemental executive retirement plan, which was later implemented through a funded Rabbi Trust, for Mr. Philipsen and for Mr. Driscoll.

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

Messrs. Philipsen, Driscoll, Fuerschbach, Kelley, Seksay, and Sheahan received stock options under the 1997 Plan in December 2001. Each option, as disclosed in the Summary Compensation Table, provides the right to purchase a fixed number of shares at the fair market value on the business day preceding the grant. The number of shares granted to each executive officer in 2001 reflects the Committee's assessment of the individual's relative contribution to the Company, the long-term

12

compensation practices prevalent in the industry, and the impact of such options on shareholder dilution.

C. *Employment Agreements*

In December 1991, the Company and Rockland Trust entered into an employment agreement with Mr. Philipsen for him to serve as President of the Company and President and Chief Executive Officer of Rockland Trust. As amended in 1997, the term of Mr. Philipsen's employment agreement is a rolling three years. The agreement provides Mr. Philipsen with a base annual salary of \$320,660, which may be, and has been, increased at the discretion of the Board, the use of a Company-owned automobile, and provides for participation in the various benefit programs provided by the Company, including group life insurance, sick leave and disability, retirement plans and insurance programs. The agreement provides for the establishment by the Company of a Rabbi Trust for the purpose of funding post-retirement taxes, pension payments, and other related expenses which may result from the split dollar agreement previously described. In the event of a change of control, the Company is obligated to immediately fund the payment of the remaining premiums due with respect to the split dollar agreement. The employment agreement provides that in the event of an involuntary termination of Mr. Philipsen by Rockland Trust or the Company for reasons other than cause, as defined, or resignation by Mr. Philipsen for "good reason," as defined, Mr. Philipsen would (i) continue to receive his base salary for three years, plus a sum equal to three times the amount of any incentive payment paid to him within the previous 12 months under the Company's Executive Incentive Compensation Plan and (ii) be entitled to continue to participate in and receive benefits under the Company's group health and life insurance programs for three years or, at his election, to receive a grossed up for taxes bonus payment in an amount equal to the cost to the Company of Mr. Philipsen's participation in such plans and benefits for such three year period. Also, in the event of a termination without cause or a resignation for good reason, all the stock options granted to Mr. Philipsen pursuant to the agreement would remain exercisable for a period of three months following the date of his termination. Resignation for "good reason" under the employment agreement, means, among other things, the resignation of Mr. Philipsen after (i) the Company or Rockland Trust, without the express written consent of Mr. Philipsen, materially breaches the agreement to his substantial detriment; (ii) the Board of the Company or of Rockland Trust, without cause, substantially changes Mr. Philipsen's core duties or removes his responsibility for those core duties, so as to effectively cause him to no longer be performing the duties of Chief Executive Officer and President of Rockland Trust and President of the Company; (iii) the Board of the Company or of Rockland Trust without cause, places another executive above Mr. Philipsen in the Company or Rockland Trust or (iv) a change of control, as defined, occurs. Mr. Philipsen is required to give the Company or Rockland 30 days notice and an opportunity to cure in the case of a resignation effective pursuant to clauses (i) through (iii) above.

14

breaches the agreement to the Executives' substantial detriment; or (ii) the Rockland Trust Board of Directors, or its President and Chief Executive Officer, without cause, substantially changes the Executives' core duties or removes his responsibility for those core duties, so as to effectively cause him to no longer be performing the duties for which the Executives were hired. Defined Benefit Pension Plan. In 1994, the Rockland Trust Retirement Plan (the "Defined Benefit Plan") formula was amended for participants who retired in 1995 and subsequent years of service. The annual normal retirement benefit under the Defined Benefit Plan is equal

Edgar Filing: INDEPENDENT BANK CORP - Form DEF 14A

to (a) 2.0% of final average compensation less (b) .65% of covered compensation as defined for Social Security purposes ("Covered Compensation") times (c) years of service to 25. For participants who had completed 20 or more years of service at December 31, 1994 an additional benefit of .5% times final average compensation times service in excess of 25 years, but not exceeding ten additional years, is provided.

Examples of approximate annual benefits at normal retirement under the formula are shown above using the 2001 Covered Compensation amount of \$37,212 for the offset percentages of the Defined Benefit Plan.

Benefits for 2001 consider only the first \$170,000 of compensation earned by an executive. As of December 31, 2001, Messrs. Philipsen, Driscoll, Kelley, Seksay, and Sheahan had approximately 11, 11, 10, 1, and 5 years of service, respectively.

The Defined Benefit Plan benefit formula for service prior to 1994 is equal to (a) $1\frac{1}{2}\%$ of a participant's final average compensation times his credited service up to 10 years; plus (b) 2% of his final average compensation times his credited service in excess of 10 years (provided that not more than 20 years of service shall be considered); plus (c) $\frac{1}{2}\%$ of his final average compensation times his credited service in excess of 30 years (provided that no more than 5 years of service over 30 years shall be considered), less the smaller of (i) or (ii) described as follows: (i) .65% times the participant's years of service up to 35, times the lesser of his average annual compensation or his Covered Compensation; or (ii) $\frac{1}{2}$ the sum of (a), (b) and (c) above, substituting the lesser of average annual compensation or Covered Compensation for final average compensation, if less. Defined Benefit Plan participants are

18

eligible at normal retirement for the benefit derived from the current formula or, if greater, the benefit for service under the prior Defined Benefit Plan formula.

In January 1997, the Defined Benefit Plan was joined with The Financial Institutions Retirement Fund. This merger has provided significant expense reductions which began impacting Rockland Trust in 1997 while continuing to provide the benefit structure discussed above.

JOINT AUDIT COMMITTEE CHARTER

May 10, 2001

The Joint Audit Committee is the principal vehicle through which the Board of Directors fulfills its responsibility to oversee audit coverage for Independent Bank Corp. and Rockland Trust Company and to monitor the accounting, financial reporting, data processing, regulatory and internal control environments. The Audit Committee will meet quarterly. The Committee has the authority to engage legal counsel, independent of the Company and the Company's outside counsel, without first obtaining permission of the Company's Board of Directors or its management.

All Audit Committee members must be able to understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement. At least one committee member must have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background, including a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities. The members of the Audit Committee shall be appointed by the Board of Directors on the recommendation of the Executive Committee.

Audit Committee Member Independence

A committee member will not be considered "independent" if they have:

 5.
Review interim financial statements prior to the bank filing the 10-Q in accordance with SAS 71 as required by the SEC.
 6.
Assure that relevant matters are discussed with the independent auditor. This discussion and communication will include matters related to the conduct of the audit such as the selection of and changes in significant accounting policies, the methods used to account for significant unusual transactions, the effect of significant accounting policies in controversial or emerging areas, the process used by management in formulating sensitive accounting estimates, and the basis for the auditor's conclusions regarding the reasonableness of these estimates. Also review significant adjustments arising from the audit, disagreements with management over the application of accounting principles, the basis for management's accounting
