It is contemplated that this Information Statement and the accompanying Annual Report on Form 10-K will first be mailed to stockholders on or about April 26, 2002.

Matters to be Considered at the Annual Meeting

At the Annual Meeting the Company's stockholders will be asked to consider and vote upon the election of two directors and to transact such other business as may properly come before the Annual Meeting. The proposals are described in more detail in this Information Statement. The board of directors knows of no other matters that are likely to be brought before the Annual Meeting.

Record Date; Outstanding Shares; Voting Rights

The board of directors of the Company has fixed the close of business on April 22, 2002 (the "Record Date") as the date for the determination of stockholders who are entitled to vote at the Annual Meeting. As of the Record Date, the Company's issued and outstanding capital stock consisted of:

3,419,492 shares of common stock, par value \$0.001 per share (the "Common Stock"), which was held by approximately 192 holders of record;

26,000,000 shares of Series A preferred stock, par value \$0.001 per share (the "Series A Preferred Stock");

19,809,783 shares of Series B preferred stock, par value \$0.001 per share (the "Series B Preferred Stock"); and

49,773,402 shares of Series C preferred stock \$0.001 per share (the "Series C Preferred Stock" and together with the Series A Preferred Stock and Series B Preferred Stock, the "Preferred Stock").

Holders of shares of our Common Stock and Preferred Stock are entitled to the following number of votes on all matters on which they are entitled to a vote at the Annual Meeting:

holders of Common Stock are entitled to one vote for each share held;

holders of Series A Preferred Stock are entitled to one vote for every ten shares held;

holders of Series B Preferred Stock are entitled to one vote for every 7.7048 shares held; and

holders of Series C Preferred Stock are entitled to one vote for every ten shares held.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14C

The board of directors has nominated B. Holt Thrasher, a current member of the Company's board of directors, and David Schaeffer, the Company's Chief Executive Officer and the Chairman of the board of directors, to stand for reelection at the Annual Meeting.

Reelection of Mr. Thrasher

Pursuant to the terms of the Company's Second Amended and Restated Articles of Incorporation, only the holders of Series C Preferred Stock on the Record Date voting as a class are entitled to vote at the Annual Meeting in the reelection of Mr. Thrasher. The holders of the Series C Preferred Stock have informed the Company that they intend to vote, or cause their shares to be voted, at the Annual Meeting for the reelection of Mr. Thrasher.

Reelection of Mr. Schaeffer

The holders of Common Stock and Preferred Stock on the Record Date are entitled to vote at the Annual meeting in the reelection of Mr. Schaeffer. Certain holders of Common Stock, including Mr. Schaeffer, and the holders of the Preferred Stock will have the power to control approximately 84% of the total votes cast with respect to his reelection, and as such are capable of determining the outcome. Mr. Schaeffer and these holders of Preferred Stock have informed the Company that they intend to vote, or cause their shares to be voted, at the Annual Meeting for the reelection of Mr. Schaeffer.

Quorum

A quorum is necessary for the transaction of business at the Annual Meeting. At the Annual Meeting, inspectors of election will determine the presence of a quorum and tabulate the results of the voting by stockholders. A quorum exists when the holders of a majority of the total number of outstanding shares of stock that are entitled to vote at the Annual Meeting are represented at the Annual Meeting in person or, as the case may be, by proxy. The inspectors of election will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum and therefore, abstentions will have the effect of a negative vote for purposes of determining the approval of any matter submitted to the stockholders for a vote, other than the election of directors.

Note Regarding Share and Per Share Data

In connection with the completion of the merger of Allied Riser Communications Corporation ("Allied Riser") with a subsidiary of the Company (the "Merger"), which is discussed in the accompanying Annual Report on Form 10-K, the Company completed a ten-for-one reverse stock split. All share and per-share information contained in this Information Statement reflects the occurrence of that reverse stock split.

THE DATE OF THIS INFORMATION STATEMENT IS APRIL 24, 2002

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Two directors are to be elected at the Annual Meeting to serve until their respective successors are elected and qualified. Nominees for election to the board of directors shall be elected by a plurality of the votes cast by those stockholders represented and entitled to vote on the election of each director at the Annual Meeting. The board of directors has no reason to believe that either of the persons named will be unable or unwilling to serve as a nominee or as a director if elected.

Abstentions from voting on the election of directors, including broker non-votes, will have no effect on the outcome of the election of directors. Set forth below is certain information concerning the two directors of the Company to be elected at the Annual Meeting:

David Schaeffer, age 46, founded the Company in August 1999 and is the Chairman and Chief Executive Officer. Prior to founding the Company, Mr. Schaeffer was the founder of Pathnet, Inc., a broadband telecommunications provider, where he served as Chief Executive Officer from 1995 until 1997 and as Chairman from 1997 until 1999. On April 2, 2001, Pathnet, Inc. filed for bankruptcy under Chapter 11 of the United States Bankruptcy Code. Mr. Schaeffer has been elected as a member of the board of directors pursuant to an agreement among the Company, certain of its Preferred Stock investors and other affiliates of the Company whereby the Company has agreed to nominate certain designees to the board of directors.

B. Holt Thrasher, age 40, has served on the Company's board of directors since January 24, 2002. He has been a managing director at Broadview Capital Partners, and a member of its Network Technology and Services global market group since August 1995. Prior to that, from November 1994 through August 1995, he was a consultant with Omnipoint, a PCS service provider and developer of wireless communications equipment. From 1985 through October 1994 Mr. Thrasher was a vice president at Smith Barney's Merger & Acquisition Group. Mr. Thrasher currently serves on the boards of directors of SignalSoft Corporation, T-NETIX, Inc., the advisory board of Jefferson Partners Capital, LP, and the advisory board of MobileSpring, Inc. Mr. Thrasher has been elected as a member of the board of directors pursuant to an agreement among the Company, certain of its Preferred Stock investors, including Broadview Capital Partners, and other affiliates of the Company whereby the Company has agreed to nominate certain designees to the board of directors.

Recommendation of the Board of Directors:

The board of directors recommends a vote "FOR" the election of both nominees named above.

THE BOARD OF DIRECTORS AND COMMITTEES

The board of directors met eight times during 2001 and acted by unanimous written consent in lieu of a meeting on one occasion. The board of directors has a standing audit committee and a compensation committee, but does not have a nominating committee or other committee that would perform a similar function.

The board of directors currently consists of six directors. The board of directors is divided into three classes: Class I, whose term will expire at the Annual Meeting; Class II, whose term will expire at the annual meeting of stockholders to be held in 2003; and Class III, whose term will expire at the annual meeting of stockholders to be held in 2004. The Class I directors are David Schaeffer and B. Holt Thrasher. The Class II directors are James Wei and Edward Glassmeyer, and the Class III directors are Erel Margalit and Helen Lee. At each annual meeting of the stockholders beginning with the upcoming meeting on June 13, 2002, the successors to the class of directors whose terms expired will be elected to serve three-year terms. If the number of directors on our board increases, the newly created directorships will be distributed among the three classes so that each class will, as nearly as

3

possible, consist of one-third of the directors. The classification of our board of directors may delay or prevent changes in our control or management. Our directors may be removed either with or without cause at any meeting of the Company's stockholders by a majority vote of those stockholders represented and entitled to vote at such meeting.

Pursuant to the Agreement and Plan of Merger, as amended, entered into in connection with the Merger, Allied Riser has the right to designate a member to the board of directors of the Company. Allied Riser's designee has declined his nomination.

Audit Committee

The audit committee consists of Edward Glassmeyer, Erel Margalit, and James Wei, each of whom is independent as the term is defined in Section 121(A) of the listing standards of the American Stock Exchange. The audit committee meets periodically with management and our independent accountants to review their work and confirm that they are properly discharging their respective responsibilities. The audit committee also:

recommends the appointment of independent accountants to audit our financial statements and perform services related to the audit;

reviews the scope and results of the audit with the independent accountants;

reviews with management and the independent accountants our annual operating results;

considers the adequacy of the internal accounting control procedures; and

considers the independence of our accountants.

The audit committee met on April 5, 2001 to receive the report of the Company's auditors. The activities of the audit committee were performed in conjunction with full board meetings at other times. The charter of the audit committee, as adopted by the board of directors, is included as Appendix A to this Information Statement.

Option grants during Fiscal Year 2001. The following table sets forth information regarding options granted to our named executive officers during the fiscal year ended December 31, 2001. We recommend caution in interpreting the financial significance of the figures in the following table representing the potential realizable value of stock options. They are calculated by multiplying the number of options granted by the difference between potential realizable value of the fair market value of a share of our common stock based upon assumptions as to an annual rate of appreciation of the fair market value for the term of the option, and the option exercise price, and are shown pursuant to the rules of the Securities and Exchange Commission. They are not intended to forecast possible future

8

appreciation, if any, of the stock price or establish a present value of options. Actual gains, if any, on stock option exercises will depend on the future performance of our common stock.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The compensation committee of the board of directors is responsible for determining compensation for our executive officers and other employees, and administering our 2000 Equity Incentive Plan, our management incentive plan and other compensation programs. The compensation committee currently consists of Edward Glassmeyer, Erel Margalit, and James Wei.

The Company's compensation program is designed to enable the Company to recruit, retain and motivate a talented and diverse group of executive officers. The Company offers compensation packages comprised of a mix of base salary, stock option grants and annual cash bonus awards.

Salary ranges for the Chief Executive Officer and other executive officers are based on an individual's experience and prior performance as well as the Company's operating performance and the attainment of planned financial and strategic initiatives. The experience, performance and attainment of initiatives are evaluated by the compensation committee on a subjective basis and no particular weight is given to any particular factor.

The compensation of the Chief Executive Officer was originally determined in negotiations with the venture capitalists who initially invested in the company in February of 2000, and is governed by the terms of his employment agreement that is discussed above. The compensation of subsequently hired executive officers was determined in negotiations between the Chief Executive Officer and such executive officers and in consultation with the board of directors and the compensation committee and in most cases is governed by the terms of employment agreements. Subsequent adjustments to the compensation of executive officers other than the Chief Executive Officer have been made based upon the recommendation of the Chief Executive Officer after consultation with the compensation committee.

Edgar Filing: COGENT COMMUNICATIONS GROUP INC - Form DEF 14C

The Company's 2000 Equity Incentive Plan provides for the grant of options to purchase the Company's Common Stock. All executive officers, including the Chief Executive Officer participate in the 2000 Equity Incentive Plan. Options granted under the Equity Incentive Plan vary in their vesting schedule, but typically vest over the course of several years. All stock option awards to employees are made upon recommendation of the Chief Executive Officer and all stock option grants, including grants made to the Chief Executive Officer, are approved by the full board of directors upon review and recommendation of the compensation committee. As described in greater detail elsewhere in this Information Statement, all executive officers of the Company, including the Chief Executive Officer were granted stock options under the plan during 2001.

During 2001, the Company paid cash bonus to certain of its executive officers as set forth elsewhere in this Information Statement. Determination of the payment of such bonuses and the amount of payment were made by the Chief Executive Officer in consultation with the compensation committee and the board of directors.

All Company executive officers also participate in the Company's benefit programs, including the Company's 401(k) plan and its medical, dental and other benefits plans.

As described above, the compensation committee periodically reviews the compensation of the Company's Chief Executive Officer and each executive officer and determines the compensation for each executive based upon the executive's performance, the Company's attainment of certain financial and strategic objectives and other factors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's Headquarters Lease

We lease office space in Washington, D.C. from a partnership of which our Chairman and Chief Executive Officer, David Schaeffer, is the general partner. The annual rent for this space is approximately \$368,000 and the lease expires August 31, 2002. We believe that this lease agreement is on terms at least as favorable to us as could have been obtained from an unaffiliated third party.

Series C Preferred Stock Financing

In October 2001, the Company issued 49,773,402 shares of Series C Preferred Stock for approximately \$62 million. As described in greater detail in "Security Ownership of Certain Beneficial Owners and Management," certain of the members of our board of directors may be deemed to have beneficial ownership of the shares issued in the Series C Preferred Stock Financing. Additionally, in connection with this financing, the Company agreed that it would nominate the designees of certain of the Series C Preferred Stock investors to the board of directors of the Company.

Employment Agreements

We have employment agreements with certain of our named executive officers as described in Proposal No.1 Election of Directors Employment Agreements.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires officers and directors, and persons who own more than ten percent of a registered class of stock of companies subject to the reporting requirements of Section 12 of the Act to file reports of ownership and changes in ownership with the Securities and Exchange Commission. During the year ended December 31, 2001, the Company was not a reporting company under Section 12 of the Act and therefore, the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's stock were not subject the requirements of Section 16(a) of the Act.

INDEPENDENT AUDITORS

Our board of directors, upon the recommendation of the audit committee, has appointed Arthur Andersen LLP to continue to serve as our independent auditors for the 2002 year. However, in light of the ongoing governmental investigation of Arthur Andersen LLP and the uncertainty arising therefrom, the board of directors has decided not to submit that appointment to our stockholders for ratification at this time. Representatives of Arthur Andersen LLP are expected to be present at the annual meeting. Such representatives will have an opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.
