## REPORT OF INDEPENDENT AUDITORS

Benefits Administration Committee  
Equitable Resources, Inc. Savings and Protection Plan

We have audited the accompanying statements of net assets available for benefits of the Equitable Resources, Inc. Savings and Protection Plan as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets held at end of year as of December 31, 2001 and reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the

financial statements taken as a whole.

EQUITABLE RESOURCES, INC.  
SAVINGS AND PROTECTION PLAN  
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED  
DECEMBER 31, 2001

1. DESCRIPTION OF PLAN

The following description of the Equitable Resources, Inc. Savings and Protection Plan (Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution profit sharing and savings plan, with a 401(k) salary reduction feature, implemented on September 1, 1987, by Equitable Resources, Inc. and certain subsidiaries (the Company or Companies).

All regular, full-time employees of the Companies who are covered by a collective bargaining agreement are eligible to participate. The Plan is

## Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### CONTRIBUTIONS

Participants can elect to contribute between 1% and 15% of eligible earnings to the Plan, subject to Internal Revenue Code limitations. These contributions are referred to as contract contributions. Matching contributions are subject to the respective collective bargaining agreements. Prior to January 1, 1999, the matching contribution followed the participant's contract contribution. Effective January 1, 1999, the matching contribution will be invested in the employer stock fund until the participant is 100% vested. After the participant is 100% vested, the matching contribution will follow the participant's contract investment election(s).

### ROLLOVER CONTRIBUTIONS

Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

### VESTING

Participants are 100% vested in the value of contract contributions made, and any rollover contributions.

5

## 1. DESCRIPTION OF PLAN (Continued)

### VESTING (Continued)

If employment is terminated for any reason other than retirement, death, or total and permanent disability, a participant is entitled to receive the vested value of any matching contributions, as determined in accordance with the following schedule:

| Years of Continuous Service<br>----- | Vested Interest<br>----- |
|--------------------------------------|--------------------------|
| Less than five years                 | 0%                       |
| Five years or more                   | 100%                     |

Amounts forfeited by participants upon termination will be used to reduce the amount of the Company's future matching contributions to the Plan.

Upon retirement, death, total and permanent disability or termination of the Plan, a participant is entitled to receive the full value of any matching contributions, regardless of years of continuous service.

### WITHDRAWALS BY PARTICIPANTS

Payments to participants are made in one of the following ways, subject to certain limitation: a single sum payment, a single life annuity with substantially equal monthly installments, a single life or joint and survivor annuity with a minimum guaranteed number of monthly benefits, or

## Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

substantially equal annual installments payable over a period not to exceed the life expectancy or joint life expectancies of the participant or of the participant and his designated beneficiary.

### LOANS TO PARTICIPANTS

A participant may borrow money from the Plan in amounts up to the lesser of \$50,000, or 50% of the vested balance of a participant's account.

### ADMINISTRATIVE EXPENSES

The plan sponsor pays administrative expenses associated with the Plan except for investment management fees which are paid by the Plan.

6

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### INVESTMENTS

The Employer Stock Fund consisting of Equitable Resources, Inc. common stock (Company common stock) is valued at market price as quoted on the New York Stock Exchange. Contracts included in the Putnam Stable Value Fund are valued at face value, which approximates market. Other investments are valued at market. There were 26,804 and 11,037 shares of Company common stock at December 31, 2001 and 2000, respectively.

### USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### 5. INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated April 22, 1999, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. The Plan has been amended since the date of the determination letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.
