The information in this Form 8-K, including the exhibits, relating to this Item 2.02 shall not be deemed to be "filed" for purposes of the Exchange Act, or otherwise subject to the liabilities thereof, nor shall it be deemed to be incorporated by reference in any filing under the Exchange Act or under the Securities Act of 1933, as amended, except to the extent specifically provided in any such filing.

Item 2.06

Material Impairments

(a) The Registrant and its subsidiaries, MetaBank and MetaBank West Central (collectively the "Banks"), on January 29, 2007 determined that a material amount of their assets were impaired under generally accepted accounting principles. The assets affected include commercial loans totaling approximately \$5.1 million. The loans are secured by preferred stock in a charter airline company, the residence of the principal borrower, and an airplane (the "collateral"). Upon review of the collateral, the Banks have determined that it is probable that they will be unable to collect all principal and interest amounts due according to the contractual terms of the loan agreements. The Registrant has recorded a \$4.95 million provision for loan losses related to these assets effective December 31, 2006.

(b) and (c) At this time, the Registrant is unable to estimate the amount or range of amounts of the impairment charge and is also unable to estimate

the amount or range of amounts of the impairment charge that will result in future cash expenditures. The Registrant will file an amended report on Form 8-K pursuant to this Item 2.06 within four business days after it makes a determination of such estimates or range of estimates.

Section 5

Item 5.02

Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On January 22, 2007, at the annual meeting of the shareholders of the Registrant, the Registrant's shareholders adopted a proposal to amend the Registrant's 2002 Omnibus Incentive Plan (the "2002 Plan") to (i) increase from 200,000 shares to 400,000 shares the aggregate number of shares that may be issued from time to time pursuant to the 2002 Plan; (ii) modify certain provisions that may cause the 2002 Plan, and the awards granted thereunder, to be subject to Section 409A of the Internal Revenue Code and prevent potential adverse consequences to the participants in the 2002 Plan; (iii) reflect the name change of the Company from First Midwest Financial, Inc. to Meta Financial Group, Inc.; and (iv) effect certain other changes as set forth in the amendment to the 2002 Plan. A copy of the 2002 Plan and the amendment thereto adopted by the Registrant's shareholders were filed as exhibits to the Registrant's Proxy Statement on Schedule 14A filed with the Commission on December 20, 2006.
