Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Series D Preferred Stock Purchase Agreement

On March 12, 2003, the Issuer entered into a Series D Preferred Stock Purchase Agreement (the "Purchase Agreement") with QIP and SFM Domestic Investments. Pursuant to the terms of the Purchase Agreement, QIP purchased 3,899,463 shares of the Issuer's Series D Convertible Preferred Stock, \$.01 par value per share (the "Series D Preferred Stock") for an aggregate purchase price of \$3,899,463, and SFM Domestic Investments purchased 127,660 shares of Series D Preferred Stock for an aggregate purchase price of \$127,660. In addition, pursuant to the terms of the Purchase Agreement, QIP acquired an aggregate of 3,010,856 shares of Series D Preferred Stock upon conversion of 2,033.43 shares of Series 2002 Preferred Stock and the convertible demand promissory note, dated January 28, 2003 (the "QIP 2003 Note"), with an aggregate amount of principal and accrued and unpaid interest of \$977,426, and SFM Domestic Investments acquired an aggregate of 98,569 shares of Series D Preferred Stock upon conversion of 66.57 shares of Series 2002 Preferred Stock and the convertible demand promissory note, dated January 28, 2003 (the "SFM 2003 Note"), with an aggregate amount of principal and accrued and unpaid interest of \$31,999.

Pursuant to the Purchase Agreement, the Issuer elected to prepay the aggregate principal amount of the convertible demand promissory note, dated September 27, 2002, issued by the Issuer to QIP, in the aggregate principal amount of \$1,936,600 and the convertible demand promissory note, dated September 27, 2002, issued by the Issuer to SFM Domestic Investments, in the aggregate principal amount of \$63,400 (the "Series C Convertible Notes") (forms of which were previously filed as Exhibits JJJ and KKK, respectively, to Schedule 13D Amendment No. 15 and are incorporated herein by reference in response to this Item 6), together with interest accrued thereon. The foregoing description of the Series C Convertible Notes does not purport to be complete and is qualified in its entirety by the terms of the Series C Convertible Notes.

So long as any shares of Series D Preferred Stock are owned by QIP, SFM Domestic Investments or their respective affiliates, the Issuer has agreed not to take any action to approve or otherwise facilitate certain change of control transactions, including, but not limited to, a merger or consolidation of the Issuer resulting in a change of control or a sale of substantially all the assets of the Issuer, unless provision has been made for the holders of the shares of Series D Preferred Stock to receive in connection with such transaction an amount in cash equal to the greater of (i) \$1,000 per share of Series D Preferred Stock plus any accrued and unpaid dividends on such share and (ii) the amount that the holder of such share of Series D Preferred Stock would receive if it were to convert such share (without regard to any limitation on conversion and without actually requiring to be so converted) into Shares (the "Series D Liquidation Preference").

The Issuer, QIP and SFM Domestic Investments amended the

Edgar Filing: BLUEFLY INC - Form SC 13D/A

definition of "Registrable Securities" under the Investment Agreement (the "Investment Agreement"), dated November 13, 2000 (a copy of which was previously filed as Exhibit LL to Schedule 13D Amendment No. 7 and is incorporated herein by reference in response to this Item 6) in order that certain securities related to the Series D Preferred Stock were covered by the registration rights set forth in the Investment Agreement. The

Page 12 of 51 Pages

amended definition of "Registrable Securities" includes, along with any other securities already included in such definition, the Shares issuable upon conversion of the Series D Preferred Stock. The foregoing description of the Investment Agreement does not purport to be complete and is qualified in its entirety by the terms of the Investment Agreement.

QIP and SFM Domestic Investments agreed to provide the Issuer with additional financing up to an aggregate of \$1,000,000 on a standby basis which, subject to certain terms and conditions, the Issuer may draw upon at any time prior to January 1, 2004. Any draws against the standby commitment amount will be affected through the purchase of shares of Series E Preferred Stock having rights substantially identical to the Series D Preferred Stock except as set forth in the Purchase Agreement.

The Issuer has agreed to put forth proposals seeking stockholder approval of the conversion rights of the Series D Preferred Stock and the Issuer's Series E Convertible Preferred Stock, \$.01 par value per share (the "Series E Preferred Stock") at the Company's next annual or special meeting of stockholders. The Issuer has agreed to take all reasonable action to convene a meeting of the Issuer's stockholders on or before December 31, 2003.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by the terms of the Purchase Agreement, which is attached in Exhibit 000 and is incorporated herein by reference in response to this Item 6.

Certificate of Powers, Designations, Preferences and Rights of Series D Convertible Preferred Stock

Pursuant to the terms of the Certificate of Powers, Designations, Preferences and Rights of Series D Convertible Preferred Stock (the "Series D Preferred Certificate of Designations") filed by the Issuer with the Delaware Secretary of the State on March 12, 2003, the shares of Series D Preferred Stock are entitled to cumulative dividends at a rate of 12% per annum, compounding annually. The dividends are payable only upon a conversion of the shares of Series D Preferred Stock into Shares, a liquidation, dissolution or winding up of the Issuer or a redemption of the shares of Series D Preferred Stock. The holders of shares of Series D Preferred Stock are entitled to a preference on a liquidation, dissolution or winding up of the Issuer in an amount per share equal to the Series D Liquidation Preference.

The holders of shares of Series D Preferred Stock are entitled to vote on all matters submitted to a vote of the Issuer's stockholders, voting as a single class with the holders of the Shares, on an as-converted basis. Notwithstanding the foregoing, (i) the holders of shares of Series D Preferred Stock are not entitled to vote with respect to the approval of the conversion rights of the Series D Preferred Stock or any equity securities issued in connection with the funding of the standby commitment amount under the Purchase Agreement and (ii) until the Issuer's stockholders approve the conversion rights

Edgar Filing: BLUEFLY INC - Form SC 13D/A

of the Series D Preferred Stock (to the extent such approval is required by the rules of the Nasdaq SmallCap Market or any other national securities exchange or quotation system upon which the Shares may be listed from time to time), the total number of votes cast with respect to the then outstanding shares of Series D Preferred Stock may not exceed 2,204,803 (subject to adjustment to reflect any stock split, stock dividend, reclassification or similar transaction). So long as at least 40% of the shares of Series D Preferred Stock remain outstanding, the Issuer may take the actions enumerated in Section 5.1 of the Series D Preferred Certificate of

Page 13 of 51 Pages

Designations only with the approval of a majority of the shares of Series D Preferred Stock, voting separately as a class. In addition, so long as any shares of Series D Preferred Stock are outstanding, the approval of the holders of at least 66-2/3% of such shares, voting separately as a class, must be obtained (i) to effect any transaction that would adversely affect the rights, preferences, powers and privileges of the shares of Series D Preferred Stock or (ii) to merge or consolidate with another entity, sell all or substantially all of the Issuer's assets or enter into a transaction resulting in, or facilitating, a change of control.

Each share of Series D Preferred Stock is convertible, at the option of the holder thereof, into a number of fully paid and nonassessable Shares obtained by dividing (i) \$1,000 by (ii) \$0.76 (as adjusted, the "Series D Conversion Price"). The Series D Conversion Price may be adjusted upon the occurrence of certain events described in the Series D Preferred Certificate of Designations, including, but not limited to, the issuance by the Issuer of securities at a price per share (the "New Issue Price") less than the Series D Conversion Price in which case the Series D Conversion Price will be adjusted to equal the New Issue Price. Upon conversion, the accrued and unpaid dividends on each share of Series D Preferred Stock are paid, at the option of the Issuer, in cash or in Shares.

Notwithstanding the foregoing, (i) until the Issuer's stockholders approve the conversion rights of the Series D Preferred Stock (to the extent such approval is required by the rules of the Nasdaq SmallCap Market or any other national securities exchange or quotation system upon which the Shares may be listed from time to time), no share of Series D Preferred Stock may be converted into Shares to the extent that, after giving effect to such conversion, the total number of Shares issued from and after March 12, 2003 as a result of the conversion of shares of Series D Preferred Stock would exceed 2,204,803 (subject to adjustment to reflect any stock split, stock dividend, reclassification or similar transaction).

The holders of shares of Series D Preferred Stock are entitled to certain preemptive rights in instances where the Issuer issues any Shares or securities convertible or exchangeable into Shares, subject to certain excluded issuances.

Subject to the fulfillment of certain requirements, the Issuer may redeem for cash all the shares of Series D Preferred Stock at redemption prices equal to multiples of the Series D Conversion Price, as set forth in Section 7 of the Series D Preferred Certificate of Designations.

The foregoing description of the Series D Preferred Certificate of Designations does not purport to be complete and is qualified in its entirety by the terms of the Series D Preferred Certificate of Designations, which is attached in Exhibit PPP, and is incorporated herein by reference in response to
