Cautionary Statement

The Private Securities Litigation Reform Act of 1995 (the "Act") provides a "safe harbor" for forward-looking statements. Certain statements made in the exhibit to this report, such as statements concerning our seeking to realize the growth potential associated with our acquisition of Microgy Cogeneration Systems, Inc. and other statements contained herein which are not historical facts are forward looking statements as such term is defined in the Act. Because

Edgar Filing: ENVIRONMENTAL POWER CORP - Form 8-K

such statements involve risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to, uncertainties involving development stage companies, financing requirements and uncertainties, difficulties involved in executing on a business plan, technological uncertainties, risks relating to managing and integrating acquired businesses, volatile and unpredictable developments (including plant outages and repair requirements), the difficulty of estimating construction, development, repair and maintenance costs and timeframes, the uncertainties involved in estimating insurance and implied warranty recoveries, if any, the inability to predict the course or outcome of any negotiations with parties involved with POWR's or Microgy's projects, uncertainties relating to general economic and industry conditions, the amount and rate of growth in expenses, uncertainties relating to government and regulatory policies, the legal environment, intellectual property issues, the competitive environment in which POWR and Microgy operate and other factors, including those described in POWR's filings with the Securities and Exchange Commission, including the section "Management's Discussion and Analysis of Financial Condition and Results of Operations -- Certain Factors That May Impact Future Results" of POWR's Quarterly Report on Form 10-Q for the period ended March 31, 2002. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. POWR undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
