(1) The terms of this Phantom Share award specify payment in cash rather than stock. The amount payable was based on the economic value of one share of Callon Petroleum Company common stock, calculated as the average of the opening and closing price on the vesting date (or \$3.67 on May 7, 2013).

## Edgar Filing: Newberry Gary - Form 4

- The number of shares reported are held within the individual's 401(k) account and are invested in the Callon Petroleum Company Employee Savings and Protection Plan. The number of shares reported is calculated by dividing the total market value of the reporting person's 401(k) account balance invested in the Callon Petroleum Company Employee Savings and Protection Plan on the day prior to this Form 4 reporting date by the closing market price-per-share on that date. Based on this calculation, between April 12, 2013 and May 9, 2013 the reporting person acquired 453 shares of common stock of Callon Petroleum Company under the 401(k) plan.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
