VOTING PROCEDURES

Your vote is very important.

Your shares can be voted at the annual meeting only if you are present or if you have sent in your proxy. Whether or not you plan to attend the annual meeting, please vote by proxy to assure that your shares will be represented. Properly executed proxies that are received before the chairman of the meeting announces that the polls are closed will be voted in accordance with the directions provided in the proxy. If no directions are given, your shares will be voted FOR Proposal 1 to elect two nominees to the board of directors as directors and FOR Proposal 2 to approve the InterCept, Inc. 2002 Stock Option Plan.

Who can vote?

Shareholders of record as of the close of business on April 1, 2002 are entitled to vote. On that day, 18,159,174 shares of common stock were outstanding and eligible to vote. Each share entitles the holder to one vote on each matter presented at the annual meeting. A list of shareholders eligible to vote will be available at our corporate headquarters beginning April 27, 2002. Shareholders may examine this list during normal business hours for any purpose relating to the annual meeting.

How do I vote?

You may vote by mail by signing your proxy card and mailing it in the enclosed prepaid and addressed envelope. If you receive more than one proxy card, it means that you have multiple accounts at the transfer agent and/or with stockbrokers. You also may vote in person at the meeting. We will pass out written ballots to anyone who wants to vote at the meeting. If you hold your shares through a brokerage account, however, you must request a legal proxy from your stockbroker to vote at the meeting. Whether or not you plan to attend the annual meeting, we ask you to send in your proxy.

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

Can I change my proxy?

If you change your mind after you return your proxy, you may revoke it and change your vote at any time before the polls close at the meeting. You may do this by:

- . signing another proxy with a later date,
- . voting in person at the meeting, or
- . giving written notice to our corporate Secretary, Scott R. Meyerhoff.

How are votes counted?

A majority of our outstanding shares of common stock as of the record date must be present at the meeting, either in person or by proxy, to hold the meeting and conduct business. This is called a quorum. Shares will be counted for quorum purposes if they are represented at the meeting for any purpose other than solely to object to holding the meeting or transacting business at the meeting. Abstentions and broker non-votes count as present for establishing a quorum. A "broker non-vote" occurs with respect to a proposal when a broker is not permitted to vote on that proposal without instruction from the beneficial owner of the shares and no instruction is given.

2

If a quorum is present, the two director nominees receiving the highest number of votes for their election will be elected as directors. This number is called a plurality. For any other matter coming before the meeting, the matter will be deemed to be approved if the votes cast in favor of the action exceed the votes cast opposing the action. Shareholders do not have cumulative voting rights.

Who will count the vote?

A representative of our transfer agent, SunTrust Bank, Atlanta, will serve as the inspector of the election and tabulate and certify shareholders' votes.

Is my vote confidential?

We have a policy of vote confidentiality. Your vote may not be disclosed to our board of directors or management except as may be required by law and in other limited circumstances.

Who pays for the cost of the proxy solicitation?

We have solicited the enclosed proxy for use at the annual meeting. We will pay the cost involved in soliciting proxies. In addition to the use of the mails, our officers, directors and employees may solicit proxies personally or by telephone or facsimile transmission. We will not compensate these individuals for their solicitation activities. We will also make arrangements with brokerage houses and other custodians, nominees and fiduciaries for them to forward proxy materials to the beneficial owners of shares held of record. We will reimburse these persons for their reasonable expenses.

ELECTION OF DIRECTORS (PROPOSAL 1)

Our articles of incorporation provide that our board of directors shall consist of at least four and no more than 12 directors. Our directors are divided into three classes, each class as nearly equal in number as possible. The board of directors determines the number of directors within these limits. The term of office of only one class of directors expires in each year. The directors elected at the annual meeting will hold office for a term of three years or until their successors are elected and qualified.

Our shareholders will elect two directors at this annual meeting. Unless otherwise specified on the proxy card, the persons named as proxies will vote in favor of the election of the persons named below as nominees. Each nominee currently serves as a director. The board of directors believes that the nominees will stand for election and will serve if elected as directors. If any person nominated by the board fails to stand for election or is unable to accept election, the persons named as proxies will vote in favor of the election of another person recommended by the board of directors.

The board of directors recommends a vote FOR each of the listed nominees.

PROPOSAL TO APPROVE OUR 2002 STOCK OPTION PLAN (PROPOSAL 2)

On April 16, 2002, the board approved the adoption of the InterCept, Inc. 2002 Stock Option Plan. We are asking shareholders to approve and adopt the 2002 Plan at the annual meeting. We have grown rapidly both internally and from acquisitions, and we have essentially exhausted the number of shares available to be granted under our Amended and Restated 1996 Stock Option Plan. The board believes that granting options

- . has been and will continue to be essential to attract, retain and motivate our employees;
- . fosters good employee relations; and
- . helps align employee interests with other shareholders

The primary features of the 2002 Plan are summarized below. This summary is qualified in its entirety, however, by reference to the 2002 Plan, which is attached to this Proxy Statement as Appendix A.

The board recommends a vote FOR the proposal to approve the 2002 Stock

Option Plan.

2002 Stock Option Plan

Our board of directors approved our 2002 Plan on April 16, 2002, but the 2002 Plan will not become effective unless and until our shareholders approve it at the annual meeting. The purpose of the 2002 Plan will be to advance the interests of InterCept and its subsidiaries and its shareholders by affording certain of our employees and directors of InterCept, as well as key consultants and advisors to InterCept or any subsidiary, an opportunity to

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

acquire or increase their proprietary interests in InterCept. The objective of issuing stock options and granting restricted stock under the 2002 Plan will be to promote the growth and profitability of InterCept and its subsidiaries by providing award recipients with an additional incentive to achieve our objectives. By providing the opportunity to participate in our success and growth, we believe we will encourage award recipients to continue their association with or service to us.

Our Compensation and Stock Option Committee (referred to in this section as the Compensation Committee), composed of at least two independent directors, will administer and grant awards under the 2002 Plan. Awards may include incentive stock options, non-qualified stock options and grants of restricted stock. The Compensation Committee generally has discretion to determine the terms of an option grant, including the number of option shares, option price, term, vesting schedule, the post-termination exercise period and whether the grant will be an incentive stock option or non-qualified stock option. Notwithstanding this discretion:

(a) the number of shares subject to options granted to any individual in any fiscal year may not exceed 500,000 shares;

(b) if an option is intended to be an incentive stock option and is granted to a shareholder holding more than 10% of the combined voting power of all classes of InterCept's stock or the stock of its parent or subsidiary on the date of the grant of the option, the option price per share of common stock may not be less than 110% of the fair market value of such share at the time of grant; and

8

(c) the term of an incentive stock option may not exceed 10 years, or five years if granted to a shareholder owning more than 10% of the total combined voting power of all classes of stock on the date of the grant of the option.

Upon initial election to the board of directors, each non-employee director who beneficially owns less than 4% of our outstanding common stock on the date of his election to the board of directors receives options to acquire 35,000 shares of common stock, 11,667 of which vest immediately and the remainder of which vest ratably on the first and second anniversaries of such initial election. In addition, on each anniversary date of a director's initial election to the board of directors, each director receives a grant of options to acquire 10,000 shares of common stock which vest on the date of grant. The exercise price of these options is equal to the fair market value of the common stock on the date of grant. Each director option expires ten years after the date of grant, unless canceled sooner as a result of termination of service or death, or unless the option is fully exercised before the end of the option period.

The maximum number of shares of common stock that will be subject to outstanding options under the 2002 Plan, determined immediately after the grant of any option, is 1,250,000 shares, subject to certain adjustments for stock splits and similar matters. The 2002 Plan provides that the number of shares of common stock available for issuance under it shall automatically be increased on the first trading day of each calendar year beginning January 1, 2003 by 3% of the number of shares outstanding on the preceding trading day. Shares of common stock that are attributable to awards that have expired, terminated, or been canceled or forfeited during any calendar year are available for issuance or use in connection with future awards. As of April 16, 2002, we have

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

(a) 2,813,190 options outstanding and 262,938 options that may be granted in the future under our Amended and Restated 1996 Stock Option Plan, and

(b) 586,693 options outstanding and 203,600 options that may be granted in the future under stock option plans not approved by our shareholders.

As of April 16, 2002, we had 18,159,174 shares outstanding and expect to issue 1,377,339 additional shares in connection with our pending acquisition of Electronic Payment Exchange, Inc., which we expect to close between the date we mail these materials to our shareholders and the date of the annual meeting.

The 2002 Plan will remain in effect until terminated by our board of directors. The 2002 Plan may be amended by our board of directors without the consent of the shareholders of InterCept, except that any amendment, although effective when made, will be subject to shareholder approval within one year after approval by the board of directors if the amendment

(a) increases the total number of shares issuable pursuant to incentive stock options;

(b) changes the class of employees eligible to receive incentive stock options that may participate in the 2002 Plan; or

(c) otherwise materially increases the benefits accruing to recipients of incentive stock options.

Section 162(m) of the Internal Revenue Code of 1986 generally disallows a public company's tax deduction for compensation to the chief executive officer and four other most highly compensated executive officers in excess of \$1,000,000 in any tax year. Compensation that qualifies as "performance-

9

based compensation, however," is excluded from the \$1,000,000 deductibility cap, and therefore remains fully deductible. InterCept intends that options granted with an exercise price at least equal to 100% of fair market value of the underlying stock at the date of grant will qualify as "performance-based compensation," although other awards under the 2002 Plan may not so qualify.

Certain Federal Income Tax Effects

The following discussion of the federal income tax consequences of the 2002 Plan is intended to be a summary of applicable federal income tax law. State and local tax consequences may differ.

Incentive Stock Options. A participant is not taxed on the grant or exercise of an incentive stock option. However, the difference between the fair market value of the shares on the exercise date and the exercise price will be a preference item for purposes of the alternative minimum tax. If a participant holds the shares acquired upon exercise of an incentive stock option for at least two years following grant and at least one year following exercise, the participant's gain, if any, by a later disposition of those shares will be treated as long term capital gain for federal income tax purposes. The measure of the gain is the difference between the proceeds received on disposition and the participant's basis in the shares (which generally equals the exercise price). If the participant disposes of stock acquired by exercising an incentive stock option before satisfying the one- and two-year holding periods described above, the participant will recognize both ordinary income and capital gain in the year of disposition. The amount of the ordinary income will be the lesser

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

of:

. the amount realized on disposition less the participant's adjusted basis in the stock (usually the option exercise price); or

. the difference between the fair market value of the stock on the option exercise date and the option price.

The balance of the consideration received on disposition will be long term capital gain if the stock had been held for at least one year following exercise of the incentive stock option. We are not entitled to an income tax deduction on the grant or the exercise of an incentive stock option or on the participant's disposition of the shares after satisfying the holding period requirement described above. If the holding periods are not satisfied, we are entitled to an income tax deduction in the year the participant disposes of the shares, in an amount equal to the ordinary income recognized by the participant.

Non-Qualified Options. Generally, a participant is not taxed on the grant of a non-qualified option. Upon exercise, however, the participant recognizes ordinary income equal to the difference between the option exercise price and the fair market value of the shares on the date of the exercise. We are entitled to an income tax deduction in the year of exercise in the amount recognized by the participant as ordinary income. Any gain on subsequent disposition of the shares is long term capital gain if the shares are held for at least one year following exercise. We do not receive an income tax deduction for this gain.

Restricted Stock. Generally, and except as noted below, the grant of restricted stock is not taxable at the time of the grant. Instead, at the time restricted stock vests or becomes transferable, a recipient will recognize ordinary income equal to the amount by which the restricted stock's fair market value on the date that it vests exceeds the price paid for the restricted stock. An employee may, however, elect to recognize income as of the date of grant of the restricted stock, in an amount equal to the amount by which the fair market value of the restricted stock on the date of grant exceeds the price paid for the restricted stock. If the employee makes that election, no additional income will be recognized when the stock vests or becomes transferable. If the shares are subsequently forfeited, a recipient making such an

10

election may be able to recognize a capital loss with respect to the amount, if any, paid for the restricted stock, but only to the extent the amount paid exceeds the amount realized by the employee on the forfeiture. The recipient will not be able to recognize a loss for tax purposes with respect to the excess of fair market value over the purchase price that was previously included in income. Dividends paid on the shares of restricted stock before they vest will be taxed to the recipient either as additional compensation or, if the employee has made the election described above, as dividend income.

11

INDEPENDENT AUDITORS

Our board of directors customarily asks our shareholders to ratify the board's appointment of our independent auditors. Arthur Andersen LLP has served as our independent auditors since 1997. Because of the uncertainties regarding

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

Andersen continuing as our independent auditors, our audit committee and board of directors have not selected the independent auditors for the year ending December 31, 2002, but they intend to do so after the date of this proxy statement.

Andersen audited our financial statements for 2001, and we have invited one or more of their representatives to attend the meeting. We have asked the representatives to be available to respond to appropriate questions, and we will provide them with an opportunity to make a statement.

Audit Fees

The aggregate fees billed by Andersen for professional services rendered for the audit of our annual financial statements for the fiscal year ended December 31, 2001, and for the reviews of the financial statements included in our Quarterly Reports on Form 10-Q for that fiscal year, were \$95,960.

Financial Information Systems Design and Implementation Fees

Andersen did not render professional services relating to financial information systems design and implementation for the fiscal year ended December 31, 2001.

All Other Fees

The aggregate fees billed by Andersen for services rendered to us for the fiscal year ended December 31, 2001, other than the services described above under "Audit Fees", were \$266,465. These other fees relate primarily to audit and tax activities related to businesses we acquired in 2001.

Our audit committee has discussed Andersen's provision of services described above under "All Other Fees," and believes that the independence of Andersen is not compromised by the provision of these services.

CORPORATE GOVERNANCE

Our business, property and affairs are managed under the direction of our board of directors. Although directors are not involved in the day-to-day operating details, we strive to keep them informed of our business through written reports and documents we provide to them regularly, as well as through operating, financial and other reports presented by the Chairman of the Board and Chief Executive Officer and other officers at meetings of the board of directors and committees of the board of directors.

Meetings of the Board

The board of directors held seven meetings in 2001. Except for Mr. Burke, each director attended at least 75% of the board and committee meetings to which he was assigned.

Committees of the Board of Directors

The board of directors has established an Audit Committee, an Offering Committee and a Compensation and Stock Option Committee.

Executive Committee. This committee may exercise the full power and authority of the board of directors to approve acquisitions. Mr. Collins, Mr.

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

Jackson and Mr. Sturm currently serve on this committee. This committee generally meets when action is necessary between scheduled board meetings, when a limited time frame exists and a quorum is not readily available. The Executive Committee did not meet in 2001.

Audit Committee. This committee is responsible for reviewing our financial statements and financial statements of our subsidiaries, evaluating internal accounting controls, reviewing reports of regulatory authorities and determining that all audits and examinations required by law are performed. The Audit Committee also recommends to our board of directors the appointment of our independent auditors for the next fiscal year, reviews and approves our auditor's audit plans, and reviews with our independent auditors the results of the audit and management's responses. The Audit Committee is composed of Mr. Burke, Mr. Knox and Mr. Schneider. The Audit Committee has discussed with our independent auditors the matters required to be discussed by the Statement on Auditing Standards No. 61. The Audit Committee has also received from our independent auditors the written disclosures and the letter required by Independent Standards Board Standard No. 1 and has discussed with the independent auditors the independent auditor's independence from our company and its management. The Audit Committee reported its findings to our board of directors. The Audit Committee's report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate the information contained in the report by reference, and shall not be deemed filed under such acts.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to our board of directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the SEC. Each of the members of the Audit Committee is considered "independent" under Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards. The Audit Committee met two times during 2001. Our board of directors has adopted a written charter for our Audit Committee.

Compensation and Stock Option Committee. This committee oversees our management of some of our human resources activities, including determination of compensation for senior management, the granting of stock options, and the administration of our stock option and other employee benefit plans.

13

Mr. Sturm, Mr. Schneider, Mr. Knox and Mr. Burke currently serve on this committee. The Compensation and Stock Option Committee met one time in 2001.

Nominating Committee. We do not have a nominating committee. The board of directors nominates candidates to stand for election as directors. Our bylaws permit shareholders to make nominations for directors but only if those nominations are made timely and by notice in writing to our corporate Secretary and in compliance with our bylaws.

Offering Committee. This committee oversees our stock offering activities, including selection of underwriters and pricing. Mr. Collins, Mr. Sturm and Mr. Burke currently serve on this committee. The Offering Committee met three times during 2001.

Director Compensation

We pay our directors \$250 for each meeting they attend for their

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

services as our directors. Upon initial election to the board of directors, each non-employee director who beneficially owns less than 4% of our outstanding common stock on the date of his election to the board of directors receives options to acquire 35,000 shares of common stock, 11,667 of which vest immediately and the remainder of which vest ratably on the first and second anniversaries of such initial election. In addition, on each anniversary date of a director's initial election to the board of directors, each director receives a grant of options to acquire 10,000 shares of common stock that vest on the date of grant. The exercise price of these options is equal to the fair market value of the common stock on the date of grant. Each director option expires ten years after the date of grant, unless canceled sooner as a result of termination of service or death, or unless the option is fully exercised before the end of the option period. Directors may be reimbursed for out-of-pocket expenses incurred in attending meetings of the board of directors or its committees and for other expenses incurred in their capacity as directors.

Indemnification

We indemnify our directors and officers to the fullest extent permitted by law so that they will serve free from undue concern that they will be held personally liable for our liabilities. This is required under our bylaws, and we have also signed agreements with each of our directors and officers contractually providing this indemnification to them.

Certain Relationships and Related Transactions

We provided long distance phone services to Towne Services, Inc. totaling approximately \$215,000 in 2001. Towne Services, Inc. was a publicly-held Atlanta based company that merged with Private Business, Inc. in August 2001. Mr. Collins, Mr. Schneider and Mr. Sturm were directors of Towne Services, Inc., and Mr. Boggs was its Chairman of the Board and Chief Executive Officer.

We own approximately 28.0% of the outstanding stock of Netzee, Inc. We have agreed to provide Netzee with an approximately \$14.0 million revolving line of credit. The credit facility expires in April 2003, and all outstanding amounts bear interest at the prime rate plus 2.0%. As of April 1, 2002, Netzee owed us approximately \$10.5 million under the credit facility. Two of our directors also serve as directors of Netzee: Mr. Collins is Netzee's Chairman of the Board, and Mr. Jackson is a director of Netzee and serves as Netzee's Chief Executive Officer.

Glenn W. Sturm, one of our directors, is a partner in the law firm of Nelson Mullins Riley & Scarborough, L.L.P. We retained Nelson Mullins to provide various legal services to the Company during 2001 and have retained Nelson Mullins to provide various legal services to us in 2002. The

14

amount paid to Nelson Mullins for services rendered to us in 2001 did not exceed 5% of Nelson Mullins' gross revenues in 2001.

Company Policy

All transactions with our shareholders, affiliates, officers and directors, if any, are subject to the approval of a majority of the independent and disinterested outside directors and are conducted on terms no less favorable than could be obtained from unaffiliated third parties on an arm's length basis.

EXECUTIVE COMPENSATION

The following table summarizes the compensation we paid or accrued for services rendered by our Chief Executive Officer and the four most highly compensated other executive officers whose total salary and bonus exceeded \$100,000 during the year ended December 31, 2001. We did not grant any stock appreciation rights or make any long-term incentive plan payouts during the periods shown. None of our executive officers has received or is expected to receive perquisites that exceed the lesser of \$50,000 or 10% of the salary and bonus of such executive.

(1) The 5% and 10% assumed annual rates of compounded stock price appreciation are mandated by rules of the Securities and Exchange Commission. There can be no assurance that the actual stock price appreciation over the term will be at the assumed 5% and 10% levels or at any other defined level. Unless the market price of the common stock appreciates above the exercise price over the option term, no value will be realized from the option grants made to the named executive officers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The rules of the Securities and Exchange Commission require us to disclose late filings of stock transaction reports by our executive officers and

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

directors. Six reports, each covering one transaction, were inadvertently filed late by John W. Collins, Donny R. Jackson, Glenn W. Sturm, Jon R. Burke, John D. Schneider, Jr. and Boone A. Knox. To the best of our knowledge, all required filings in 2001, with the exception of those filings, were properly made in a timely fashion. In making the above statements, we have relied on the representations of the persons involved and on copies of their reports filed with the SEC.

EMPLOYMENT AGREEMENTS

Collins Agreement. We entered into an employment agreement with Mr. Collins effective as of January 30, 1998 (the Collins agreement) under which he serves as our Chief Executive Officer. The Collins agreement provides that Mr. Collins will receive a base salary of not less than \$265,000 per year. Mr. Collins' base salary may be increased upon a periodic review by the board of directors or a board committee. In addition, Mr. Collins is entitled to incentive compensation as determined by the board of directors or a board committee based upon achievement of targeted levels of performance and such other criteria as the board of directors or a committee shall establish from time to time, and an additional annual bonus as determined by the board of directors or a board committee. Mr. Collins may participate in our stock option plans and can receive health insurance for himself and his dependents, long-term disability insurance, civic and social club dues, use of an automobile owned or leased by us and other benefits.

The Collins agreement has a term of three years and renews daily until either party fixes the remaining term at three years by giving written notice. We can terminate the Collins agreement upon the executive's death or disability or for cause, and Mr. Collins can terminate his employment for any reason within a 90-day period beginning on the 30th day after any occurrence of a change in control or within a 90-day period beginning on the one-year anniversary of the occurrence of any change in control. If Mr. Collins' employment is terminated after a change in control (a) by us without cause or otherwise in breach of the Collins agreement or (b) by Mr. Collins for any reason, we must pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus for each of 36 consecutive 30-days periods following the termination. In addition, we must continue life and health insurance for Mr. Collins until he reaches age 65, and his outstanding options to purchase common stock would vest and become immediately exercisable.

In the event Mr. Collins ceases to be our Chief Executive Officer for any reason other than by voluntary resignation, we must offer to repurchase all of the common stock he owns at a purchase price equal to the fair market value (as defined in the Collins agreement). Also, in the Collins agreement we granted, with respect to our shares of common stock, piggyback and, after any termination of employment, demand registration rights to Mr. Collins. Mr. Collins has further agreed to maintain the confidentiality of our trade secrets for a period of one year, if terminated for cause, and not to solicit our employees or customers.

Meyerhoff Agreement. On February 1, 1998, we entered into an employment agreement with Mr. Meyerhoff (the Meyerhoff agreement") under which he serves as our Chief Financial Officer. The Meyerhoff agreement provides that Mr. Meyerhoff will receive a base salary of not less than \$130,000 per year. Mr. Meyerhoff's base salary may be increased upon a periodic review by the board of directors or a board committee. The Meyerhoff agreement has a term of one year that renews automatically at the end of each term unless earlier terminated by us or Mr. Meyerhoff. We can terminate the Meyerhoff agreement upon his death or disability or for cause. If Mr. Meyerhoff's employment is terminated by us

without adequate justification or for any reason within one year after a change in control, we must pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus and continue his life and health insurance benefits for the nine consecutive 30-day periods following the termination. In addition, his outstanding options to purchase common stock would vest and become immediately exercisable.

Boggs Agreement. We entered into an employment agreement with Mr. Boggs effective as of February 19, 2002 (the Boggs agreement) under which he serves as our President. The Boggs agreement provides that Mr. Boggs will receive a base salary of not less than \$400,000 per year. The board or the Compensation Committee will review his salary at least annually. In addition, Mr. Boggs is entitled to incentive compensation as determined by the board of directors or a board committee based upon achievement of targeted levels of performance and such other criteria as the board of directors or a committee shall establish from time to time. In addition, our CEO, board or the Compensation Committee shall annually consider his performance and determine if any additional bonus is appropriate. Mr. Boggs may participate in our stock option plans and may receive health insurance for himself and his dependents, long-term disability insurance, use of an automobile owned or leased by us and other benefits.

The Boggs agreement has a term of two years and renews each day for an additional day until either party fixes the remaining term at two years, without further automatic extension, by giving written notice. We can terminate the Boggs agreement upon his death or disability or for cause, and Mr. Boggs can terminate his employment for any reason within a 90-day period beginning on the 30th day after any occurrence of a change in control or within a 90-day period beginning on the one-year anniversary of the occurrence of any change in control. If Mr. Boggs' employment is terminated after a change in control (a) by us without cause or otherwise in breach of the Boggs agreement or (b) by Mr. Boggs for any reason, we must pay him all accrued compensation and bonus amounts and one-twelfth of his annual base salary and bonus for each of the 24 consecutive 30-day periods following the termination. In addition, we must continue the life insurance, disability, medical, dental and other benefits provided to Mr. Boggs and his dependents for the two-year period following termination. In addition, his outstanding options to purchase common stock would vest and become immediately exercisable notwithstanding that he has left our employment.

Pursuant to the Boggs agreement, the board approved the G. Lynn Boggs Stock Option Plan on April 16, 2002, and granted Mr. Boggs options to purchase 150,000 shares of our common stock at an exercise price of \$34.22 per share. Of these options, 50,000 vested on the date of grant, 50,000 will vest on the first anniversary of the date of grant, and 50,000 will vest on the second anniversary of the date of grant, in each case only if Mr. Boggs is still employed by us.

Compensation Committee Interlocks And Insider Participation

The Compensation and Stock Option Committee of the Board was formed on July 6, 1998. The current members of the Compensation and Stock Option Committee are Mr. Knox, Mr. Burke and Mr. Schneider, none of whom has ever been an officer or employee of InterCept.

REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

Notwithstanding anything to the contrary set forth in any of our previous or future SEC filings that might incorporate this proxy statement or future filings with the Securities and Exchange Commission, in whole or in part, the following report and the Stock Performance Graph which follows shall not be deemed to be incorporated by reference into any such filing.

The Compensation and Stock Option Committee (the "Committee") consists of the following board members: Jon R. Burke, Boone A. Knox and John D. Schneider. The Committee reviews and determines our executive compensation objectives and policies. The Committee also reviews and sets the compensation of our Chief Executive Officer and some of our other highly compensated executive officers.

The objectives of our executive compensation program are to: (a) attract, retain and motivate highly talented and productive executives; (b) provide incentives for superior performance by paying above-average compensation; and (c) align the interests of the executive officers with the interests of our shareholders by basing a significant portion of their compensation upon our performance. Our executive compensation program combines the following three components, in addition to the benefit plans offered to all employees: base salary (including cash provided for automobile allowances); bonus; and long-term incentive compensation consisting of stock option grants. Each component of our executive compensation program is intended to serve a specific purpose in meeting our objectives.

Our policy is to set base salary levels, bonuses and long-term incentive compensation above an industry average. We select comparison corporations on the basis of a number of factors, such as their size and complexity, the nature of their businesses, the regions in which they operate, the structure of their compensation programs (including the extent to which they rely on bonuses and other contingent compensation) and the availability of compensating information. These other corporations are not necessarily those included in the indices used to compare the shareholder return in the Stock Performance Graph. Further, the corporations selected for comparison may vary from year to year based upon market conditions and changes in both the selected corporations' businesses and our business over time. We believe that above-average compensation levels are necessary to attract and retain high caliber executives necessary for the successful conduct of our business.

Base salary. The Committee reviews the salaries of our executives annually. When setting base salary levels, in a manner consistent with the objectives outlined above, the Committee considers competitive market conditions for executive compensation, the individual executive's performance and our performance.

The measures of individual performance considered in setting salaries included, to the extent applicable to an individual executive officer, a number of factors such as our historical and recent financial performance in the principal area of responsibility of the officer (including measures such as gross margin, net income, sales, customer count and market share), the individual's progress toward non-financial goals within his area of responsibility, individual performance, experience and level of responsibility and other contributions made to our success. The Committee has not found it practicable, nor has it attempted, to assign relative weights to the specific factors used in determining base salary levels, and the specific factors used may vary among individual officers. As is typical for most corporations, payment of base salary is not conditioned upon the achievement of any specific,

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

pre-determined performance targets.

19

Bonus. Our cash bonus program seeks to motivate executives to work effectively to achieve our financial performance objectives and to reward them when those objectives are met. Executives' bonus payments are based upon our overall profitability.

Long-term incentive compensation. We believe that option grants: (a) align executive interests with shareholder interests by creating a direct link between compensation and shareholder return; (b) give executives a significant, long-term interest in our success; and (c) help retain key executives in a competitive market for executive talent.

Benefits. We believe that we must offer a competitive benefit program to attract and retain key executives. During 2001, we provided medical and other benefits to each executive officer.

Compensation of the Chief Executive Officer. The Chief Executive Officer's compensation plan includes the same elements and performance measures as the plans of our other executive officers as described above. The Committee believes that Mr. Collins' total compensation reflects the unique contributions that he makes to our long-term strategic performance as one of the leading innovators in the financial services technology industry. For the year ending December 31, 2001, Mr. Collins' base salary was \$375,200 and he was awarded a \$200,000 bonus for the year to be paid ratably over the next five years. Mr. Collins' salary and bonus payments for 2001 were based on, among other factors, our performance and the compensation of chief executive officers of comparable companies in 2000, although his compensation was not linked to any particular group of these companies.

Pay Deductible Limit. Under Section 162(m) of the Internal Revenue Code and federal tax regulations, public companies are prohibited from receiving a tax deduction for compensation in excess of \$1 million paid to the chief executive officer or any of the four other most highly compensated executive officers for any fiscal year. The prohibition does not apply to certain performance based compensation. We take into consideration this compensation deductibility limit in structuring our compensation programs and in determining executive compensation. At this time, our applicable executive officer compensation does not exceed \$1 million, and we do not expect that it is likely to be affected by these nondeductibility rules in the near future.

SECURITY OWNERSHIP

The following table sets forth certain information regarding the beneficial ownership of our common stock by: (a) each of our directors; (b) each Named Executive Officer; and (c) all of our directors and executive officers as a group. The information in the table is based on information from the named persons regarding their ownership of our common stock. Unless otherwise indicated, each of the holders listed below has sole voting power and investment power over the shares beneficially owned and each person listed below as one of our Executive Officers or Directors has an address in care of our principal office. Other than Mr. Collins, we know of no other beneficial owner of more than 5% of our outstanding common stock.

For purposes of this table, a person or group of persons is deemed to have "beneficial ownership" of any shares that the person or group has the right to acquire within 60 days after March 31, 2002 or with respect to which the person otherwise has or shares voting or investment power. For purposes of computing the percentages of outstanding shares held by each person or group of persons on a given date, shares which that person or group has the right to acquire within 60 days after that date are deemed to be outstanding for purposes of computing the percentage for that person or group but are not deemed to be outstanding for the purpose of computing the percentage of any other person or group. The Shares Owned column in the table includes the shares owned by the persons named but does not include shares they may acquire by exercising options. The numbers shown in the Vested Options column are as of April 1, 2002. Other than as noted in the footnotes, no options will vest during the 60 days following April 1, 2002. On April 1, 2002, (a) 18,159,174 shares of our common stock were outstanding, and (b) options to purchase 2,835,009 shares of common stock were outstanding.

"Applicable Laws" means the requirements relating to the administration -----

(ii) the willful engaging by the recipient in misconduct that the Committee deems, in good faith, to be materially injurious to the Company or any subsidiary, monetarily or otherwise, including, but not limited, improperly disclosing trade secrets or other confidential or sensitive business information and data about the Company or any subsidiaries and competing with the Company or its subsidiaries, or soliciting employees, consultants or customers of the Company in violation of law or any employment or other agreement to which the recipient is a party; or

(iii) the willful and continued failure or habitual neglect by the recipient to perform his or her duties with the Company or the subsidiary substantially in accordance with the operating and personnel policies and procedures of the Company or the subsidiary generally applicable to all their employees. For purposes of this Plan, no act or failure to act by the recipient shall be deemed be "willful" unless done or omitted to be done by recipient not in good faith and without reasonable belief that the recipient's action or omission was in the best interest of the Company and/or the subsidiary.

Notwithstanding the foregoing, if the recipient has entered into an employment agreement that is binding as of the date of employment termination, and if such employment agreement defines "Cause," then the definition of "Cause" in such agreement shall apply to the recipient in this Plan. Whether "Cause" exists under either (i), (ii) or (iii) in any particular circumstance shall be determined by the Committee.

"Change in Control" means the occurrence of either of the following

ARTICLE 2 THE PLAN

2.1 Name. This Plan shall be known as "InterCept , Inc. 2002 Stock

Option Plan."

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

2.2 Purpose. The purpose of the Plan is to advance the interests of

the Company, its subsidiaries, and its shareholders by affording certain Employees and Directors of the Company and its subsidiaries, and Consultants to the Company or any subsidiary, an opportunity to acquire or increase their proprietary interests in the Company. The objective of the issuance of the Options and Awards is to promote the growth and profitability of the Company and its subsidiaries because the Grantees will be provided with an additional incentive to achieve the Company's objectives through participation in its success and growth and by encouraging their continued association with or service to the Company.

4

2.3 Effective Date. The Plan shall become effective on _____,

2002.

2.4 Shareholder Approval. The Company obtained shareholder approval on

_____, 2002. If, at the time of any amendment to the Plan, shareholder approval is required by the Code for Incentive Stock Options and such shareholder approval has not been obtained (or is not obtained within 12 months of that amendment), any Incentive Stock Options issued under the Plan shall automatically become options that do not qualify as Incentive Stock Options.

ARTICLE 3 PARTICIPANTS

The class of persons eligible to participate in the Plan shall consist of all persons whose participation in the Plan the Committee determines to be in the best interests of the Company, who shall include, but not be limited to, all Directors, Employees (including but not limited to executive personnel) of the Company or any subsidiary, and Consultants to the Company or any subsidiary.

ARTICLE 4 ADMINISTRATION

4.1 Duties and Powers of the Committee. -----

(a) The Plan shall be administered by the Committee. Within the scope of such authority, the Board or the Committee may

(i) delegate to a committee of one or more members of the Board who are not Independent Directors the authority to grant awards under the Plan to eligible persons who are either (1) not then "covered employees," within the meaning of Section 162(m) of the Code and are not expected to be "covered employees" at the time of recognition of income resulting from such award or (2) not persons with respect to whom the Company wishes to comply with Section 162(m) of the Code; and/or

(ii) delegate to a committee of one or more members of the Board who are not Non-employee Directors the authority to grant awards under the Plan to eligible persons who are not then subject to Section 16 of the Exchange Act.

The Board may abolish the Committee at any time and re-vest in the Board the administration of the Plan. Appointment of Committee members shall be effective

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

upon acceptance of appointment. Committee members may resign at any time by delivering written notice to the Board. Vacancies in the Committee may only be filled by the Board. The Committee shall select one of its members as its chairman and shall hold its meetings at such times and places as it may determine. The Committee shall keep minutes of its meetings and shall make such rules and regulations for the conduct of its business as it may deem necessary. The Committee shall have the power to act by unanimous written consent in lieu of a meeting, and to meet by telephone. In administering the Plan, the Committee's actions and determinations shall be binding on all interested parties.

(b) The Committee shall have the power to grant Options or Awards in accordance with the provisions of the Plan and may grant Options and Awards singly, in combination, or in tandem. Subject to the provisions of the Plan, the Committee shall have the discretion and authority to determine those individuals to whom Options or Awards will be granted and whether such Options shall be accompanied by the right to receive Reload Options, the number of shares of Stock subject to each Option or Award, such

5

other matters as are specified in this Plan, and any other terms and conditions of a Stock Option Agreement or Restriction Agreement. To the extent not inconsistent with the provisions of the Plan, the Committee may give a Grantee an election to surrender an Option or Award in exchange for the grant of a new Option or Award, and shall have the authority to amend or modify an outstanding Stock Option Agreement or Restriction Agreement, or to waive any provision of it, provided that the Grantee consents to such action.

4.2 Interpretation; Rules. Subject to the express provisions of the

Plan, the Committee also shall have complete authority to interpret the Plan, to prescribe, amend, and rescind rules and regulations relating to it, to determine the details and provisions of each Stock Option Agreement, and to make all other determinations necessary or advisable for the administration of the Plan, including, without limitation, (i) amending or altering of the Plan and any Options or Awards granted under this Plan as may be required to comply with or to conform to any Applicable Laws, and (ii) providing that a Stock Option Agreement may be evidenced and signed in electronic form and that an Option may be exercised and any other notice may be given electronically, in each case in compliance with Applicable Laws.

4.3 No Liability. Neither any member of the Board nor any member of

the Committee shall be liable to any person for any act or determination made in good faith with respect to the Plan or any Option or Award granted under this Plan.

4.4 Majority Rule. A majority of the members of the Committee shall

constitute a quorum, and any action taken by a majority at a meeting at which a quorum is present, or any action taken without a meeting evidenced by a writing executed by all the members of the Committee, shall constitute the action of the Committee.

4.5 Company Assistance. The Company shall supply full and timely

information to the Committee on all matters relating to eligible persons, their employment, death, retirement, disability, or other termination of employment, and such other pertinent facts as the Committee may require. The Company shall

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

furnish the Committee with such clerical and other assistance as is necessary in the performance of its duties.

ARTICLE 5 SHARES OF STOCK SUBJECT TO PLAN

5.1 Limitations.

(a) Subject to adjustment under Section 5.2 below, the maximum number of shares of Stock that may be issued under this Plan shall be 1,250,000, provided that the number of shares of Stock available for issuance under this Plan shall automatically increase on the first trading day of each calendar year beginning January 1, 2003, by an amount equal to three percent (3%) of the shares of Stock outstanding on the trading day immediately preceding January 1; provided that the Board may in its sole discretion reduce the amount of the increase in any particular year (subject to adjustment under Section 5.2). Any or all shares of Stock subject to the Plan may be issued in any combination of Incentive Stock Options, non-Incentive Stock Options, and Restricted Stock. The number of shares of Stock subject to the Plan may be increased from time to time in accordance with Article 8, provided that the total number of shares of Stock issuable pursuant to Incentive Stock Options may not exceed 1,250,000 (other than pursuant to adjustments under Section 5.2) without shareholder approval. Shares subject to an Option or issued as an Award may be either authorized and unissued shares or shares issued and later acquired by the Company. Any shares issued under the Prior Plan that are forfeited or repurchased by the Company or that are issuable upon exercise of options granted pursuant to the Prior Plan that expire or become unexercisable for any reason without having been exercised in full, will no longer be available for grant and issuance under the Prior Plan. At all times the

6

Company shall reserve and keep available a sufficient number of Shares as shall be required to satisfy the requirements of all outstanding Options granted under this Plan.

(b) The shares covered by any unexercised portion of an Option or Award that has terminated for any reason (except as provided in Sections 5.1(c) and 5.1(d)), or any forfeited portion of an Option or Award, and shares of Stock tendered to the Company in payment of the Exercise Price or tax withholding on the exercise may again be optioned or awarded under the Plan, and such shares shall not be considered as having been optioned or issued in computing the number of shares of Stock remaining available for option or award under this Plan. If shares of Restricted Stock are repurchased by the Company at their original purchase price, those shares shall become available for future grant under the Plan. Notwithstanding the provisions of this Section 5.1, no shares may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an Incentive Stock Option under Code Section 422.

(c) Not more than 500,000 shares of Stock may be made subject to Options to any individual in the aggregate in any one fiscal year of the Company. The foregoing limitations shall be applied in a manner consistent with the requirements of, and only to the extent required for compliance with, the exclusion from the limitation on deductibility of compensation under Section 162(m) of the Code. For purposes of this Section 5.1(c), if an Option is canceled in the same calendar year it was granted (other than in connection with a transaction described in Article 8), the canceled Option will be counted against the limit set forth in this Section 5.1(c). For this purpose, if the

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

exercise price of an Option is reduced, the transaction shall be treated as a cancellation of the Option and the grant of a new Option.

(d) If Options are issued in respect of options to acquire stock of any entity acquired, by merger or otherwise, by the Company (or any subsidiary of the Company), to the extent that such issuance shall not be inconsistent with the terms, limitations and conditions of Code Section 422 or Rule 16b-3 under the Exchange Act, the aggregate number of shares of Stock for which Options may be granted under this Plan shall automatically be increased by the number of shares subject to the Options so issued; provided, however, that the aggregate number of shares of Stock for which Options may be granted under this Plan shall automatically be decreased by the number of shares covered by any unexercised portion of an Option so issued that has terminated for any reason, and the shares subject to any such unexercised portion may not be optioned to any other person.

5.2 Adjustments upon Changes in Capitalization, Merger or Asset Sale.

(a) If the Committee determines that any dividend or other distribution (whether in the form of cash, shares of Stock, other securities, or other property), recapitalization, reclassification, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, liquidation, dissolution, share exchange, or sale, transfer, exchange or other disposition of all or substantially all of the assets of the Company, or exchange of Stock or other securities of the Company, issuance of warrants or other rights to purchase Stock or other securities of the Company, or other similar corporate transaction or event, in the Committee's sole discretion, affects the Stock such that an adjustment is determined by the Committee to be appropriate to prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Option or Restricted Stock, then the Committee shall, in such manner as it may deem equitable, adjust any or all of:

(i) the number and kind of shares of Stock (or other securities or property) with respect to which Options may be granted or Restricted Stock awarded (including, but not limited to,

7

adjustments of the limitations in the Plan in Section 5.1);

(ii) the number and kind of shares of Stock (or other securities or property) subject to outstanding Options or Restricted Stock; and

(iii) the grant or exercise price with respect to any Option.

(b) In the event of any transaction or event described in Section 5.2(a), the Committee, in its sole discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Option or Restricted Stock or by action taken before the occurrence of such transaction or event and either automatically or upon the Grantee's request, is hereby authorized to take any one or more of the following actions whenever the Committee determines that such action is appropriate to prevent dilution or enlargement of the benefits or potential benefits intended by the Company to be made available under the Plan or with respect to any Option or Restricted Stock granted or issued under the Plan or to facilitate such transaction or event:

(i) to provide for either the purchase of any such Option

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

or Restricted Stock for an amount of cash equal to the amount that could have been obtained upon the exercise of such Option or realization of the Grantee's rights had such Option or Restricted Stock been currently exercisable or fully vested or the replacement of such Option or Restricted Stock with other rights or property selected by the Committee in its sole discretion;

(ii) to provide that such Option shall be exercisable as to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the provisions of such Option;

(iii) to provide that such Option or Restricted Stock be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(iv) to make adjustments in the number and type of shares of Stock (or other securities or property) subject to outstanding Options, and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Options or Restricted Stock, or Options or Restricted Stock that may be granted in the future; and

(v) to provide that immediately upon the consummation of such event, such Option shall not be exercisable and shall terminate.

(c) Subject to Section 5.1, the Committee may, in its sole discretion, include such further provisions and limitations in any Option or Restriction Agreement or certificate, as it may deem equitable and in the best interests of the Company.

(d) If the Company undergoes an Acquisition, then any surviving corporation or entity or acquiring corporation or entity, or affiliate of such corporation or entity, may assume any Options or Restricted Stock outstanding under the Plan or may substitute similar stock awards (including an award to acquire the same consideration paid to the shareholders in the transaction described in this Section 5.2(d)) for those outstanding under the Plan. If any surviving corporation or entity or acquiring corporation or entity in an Acquisition, or affiliate of such corporation or entity, does not assume such Options or Restricted Stock or does not substitute similar stock awards for those outstanding under the Plan, then

8

(i) with respect to Options or Restricted Stock held by Grantees whose status as an Employee or service provider has not terminated before such event, the vesting of such Options or Restricted Stock (and, if applicable, the time during which such awards may be exercised) shall be accelerated and made fully exercisable and all restrictions thereon shall lapse at least ten (10) days before the closing of the Acquisition (and the Options terminated if not exercised before the closing of such Acquisition), and

(ii) any other Options outstanding under the Plan shall be terminated if not exercised prior to the closing of the Acquisition.

(e) The adjustments described in this Section 5.2, and the manner of their application, shall be determined solely by the Committee, and any such adjustment may provide for the elimination of fractional share interests; provided, however, that any adjustment made by the Committee shall be made in a manner that will not cause an Incentive Stock Option to be other than

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

an Incentive Stock Option under Applicable Laws. The adjustments required under this Article 5 shall apply to any successors of the Company and shall be made regardless of the number or type of successive events requiring such adjustments.

(f) The existence of the Plan, any Option or Restriction Agreement shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization, or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Stock or that are convertible into or exchangeable for Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

5.3 Assumption of Options by the Company. The Company, from time to -----
time, also may substitute or assume outstanding options granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Option under this Plan in substitution of such other company's option; or (b) assuming such option as if it had been granted under this Plan if the terms of such assumed option could be applied to an Option granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed option would have been eligible to be granted an Option under this Plan if the other company had applied the rules of this Plan to such grant. If the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the exercise price and the number and nature of shares of Stock issuable upon exercise of any such option will be adjusted appropriately pursuant to Section 424(a) of the Code). If the Company elects to grant a new Option rather than assuming an existing option, the new Option may be granted with a similarly adjusted Exercise Price.

ARTICLE 6 OPTIONS

6.1 Types of Options Granted. The Committee may, under this Plan, -----
grant either Incentive Stock Options or Options that do not qualify as Incentive Stock Options. Within the limitations provided in this Plan, both types of Options may be granted to the same person at the same time, or at different times, under different terms and conditions, as long as the terms and conditions of each Option are consistent with the provisions of the Plan. Without limitation of the foregoing, Options may be granted subject to conditions based on the financial performance of the Company or any other factor the Committee deems relevant.

6.2 Option Grant and Agreement. Each Option granted under this Plan shall -----
be evidenced by minutes of a meeting or the written consent of the Committee (or its delegate(s) as permitted by Section 4.1(a)) and by a written Stock Option Agreement executed by the Company and the Optionee. The terms of the Option, including the Option's duration, time or times of exercise, exercise price, whether the Option is intended to be an Incentive Stock Option, and whether the Option is to be accompanied by the right to receive a Reload Option, shall be stated in the Stock Option Agreement. No Incentive Stock Option may be granted more than ten years after the date the Plan is approved by the Company's shareholders. Separate Stock Option Agreements may be used for Options intended

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

to be Incentive Stock Options and those not so intended, but any failure to use such separate agreements shall not invalidate, or otherwise adversely affect the Optionee's interest in, the Options evidenced thereby.

6.3 Optionee Limitation. The Committee shall not grant an Incentive Stock

Option to any person who, at the time the Incentive Stock Option is granted:

(a) is not an Employee of the Company or any of its subsidiaries; or

(b) owns or is considered to own stock possessing at least 10% of the total combined voting power of all classes of stock of the Company or any of its parent or subsidiary corporations; provided, however, that this limitation shall not apply if at the time an Incentive Stock Option is granted the Exercise Price is at least 110% of the Fair Market Value of the Stock subject to such Option and such Option by its terms would not be exercisable after five years from the date on which the Option is granted.

6.4 \$100,000 Limitation. Except as provided below, the Committee shall not

grant an Incentive Stock Option to, or modify the exercise provisions of outstanding Incentive Stock Options held by, any person who, at the time the Incentive Stock Option is granted (or modified), would thereby receive or hold any Incentive Stock Options of the Company and any parent or subsidiary of the Company, such that the aggregate Fair Market Value (determined as of the respective dates of grant or modification of each option) of the stock with respect to which such Incentive Stock Options are exercisable for the first time during any calendar year is in excess of \$100,000 (or such other limit as may be prescribed by the Code from time to time); provided that the foregoing restriction on modification of outstanding Incentive Stock Options shall not preclude the Committee from modifying an outstanding Incentive Stock Option if, as a result of such modification and with the consent of the Optionee, such Option no longer constitutes an Incentive Stock Option; and provided that, if the \$100,000 limitation (or such other limitation prescribed by the Code) described in this Section 6.4 is exceeded, the Incentive Stock Option, the granting or modification of which resulted in the exceeding of such limit, shall be treated as an Incentive Stock Option up to the limitation and the excess shall be treated as an Option not qualifying as an Incentive Stock Option.

6.5 Exercise Price. The Exercise Price of the Stock subject to each Option

shall be determined by the Committee. Subject to the provisions of Section 6.3(b) of this Plan, the Exercise Price of an Incentive Stock Option shall not be less than the Fair Market Value of the Stock as of the date the Option is granted (or in the case of an Incentive Stock Option that is subsequently modified, on the date of such modification).

6.6 Exercise Period. The period for the exercise of each Option granted

under this Plan shall be determined by the Committee, but the Stock Option Agreement with respect to each Option intended to be an Incentive Stock Option shall provide that such Option shall not be exercisable after the expiration of ten years from the date of grant (or modification) of the Option.

10

6.7 Option Exercise.

(a) Unless otherwise provided in the Stock Option Agreement or Section

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

6.6 of this Plan, an Option may be exercised at any time or from time to time during the term of the Option as to any or all full shares that have become Purchasable under the provisions of the Option, but not at any time as to fewer than 100 shares unless the remaining shares that have become so Purchasable are fewer than 100 shares. The Committee shall have the authority to prescribe in any Stock Option Agreement that the Option may be exercised only in accordance with a vesting schedule during the term of the Option.

(b) An Option shall be exercised by (i) delivery to the Company at its principal office (or, if the Committee so directs, to an administrator designated by the Committee at such administrator's office) a written notice of exercise with respect to a specified number of shares of Stock and (ii) payment to the Company at that office of the full amount of the Exercise Price for such number of shares in accordance with Section 6.7(c).

(c) Payment for Shares purchased pursuant to this Plan may be made in cash (by check) or, where expressly approved for the Optionee by the Committee and where permitted by Applicable Laws:

(i) by cancellation of indebtedness of the Company to the Optionee;

(ii) by surrender of shares that either: (1) have been owned by the Optionee for more than six (6) months and have been paid for within the meaning of SEC Rule 144 (and, if such shares were purchased from the Company by use of a promissory note, such note has been fully paid with respect to such shares); or (2) were obtained by the Optionee in the public market;

(iii) by tender of a full recourse promissory note having such terms as may be approved by the Committee and bearing interest at a rate sufficient to avoid (1) imputation of income under Sections 483 and 1274 of the Code and (2) variable accounting treatment under Financial Accounting Standards Board Interpretation No. 44 to APB No. 25; provided, however, that Optionees who are not Employees or Directors of the Company or any subsidiary shall not be entitled to purchase Shares with a promissory note unless the note is adequately secured by collateral other than the shares of Stock being purchased;

(iv) by waiver of compensation due or accrued to the Optionee for services rendered;

(v) with respect only to purchases upon exercise of an Option, and provided that a public market for the Company's stock exists and the transaction is done in a manner sufficient to avoid variable accounting treatment under Financial Accounting Standards Board Interpretation No. 44 to APB No. 25: (1) through a "same day sale" commitment from the Optionee and a broker-dealer that is a member of the National Association of Securities Dealers (an "NASD Dealer") whereby the Optionee irrevocably elects to exercise the Option and to sell a portion of the Shares so purchased to pay for the Exercise Price, and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the Exercise Price directly to the Company; or (2) through a "margin" commitment from the Optionee and a NASD Dealer whereby the Optionee irrevocably elects to exercise the Option and to pledge the Shares so purchased to the NASD Dealer in a margin account as security for a loan from the NASD Dealer in the amount of the Exercise Price, and whereby the NASD Dealer irrevocably commits upon receipt of such Shares to forward the Exercise Price directly to the Company; or

11

(vi) by any combination of the foregoing.

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

(d) In addition to and at the time of payment of the Exercise Price, the Optionee shall pay to the Company in cash the full amount of any federal, state, and local income, employment, or other withholding taxes applicable to the taxable income of such Optionee resulting from such exercise. The Committee may allow Optionees to satisfy a portion of the foregoing withholding tax obligations by electing to have the Company withhold from the shares of Stock to be issued upon exercise of an Option that number of shares having a Fair Market Value equal to the minimum amount required to be withheld based on the statutory withholding rates for federal and state tax purposes that apply to supplemental taxable income. The Fair Market Value of the shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined. All elections by Optionees to have shares withheld for this purpose shall be made in such form and under such conditions as the Committee may deem necessary or advisable.

(e) The holder of an Option shall not have any of the rights of a shareholder with respect to the shares of Stock subject to the Option until such shares have been issued and transferred to the Optionee upon the exercise of the Option.

6.8 Reload Options.

(a) The Committee may specify in a Stock Option Agreement (or may otherwise determine in its sole discretion) that a Reload Option shall be granted, without further action of the Committee, (i) to an Optionee who exercises an Option (including a Reload Option) by surrendering shares of Stock to the Company in payment of amounts specified in Sections 6.7(c) or 6.7(d) of this Plan, (ii) for the same number of shares as are surrendered to pay such amounts, (iii) as of the date of such payment and at an Exercise Price equal to the Fair Market Value of the Stock on such date, and (iv) otherwise on the same terms and conditions as the Option whose exercise has occasioned such payment, subject to such other conditions or terms as the Committee shall specify at the time such exercised Option is granted.

(b) Unless provided otherwise in the Stock Option Agreement, a Reload Option may not be exercised by an Optionee (i) prior to the end of a one-year period from the date that the Reload Option is granted, and (ii) unless the Optionee retains beneficial ownership of the shares of Stock issued to such Optionee upon exercise of the Option referred to above in Section 6.8(a) (i) for a period of one year from the date of such exercise.

6.9 Non-Transferability of Option. Except as otherwise provided by the Committee, no Option shall be transferable by an Optionee other than by will or the laws of descent and distribution or, in the case of non-Incentive Stock Options, pursuant to a 6.9 Qualified Domestic Relations Order. During the lifetime of an Optionee, Options shall be exercisable only by such Optionee (or by such Optionee's guardian or legal representative, should one be appointed).

6.10 Termination of Employment or Service. The Committee shall have the power to specify, with respect to the Options granted to a particular Optionee, the effect upon such Optionee's right to exercise an Option of termination of such Optionee's employment or service under various circumstances, which effect may include immediate or deferred termination of such Optionee's rights under an Option, or acceleration of the date at which an Option may be exercised in full; provided, however, that in no event may an Incentive Stock Option be exercised after the expiration of ten years from its date of grant. Unless a Stock Option Agreement specifically provides otherwise, in the event the recipient of an Option or Award is terminated from his or her employment or other service to the

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

Company or its subsidiaries for Cause, Options

12

and Awards, whether vested or unvested, granted to such person shall terminate immediately and shall not thereafter be exercisable.

6.11 Employment Rights. Nothing in the Plan or in any Stock Option

Agreement shall confer on any person any right to continue in the employ of the Company or any of its subsidiaries, or shall interfere in any way with the right of the Company or any of its subsidiaries to terminate such person's employment at any time.

6.12 Effect of Change in Control. The Committee may determine, at the time

of granting an Option or thereafter, that such Option shall become exercisable on an accelerated basis in the event that a Change in Control occurs with respect to the Company (and the Committee shall have the discretion to modify the definition of a Change in Control in a particular Option Agreement). If the Committee finds that there is a reasonable possibility that, within the succeeding six months, a Change in Control will occur with respect to the Company, then the Committee may determine that all outstanding Options shall be exercisable on an accelerated basis.

ARTICLE 7 RESTRICTED STOCK

7.1 Awards of Restricted Stock. The Committee may grant Awards of

Restricted Stock, which shall be governed by a Restriction Agreement between the Company and the Grantee. Each Restriction Agreement shall contain such restrictions, terms, and conditions as the Committee may, in its discretion, determine, and may require that an appropriate legend be placed on the certificates evidencing the subject Restricted Stock. Shares of Restricted Stock granted pursuant to an Award under this Plan shall be issued in the name of the Grantee as soon as reasonably practicable after the Award is granted, provided that the Grantee has executed the Restriction Agreement governing the Award, the appropriate blank stock powers, and, in the discretion of the Committee, an escrow agreement and any other documents that the Committee may require as a condition to the issuance of such shares. If a Grantee shall fail to execute the foregoing documents within any time period prescribed by the Committee, the Award shall be void. At the discretion of the Committee, shares issued in connection with an Award may be held by the Company for the account of the Grantee or deposited together with the stock powers with an escrow agent designated by the Committee. Unless the Committee determines otherwise and as provided in the Restriction Agreement, upon issuance of the shares, the Grantee shall have all of the rights of a shareholder with respect to such shares, including the right to vote the shares and to receive all dividends or other distributions paid or made with respect to the shares.

7.2 Non-Transferability of Restricted Stock. Until any restrictions upon

Restricted Stock awarded to a Grantee shall have lapsed in a manner provided in Section 7.3, such shares of Restricted Stock shall not be transferable other than by will or the laws of descent and distribution, or pursuant to a Qualified Domestic Relations Order, nor shall they be delivered to the Grantee.

7.3 Lapse of Restrictions. Restrictions upon Restricted Stock awarded

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

under this Plan shall lapse at such time or times and on such terms and conditions as the Committee may, in its discretion, determine at the time the Award is granted or thereafter.

7.4 Termination of Employment. The Committee shall have the power to

specify, with respect to each Award granted to any particular Grantee, the effect upon such Grantee's rights with respect to such Restricted Stock of the termination of such Grantee's employment under various circumstances, which effect may include immediate or deferred forfeiture of such Restricted Stock or acceleration of the date at which any then-remaining restrictions shall lapse.

13

7.5 Treatment of Dividends. At the time an Award of Restricted Stock is

made, the Committee may, in its discretion, determine that the payment to the Grantee of any dividends, or a specified portion of them, declared or paid on such Restricted Stock shall be (i) deferred until the lapsing of the relevant restrictions and (ii) held by the Company for the account of the Grantee until such lapsing. In the event of such deferral, there shall be credited at the end of each year (or portion of it) interest on the amount of the account at the beginning of the year at a rate per annum determined by the Committee. Payment of deferred dividends, together with interest on those dividends, shall be made upon the lapsing of restrictions imposed on such Restricted Stock, and any dividends deferred (together with any interest on those dividends) in respect of Restricted Stock shall be forfeited upon any forfeiture of such Restricted Stock.

7.6 Delivery of Shares. Except as provided otherwise in Article 8 below,

within a reasonable period of time following the lapse of the restrictions on shares of Restricted Stock, the Committee shall cause a stock certificate to be delivered to the Grantee with respect to such shares and such shares shall be free of all restrictions under this Plan.

ARTICLE 8 TERMINATION AND AMENDMENT

8.1 Termination and Amendment. The Board may at any time terminate the

Plan, and may at any time and from time to time and in any respect amend the Plan; provided, however, that the Board (unless its actions are approved or ratified by the shareholders of the Company within twelve months of the date that the Board amends the Plan) may not amend the Plan to:

(a) increase the total number of shares of Stock issuable pursuant to Incentive Stock Options, except as contemplated in Sections 5.1 and 5.2;

(b) change the class of Employees eligible to receive Incentive Stock Options that may participate in the Plan; or

(c) otherwise materially increase the benefits accruing to recipients of Incentive Stock Options under the Plan.

The Committee shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

8.2 Effect on Grantee's Rights. No termination, amendment, or modification

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

of the Plan shall affect adversely a Grantee's rights under a Stock Option Agreement or Restriction Agreement without the consent of the Grantee or his legal representative.

ARTICLE 9 MISCELLANEOUS

9.1 Stock Certificates. The Company shall not be required to issue or

deliver any certificate for shares of Stock purchased upon the exercise of any Option granted under this Plan, or deliver any certificate for shares of Restricted Stock granted under this Plan, before fulfillment of all of the following conditions:

(a) the admission of such shares to listing on all stock exchanges on which the Stock is then listed;

14

(b) the completion of any registration or other qualification of such shares that the Committee shall deem necessary or advisable under any Applicable Laws;

(c) the obtaining of any approval or other clearance from any federal or state governmental agency or body that the Committee shall determine to be necessary or advisable; and

(d) the lapse of such reasonable period of time following the exercise of the Option as the Board from time to time may establish for reasons of administrative convenience.

Stock certificates issued and delivered to Grantees shall bear such restrictive legends as the Company shall deem necessary or advisable pursuant to Applicable Laws.

9.2 Relationship to Other Compensation Plans. The adoption of the

Plan shall not affect any other stock option, incentive, or other compensation plans in effect for the Company or any of its subsidiaries; nor shall the adoption of the Plan preclude the Company or any of its subsidiaries from establishing any other form of incentive or other compensation plan for Employees or Directors of the Company or any of its subsidiaries.

9.3 Replacement or Amended Grants. At the sole discretion of the

Committee, and subject to the terms of the Plan, the Committee may modify outstanding Options or Awards or accept the surrender of outstanding Options or Awards and grant new Options or Awards in substitution for them. No modification of an Option or Award, however, shall adversely affect a Grantee's rights under a Stock Option Agreement or Restriction Agreement without the consent of the Grantee or his legal representative.

9.4 Forfeiture for Solicitation of Customers. During Grantee's

employment with or service to the Company and for a period of twenty-four (24) months following the date of termination of employment or service, Grantee shall not (except on behalf of or with the prior written consent of the Company), on Grantee's own behalf or in the service or on behalf of others, (i) solicit, divert, or appropriate to or for a competing business, or (ii) attempt to solicit, divert, or appropriate to or for a competing business, any person or

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

entity that was a customer of the Company on the date of termination and with whom Grantee had direct material contact within twelve months of Grantee's last date of employment or service. If Grantee engages in solicitation of customers as defined above, then Grantee's rights under any Options outstanding under this Plan shall be forfeited and terminated, and any shares of Restricted Stock held by such Grantee subject to remaining restrictions shall be forfeited, subject in each case to a determination to the contrary by the Committee.

9.5 Forfeiture for Solicitation of Employees. During Grantee's

employment with or service to the Company and for a period of twenty-four (24) months following the date of termination of employment or service, Grantee shall not, on Grantee's own behalf or in the service or on behalf of others, (i) solicit, divert, or hire away, or (ii) attempt to solicit, divert, or hire away any employee of the Company, regardless of whether the employee is full-time or temporary, the employment is pursuant to written agreement, or the employment is for a determined period or is at will. If Grantee engages in solicitation of employees as defined above, then Grantee's rights under any Options outstanding under this Plan shall be forfeited and terminated, and any shares of Restricted Stock held by such Grantee subject to remaining restrictions shall be forfeited, subject in each case to a determination to the contrary by the Committee.

9.6 Escrow; Pledge of Shares. To enforce any restrictions on a

Grantee's shares of Stock, the

15

Committee may require the Grantee to deposit all certificates representing shares of Stock, together with stock powers other instruments of transfer approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates. Any Grantee who is permitted to execute a promissory note as partial or full consideration for the purchase of shares under this Plan will be required to pledge and deposit with the Company all or part of the shares so purchased as collateral to secure the payment of the Grantee's obligation to the Company under the promissory note; provided, however, that the Committee may require or accept other or additional forms of collateral to secure the payment of such obligation and, in any event, the Company will have full recourse against the Grantee under the promissory note notwithstanding any pledge of the Grantee's shares or other collateral. In connection with any pledge of the shares, the Grantee will be required to execute and deliver a written pledge agreement in such form as the Committee will from time to time approve. In the discretion of the Committee, the shares purchased with the promissory note may be released from the pledge on a pro rata basis as the promissory note is paid.

9.7 Plan Binding on Successors. The Plan shall be binding upon

the successors and assigns of the Company.

9.8 Singular, Plural; Gender. Whenever used in this Plan, nouns in

the singular shall include the plural, and the masculine pronoun shall include the feminine gender.

9.9 Headings, etc., No Part of Plan. Headings of Articles and

Sections of this Plan are inserted for convenience and reference; they do not

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

constitute part of the Plan.

9.10 Interpretation. With respect to Section 16 Insiders,

transactions under this Plan are intended to comply with all applicable
conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent
any provision of the Plan or action by the administrators of the Plan fails to
so comply, it shall be deemed void to the extent permitted by Applicable Laws
and deemed advisable by the Committee.

Exhibit A to
InterCept, Inc.
2002 Stock Option Plan
Sample Form of Stock Option Agreement

INTERCEPT, INC.
STOCK OPTION AGREEMENT

THIS STOCK OPTION AGREEMENT (this "Agreement") is entered into
as of this ____ day of _____, _____, by and between InterCept,
Inc., a Georgia corporation (the "Company"), and
_____ (the "Optionee").

(1) Effective as of ____ _____, 2002, the Board of Directors of
the Company adopted a stock option plan known as "InterCept, Inc. 2002 Stock
Option Plan" (the "Plan"), and recommended that the Plan be approved by the
Company's shareholders.

(2) The Committee has granted the Optionee a stock option to
purchase the number of shares of the Company's common stock as provided below,
and in consideration of the granting of that stock option the Optionee intends
to remain in the employ of the Company or continue to provide services to the
Company.

(3) The Company and the Optionee desire to enter into a written
agreement with respect to such option in accordance with the Plan.

As an employment incentive and to encourage stock ownership, and also
in consideration of the mutual covenants contained in this Agreement, the
parties to this Agreement agree as follows:

1. Incorporation of Plan. This option is granted pursuant to the

provisions of the Plan and the terms and definitions of the Plan are
incorporated into this Agreement by reference. A copy of the Plan has been
delivered to the Optionee, who acknowledges receipt of the Plan.

2. Grant of Option. Subject to the terms, restrictions,

limitations and conditions stated in this Agreement, the Company hereby
evidences its grant to the Optionee, not in lieu of salary or other
compensation, of the right and option (the "Option") to purchase all or any part
of the number of shares of the Company's Common Stock, no par value (the
"Stock"), provided on Schedule A attached to this Agreement and incorporated
into this Agreement by reference. The Option shall be exercisable in the amounts

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

and at the time specified on Schedule A. The Option shall expire and shall not be exercisable on the date specified on Schedule A or on such earlier date as determined pursuant to Sections 8, 9, or 10 below. Schedule A states whether the Option is intended to be an Incentive Stock Option.

3. Purchase Price. The price per share to be paid by the Optionee

for the shares subject to this Option (the "Exercise Price") shall be as specified on Schedule A. If the Option is an Incentive Stock Option, the Exercise price shall be an amount not less than the Fair Market Value of a share of Stock as of the date of grant.

4. Exercise Terms. The Optionee must exercise the Option for at

least the lesser of 100 shares or the number of shares of Purchasable Stock as to which the Option remains unexercised. If this Option is not exercised with respect to all or any part of the shares subject to this Option before it expires, the shares with respect to which this Option was not exercised shall no longer be subject to this Option.

i

5. Option Non-Transferable. No Option shall be transferable by an

Optionee other than by will or the laws of descent and distribution or, in the case of non-Incentive Stock Options, pursuant to a Qualified Domestic Relations Order. During the lifetime of an Optionee, Options shall be exercisable only by such Optionee (or by such Optionee's guardian or legal representative, should one be appointed).

6. Notice of Exercise of Option. This Option may be exercised by

the Optionee, or by the Optionee's administrators, executors or personal representatives, by a written notice (in substantially the form of the Notice of Exercise attached to this Plan as Schedule B) signed by the Optionee, or by such administrators, executors or personal representatives, and delivered or mailed to the Company as specified below to the attention of the President or such other officer as the Company may designate. Any such notice shall (a) specify the number of shares of Stock that the Optionee or the Optionee's administrators, executors or personal representatives, as the case may be, then elects to purchase under this Plan, (b) contain such information as may be reasonably required pursuant to Section 12 below, and (c) as authorized by the Committee, be accompanied by a form of payment permitted under the Plan of the Exercise Price for the shares of stock being purchased. Upon receipt of any such notice and accompanying payment, and subject to the terms of this Agreement, the Company agrees to issue to the Optionee or the Optionee's administrators, executors or personal representatives, as the case may be, stock certificates for the number of shares specified in such notice registered in the name of the person exercising this Option.

7. Adjustment in Option. The number of shares subject to this

Option, the Exercise Price and other matters are subject to adjustment during the term of this Option in accordance with Section 5.2 of the Plan.

8. Termination of Employment.

(a) Except as otherwise specified in Schedule A to this Agreement, in the event of the termination of the Optionee's employment with the

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

Company or any of its subsidiaries, other than a termination that is either (i) for Cause, (ii) voluntary on the part of the Optionee and without written consent of the Company, or (iii) for reasons of death or disability or retirement, the Optionee may exercise this Option at any time within 90 days after such termination to the extent of the number of shares that were Purchasable under this Agreement at the date of such termination.

(b) Except as specified in Schedule A attached to this Agreement, in the event of a termination of the Optionee's employment that is either (i) for Cause or (ii) voluntary on the part of the Optionee and without the written consent of the Company, this Option, to the extent not previously exercised, shall terminate immediately and shall not thereafter be or become exercisable.

(c) Unless and to the extent otherwise provided in Exhibit A to this Agreement, in the event of the retirement of the Optionee at the normal retirement date as prescribed from time to time by the Company or any subsidiary, the Optionee shall continue to have the right to exercise any Options for shares that were Purchasable at the date of the Optionee's retirement. This Option does not confer upon the Optionee any right with respect to continuance of employment by the Company or by any of its subsidiaries. This Option shall not be affected by any change of employment so long as the Optionee continues to be an Employee of the Company or one of its subsidiaries.

9. Disabled Optionee. In the event of termination of employment

because of the Optionee's becoming a Disabled Optionee, the Optionee (or his or her personal representative) may exercise this Option, within a period ending on the earlier of (a) the last day of the one year period following the

ii

Optionee's death or (b) the expiration date of this Option, to the extent of the number of shares that were Purchasable under this Agreement at the date of such termination.

10. Death of Optionee. Except as otherwise provided in Schedule A with

respect to the rights of the Optionee upon termination of employment under Section 8(a) above, in the event of the Optionee's death while employed by the Company or any of its subsidiaries or within three months after a termination of such employment (if such termination was neither (i) for cause nor (ii) voluntary on the part of the Optionee and without the written consent of the Company), the appropriate persons described in Section 6 above or persons to whom all or a portion of this Option is transferred in accordance with Section 5 above may exercise this Option at any time within a period ending on the earlier of (a) the last day of the one year period following the Optionee's death or (b) the expiration date of this Option. If the Optionee was an Employee of the Company at the time of death, this Option may be so exercised to the extent of the number of shares that were Purchasable under this Agreement at the date of death. If the Optionee's employment terminated prior to his or her death, this Option may be exercised only to the extent of the number of shares covered by this Option that were Purchasable under this Agreement at the date of such termination.

11. Date of Grant. This Option was granted by the Board of Directors of

the Company on the date provided in Schedule A.

Edgar Filing: INTERCEPT GROUP INC - Form DEFR14A

12. Compliance with Regulatory Matters. The Optionee acknowledges that

the issuance of capital stock of the Company is subject to limitations imposed by federal and state law and the Optionee hereby agrees that the Company shall not be obligated to issue any shares of Stock upon exercise of this Option that would cause the Company to violate law or any rule, regulation, order or consent decree of any regulatory authority (including without limitation the SEC) having jurisdiction over the affairs of the Company. The Optionee agrees that he or she will provide the Company with such information as is reasonably requested by the Company or its counsel to determine whether the issuance of Stock complies with the provisions described by this Section 12.

13. Restriction on Disposition of Shares. The shares purchased pursuant

to the exercise of an Incentive Stock Option shall not be transferred by the Optionee except pursuant to the Optionee's will, or the laws of descent and distribution, until the date that is the later of two years after the grant of such Incentive Stock Option or one year after the transfer of the shares to the Optionee pursuant to the exercise of such Incentive Stock Option.

iii

14. Miscellaneous.

(a) This Agreement shall be binding upon the parties to it and their representatives, successors and assigns.

(b) This Agreement is executed and delivered in, and shall be governed by the laws of, the State of Georgia.

(c) Any requests or notices to be given under this Agreement shall be deemed given, and any elections or exercises to be made or accomplished shall be deemed made or accomplished, upon actual delivery thereof to the designated recipient, or three days after deposit thereof in the United States mail, registered, return receipt requested and postage prepaid, addressed, if to the Optionee, at the address provided below and, if to the Company, to the executive offices of the Company at 3150 Holcomb Bridge Road, Suite 200, Norcross, Georgia 30071 (or to any successor address for the Company's executive offices reflected in the Company's filings with the SEC); provided that the Optionee may change his or her address by written notice as provided in this Section 14(c).

(d) Except as permitted under the Plan, this Agreement may not be modified except in writing executed by each of the parties to it.

IN WITNESS WHEREOF, the Board of Directors of the Company has caused this Stock Option Agreement to be executed on behalf of the Company, and the Optionee has executed this Stock Option Agreement under seal, all as of the day and year first above written.
