INDEPENDENT AUDITORS' REPORT

The Administrative Committee
Downey Savings and Loan Association, F.A.
Employees' Retirement and Savings Plan:

We have audited the accompanying statements of net assets available for plan benefits of the Downey Savings and Loan Association, F.A. Employees' Retirement and Savings Plan as of December 31, 2001 and 2000 and the related statements of changes in net assets available for plan benefits for the years then ended. These financial statements are the responsibility of the plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Downey Savings and Loan Association, F.A. Employees' Retirement and Savings Plan as of

Edgar Filing: DOWNEY FINANCIAL CORP - Form 11-K

December 31, 2001 and 2000 and the changes in net assets available for plan benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held at end of year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

DOWNEY SAVINGS AND LOAN ASSOCIATION, F.A.
EMPLOYEES' RETIREMENT AND SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(1) DESCRIPTION OF THE PLAN

(A) GENERAL

The Downey Savings and Loan Association, F.A. Employees' Retirement and Savings Plan (the Plan) was established as a profit sharing plan on January 1, 1978 and was originally called the Employees' Profit

Edgar Filing: DOWNEY FINANCIAL CORP - Form 11-K

Sharing Plan of Downey Savings and Loan Association. The Plan was amended and restated in its entirety as of October 1, 1997, and continues to qualify as both a profit sharing plan and a qualified cash or deferred arrangement under Internal Revenue Code Sections 401(a) and 401(k). The following description provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan which provides retirement benefits for eligible employees of Downey Savings and Loan Association, F.A., its affiliates and subsidiaries (Downey). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(B) ADMINISTRATION OF THE PLAN

The Plan is administered by Downey (the Plan Administrator). Downey Savings and Loan Association, F.A. Administrative Committee (the Committee) also administers the Plan and consists of at least three members and has the authority to control and manage the operation and administration of the Plan. The assets of the Plan are held in a nondiscretionary trust by Fidelity Management Trust Company as trustee and are administered under a trust agreement which requires that the trustee hold, administer and distribute the funds of the Plan in accordance with the text of the Plan and the instructions of the Plan Administrator, the Committee or its designees.

(C) CONTRIBUTIONS

All employees of Downey are eligible to participate in the Plan provided they are 21 years of age and have completed one year of service. Each year, participants may contribute up to 15% of their compensation, as defined in the Plan. Participants may roll over into the Plan amounts representing distributions from other qualified plans.

Downey makes a matching contribution equal to 25% of the participant's pretax contributions which do not exceed 4% of the participant's annual compensation. In addition, through an amendment dated October 11, 1999 and effective January 1, 1999, Downey may make an annual discretionary profit sharing contribution to the Plan. Allocation of the discretionary contribution is based on points credited to each eligible participant and salary. Points are credited based on the employee's age and vested years of service. Contributions are subject to certain limitations.

On March 27, 2001, the Plan Administrative Committee approved Amendment No. 5 to the Plan. The Amendment is effective for fiscal years after December 31, 2001 and is summarized as follows:

- o The definition of enrollment date is changed from first day of each Plan Year Quarter to first day of each Plan Year Month.
- o Age requirement for eligibility is changed from 21 to 18.

Edgar Filing: DOWNEY FINANCIAL CORP - Form 11-K

December 31, 2001 and 2000

- o The annual discretionary profit sharing contribution is eliminated. Downey will make a matching contribution equal to 50% of the first 6% of salary deferred in the Plan year.

(D) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, allocations of Downey's matching and discretionary contributions and the Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined.

(E) VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Downey's matching and discretionary contributions plus actual earnings thereon is based on years of service. A participant vests at the rate of 20% after one year of service and 20% each year thereafter until 100% vesting is reached after five years of service. In addition, a participant becomes 100% vested if the sum of the participant's age and years of service equals at least 60.

(F) FORFEITED ACCOUNTS

At years ended December 31, 2001 and 2000, forfeited accounts totaled \$55,780 and \$65,126, respectively. These accounts are used to reduce future employer contributions. For Plan years 2001 and 2000, \$57,055 and \$68,435 of forfeitures, respectively, were used to reduce employer contributions.

(G) INVESTMENT OPTIONS

At December 31, 2001, the investment options available to the Plan's participants were as follows:

- o Downey Financial Corp. Stock Fund - The fund provides Plan participants with an opportunity to invest in Downey Financial Corp. common stock. Cash balances within this fund are invested temporarily in the Fidelity Institutional Cash Portfolio, which is a money market fund.
- o Fidelity Retirement Money Market Fund - The fund seeks to preserve capital and maintain a high degree of liquidity while providing income. The fund invests in high-quality, short-term U.S. dollar-denominated money market instruments of domestic and foreign issuers.
- o PIMCO Low Duration Inst. Fund - The fund seeks total return - both income and capital appreciation - consistent with prudent investment management.
- o Templeton Foreign Fund - The fund seeks long-term growth of capital.
- o Fidelity Puritan Fund - The fund seeks income consistent with preservation of capital.

(H) PARTICIPANT LOANS

Participants may borrow from their fund accounts for general purposes, as defined within the Plan. Participant loans are limited to the lesser of 1) 50% of the participant's current vested fund balance or 2) \$50,000 reduced by the highest outstanding loan balance during the previous 12 months. Loan transactions are treated as a transfer to (from) the investment funds. The loans are secured by the balance in the participant's account and bear a fixed rate of interest equal to prime plus 2% at the time the loan is originated. Participants pay \$75 to establish a loan and then pay \$6.25 on a quarterly basis for maintenance. Principal and interest are paid ratably through payroll deductions.

(I) PAYMENTS OF BENEFITS

Upon termination of service, a participant may elect to receive either a single lump-sum payment in cash or Downey stock equal to the value of the vested interest in his or her account, or a series of substantially equal annual or more frequent installments over a period

Edgar Filing: DOWNEY FINANCIAL CORP - Form 11-K

not to exceed five years.

(J) ADMINISTRATIVE EXPENSES

All administrative costs of the Plan, excluding investment management fees and fees for participant loans, are paid by Downey.

(K) PLAN TERMINATION

Although it has not expressed any intent to do so, Downey has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) SIGNIFICANT ACCOUNTING POLICIES

(A) BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

(B) INVESTMENTS

Publicly traded securities are carried at fair value based on published market quotations. Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

(C) PARTICIPANT LOANS

Participant loans are included in the statements of net assets available for Plan benefits at their outstanding balance, which approximates fair value of the loans. The loans are payable through payroll deductions.

(D) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(E) PAYMENT OF BENEFITS

Benefits are recorded when paid.

(3) INVESTMENTS

Edgar Filing: DOWNEY FINANCIAL CORP - Form 11-K
