- (a) Security in default.
- (b) Security exempt from registration under Rule 144A of the Securities Act of 1933, as amended. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers. At March 31, 2006, the market value of Rule 144A securities amounted to \$4,635,358 or 2.12% of total investments. Except as noted in (d), these securities are liquid.
- (c) Security fair valued under procedures established by the Board of Directors. The procedures may include reviewing available financial information about the company and reviewing valuation of comparable securities and other factors on a regular basis. At March 31, 2006, the market value of fair valued securities amounted to \$1,723,998 or 0.79% of total investments.
- (d) At March 31, 2006, the Fund held investments in restricted and illiquid securities amounting to \$1,393,450 or 0.64% of net assets, which were valued under methods approved by the Board, as follows:

values. If these are unavailable, then the average of the closing bid and asked prices is used. If there is no asked price, the security is valued at the closing bid price on that day. Debt instruments are valued at the average of the closing bid and asked prices. If the security matures in 60 days or less and is not credit-impaired, it is valued at amortized cost. All securities and assets for which market quotations are not readily available or any security that the Board determines does not reflect its fair market value are valued in good faith under procedures established by the Board.
