Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On August 19, 2008, Artes Medical, Inc. (the Company) received a notice from The Nasdaq Stock Market (Nasdaq) indicating that its stockholders' equity at June 30, 2008 was less than the \$10 million in stockholders' equity required for continued listing on The Nasdaq Global Market under Marketplace Rule 4450(a)(3).

In its notice, Nasdaq requested the Company to provide its plan to achieve and sustain compliance with the continued listing requirements of The Nasdaq Global Market, including the minimum stockholders' equity requirement, before September 4, 2008. If Nasdaq determines that the Company has not presented a definitive plan to achieve compliance in the short term and sustain compliance in the long term, it will provide the Company with a written notification that its securities will be delisted from The Nasdaq Global Market. The Company may then appeal Nasdaq's delisting determination to a Nasdaq Listing Qualifications Panel.

At the present time, the Company intends to submit a plan with Nasdaq before September 4, 2008 to maintain its Nasdaq listing. The Company is also evaluating additional options for maintaining an active public market for its common stock while at the same time allowing it to pursue its business and financing plans, including transferring its listing to The Nasdaq Capital Market or listing its common stock on other domestic or international exchanges or quotation systems.
