CONTINUATION SHEET

PART III -- NARRATIVE (CONTINUED)

Edgar Filing: CITIZENS FINANCIAL CORP /KY/ - Form NT 10-K

The registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2002 could not be filed within the prescribed period of time because, shortly before the Report was due, the registrant determined that material revisions may be needed in the amounts provided for policy reserves and deferred acquisition costs in the Preneed Life business segment. This determination was made on March 31, 2003 by the registrant's consulting actuary. In addition to extensive changes in the basic financial statements and notes included in Item 8 of the Report, these revisions, if needed, would likely lead to changes in Items 1, 6, 7 and 15, perhaps among others. The registrant's independent public accountants would then be asked to issue their opinion on the revised basic financial statements and notes. The Audit Committee of the registrant's Board of Directors would also need to be consulted regarding the revisions and the inclusion of the revised basic financial statements and notes in the Report.
