CLARITI TELECOMMUNICATIONS INTERNATIONAL, LTD. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

NOTE 1 - BASIS OF INTERIM PRESENTATION

The accompanying interim period financial statements of Clariti Telecommunications International, Ltd. ("Clariti" or the "Company") are unaudited, pursuant to certain rules and regulations of the Securities and

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

Exchange Commission, and include, in the opinion of management, all adjustments (consisting of only normal recurring accruals) necessary for a fair statement of the results for the periods indicated, which, however, are not necessarily indicative of results that may be expected for the full year. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States have been condensed or omitted pursuant to such rules and regulations. The financial statements should be read in conjunction with the financial statements and the notes thereto included in Clariti's June 30, 2001 Form 10-K, Clariti's September 30, 2001 Form 10-Q and other information included in Clariti's Forms 8-K and amendments thereto as filed with the Securities and Exchange Commission.

NOTE 2 - DESCRIPTION OF THE BUSINESS

Clariti Telecommunications International, Ltd. ("Clariti" or the "Company") is an international wireless communications technology company with proprietary technology for transmitting digital data utilizing radio frequencies transmitted by FM radio stations.

During the period from December 1998 to May 2001, the Company was also a significant provider of wire-line telecommunication services through its interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. During the year ended June 30, 2001, the Company discontinued its wire-line telecommunication operations (see Note 6).

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES

Fiscal Year End

The Company's fiscal year ends on June 30. In these financial statements, the three-month periods ended December 31, 2001 and 2000 are referred to as Fiscal 2Q02 and Fiscal 2Q01, respectively, and the six-month periods ended December 31, 2001 and 2000 are referred to as Fiscal First Half 2002 and Fiscal First Half 2001, respectively.

Principles of Consolidation and Basis of Presentation

The consolidated financial statements include the accounts of the Company and all wholly-owned subsidiaries where management control is not deemed to be temporary. All significant intercompany transactions have been eliminated in consolidation.

CLARITI TELECOMMUNICATIONS INTERNATIONAL, LTD. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES (continued)

On October 24, 2001, the Company's wholly-owned subsidiary, Clariti Wireless Messaging, Inc. ("Clariti Wireless"), filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. Because of the bankruptcy filing, the Company is deemed not to have a controlling interest in Clariti Wireless as

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

defined in accordance with Statement of Financial Accounting Standards No. 94. Consequently, the Company has not consolidated the assets and liabilities of Clariti Wireless as of December 31, 2001. Pending resolution of the bankruptcy filing, the net liabilities of Clariti Wireless have been classified as a Deferred Credit in the accompanying consolidated balance sheet as of December 31, 2001. Results of Clariti Wireless' operations for the three-month and six-month periods ended December 31, 2001 are reflected as Loss from Unconsolidated Subsidiary in the accompanying consolidated statement of operations for the three months and six months ended December 31, 2001.

Income Taxes

There is no income tax benefit for operating losses for the three-month and six-month periods ended December 31, 2001 due to the following:

Current tax benefit - the operating losses cannot be carried back to earlier years.

Deferred tax benefit - the deferred tax assets were offset by a valuation allowance required by FASB Statement 109, "Accounting for Income Taxes." The valuation allowance is necessary because, according to criteria established by FASB Statement 109, it is more likely than not that the deferred tax asset will not be realized through future taxable income.

Fair Value of Financial Instruments

The Company's financial instruments consist primarily of cash and equivalents, accounts payable, accrued expenses, and short-term borrowings. These balances, as presented in the balance sheet as of December 31, 2001 and June 30, 2001 approximate their fair value because of their short maturities.

Net Loss Per Common Share

Net loss per common share is based upon the weighted average number of common shares outstanding during the period. The treasury stock method is used to calculate dilutive shares. Such method reduces the number of dilutive shares by the number of shares purchasable from the proceeds of the options and warrants assumed to be exercised. Basic and diluted weighted average shares outstanding for Fiscal 2Q02, Fiscal 2Q01, Fiscal First Half 2002 and Fiscal First Half 2001 were the same because the effect of using the treasury stock method would be antidilutive.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DECEMBER 31, 2001 AND 2000

NOTE 3 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Recent Accounting Pronouncements

In August 2001, FASB Statement 142, "Goodwill and Other Intangible Assets" was issued, which is effective for fiscal years beginning after December 15, 2001.

Statement 142 addresses how intangible assets that are acquired individually or

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

with a group of assets should be accounted for upon their acquisition and also addresses how goodwill and other intangible assets should be accounted for after they have been initially recognized in the financial statements. Also, for previously recognized non-goodwill intangible assets, the useful lives must be reassessed with remaining amortization periods adjusted accordingly, and reflected as a change in accounting principle. Based on the Company's policy for accounting for intangible assets, management does not anticipate the adoption of this standard will result in any significant impact on earnings or financial position of the Company.

NOTE 4 - MANAGEMENT'S PLANS

The Company's consolidated financial statements have been presented on the basis that it is a going concern, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

The Company has historically relied on equity and debt financing to meet its cash requirements. However, adverse market conditions for telecommunications companies during the last 18-24 months have made it extremely difficult for the Company to obtain additional financing. The Company has substantially exhausted its cash reserves and has no firm commitments for near-term funding. On October 24, 2001, the Company's wholly-owned subsidiary, Clariti Wireless Messaging, Inc., filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. These matters raise substantial doubt about the Company's ability to continue as a going concern. Management is considering methods to restructure and/or reorganize its obligations.

The Company has chosen to focus its future efforts on development and commercialization of its patented ClariCAST(TM) wireless datacasting technology. Because the Company's technology is still under development, the Company expects no revenues or operating cash flows in the near term. Due to its severe cash shortage, the Company has temporarily suspended its wireless technology development activities; however, the Company plans to restart such activities as soon as it can secure sufficient additional financing.

The Company is actively pursuing opportunities to secure additional financing which, if obtained, is expected to be sufficient to repay short-term borrowings and meet operating cash requirements through most of the current fiscal year. There can be no assurances that such funding will be generated or available, or if available, on terms acceptable to the Company. Failure to secure additional financing will have a material adverse impact on the Company.

CLARITI TELECOMMUNICATIONS INTERNATIONAL, LTD. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

NOTE 4 - MANAGEMENT'S PLANS (continued)

The consolidated financial statements do not include any adjustments relating to the recoverability of recorded asset amounts or the amounts of liabilities that might be necessary should the Company be unable to continue as a going concern.

NOTE 5 - UNCONSOLIDATED SUBSIDIARY

As further described in Note 3, on October 24, 2001, Clariti Wireless filed a

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. As a result, the Company's financial statements for Fiscal 2Q02 and Fiscal First Half 2002 reflect Clariti Wireless' results of operations using the equity method of accounting. The following table presents summary financial information for Clariti Wireless (dollars in thousands):

Fiscal 2Q02:	
Net sales	\$ -
Expenses	\$ -
Fiscal First Half 2002:	
Net sales	\$ -
Expenses	\$ 427
As of December 31, 2001:	
Current assets	\$ 125
Noncurrent assets	\$ 778
Current liabilities	\$ 1,568

NOTE 6 - DISCONTINUED OPERATIONS

During the period from December 1998 to May 2001, the Company was a significant provider of wire-line telecommunication services through its interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. The Company previously referred to these operations as the Telephony/Internet Services business segment. As further described below, the Company has divested substantially all of its interests in the Telephony/Internet Services business segment, representing the disposal of a business segment under Accounting Principals Board Opinion No. 30. Accordingly, the accompanying statement of operations and statement of cash flows for Fiscal 2Q01 and Fiscal First Half 2001 have been restated to conform to discontinued operations treatment. These divestments consist of the following:

- In October 1999, the Company's wire-line operations in the United Kingdom and Europe (the "UK Telecommunications Group") filed for voluntary liquidation and ceased operation of its businesses. Through such liquidation proceedings, the Company received certain operating

assets of the UK Telecommunications Group consisting principally of telephone switching equipment in the United Kingdom. In March 2001, the Company sold such operating assets in the United Kingdom.

- In January and March of 2001, the Company sold a total of 91% of its interest in NKA Communications Pty Ltd. ("NKA"), an Australian provider of telephony to corporate clients. The estimated net realizable value of the remaining 9% of NKA still held by the Company is -0-.
- In May 2001, the Company sold all of the common stock of Tekbilt World Communications, Inc. ("TWC") a/k/a Clariti Telecom, Inc. for an

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

unsecured note for \$250,000 (the "TWC Note") and in a separate transaction, the Company also sold all of the common stock of MegaHertz-NKO, Inc. ("M-NKO") for an unsecured note for \$250,000 (the "M-NKO Note"). The TWC Note carries a fixed interest rate of 6% and is payable on May 9, 2003. The M-NKO Note carries a fixed interest rate of 6% and is payable on May 23, 2003. The estimated net realizable value of both notes is -0-.

The operating results from these discontinued operations are as follows (in thousands):

	THREE MONTHS ENDED DECEMBER 31,		SIX MONTHS ENDED DECEMBER 31,	
	2001	2000	2001	2000
Revenues	\$ -	\$ 4,882	\$ -	\$ 8,899
Expenses	-	(6,333)	-	(12,690)
Net (loss) from discontinued operations	\$ -	\$ (1,451)	\$ -	\$ (3,791)

During Fiscal First Half 2002, the Company recognized an additional loss of \$100,000 on the disposal of TWC. There was no gain or loss on disposal of discontinued operations during Fiscal 2Q02, Fiscal 2Q01 or Fiscal First Half 2001.

NOTE 7 SHORT-TERM BORROWINGS FROM RELATED PARTY

On May 3, 2001, the Company borrowed \$750,000 from Anstead Investment, Ltd. ("Anstead"), a greater than 5% shareholder, for a period of 61 days. The note carries interest at the rate of 10% per annum and is secured by substantially all of the Company's assets. The amount shown on the Company's consolidated balance sheet as of December 31, 2001 includes \$51,000 of accrued interest. In connection with this loan, the Company granted to Anstead warrants to purchase 400,000 shares of the Company's common stock at an exercise price of \$0.95 per share. Such warrants expire on May 3, 2003.

12

CLARITI TELECOMMUNICATIONS INTERNATIONAL, LTD. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

NOTE 7 SHORT-TERM BORROWINGS FROM RELATED PARTY (continued)

On November 30, 2001, the Company and Anstead Investment, Ltd. executed a Forbearance and Amendment Agreement whereby extending the terms of the repayment of the \$750,000 loan amount to March 31, 2002. In addition, the Forbearance and Amendment Agreement allowed for Anstead to advance an additional \$12,000 to the Company for legal fees associated with the agreement. The additional \$12,000 also carries interest at the rate of 10% annum and is due by March 31, 2002.

NOTE 8 - CONVERTIBLE SHORT-TERM BORROWINGS

On June 28, 2001, the Company borrowed \$62,500 from a third party. The unsecured note was due on November 1, 2001 and carries interest at the rate of 8% per annum. The note is convertible into shares of the Company's common stock

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

at the option of the lender at a conversion price of \$0.075 per share. In connection with this loan, the Company granted to the third party warrants to purchase a total of 125,000 shares of the Company's common stock, 62,500 of which are exercisable at \$0.25 per share and 62,500 of which are exercisable at \$0.50 per share. Such warrants expire on June 28, 2002. The Company was unable to repay the loan by the November 1, 2001 due date, and is therefore in default of the loan agreement.

On July 2, 2001, the Company entered into a Funding Agreement with a third party pursuant to which Clariti borrowed \$250,000 (the "Outstanding Balance"). The Outstanding Balance is secured by a second position security interest in substantially the same assets as those securing the \$750,000 loan from Anstead (see Note 7). The Outstanding Balance must be repaid on or before July 2, 2002, and no interest accrues on the Outstanding Balance. The third party may convert the Outstanding Balance into shares of the Company's common stock at a conversion price of \$0.50 per share. In connection with this Funding Agreement, the Company granted to the third party warrants to purchase a total of 1,000,000 shares of the Company's common stock exercisable at \$0.50 per share. Such warrants expire on July 2, 2002.

NOTE 9 - COMMITMENTS AND CONTINGENCIES

On October 24, 2001, Clariti Wireless, a wholly owned subsidiary of the Company, filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the Eastern District of Pennsylvania. The case has been assigned to Judge Diane W. Sigmund and is designated as case number 01-34959. Clariti Wireless' operations have ceased.

France Telecom SA ("France Telecom") initiated a complaint against the Company on May 12, 2000 before the Tribunal de Commerce de Paris (Paris Commercial Court) in Paris, France. France Telecom's claim relates to a debt it claims it is owed by GlobalFirst Communications SA, a former French subsidiary of the UK Telecommunications Group, for long-distance telephone services. France Telecom

13

CLARITI TELECOMMUNICATIONS INTERNATIONAL, LTD. AND SUBSIDIARIES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

NOTE 9 - COMMITMENTS AND CONTINGENCIES (continued)

seeks payment from Clariti of 20,000,000 French Francs (approximately \$2,700,000). France Telecom further claims unspecified damages corresponding to the loss of revenue resulting from the ceasing of commercial relations with GlobalFirst Communications SA. The Company intends to vigorously defend the claims asserted by France Telecom. Clariti believes that it did not verbally or in writing make a promise to pay any obligations of GlobalFirst Communications SA, and that it caused no damages to France Telecom because commercial relations with GlobalFirst Communications SA had ceased before Clariti held any negotiations with France Telecom. This case is still pending.

On November 30, 1999, IDT Corporation ("IDT") filed a complaint in the Court of Common Pleas in Philadelphia, Pennsylvania against the Company and Clariti Carrier Services Limited, an inactive United Kingdom subsidiary of the Company, seeking payment for long-distance telephone services pursuant to a contract between IDT and GlobalFirst Communications Limited, a former subsidiary of the

UK Telecommunications Group. The complaint seeks damages in the amount of \$690,163 plus interest, costs and attorneys fees. On March 20, 2000, the Court of Common Pleas dismissed the complaint on the basis of jurisdiction, provided that proper jurisdiction lies in England. On or about April 15, 2000, IDT filed an appeal with the Superior Court of Pennsylvania appealing the decision of the Court of Common Pleas. On or about April 19, 2001, the Superior Court sustained the decision of the Court of Common Pleas regarding jurisdiction. To date, the Company is not aware of any further action taken by IDT in this matter. The Company believes that neither the Company nor Clariti Carrier Services Limited has any liability with respect to IDT's claim.

On or about September 28, 2000, Michael P. McAndrews filed a Demand for Arbitration with the American Arbitration Association against the Company and Clariti Wireless concerning obligations arising under Mr. McAndrews' Employment Agreement. Mr. McAndrews has alleged that the Company had guaranteed and assumed the obligation due Mr. McAndrews pursuant to an Assignment and Guaranty Agreement. Mr. McAndrews claimed that as a result of a material change in his duties, he resigned from employment for "good reason" (as defined in the Employment Agreement), therefore entitling him to a severance package in an amount in excess of \$294,000. Additionally, Mr. McAndrews requested reasonable attorney fees and other costs and fees, together with interest thereon. Clariti Wireless and the Company disputed Mr. McAndrews' allegations, asserting that Mr. McAndrews was not entitled to any payments and/or damages under the Employment Agreement. The Arbitrators held a hearing on June 14 and 15, 2001 regarding the matter. On October 18, 2001, the Arbitrators ruled that the Company and Clariti Wireless are jointly and severally liable to pay Mr. McAndrews \$290,500 plus reasonable attorney's fees. The Company continues to believe that Mr. McAndrews was not entitled to any payments and/or damages under the Employment Agreement and is considering its options in response to this ruling. On or about November 19, 2001, Clariti Telecommunications International and Michael P. McAndrews executed a Settlement Agreement and General Release whereby the Company shall pay Mr. McAndrews a settlement amount of \$90,000 in order to settle the above claim. The settlement amount was to be paid by January 19, 2002. Subsequently, on January 21, 2002, the Company and Mr. McAndrews amended the Settlement Agreement and General Release whereby

increasing the settlement amount to \$100,000 plus \$750 per day for each day after January 21, 2002 and extended the settlement payment date to February 28, 2002.

On June 12, 2001, M&T Bank filed an action against Clariti Telecommunications International, Ltd. in the Court of Common Pleas of Montgomery County, Pennsylvania. M&T Bank seeks to hold Clariti responsible under the terms of a guaranty agreement pursuant to which Clariti allegedly guaranteed certain obligations of its former subsidiary, Clariti Telecom, Inc. M&T Bank seeks damages in the amount of \$368,000. This case is in the early stages of discovery with no case management scheduled or trial date set.

As further described in Note 4, the Company has been experiencing a severe cash shortage. As a result, the Company has been unable to pay its vendors and lessors on a timely basis. Some vendors and lessors have chosen to use the legal process to attempt to collect their debts, including obtaining judgments

against the Company. If the Company is able to raise significant additional funding, the Company expects to attempt to work out settlements with respect to these judgments.

The Company is, from time to time, during the normal course of its business operations, subject to various other litigation claims and legal disputes. The Company expects none to have a material adverse impact on its operations; however, no assurance can be given that an adverse determination of any claim or dispute would not have an adverse impact on its operations during any given period.

NOTE 10 - COMMON STOCK

During Fiscal First Half 2002 the Company sold 3,000,000 shares of its common stock to a third party investor for proceeds, net of commissions, of \$135,000. In addition, the Company issued 150,000 shares of its common stock to a third party for consulting services valued at \$10,500.

NOTE 11 - STOCK OPTIONS

During Fiscal First Half 2002, 348,000 stock options with exercise prices between \$4.75 and \$12.38 per share (weighted average price of \$5.57 per share) expired without being exercised. There were no new stock options issued during Fiscal First Half 2002.

NOTE 12 - WARRANTS

From time to time, the Company may issue warrants to purchase its common stock to parties other than employees and directors. Warrants may be issued as a unit with shares of common stock, in connection with borrowings, as an

incentive to help the Company achieve its goals, or in consideration for cash or services rendered to the Company, or a combination of the above. Cost associated with warrants issued to other than employees is valued based on the fair value of the warrants as estimated using the Black-Scholes model with the following assumptions: no dividend yield, expected volatility of 80%, and a risk-free interest rate of 5.0%.

During Fiscal First Half 2002 the Company issued warrants to purchase a total of 1,062,500 shares of the Company's common stock at prices ranging from \$0.25 per share to \$0.50 per share (weighted average price of \$0.49 per share). The warrants were issued for services rendered and expire 1 year from the date of grant. The Black-Scholes model valued these warrants at a total of \$12,145.

During Fiscal First Half 2002 the Company also amended the terms of certain outstanding warrants. The expiration date of 31,250 warrants was extended for one additional year and the exercise price of such warrants was reduced from \$7.00 per share to \$3.56 per share. In addition, the exercise price of a total of 347,500 warrants was reduced from between \$1.00 per share and \$6.00 per

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

share to \$0.07 per share. Finally, the expiration date of 75,000 warrants was extended for three additional years and the exercise price of such warrants was reduced from \$8.00 per share to \$0.05 per share.

Also during Fiscal First Half 2002, 725,000 warrants with exercise prices between \$4.40 and \$8.00 per share expired without being exercised. The book value of such expired warrants (approximately \$3,511,000) was reclassified from warrants outstanding to additional paid-in capital.

NOTE 13 - SEGMENT INFORMATION

The Company has determined that segment information is not required to be presented because the Company's former segment known as Telephony/Internet Services was discontinued during Fiscal 2001 (see Note 6).

The following discussion should be read in conjunction with our consolidated financial statements appearing elsewhere in this report.

General Operations

The current focus of our business is the development and commercialization of ClariCAST(TM), our proprietary wireless technology that will support voice messaging (including wireless voicemail and text-to-speech), data and information services to a high-speed digital wireless device.

Recent Events

On October 24, 2001, our wholly-owned subsidiary, Clariti Wireless Messaging, Inc. ("Clariti Wireless"), filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. Clariti Wireless' operations have ceased. Under Chapter 7 of the U.S. Bankruptcy Code, the Court will liquidate Clariti Wireless' assets for the benefit of its creditors. Clariti Telecommunications International is a secured creditor of Clariti Wireless.

Results of Operations

Three Months Ended December 31, 2001 ("Fiscal 2Q02")
vs. Three Months Ended December 31, 2000 ("Fiscal 2Q01")

For Fiscal 2Q02, the Company incurred a net loss of \$769,000, or \$0.02 per

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

share, on no revenue as compared to a net loss of \$6,358,000, or \$0.18 per share, on no revenue in Fiscal 2Q01. Excluding discontinued operations, the Company incurred a net loss of \$4,391,000, or \$0.12 per share, on no revenue in Fiscal 2Q01 as compared to a net loss of \$769,000, or \$0.02 per share, on no revenue in Fiscal 2Q02.

The \$3,622,000 reduction in loss from continuing operations was primarily due to a \$4,425,000 reduction in losses from Clariti Wireless. By July 1, 2001, our severe cash shortage had forced us to lay off most of our wireless network engineering, marketing and administrative staff and relocate the wireless group headquarters from Fort Washington, Pennsylvania to Philadelphia. Fiscal 2Q02 results of operations reflect no marketing expenses or research and development expenses due to the use of equity method accounting for Clariti Wireless as a result of its bankruptcy filing described above under Recent Developments.

Excluding Clariti Wireless, general and administrative expenses decreased \$1,612,000, from \$2,337,000 to \$725,000.

During the period from December 1998 to May 2001, we were also a significant provider of wire-line telecommunication services through our interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. During the year ended June 30, 2001, we divested these business operations, which formed our former business segment, Telephony/Internet Services. Our results of operations for Fiscal 2Q01 reflect \$1,451,000 of losses from such discontinued operations and we recognized an additional \$516,000 loss on the disposal of one of those businesses.

18

Six Months Ended December 31, 2001 ("Fiscal Six Months 2002")
v. Six Months Ended December 31, 2000 ("Fiscal Six Months 2001")

For the Fiscal Six Months 2002, the Company incurred a net loss of \$3,607,000, or \$0.10 per share, on no revenue as compared to a net loss of \$12,779,000, or \$0.36 per share, on no revenue for the Fiscal Six Months 2001. Excluding discontinued operations, the Company incurred a net loss of \$8,472,000, or \$0.24 per share, on no revenue in Fiscal Six Months 2001 as compared to a net loss of \$3,507,000, or \$0.09 per share, on no revenue in Fiscal Six Months 2002.

The \$4,965,000 reduction in loss from continuing operations was primarily due to a \$3,988,000 reduction in losses from Clariti Wireless. By July 1, 2001, our severe cash shortage had forced us to lay off most of our wireless network engineering, marketing and administrative staff and relocate the wireless group headquarters from Fort Washington, Pennsylvania to Philadelphia. Fiscal Six Months 2002 results of operations reflect no marketing expenses or research and development expenses due to the use of equity method accounting for Clariti Wireless as a result of its bankruptcy filing described above under Recent Developments.

Excluding Clariti Wireless, general and administrative expenses decreased \$2,153,000, from \$5,161,000 to \$3,008,000. However, amounts for Fiscal Six Months 2002 include accruals of \$1,301,000 for certain leases in default and legal proceedings. Once again, our severe cash shortage forced us to significantly reduce our costs.

During the period from December 1998 to May 2001, we were also a significant provider of wire-line telecommunication services through our interest in several businesses with operations in the United States, United Kingdom, Europe and Australia. During the year ended June 30, 2001, we

Edgar Filing: CLARITI TELECOMMUNICATIONS INTERNATIONAL LTD - Form 10-Q

divested these business operations, which formed our former business segment, Telephony/Internet Services. Our results of operations for Fiscal Six Months 2001 reflect \$3,791,000 of losses from such discontinued operations and \$516,000 of losses on the disposal of one of those businesses. During Fiscal Six Months 2002 we recognized an additional \$100,000 loss on the disposal of one of those businesses.

Liquidity and Capital Resources

At December 31, 2001, we had a working capital deficit of \$4,634,000 (including a cash balance of \$3,000) as compared to a working capital deficit of \$2,954,000 (including a cash balance of \$124,000) at June 30, 2001. The working capital decrease of \$1,680,000 is primarily due to a \$1,301,000 increase in accruals for leases in default and legal proceedings and use of cash in continuing operations. These working capital decreases were partially offset by \$250,000 of short-term borrowings made during Fiscal 1Q02, \$135,000 proceeds (net of commissions) from the sale of common stock during Fiscal 1Q02, and a reduction in working capital deficit of \$1,225,000 as a result of using the equity method of accounting for Clariti Wireless for Fiscal 1Q02.

19

We have historically relied principally on equity financing to meet our cash requirements. Adverse market conditions for telecommunications companies during the last 18-24 months have made it extremely difficult for us to raise additional equity financing. We have substantially exhausted our cash reserves, we have no credit lines, and we have no firm commitments for near-term funding. On October 24, 2001, our wholly-owned subsidiary, Clariti Wireless, filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code. Substantially all of our assets have been pledged as collateral for a short-term loan, which is in default because we do not have the funds to repay it. These matters raise substantial doubt about our ability to continue as a going concern. We are considering methods to restructure and/or reorganize our obligations.

In May and June 2001, we obtained limited short-term debt financing in order to continue operating, including a \$750,000 secured loan from a related party. The \$750,000 loan is secured by substantially all of our assets. On November 30, 2001, the Company and Anstead Investment, Ltd. executed a Forbearance and Amendment Agreement whereby extending the terms of the repayment of the \$750,000 loan amount to March 31, 2002. In addition, the Forbearance and Amendment Agreement allowed for Anstead to advance an additional \$12,000 to the Company for legal fees associated with the agreement. The additional \$12,000 also carries interest at the rate of 10% annum and is due by March 31, 2002.

A major factor in our recent inability to raise equity funding has been the rapid and precipitous fall in the market price of our common stock, from \$5.25 per share in January 2001 to recent prices of approximately \$0.02 per share, resulting in a reduction of our market capitalization from \$187.7 million to less than \$1 million. If we are able to obtain additional equity investments sufficient to continue our operations through the current fiscal year end (at least \$3 million), the low level of our stock price will cause substantial dilution of the stock held by existing shareholders.

We have chosen to focus our future efforts on development and commercialization of our patented ClariCAST(TM) wireless datacasting

technology. Because our technology is still under development, we expect no revenues or positive operating cash flow in the near term. Future cash expenditure requirements have been significantly reduced through the discontinuance of the Telephony/Internet Services businesses and through major reductions in wireless technology development and corporate overhead expenses.

We are actively pursuing opportunities to secure additional financing which, if obtained, is expected to be sufficient to repay short-term borrowings and meet operating cash requirements through most of the next fiscal year. There can be no assurances that such funding will be generated or available, or if available, on terms acceptable to us. Failure to secure additional financing will have a material adverse impact on our business.

Significant additional funding will be required beyond 2001 to launch the ClariCAST(TM) System in Italy and other specified target markets and to meet expected negative operating cash flows and capital expenditure plans. There can be no assurances that such funding will be generated or available, or if available, on terms acceptable to us.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

On October 24, 2001, Clariti Wireless Messaging, Inc., a wholly owned subsidiary of the Company, filed a voluntary petition for bankruptcy under Chapter 7 of the U.S. Bankruptcy Code in the U.S. Bankruptcy Court for the Eastern District of Pennsylvania. The case has been assigned to Judge Diane W. Sigmund and is designated as case number 01-34959. Clariti Wireless' operations have ceased.

France Telecom SA ("France Telecom") initiated a complaint against the Company on May 12, 2000 before the Tribunal de Commerce de Paris (Paris Commercial Court) in Paris, France. France Telecom's claim relates to a debt it claims it is owed by GlobalFirst Communications SA, a former French subsidiary of the UK Telecommunications Group, for long-distance telephone services. France Telecom seeks payment from Clariti of 20,000,000 French Francs (approximately \$2,600,000). France Telecom further claims unspecified damages corresponding to the loss of revenue resulting from the ceasing of commercial relations with GlobalFirst Communications SA. The Company intends to vigorously defend the claims asserted by France Telecom. Clariti believes that it did not verbally or in writing make a promise to pay any obligations of GlobalFirst Communications SA, and that it caused no damages to France Telecom because commercial relations with GlobalFirst Communications SA had ceased before Clariti held any negotiations with France Telecom.

On November 30, 1999, IDT Corporation ("IDT") filed a complaint in the Court of Common Pleas in Philadelphia, Pennsylvania against the Company and Clariti Carrier Services Limited, an inactive United Kingdom subsidiary of the Company, seeking payment for long-distance telephone services pursuant to a contract between IDT and GlobalFirst Communications Limited, a former subsidiary of the UK Telecommunications Group. The complaint seeks damages in the amount of \$690,163 plus interest, costs and attorneys fees. On March 20, 2000, the Court of Common Pleas dismissed the complaint on the basis of jurisdiction, provided that proper jurisdiction lies in England. On or about April 15, 2000, IDT filed an appeal with the Superior Court of Pennsylvania appealing the decision of the Court of Common Pleas. On or about April 19,

2001, the Superior Court sustained the decision of the Court of Common Pleas regarding jurisdiction. To date, the Company is not aware of any further action taken by IDT in this matter. The Company believes that neither the Company nor Clariti Carrier Services Limited has any liability with respect to IDT's claim.

On or about September 28, 2000, Michael P. McAndrews filed a Demand for Arbitration with the American Arbitration Association against the Company and Clariti Wireless concerning obligations arising under Mr. McAndrews' Employment Agreement. Mr. McAndrews has alleged that the Company had guaranteed and assumed the obligation due Mr. McAndrews pursuant to an Assignment and Guaranty Agreement. Mr. McAndrews claimed that as a result of a material change in his duties, he resigned from employment for "good reason" (as defined in the Employment Agreement), therefore entitling him to a severance package in an amount in excess of \$294,000. Additionally, Mr. McAndrews requested reasonable attorney fees and other costs and fees, together with interest thereon. Clariti Wireless and the Company disputed Mr. McAndrews' allegations, asserting that Mr. McAndrews was not entitled to any payments and/or damages under the

21

Employment Agreement. The Arbitrators held a hearing on June 14 and 15, 2001 regarding the matter. On October 18, 2001, the Arbitrators ruled that the Company and Clariti Wireless are jointly and severally liable to pay Mr. McAndrews \$290,500 plus reasonable attorney's fees. The Company continues to believe that Mr. McAndrews was not entitled to any payments and/or damages under the Employment Agreement and is considering its options in response to this ruling. On or about November 19, 2001, Clariti Telecommunications International and Michael P. McAndrews executed a Settlement Agreement and General Release whereby the Company shall pay Mr. McAndrews a total of \$90,000 in order to settle the above claim. The settlement amount was to be paid by January 19, 2002. Subsequently, on January 21, 2002, the Company and Mr. McAndrews amended the Settlement Agreement and General Release by increasing the settlement amount to \$100,000 plus \$750 per day for each day after January 21, 2002 and extended the settlement payment date to February 28, 2002.

On June 12, 2001, M&T Bank filed an action against Clariti Telecommunications International, Ltd. in the Court of Common Pleas of Montgomery County, Pennsylvania. M&T Bank seeks to hold Clariti responsible under the terms of a guaranty agreement pursuant to which Clariti allegedly guaranteed certain obligations of its former subsidiary, Clariti Telecom, Inc. M&T Bank seeks damages in the amount of \$368,000. This case is in the early stages of discovery with no case management scheduled or trial date set.

As further described above under Management's Discussion and Analysis, the Company has been experiencing a severe cash shortage. As a result, the Company has been unable to pay its vendors and lessors on a timely basis. Some vendors and lessors have chosen to use the legal process to attempt to collect their debts, including obtaining judgments against the Company. If the Company is able to raise significant additional funding, the Company expects to attempt to work out settlements with respect to these judgments.

The Company is, from time to time, during the normal course of its business operations, subject to various other litigation claims and legal disputes. The Company expects none to have a material adverse impact on its operations; however, no assurance can be given that an adverse determination of any claim or dispute would not have an adverse impact on its operations during any given period.
