Forthcoming annual shareholders' meeting of Pechiney : one more topic added to the agenda at the request of two shareholders: conversion of shares "B" into shares "A"

Pechiney shall shortly circulate the meeting notice of the annual shareholders' meeting scheduled to take place on second notice on April 3, 2003. Pechiney points out that the agenda of the shareholders meeting in this notice will include a new topic since two shareholders have themselves submitted a proposed resolution in accordance with French applicable law and regulation, aiming to convert Preferred Shares "B" into Ordinary Shares "A". In order to submit their proposed resolution, these two shareholders have blocked an aggregate of 426,000 Shares "B" representing approximately 0.52% of the Company's share capital and 39.04% of the aggregate number of outstanding Shares "B".

The purpose of their proposed resolution is to cancel 4 Preferred Shares "B" held by the Company and then to convert the remaining 1,091,040 Preferred Shares "B" into 1,200,144 Ordinary Shares "A", using a parity of 11 Ordinary Shares "A" for 10 Preferred Shares "B".

Immediately prior to this shareholders' meeting, the Board of Directors shall take a stand on the proposed resolution, in particular in the light of a fairness opinion which will have been established at the request of the Company regarding the parity proposed by these two shareholders. The stand of the Board of Directors shall then be released without delay to the shareholders' meeting, together with this fairness opinion and any other aspects that the Board of Directors would have considered for taking its stand. This information shall also be made available on the web site of Pechiney and circulated in a press release. If the proposed resolution is voted by the shareholders' meeting, then a special meeting of the holders of Preferred Shares "B" would have to be take place in order to consider the proposed conversion, and this conversion shall be enforceable only if it is approved by that special meeting; furthermore, the conversion would not be completed before the payment date, scheduled on May 7, 2003, of the dividend proposed to be declared by the next shareholders' meeting in respect of the 2002 fiscal year and corresponding to a net amount of 1.00 euro per share "A" and 1.65 euro per share "B" excluding pre-paid taxes (French tax credit or avoir fiscal).

The text of the resolution proposed by these two shareholders as well as the recital transmitted by them to support their proposed resolution, which shall be shortly replicated in the meeting notice of the forthcoming shareholders' meeting, shall be simultaneously made accessible on the web site of Pechiney ([www.pechiney.com](http://www.pechiney.com)). The terms used, the methods employed and the calculations presented by these two shareholders in their aforementioned recital are under their own responsibility.
