PRESS RELEASE

PROPOSED UNSOLICITED OFFER FOR PECHINEY BY ALCAN

Paris, July 7, 2003: Pechiney has just been informed that the Alcan Group has launched a proposed unsolicited public offer for its shares in order to take control of the company. There have been no consultations between the two groups before Alcan's decision to launch its proposal.

Pechiney expresses surprise at this unfriendly approach.

Pechiney notes that this proposed offer is subject to conditions, including authorisation by the competition authorities. This proposal, of which the outcome is uncertain, has negative implications for the company, its employees and its shareholders.

Thanks to its technological leadership and its commitment to continuous improvement, Pechiney's strategy has allowed it to reinforce its position in primary aluminum and to strengthen its position in the aerospace and automotive industries, as well as to reaffirm its leadership in the packaging fields. Viewed in this context the proposed offer seriously undervalues the strategic potential of the Pechiney Group.

Pechiney's Board of Directors will meet shortly to review the proposal vis-a-vis the intrinsic and strategic value of the company as well as from an industrial and shareholder value creating perspective.

Pechiney is an international group listed on the Paris and New York stock exchanges. Its three core businesses are primary aluminum, aluminium conversion and packaging. Pechiney achieved sales of (euro)11.9 billion in 2002. It employs 34,000 employees.

Certain statements in this press release that describe Pechiney's intentions, expectations or projections may constitute forward-looking statements. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause Pechiney's actual results, performance or achievement to be materially different from its intentions, expectations or projections. The forward-looking statements in this press release speak only as of its date and Pechiney undertakes no obligation to update or revise any forward-looking statement to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
