Item 12. Results of Operations and Financial Condition.  
-----

The following information is furnished pursuant to Item 12, "Results of Operations and Financial Condition." On February 26, 2004, Orthofix International N.V. ("Orthofix") issued a press release announcing, among other things, its results of operations for the quarter and year ended December 31, 2003. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

## Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 8-K

In addition, Orthofix announced in its press release dated February 26, 2004 that, excluding \$1.0 million in litigation costs related to the KCI patent infringement case, net income for the fourth quarter ended December 31, 2003 would have been \$7.8 million, or \$0.52 per share. For the year ended December 31, 2003, net income, excluding KCI litigation and after tax settlement costs associated with the Office of Inspector General investigation of \$3.8 million and \$1.1 million, respectively, would have been \$29.6 million, or \$2.02 per share. Orthofix believes that this net income measure, excluding these litigation and settlement costs, is a useful proxy for results from operations because Orthofix did not incur related litigation or settlement costs in the fourth quarter of 2002 or for the year ended December 31, 2002.
