He is an attorney and has practiced privately in his own law firm in Basel, Switzerland since 1999, specializing in life sciences law. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that our insiders--our directors, executive officers, and greater-than-10% shareholders--file reports with the SEC on their initial beneficial ownership of Orthofix common stock and any subsequent changes. They must also provide us with copies of the reports.

To our knowledge, based solely on a review of the copies of such reports furnished to us and, with respect to our officers and directors, written representations that no other reports were required, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater-than-ten-percent beneficial owners were complied with except as follows: Mr. Wallner reported on a Form 4 filed on May 21, 2003, shares of common stock he acquired indirectly on May 9, 2003, and Messrs. Benjamin, Brown, d'Abreu de Paulo, Federico, Gero, Hartsuiker, Hein and Henley reported on Form 4s filed on August 26, 2003, option grants to purchase shares of our common stock that they received on August 6, 2003, and Mr. Littlechild

Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 10-K/A

reported on a Form 4 filed on August 27, 2003, an option grant to purchase shares of our common stock that he received on August 6, 2003.

In making the above statements, we have relied on the written representations of our directors and officers and copies of the reports that have been filed with the SEC.

### Director Compensation

Directors who are our employees do not receive fees for service on the Board of Directors or any Board committee. During 2003, each of our non-employee directors received an annual retainer fee of approximately \$55,000 for their services. The Audit Committee chair received an additional annual fee of \$10,000 for his service. Each of the Nominating Committee and Compensation Committee chairs received an additional annual fee of \$5,000 for their services.

In addition, we grant options from time to time to our non-employee directors under our equity compensation plans. The decision to grant options to non-employee directors will be reviewed by the Board of Directors on an annual basis.

We reimburse our directors for travel and other related expenses incurred in connection with the business of Orthofix, including attending shareholder meetings, meetings of the Board of Directors or any Board committee.

Mr. Peter Hewett, a non-employee director, also serves as a consultant

## Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 10-K/A

to the Company and as Chairman of Orthofix Inc.'s Board of Directors. In this capacity, he provides consulting and advisory services, at such times and on such special projects, as we request. Mr. Hewett reports directly to the Board of Directors in connection with these consulting and advisory services. In 2003, we paid \$128,675 in consulting fees to Mr. Hewett, which is in addition to his director fees. We also reimbursed Mr. Hewett for travel and other related expenses incurred in connection with the performance of such consulting and advisory services. In 2004, Mr. Hewett will receive a fee of \$1,500 per day for each day of requested consulting and advisory services, in addition to his director fees.

### Executive Employment Agreements

#### Executive Employment Agreement for Charles Federico

On July 1, 2001, we entered into an employment agreement with Mr. Charles W. Federico under which Mr. Federico serves as our President and Chief Executive Officer. The initial three-year term of the agreement ends on July 1, 2004, and automatically renews for successive one-year periods, unless either party notifies the other party of its intention not to renew the agreement within the requisite time period. Mr. Federico is entitled to the base salary and bonus as determined by our Board of Directors. For 2003, Mr. Federico received a base salary of \$450,944 and a bonus of \$171,755. Mr. Federico is also eligible to participate in all employee benefit plans, programs and arrangements in effect for senior executives.

If Mr. Federico is terminated without cause or resigns for good reason (as such terms are defined in his employment agreement) during the term of the agreement, he is entitled to convert his current position with us to a consultancy for the remainder of the then-existing term of employment, and receive a consulting fee of at least \$50,000 per year. Upon a change in control of the Company, Mr. Federico agrees to remain employed for at least six months from the effective date of such change in control, unless his employment is terminated earlier by the Company. During the three-month period immediately following such six-month period, Mr. Federico may terminate his employment for good reason and convert his agreement into a consulting agreement as described above. The employment agreement contains a non-solicitation of employees and customers provision that extends through the third anniversary of Mr. Federico's termination of employment, a non-competition provision that remains in effect for so long as Mr. Federico is employed by us and a confidentiality provision that lasts indefinitely.

#### Employment Agreements for Edgar Wallner and Robert Gaines-Cooper

On July 1, 1999, we entered into employment agreements with Messrs. Edgar Wallner and Robert Gaines-Cooper. Mr. Wallner originally served as our President and Chief Executive Officer until January 1, 2001 when he resigned as President and Chief Executive Officer and began serving as our Deputy Chairman of the Board of Directors under the same employment agreement. Mr. Wallner currently serves as Vice Chairman, and Mr. Gaines-Cooper serves as the Chairman of the Board of Directors.

The initial three-year term of these agreements ended on July 1, 2002, but these agreements have been subject to automatic renewal for successive one-year periods since that time. We have notified each of Messrs. Wallner and Gaines-Cooper of our intention not to extend their respective agreements beyond the term currently in effect. Therefore, the employment agreements with Messrs.

## Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 10-K/A

Wallner and Gaines-Cooper will terminate as of July 1, 2004. Following the termination of these employment agreements, Mr. Wallner will continue to serve as Vice Chairman, and Mr. Gaines-Cooper will continue to serve as the Chairman of the Board of Directors.

The agreements provide that the executives are entitled to base salaries and bonuses as determined by our Board of Directors. For 2003, Mr. Wallner received a base salary of \$183,718 and a bonus of \$0 and Mr. Gaines-Cooper received a base salary of \$200,625 and a bonus of \$0. Messrs. Wallner and Gaines-Cooper are also eligible to participate in all employee benefit plans, programs and arrangements in effect for senior executives.

The effects of a termination without cause, a resignation for good reason or a change of control on Messrs. Wallner and Gaines-Cooper's service with the Company would be substantially similar to those described above for Mr. Federico. In addition, the agreements contain a non-solicitation of employees and customers provision that extends through the third anniversary of the executive's respective termination of employment, a non-competition provision that remains in effect for so long as the executive is employed by us and a confidentiality provision that lasts indefinitely.

### Executive Employment Agreements for Thomas Hein, Gary Henley and Bradley Mason

We entered into employment agreements with Mr. Hein and Mr. Henley, effective as of March 1, 2003. We also entered into an employment agreement with Mr. Mason, which became effective on December 30, 2003. Mr. Hein serves as the Chief Financial Officer, Mr. Henley serves as the President of Orthofix Americas Division and Mr. Mason serves as the President of Breg, Inc. The initial term of each agreement is two years, but each agreement will be automatically renewed for two successive one-year periods unless either party notifies the other party of its intention not to renew within the requisite time period. Under the agreements, the executives are entitled to base salaries and bonuses as determined by our Board of Directors. The agreements provide annual base salaries of at least \$231,000 for Mr. Hein, \$270,000 for Mr. Henley and \$250,000 for Mr. Mason, which may only be decreased if such decrease is a result of a general reduction (on the same percentage basis) affecting the base salaries of substantially all other executive officers. For 2003, the base salaries of each of Messrs. Hein and Henley were \$239,099 and \$269,673, respectively. In addition, for 2003, Messrs. Hein and Henley received annual bonuses of \$100,000 and \$133,000, respectively. Mr. Mason's employment agreement provides that he was granted an inducement stock option award to purchase 150,000 shares of common stock in accordance with the terms and conditions specified in the Performance Accelerated Stock Option Inducement Agreement, which is described below.

If an executive is terminated without cause, he is entitled to receive a lump sum payment equal to: (1) the average of his base salary at the highest rate in effect in the 90-day period immediately before the termination and his base salary for the year preceding the termination and (2) the average of his annual bonuses for the two years prior to the year in which the termination occurs. Upon a resignation for good reason (as such term is defined in the agreements), the executive is entitled to half the amount that he would receive had he been terminated without cause. In addition, the executives will be entitled to continuation of their welfare benefits for up to one year following their termination without cause or resignation for good reason. Similarly, any stock options held by the executives will remain outstanding for at least one year following a termination without cause and six months following a resignation for good reason (provided, however, that the inducement stock award granted to Mr. Mason will be governed by the terms and conditions of the applicable Performance Accelerated Stock Option Inducement Agreement). We are also obliged to provide the executives with reimbursement for outplacement

## Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 10-K/A

services of up to \$20,000 upon a termination without cause or resignation for good reason.

If there is a change in control of the Company, (1) the agreements automatically extend for one year from the date of the change in control (unless the then current term is greater than one year), (2) all stock options and stock appreciation rights will vest automatically (provided, however, that the inducement stock award granted to Mr. Mason will be governed by the terms and conditions of the applicable Performance Accelerated Stock Option Inducement Agreement) and (3) any forfeiture provisions included in the executives' restricted stock awards will immediately lapse. In addition, in the event that any of the executives is terminated without cause or resigns for

5

good reason following a change in control, the individual is entitled to receive a lump sum payment equal to: (1) the greater of (a) the average of his base salary at the highest rate in effect in the 90-day period immediately before the termination and his base salary for the year preceding the termination and (b) the average of his base salary in effect immediately before the change in control and his base salary for the year preceding the change in control; (2) the greater of (x) the average of his annual bonuses for the two years before the year in which the termination occurs and (y) the average of his annual bonuses for the two years before the year in which the change in control occurs and (3) the executive's annual automobile allowance. The agreements also provide that, in the event that any payments made to the executive constitute "excess parachute payments" under Section 280G of the Internal Revenue Code of 1986, as amended, then the amounts to be paid to the executives will be reduced so that no excess parachute payments exist.

The agreements contain a non-competition provision that lasts for one year following a termination of employment for any reason, and confidentiality and assignment of inventions provisions that last indefinitely. In addition, Mr. Mason's agreement contains a nonsolicitation of clients, customers and employees provision that lasts for two years following a termination of employment for any reason.

### Performance Accelerated Stock Option Inducement Agreement with Bradley Mason

On December 30, 2003, in conjunction with the acquisition of Breg, Inc., Mr. Mason was granted an inducement stock option award pursuant to a Performance Accelerated Stock Option Inducement Agreement. The exercise price of \$38.00 per share represents the fair market value of our common stock on November 20, 2003, which was the date we announced the agreement to acquire Breg, Inc. The inducement grant includes both service-based and performance-based vesting provisions. Under the service-based provisions, subject to the continued employment of Mr. Mason, the inducement grant becomes 100% non-forfeitable and exercisable on the fourth anniversary of the grant date. Vesting of a portion of the options under the inducement agreement will be accelerated if certain stock price targets are achieved. The performance-based vesting provisions generally provide for the vesting of one-fifth of the inducement grant for each \$5.00 increase in the price of our common stock above \$40.00 per share. The total number of shares eligible for the accelerated vesting on an annual basis is limited to 25% of the number of shares subject to the inducement grant with a cumulative carryover for the unvested portion of shares eligible for accelerated vesting for each of the prior years. Prior to the expiration of the term of the options, only one-half of the vested options can be exercised in any one year.

### Compensation Committee Interlocks and Insider Participation

During 2003, the Compensation Committee of our Board of Directors consisted of two members, John W. Littlechild and James F. Gero. Both Mr. Littlechild and Mr. Gero satisfy the independent director standards as defined by current Nasdaq rules and are "independent directors" for purpose of Rule 162(m) of the U.S. Internal Revenue Code of 1986, as amended, and are "non-employee directors" for purposes of Section 16 of the Securities Exchange Act of 1934, as amended. No interlocking relationship, as defined in the Securities Exchange Act of 1934, as amended, exists between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other entity.

Mr. Peter Hewett, a non-employee director, serves as a consultant to the Company and as Chairman of Orthofix Inc.'s Board of Directors. In this capacity, he provides consulting and advisory services, at such times and on such special projects, as we request. Mr. Hewett reports directly to the Board of Directors in connection with these consulting and advisory services. In 2003, we paid \$128,675 in consulting fees to Mr. Hewett, which is in addition to his director fees. We also reimbursed Mr. Hewett for travel and other related expenses incurred in connection with the performance of such consulting and advisory services. In 2004, Mr. Hewett will receive a fee of \$1,500 per day for each day of requested consulting and advisory services, in addition to his director fees.

### Equity Compensation Plan Information

We maintain three equity compensation plans, the Staff Share Option Plan (including the Performance Accelerated Stock Option program), the Executive Share Option Plan and the Employee Stock Purchase Plan, which have been approved by our shareholders. There are currently no more shares available for issuance under the Executive Share Option Plan or the Performance Accelerated Stock Option program. We have also granted inducement stock option awards (described below) that have not been approved by our shareholders.

The following table provides aggregate information regarding the shares of our common stock that may be issued upon the exercise of options, warrants and rights under all of our equity compensation plans as of December 31, 2003. The table does not include information about the proposed 2004 Long-Term Incentive Plan, which has not yet been approved by our shareholders and under which no grants have been made. In addition, the table does not include shares subject to outstanding options and warrants that we have assumed in mergers and other acquisitions. Footnote 1 to the table sets forth the total number of shares of common stock issuable upon the exercise of options and warrants granted under plans assumed in mergers and outstanding at December 31, 2003, and the weighted average exercise price of those options. We cannot grant additional awards under those plans.

- (1) The table does not include information for equity compensation plans we assumed in mergers and other acquisitions. As of December 31, 2003, a total of 31,873 shares of common stock was issuable upon the exercise of options and warrants assumed in mergers and other acquisitions, including 6,054 shares issuable upon the exercise of options and warrants granted under plans assumed in connection with our acquisition of American Medical Electronics Inc., and 25,819 shares issuable upon the exercise of warrants granted under plans assumed in connection with our acquisition of Kinesis Medical Inc. The weighted average exercise price of all options and warrants granted under plans assumed in mergers and other acquisitions and outstanding at December 31, 2003, was \$30.39. We cannot grant additional awards under these assumed plans.
- (2) Options were granted pursuant to the following plans: the Staff Share Option Plan (including the Performance Accelerated Stock Option program) and the Executive Share Option Plan. As mentioned above, there are currently no more shares available for issuance under the Executive Share Option Plan or the Performance Accelerated Stock Option program.
- (3) Includes 255,845 shares available for issuance pursuant to the Employee Stock Purchase Plan and 157,313 shares available for grant under the Staff Share Option Plan.
- (4) On December 30, 2003, in conjunction with the acquisition of Breg, Inc., we granted inducement stock option awards to two key executives of Breg, Inc. These option grants were not approved by shareholders, and were granted in reliance on the NASD exception to shareholder approval for equity grants to new hires. The exercise price of \$38.00 per share represents the fair market value of our common stock on November 20, 2003, which was the date we announced the agreement to acquire Breg, Inc. The inducement grants include both service-based and performance-based vesting provisions. Under the service-based provisions, subject to the continued employment of the executive, the inducement grants become 100% non-forfeitable and exercisable on the fourth anniversary of the grant date. Vesting of a portion of the options under the inducement agreement will be accelerated if certain stock price targets are achieved. The performance-based vesting provisions generally provide for the vesting of one-fifth of the inducement grants for each \$5.00 increase in the price of our common stock above \$40.00 per share. The total number of shares eligible for the accelerated vesting on an annual basis is limited to 25% of the number of shares subject to the inducement grants with a cumulative carryover for the unvested portion of shares eligible for accelerated vesting for each of the prior years. Prior to the expiration of the term of the options, only one-half of the vested options can be exercised in any one year.

Audit-Related Fees

Audit-related fees in 2003 and 2002 were for acquisition-related due diligence services, employee benefit plan audits and accounting consultations. A substantial portion of the increase in audit-related fees in 2003 from 2002 was due to acquisition-related due diligence services in connection with our December 2003 acquisition of Breg, Inc.

Tax Fees

Tax fees in 2003 and 2002 related to services for tax compliance, tax planning and tax advice. The increase in tax fees in 2003 from 2002 was due to tax consulting services related to our acquisition of Breg, Inc.

Pre-Approval Policies and Procedures

The Audit Committee approves all audit, audit-related services, tax services and other services provided by Ernst & Young LLP. Any services provided by Ernst & Young LLP that are not specifically included within the scope of the audit must be either (i) pre-approved by the entire Audit Committee in advance

## Edgar Filing: ORTHOFIX INTERNATIONAL N V - Form 10-K/A

of any engagement or (ii) pre-approved by the Chairman of the Audit Committee pursuant to authority delegated to him by the other independent members of the Audit Committee, in which case the Audit Committee is then informed of his decision. Under the Sarbanes-Oxley Act of 2002, these pre-approval requirements are waived for non-audit services where (i) the aggregate of all such services is no more than 5% of the total amount paid to the external auditors during the fiscal year in which such services were provided, (ii) such services were not recognized at the time of the engagement to be non-audit services and (iii) such services are approved by the Audit Committee prior to the completion of the audit engagement. In 2003, less than 2% of the fees paid to Ernst & Young LLP for non-audit services were approved pursuant to the above exception.

13

In making its recommendation to appoint Ernst & Young LLP as our independent auditor for the fiscal year ending December 31, 2004, the Audit Committee has considered whether the services provided by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP and has determined that such services do not interfere with that firm's independence in the conduct of its auditing function.
