PART II

ITEM 2. Changes in Securities and Use of Proceeds

The following securities were sold in the quarter ended December 31, 2000 without registration under the Securities Act of 1933, as amended:

Warrants

We issued 24,550 D2C-W Warrants on November 11, 2000 to a shareholder to purchase restricted and legended stock at \$2.50 per share. These warrants are exercisable from October 30, 2000 to June 30, 2004. The warrants were purchased for \$2,700 of cash.

Common Stock

We issued 6,112 shares of restricted and legended Common Stock to one holder of Class X Warrants in exchange for their warrants. 20,373 Class X Warrants were exchanged and we recorded \$5,722 as additional expense related to the beneficial value of the consideration received over the value of the Warrants surrendered.

Convertible Notes

During the quarter ended December 31, 2000, we added \$60,000 in principal to the convertible bridge notes held by D2Co., LLC for management fees. We also added \$108,717 of interest to the convertible notes listed in Note 3 of the financial statements during the three months ended December 31 2000.

The warrants, shares of our Common Stock and convertible notes, which were issued pursuant to the transactions set forth above, were issued in reliance upon the exemptions from registration afforded by Sections 3(b), 4(2), and/or other provisions of the Securities Act of 1933, as amended. Each of the persons to whom such securities were issued made an informed investment decision based upon negotiation with us and was provided with appropriate offering documents and/or access to material information regarding Bion. We believe that such persons had knowledge and experience in financial and business matters such that they were capable of evaluating the merits and risks of the acquisition of our Common Stock in connection with these transactions. All certificates representing such common shares bear an appropriate legend restricting the transfer of such securities, except in accordance with the Securities Act of 1933, as amended, and stop transfer instructions have been provided to our transfer agent in accordance therewith.

2

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Company has duly caused this amendment to be signed on its behalf by the
