Approximate date of commencement of proposed sale to the public: As soon as practicable after the effective date of this Registration Statement.

If the only securities being registered on this Form are being offered pursuant to dividend or interest reinvestment plans, please check the following box.

If any of the securities being registered on this Form are to be offered on a delayed or continuous basis pursuant to Rule 415 under the Securities Act of 1933, please check the following box.

If this Form is filed to register additional securities for an offering pursuant to Rule 462(b) under the Securities Act, please check the following box and list the Securities Act registration statement number of the earlier effective registration statement for the same offering. _____

If this Form is a post-effective amendment filed pursuant to Rule 462(c) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier effective registration statement for the same offering. _____

If delivery of the prospectus is expected to be made pursuant to Rule 434, please check the following box.

CALCULATION OF REGISTRATION FEE

Title of Each Class of Securities to be Registered	Amount to be Registered	Proposed Maximum Offering Price Per Unit	Proposed Maximum Aggregate Offering Price	Amount of Registration Fee
Debt Securities	\$10,000,000,000(3)	Per Unit	\$10,000,000,000	\$1,177,000
Dollar Preference Shares(2)				

(Footnotes on next page)

The registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the Registration Statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to said Section 8(a), may determine.

- (1) Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(o) under the Securities Act.
- (2) American Depositary Shares evidenced by American Depositary Receipts issuable upon deposit of the Dollar Preference Shares registered hereby will be registered under a separate Registration Statement on Form F-6.
- (3) Not specified as to each class of securities to be registered pursuant to General Instruction II.C of Form F-3. In no event will the aggregate initial public offering price of the Debt Securities and Dollar Preference Shares issued under this Registration Statement exceed \$10,000,000,000 or, if any Debt Securities are issued (i) at an original issue discount, such greater amount as shall result in aggregate net proceeds not in excess of \$10,000,000,000 to the Registrant or (ii) with a principal amount denominated in a foreign currency or composite currency, such amount as shall result in an aggregate initial offering price equivalent to a maximum of \$10,000,000,000 at the time of initial offering.

PROSPECTUS

THE ROYAL BANK OF SCOTLAND GROUP plc

By this prospectus we may offer

**DEBT SECURITIES
DOLLAR PREFERENCE SHARES**

up to an aggregate initial offering price of \$10,000,000,000 or the equivalent thereof.

We will provide the specific terms of these securities in supplements to this prospectus. You should read this prospectus and the supplements carefully before you invest.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined that this prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

This prospectus may not be used to sell securities unless it is accompanied by a prospectus supplement.

The date of this prospectus is April 8, 2005.

ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the US Securities and Exchange Commission (SEC) using a shelf registration or continuous offering process. Under this shelf process, we may sell the securities described in this prospectus in one or more offerings up to a total dollar amount of \$10,000,000,000 or the equivalent in one or more foreign currencies or currency units.

This prospectus provides you with a general description of the debt securities and dollar preference shares we may offer, which we will refer to collectively as the securities . Each time we sell securities, we will provide a prospectus supplement that will contain specific information about the terms of that offering. The prospectus supplement will provide information regarding certain tax consequences of the purchase, ownership and disposition of the offered securities. The prospectus supplement may also add to, update or change information contained in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in that prospectus supplement. We will file each prospectus supplement with the Securities and Exchange Commission. You should read both this prospectus and the applicable prospectus supplement, together with the additional information described under the heading Where You Can Find More Information .

The registration statement containing this prospectus, including exhibits to the registration statement, provides additional information about us and the securities offered under this prospectus. The registration statement can be read at the SEC 's offices or obtained from the SEC 's website mentioned under the heading Where You Can Find More Information .

Certain Terms

In this prospectus, the terms we , us and our refer to The Royal Bank of Scotland Group plc, the term Group or RBSG means The Royal Bank of Scotland Group plc and its subsidiaries, the term RBS plc means The Royal Bank of Scotland plc, the term RBS or the Royal Bank means RBS plc and its subsidiaries, the term NWB Plc means National Westminster Bank Plc and the term NatWest means NWB Plc and its subsidiaries.

We publish our consolidated financial statements in pounds sterling (£ or sterling). In this prospectus and any prospectus supplement, references to dollars and \$ are to United States dollars.

USE OF PROCEEDS

Unless we have disclosed a specific plan in the accompanying prospectus supplement, we will use the net proceeds from the sale of the securities offered by this prospectus in the general business of our Group and to strengthen further our Group 's capital base. The Group has raised capital in various markets from time to time and we expect to continue to raise capital in appropriate markets as and when required.

THE ROYAL BANK OF SCOTLAND GROUP

The Royal Bank of Scotland Group plc is the holding company of one of the world 's largest banking and financial services groups, with a market capitalisation of £55.6 billion at the end of 2004. Headquartered in Edinburgh, the Group operates in the UK, US and internationally through its two principal subsidiaries, The Royal Bank of Scotland plc and National Westminster Bank Plc. Both the Royal Bank and NatWest are major UK clearing banks whose origins go back over 275 years. The Group has a large and diversified customer base and provides a wide range of products and services to personal, commercial and large corporate and institutional customers. Our registered office is 36 St Andrew Square, Edinburgh EH2 2YB, Scotland and our principal place of business is 42 St Andrew Square, Edinburgh EH2 2YE, Scotland, telephone

+44 131 556 8555.

2

DESCRIPTION OF DEBT SECURITIES

The following is a summary of the general terms of the debt securities. Each time that we issue debt securities, we will file a prospectus supplement with the SEC, which you should read carefully. The prospectus supplement may contain additional terms of those debt securities. The terms presented here, together with the terms contained in the prospectus supplement, will be a description of the material terms of the debt securities, but if there is any inconsistency between the terms presented here and those in the prospectus supplement, those in the prospectus supplement will apply and will replace those presented here. You should also read the indentures under which we will issue the debt securities, which we have filed with the SEC as exhibits to the registration statement of which this prospectus is a part.

All of these debt securities of any series will be our subordinated obligations. Debt securities that have no stated maturity will be issued under a capital securities indenture. Other debt securities will be issued under a subordinated debt indenture. The Bank of New York is trustee under both indentures.

General

The debt securities are not deposits and are not insured by the United States Federal Deposit Insurance Corporation or any other government agency of the United States or the United Kingdom.

The indentures do not limit the amount of debt securities that we may issue. We may issue debt securities in one or more series. The relevant prospectus supplement for any particular series of debt securities will describe the terms of the offered debt securities, including some or all of the following terms:

- whether they are capital securities or subordinated debt securities;
- their specific designation, authorized denomination and aggregate principal amount;
- the price or prices at which they will be issued;
- the annual interest rate or rates, or how to calculate the interest rate or rates;
- the date or dates from which interest, if any, will accrue or the method, if any, by which such date or dates will be determined;
- the times and places at which any interest payments are payable;
- any date of maturity;
- the terms of any mandatory or optional redemption, including the amount of any premium;
- any modifications or additions to the events of defaults with respect to the debt securities offered;
- any provisions relating to conversion or exchange for other securities issued by us;
- the currency or currencies in which they are denominated and in which we will make any payments;
- any index used to determine the amount of any payments on the debt securities;
- any restrictions that apply to the offer, sale and delivery of the debt securities and the exchange of debt securities of one form for debt securities of another form;
- whether and under what circumstances, if other than those described in this prospectus, we will pay additional amounts on the debt securities following certain developments with respect to withholding tax or information reporting laws and whether, and on what terms, if other than those described in this prospectus, we may redeem the debt securities following those developments;

- the terms of any mandatory or optional exchange; and

3

-
- any listing on a securities exchange.

In addition, the prospectus supplement will describe the material US federal and UK tax considerations that apply to any particular series of debt securities.

Debt securities may bear interest at a fixed rate or a floating rate. We will sell any subordinated debt securities that bear no interest, or that bear interest at a rate that at the time of issuance is below the prevailing market rate, at a discount to their stated principal amount.

Holders of debt securities shall have no voting rights except those described under **Modification and Waiver** below.

Form of Debt Securities; Book-Entry System

General

Unless the relevant prospectus supplement states otherwise, the debt securities shall initially be represented by one or more global securities in registered form, without coupons attached, and will be deposited with or on behalf of one or more depositary, including, without limitation, The Depository Trust Company (**DTC**), Euroclear Bank S.A./N.V. (**Euroclear Bank**), as operator of the Euroclear System (**Euroclear**) and/or Clearstream Banking S.A. (**Clearstream Luxembourg**), and will be registered in the name of such depositary or its nominee. Unless and until the debt securities are exchanged in whole or in part for other securities that we issue or the global securities are exchanged for definitive securities, the global securities may not be transferred except as a whole by the depositary to a nominee or a successor of the depositary.

The debt securities may be accepted for clearance by DTC, Euroclear and Clearstream Luxembourg. Unless the relevant prospectus supplement states otherwise, the initial distribution of the debt securities will be cleared through DTC only. In such event, beneficial interests in the global debt securities will be shown on, and transfers thereof will be effected only through, the book-entry records maintained by DTC and its direct and indirect participants, including, as applicable, Euroclear and Clearstream Luxembourg.

The laws of some states may require that certain investors in securities take physical delivery of their securities in definitive form. Those laws may impair the ability of investors to own interests in book-entry securities.

So long as the depositary, or its nominee, is the holder of a global debt security, the depositary or its nominee will be considered the sole holder of such global debt security for all purposes under the indentures. Except as described below under **Issuance of Definitive Securities**, no participant, indirect participant or other person will be entitled to have debt securities registered in its name, receive or be entitled to receive physical delivery of debt securities in definitive form or be considered the owner or holder of the debt securities under the indentures. Each person having an ownership or other interest in debt securities must rely on the procedures of the depositary, and, if a person is not a participant in the depositary, must rely on the procedures of the participant or other securities intermediary through which that person owns its interest to exercise any rights and obligations of a holder under the indentures or the debt securities.

Payments on the Global Debt Security

Payments of any amounts in respect of any global securities will be made by the trustee to the depositary. Payments will be made to beneficial owners of debt securities in accordance with the rules and procedures of the depositary or its direct and indirect participants, as applicable. Neither we nor the trustee nor any of our agents will have any responsibility or liability for any aspect of the records of any securities intermediary in the chain of intermediaries between the depositary and any beneficial owner of an interest in a global security, or the failure of the depositary or any intermediary to pass through to any beneficial owner any payments that we make to the depositary.

The Clearing Systems

DTC, Euroclear and Clearstream Luxembourg have advised us as follows:

DTC. DTC is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities of its participants and to facilitate the clearance and settlement of transactions among its participants in those securities through electronic book-entry changes in accounts of the participants, thereby eliminating the need for physical movement of securities certificates. DTC participants include securities brokers and dealers, including parties that may act as underwriters, dealers or agents with respect to the securities, banks, trust companies, clearing corporations and certain other organizations, some of which, along with certain of their representatives and others, own DTC. Access to the DTC book-entry system is also available to others, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly.

Euroclear. Euroclear Bank holds securities for its participants and clears and settles transactions between its participants through simultaneous electronic book-entry delivery against payment. Euroclear Bank provides various other services, including safekeeping, administration, clearance and settlement and securities lending and borrowing, and interfaces with domestic markets in several countries. Securities clearance accounts and cash accounts with Euroclear Bank are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable law (collectively, the Euroclear Terms and Conditions). The Euroclear Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear, and receipts of payments with respect to securities in Euroclear.

Clearstream Luxembourg. Clearstream Luxembourg is incorporated under the laws of The Grand Duchy of Luxembourg as a professional depositary. Clearstream Luxembourg holds securities for its participants and facilitates the clearance and settlement of securities transactions between its participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Clearstream Luxembourg provides to its participants, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Clearstream Luxembourg interfaces with domestic markets in several countries.

Issuance of Definitive Securities

So long as the depositary holds the global securities of a particular series of debt securities, such global securities will not be exchangeable for definitive securities of that series unless:

- the depositary notifies the trustee that it is unwilling or unable to continue to act as depositary for the debt securities and the trustee does not appoint a successor to the depositary within 120 days;
- we are wound up and we fail to make a payment on the debt securities when due; or
- at any time we determine in our sole discretion that the global securities of a particular series of debt securities should be exchanged for definitive debt securities of that series in registered form.

Each person having an ownership or other interest in a debt security must rely exclusively on the rules or procedures of the depositary as the case may be, and any agreement with any direct or indirect participant of the depositary, including Euroclear or Clearstream Luxembourg and their participants, as applicable, or any other securities intermediary through which that person holds its interest, to receive or direct the delivery of possession of any definitive security. The indentures permit us to determine at any time and in our sole discretion that debt securities shall no longer be represented by global securities. DTC has advised us that, under its current practices, it would notify its participants of our request, but will only withdraw beneficial interests from the global securities at the request of each DTC participant. We would issue definitive certificates in exchange for any such beneficial interests withdrawn.

Definitive debt securities will be issued in registered form only. To the extent permitted by law, we, the trustee and any paying agent shall be entitled to treat the person in whose name any definitive security is registered as its absolute owner.

Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form F-3

Payments in respect of each series of definitive securities will be made to the person in whose name the definitive securities are registered as it appears in the register for that series of debt securities. Payments will be made in respect of the debt securities by check drawn on a bank in New York or, if the holder requests, by transfer to the holder's account in New York. Definitive securities should be presented to the paying agent for redemption.

If we issue definitive debt securities of a particular series in exchange for a particular global debt security, the depository, as holder of that global debt security, will surrender it against receipt of the definitive debt securities, cancel the book-entry debt securities of that series, and distribute the definitive debt securities of that series to the persons and in the amounts that the depository specifies.

If definitive securities are issued in the limited circumstances described above, those securities may be transferred in whole or in part in denominations of any whole number of securities upon surrender of the definitive securities certificates together with the form of transfer endorsed on it, duly completed and executed at the specified office of a paying agent. If only part of a securities certificate is transferred, a new securities certificate representing the balance not transferred will be issued to the transferor within three business days after the paying agent receives the certificate. The new certificate representing the balance will be delivered to the transferor by uninsured post at the risk of the transferor, to the address of the transferor appearing in the records of the paying agent. The new certificate representing the securities that were transferred will be sent to the transferee within three business days after the paying agent receives the certificate transferred, by uninsured post at the risk of the holder entitled to the securities represented by the certificate, to the address specified in the form of transfer.

Settlement

Initial settlement for each series of debt securities and settlement of any secondary market trades in the debt securities will be made in same-day funds. Book-entry debt securities held through DTC will settle in DTC's Same-Day Funds Settlement System.

Payments

We will make any payments of interest and, in the case of subordinated debt securities, principal, on any particular series of debt securities on the dates and, in the case of payments of interest, at the rate or rates, that we set out in, or that are determined by the method of calculation described in, the relevant prospectus supplement.

Subordinated Debt Securities

Unless the relevant prospectus supplement provides otherwise, if we do not make a payment on that series of subordinated debt securities on any payment date, our obligation to make that payment shall be deferred, if it is an interest payment, until the date upon which we pay a dividend on any class of our share capital and, if it is a principal payment, until the first business day after the date that falls six months after the original payment date (a *Deferred Payment Date*). If we fail to make a payment before the *Deferred Payment Date*, that failure shall not create a default or otherwise allow any holder to sue us for the payment or take any other action. Each payment that is deferred in this way will accrue interest at the rate prevailing in accordance with the terms of the series of debt securities immediately before the original payment date. Any payment deferred in this way shall not be treated as due for any purpose, including for the purposes of ascertaining whether or not a *Subordinated Debt Security Default* has occurred, until the *Deferred Payment Date*.

Capital Securities

We are not required to make payments on any series of capital securities on any payment date and if we fail to make a payment, that shall not create a default. Any payment that we do not make in respect of any series of capital securities on any applicable payment date, together with any other unpaid payments, so long as they remain unpaid, shall be *Missed Payments* and will accumulate until paid. *Missed Payments* will not bear interest.

We may choose to pay any *Missed Payments* in whole or in part at any time on not less than 14 days' notice to the trustee, but all *Missed Payments* on all capital securities of a particular series outstanding at the time shall become due and payable in full upon the occurrence of an *Event of Default* or, subject to the solvency

condition, a *Capital Security Default*. These terms are defined below under *Events of Default and Defaults; Limitation of Remedies*. If we give notice that we intend to pay all or part of the *Missed Payments* on the capital securities of any series, we shall be obliged, subject to the solvency condition, to do so at the time specified in our notice.

Except in a winding up, all payments on the capital securities of any series will be conditional upon our being solvent at the time of payment, and we will not make any payment unless we will still be solvent immediately afterwards. This is called the *solvency condition*. For this purpose, we shall be solvent if we are able to pay our debts as they fall due and our total non-consolidated assets exceed our total non-consolidated liabilities, excluding liabilities that do not constitute *Senior Claims* (as defined under *Subordination* below) except in the case of the optional redemption or repurchase of any capital securities. A report as to our solvency by a director or, in certain circumstances, our auditors shall, unless there is a manifest error, be treated and accepted by us, the trustee and any holder of capital securities as correct and sufficient evidence of solvency or insolvency. If we fail to make any payment as a result of failure to satisfy the solvency condition, that payment will constitute a *Missed Payment* and will accumulate with any other *Missed Payments* until paid. In a winding up, the amount payable on capital securities of any series will be determined in accordance with the capital security subordination provisions described under *Subordination* below.

You should note that if we are unable to make any payment on the capital securities of any series because we are not able to satisfy the solvency condition, the amount of any payment which we would otherwise make will be available to meet our losses.

Subordination

Subordinated Debt Securities

Unless the relevant prospectus supplement provides otherwise, in a winding up, all payments on any series of subordinated debt securities will be subordinate to, and subject in right of payment to the prior payment in full of, all claims of all of our creditors other than claims in respect of any liability that is, or is expressed to be, subordinated, whether only in the event of a winding up or otherwise, to the claims of all or any of our creditors, in the manner provided in the subordinated debt indenture.

Capital Securities

Unless the relevant prospectus supplement provides otherwise, in a winding up, the principal amount of, and payments and any *Missed Payments* on, any series of capital securities will be subordinate to, and subject in right of payment to the prior payment in full of, all *Senior Claims*. The following are *Senior Claims* in respect of any series of capital securities:

- all claims of our unsubordinated creditors admitted in the winding up;
- all claims of our creditors in respect of liabilities that are, or are expressed to be, subordinated, whether only in the event of a winding up or otherwise, to the claims of our unsubordinated creditors but not further or otherwise; and
- all other claims except those that rank, or are expressed to rank, equally with or junior to the claims of any holder of capital securities of any series.

Additional senior claims, if any, may be set forth in the accompanying prospectus supplement.

If at any time an order is made or a shareholders' resolution is passed for a winding up, any amounts that would have been payable in respect of the capital securities of any series if, on and after the day immediately before the winding up began, any holder of those capital securities had been the holder of preference shares in our capital with a preferential right to a return of assets in the winding up over the holders of all other issued shares, including all classes of our preference shares, will be payable on those capital securities. These amounts will be calculated assuming that such preference shares were entitled, to the exclusion of all other rights or privileges, to receive as a return of capital an amount equal to the principal amount of the capital securities of the series then outstanding,

together with all payments accrued to the date of repayment at the rate provided for in those capital securities and any *Missed Payments*. Accordingly, no amount will be payable in a winding up on any series of capital securities until all *Senior Claims* admitted in the winding up have been paid in full.

General

As a consequence of these subordination provisions, if winding up proceedings should occur, each holder may recover less ratably than the holders of our unsubordinated liabilities and, in the case of the holders of capital securities, the holders of certain of our subordinated liabilities,

Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form F-3

including the holders of subordinated debt securities. If, in any winding up, the amount payable on any series of debt securities and any claims ranking equally with that series are not paid in full, those debt securities and other claims ranking equally will share ratably in any distribution of our assets in a winding up in proportion to the respective amounts to which they are entitled. If any holder is entitled to any recovery with respect to the debt securities in any winding up or liquidation, the holder might not be entitled in those proceedings to a recovery in US dollars and might be entitled only to a recovery in pounds sterling or any other lawful currency of the UK.

In addition, because we are a holding company, our rights to participate in the assets of any subsidiary if it is liquidated will be subject to the prior claims of its creditors, including, in the case of our bank subsidiaries, their depositors, except to the extent that we may be a creditor with recognized claims against the subsidiary.

Additional Amounts

Unless the relevant prospectus supplement provides otherwise, we will pay any amounts to be paid by us on any series of debt securities without deduction or withholding for, or on account of, any and all present and future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings imposed, levied, collected, withheld or assessed by or on behalf of the UK or any UK political subdivision or authority that has the power to tax (a UK taxing jurisdiction), unless such deduction or withholding is required by law. If at any time a UK taxing jurisdiction requires us to make such deduction or withholding, we will pay additional amounts with respect to the principal of, and payments and Missed Payments on, the debt securities (Additional Amounts) that are necessary in order that the net amounts paid to the holders of those debt securities, after the deduction or withholding, shall equal the amounts of principal and any payments and Missed Payments which would have been payable on that series of debt securities if the deduction or withholding had not been required. However, this will not apply to any tax that would not have been payable or due but for the fact that:

- the holder or the beneficial owner of the debt securities is a domiciliary, national or resident of, or engaging in business or maintaining a permanent establishment or physically present in, a UK taxing jurisdiction or otherwise having some connection with the UK taxing jurisdiction other than the holding or ownership of a debt security, or the collection of any payment of, or in respect of, principal of, or any payments or Missed Payments on, any debt security of the relevant series;
- except in the case of a winding up in the UK, the relevant debt security is presented (where presentation is required) for payment in the UK;
- the relevant debt security is presented (where presentation is required) for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the holder would have been entitled to the Additional Amounts on presenting the debt security for payment at the close of that 30 day period;
- the holder or the beneficial owner of the relevant debt security or the beneficial owner of any payment of or in respect of principal of, or any payments or Missed Payments on, the debt security failed to comply with a request by us or our liquidator or other authorized person addressed to the holder to provide information concerning the nationality, residence or identity of the holder or the beneficial owner or to make any declaration or other similar claim to satisfy any information requirement, which is required or imposed by a statute, treaty, regulation or administrative practice of a UK taxing jurisdiction as a precondition to exemption from all or part of the tax;

-
- the withholding or deduction is imposed on a payment to or for the benefit of an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such directive;
 - the relevant debt security is presented (where presentation is required) for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant debt security to another paying agent in a Member State of the European Union; or

- any combination of the above items;

nor shall Additional Amounts be paid with respect to the principal of, and payments and Missed Payments on, the debt securities to any holder who is a fiduciary or partnership or settlor with respect to such fiduciary or a member of such partnership other than the sole beneficial owner of such payment to the extent such payment would be required by the laws of any taxing jurisdiction to be included in the income for tax purposes of a beneficiary or partner or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such Additional Amounts, had it been the holder.

Whenever we refer in this prospectus and any prospectus supplement, in any context, to the payment of the principal of or any payments, or any Missed Payments on, or in respect of, any debt security of any series, we mean to include the payment of Additional Amounts to the extent that, in the context, Additional Amounts are, were or would be payable.

Redemption

Unless the relevant prospectus supplement provides otherwise and, in the case of capital securities, if the solvency condition is satisfied, we will have the option to redeem the debt securities of any series as a whole upon not less than 30 nor more than 60 days' notice, on any payment date, at a redemption price equal to 100% of their principal amount together with any accrued but unpaid payments of interest, and all Missed Payments in the case of Capital Securities, to the redemption date, or, in the case of discount securities, their accreted face amount, together with any accrued interest, if we determine that as a result of a change in or amendment to the laws or regulations of a UK taxing jurisdiction, including any treaty to which it is a party, or a change in an official application or interpretation of those laws or regulations, including a decision of any court or tribunal, which becomes effective on or after the date of the applicable prospectus supplement:

- in making any payments or Missed Payments on the particular series of debt securities, we have paid or will or would on the next payment date be required to pay Additional Amounts;
- payments, including Missed Payments, on the next payment date in respect of any of the series of debt securities would be treated as distributions within the meaning of Section 209 of the Income and Corporation Taxes Act 1988 of the UK, or any statutory modification or re-enactment of the Act; or
- on the next payment date we would not be entitled to claim a deduction in respect of the payments in computing our UK taxation liabilities, or the value of the deduction to us would be materially reduced.

In each case we shall be required, before we give a notice of redemption, to deliver to the trustee a written legal opinion of independent UK counsel of recognized standing, selected by us, in a form satisfactory to the trustee confirming that we are entitled to exercise our right of redemption.

The relevant prospectus supplement will specify whether or not we may redeem the debt securities of any series, in whole or in part, at our option, in any other circumstances and, if so, the prices and any premium at which and the dates on which we may do so. In the case of capital securities, redemption will only be allowed if the solvency condition is satisfied. Any notice of redemption of debt securities of any series will state, among other items:

-
- the redemption date;
 - the amount of debt securities to be redeemed if less than all of the series is to be redeemed;
 - the redemption price;
 - that the redemption price will, subject to the solvency condition, become due and payable on the redemption date and that payments will cease to accrue on such date; and

- the place or places at which each holder may obtain payment of the redemption price.

In the case of a partial redemption, the trustee shall select the debt securities to be redeemed in any manner which it deems fair and appropriate.

We or any of our subsidiaries may at any time and from time to time purchase debt securities of any series in the open market or by tender (available to each holder of debt securities of the relevant series) or by private agreement, if applicable law allows and if, in the case of capital securities, the solvency condition is satisfied. Any debt securities of any series that we purchase beneficially for our own account, other than in connection with dealing in securities, will be treated as cancelled and will no longer be issued and outstanding.

Under existing UK Financial Services Authority requirements, we may not make any redemption or repurchase of any debt securities beneficially for our own account, other than a repurchase in connection with dealing in securities, unless the UK Financial Services Authority consents in advance. The UK Financial Services Authority may impose conditions on any redemption or repurchase.

Modification and Waiver

We and the trustee may make certain modifications and amendments of the applicable indenture with respect to any series of debt securities without the consent of the holders of the debt securities. We may make other modifications and amendments with the consent of the holder or holders of not less than 66 2/3% in aggregate principal amount of the debt securities of the series outstanding under the indenture that are affected by the modification or amendment, voting as one class. However, we may not make any modification or amendment without the consent of the holder of each debt security affected that would:

- change the stated maturity of the principal amount of any subordinated debt security or the terms of any capital security to include a stated maturity date;
- reduce the principal amount of or the payments or any Missed Payments with respect to any debt security;
- change our obligation (or our successor s) to pay Additional Amounts;
- change the currency of payment;
- impair the right to institute suit for the enforcement of any payment due and payable;
- reduce the percentage in aggregate principal amount of outstanding debt securities of the series necessary to modify or amend the indenture or to waive compliance with certain provisions of the indenture and any past Event of Default, Subordinated Debt Security Default or Capital Security Default;
- modify the subordination provisions or the terms of our obligations in respect of the due and punctual payment of the amounts due and payable on the debt securities in a manner adverse to the holders; or
- modify the above requirements.

In addition, material variations in the terms and conditions of debt securities of any series, including modifications relating to subordination, redemption, Events of Default, Subordinated Debt Security Defaults, Capital Security Defaults or Capital Security Payment Events, may require the consent of the UK Financial Services Authority.

Events of Default and Defaults; Limitation of Remedies

Events of Default

Unless the relevant prospectus supplement provides otherwise, if (i) a court of competent jurisdiction makes an order which is not successfully appealed within 30 days or (ii) an effective shareholders' resolution is validly adopted, for our winding up, other than under or in connection with a scheme of amalgamation or reconstruction not involving a bankruptcy or insolvency, that order or resolution will constitute an

Event of Default with respect to the debt securities of each series. If an Event of Default occurs and is continuing, the trustee or the holder or holders of at least 25% in aggregate principal amount of the outstanding debt securities of each series may declare the principal amount of, any accrued but unpaid payments (or, in the case of discount securities, the accreted face amount, together with any accrued interest), and any Missed Payments, on the debt securities of the series to be due and payable immediately in accordance with the terms of the indenture. However, after this declaration but before the trustee obtains a judgment or decree for payment of money due, the holder or holders of a majority in aggregate principal amount of the outstanding debt securities of the series may rescind the declaration of acceleration and its consequences, but only if all Events of Default have been remedied and all payments due, other than those due as a result of acceleration, have been made.

Subordinated Debt Security Defaults

Unless the relevant prospectus supplement provides otherwise, it shall be a Subordinated Debt Security Default with respect to any series of subordinated debt securities if:

- any installment of interest upon any subordinated debt security of that series is not paid on or before its Deferred Payment Date and such failure continues for 14 days; or
- all or any part of the principal of any subordinated debt security of that series is not paid on its Deferred Payment Date, or when it otherwise becomes due and payable, whether upon redemption or otherwise, and such failure continues for 7 days.

If a Subordinated Debt Security Default occurs and is continuing, the trustee may pursue all legal remedies available to it, including commencing a proceeding for our winding up in England or Scotland (but not elsewhere), but the trustee may not declare the principal amount of any outstanding subordinated debt security due and payable. However, failure to make any payment on a series of subordinated debt securities shall not be a Subordinated Debt Security Default if it is withheld or refused in order to comply with any applicable fiscal or other law or regulation or order of any court of competent jurisdiction, or if there is doubt as to the validity or applicability of any law, regulation or order, in accordance with advice given at any time before the expiry of the applicable 14-day or 7-day period by independent legal advisers acceptable to the trustee. In the second case, the trustee may require us to take action (including proceedings for a court declaration) to resolve the doubt, if counsel advises it that such action is appropriate and reasonable in the circumstances, in which case we shall immediately take and expeditiously proceed with the action and shall be bound by any final resolution of the doubt. If any such action results in a determination that the relevant payment can be made without violating any applicable law, regulation or order then the payment shall become due and payable on the expiration of the applicable 14-day or 7-day period after the trustee gives written notice to us informing us of such determination.

By accepting a subordinated debt security, each holder and the trustee will be deemed to have waived any right of set-off, counterclaim or combination of accounts with respect to the subordinated debt securities or the applicable indenture (or between our obligations under or in respect of any subordinated debt security and any liability owed by a holder or the trustee to us) that they might otherwise have against us, whether before or during our winding up.

Capital Security Defaults

Unless the relevant prospectus supplement provides otherwise, it shall be a Capital Security Default with respect to any series of capital securities if:

-
- we fail to pay or to set aside a sum to provide for payment of any Missed Payments on or prior to the date upon which a dividend is paid on any class of our share capital, or we make a redemption or repurchase of any other capital securities of the same series other than a repurchase in connection with dealing in securities, and such failure continues for 30 days; or
 - we fail to pay or to set aside a sum to provide for payment of the principal amount, any accrued but unpaid payments and any Missed Payments on the date fixed for redemption of the capital security and such failure continues for 7 days.

If any Capital Security Default shall occur and is continuing, the trustee may pursue all legal remedies available to it, including commencing a judicial proceeding for the collection of the sums due and unpaid or a proceeding for our winding up in England or Scotland (but not elsewhere), but the trustee may not declare the principal amount of any outstanding capital security to be due and payable. If we fail to make payment as described above and the solvency condition is not satisfied at the end of the 30-day or 7-day period following that failure, it shall not

create a Capital Security Default but instead shall create a Capital Security Payment Event. On a Capital Security Payment Event, the trustee may institute proceedings in England or Scotland (but not elsewhere) for our winding up but may not pursue any other legal remedy, including a judicial proceeding for the collection of the sums due and unpaid.

By accepting a capital security, each holder and the trustee will be deemed to have waived any right of set-off, counterclaim or combination of accounts with respect to the capital securities or the applicable indenture (or between our obligations under or in respect of any capital securities and any liability owed by a holder or the trustee to us) that they might otherwise have against us, whether before or during our winding up.

General

The holder or holders of not less than a majority in aggregate principal amount of the debt securities of any series may waive any past Event of Default, Subordinated Debt Security Default, Capital Security Default or Capital Security Payment Event with respect to the series, except an Event of Default, Subordinated Debt Security Default or Capital Security Default in respect of the payment of principal of or payments or Missed Payments on, any debt security or a covenant or provision of the applicable indenture which cannot be modified or amended without the consent of each holder of debt securities of such series.

Subject to the provisions of the applicable indenture relating to the duties of the trustee, if an Event of Default, Subordinated Debt Security Default, Capital Security Default or Capital Security Payment Event occurs and is continuing with respect to the debt securities of any series, the trustee will be under no obligation to any holder or holders of the debt securities of the series, unless they have offered reasonable indemnity to the trustee. Subject to the indenture provisions for the indemnification of the trustee, the holder or holders of a majority in aggregate principal amount of the outstanding debt securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the series, if the direction is not in conflict with any rule of law or with the applicable indenture and the trustee does not determine that the action would be unjustly prejudicial to the holder or holders of any debt securities of any series not taking part in that direction. The trustee may take any other action that it deems proper which is not inconsistent with that direction.

The indentures provide that the trustee will, within 90 days after the occurrence of an Event of Default, Subordinated Debt Security Default, Capital Security Default or Capital Security Payment Event with respect to the debt securities of any series, give to each holder of the debt securities of the affected series notice of the Event of Default, Subordinated Debt Security Default, Capital Security Default, or Capital Security Payment Event known to it, unless the Event of Default, Subordinated Debt Security Default, Capital Security Default or Capital Security Payment Event has been cured or waived. However, the trustee shall be protected in withholding notice if it determines in good faith that withholding notice is in the interest of the holders.

We are required to furnish to the trustee annually a statement as to our compliance with all conditions and covenants under the indenture.

Consolidation, Merger and Sale of Assets; Assumption

We may, without the consent of the holders of any of the debt securities, consolidate with, merge into or transfer or lease our assets substantially as an entirety to, any person, provided that any successor corporation formed by any consolidation or amalgamation, or any transferee or lessee of our assets, is a company organized under the laws of any part of the United Kingdom that assumes our obligations on the debt securities and under the applicable indenture, and that certain other conditions are met.

Subject to applicable law and regulation, any of our wholly-owned subsidiaries may assume our obligations under the debt securities of any series without the consent of any holder, provided that we unconditionally guarantee, on a subordinated basis in substantially the manner described under Subordination above, the obligations of the subsidiary under the debt securities of that series. If we do, all of our direct obligations under the debt securities of the series and the applicable indenture shall immediately be discharged. Any Additional Amounts under the debt securities of the series will be payable in respect of taxes imposed by the jurisdiction in which the assuming subsidiary is incorporated, subject to exceptions equivalent to those that apply to any obligation to pay Additional Amounts in respect of taxes imposed by any UK taxing jurisdiction, rather than taxes imposed by any UK taxing jurisdiction. However, if we make payment under the guarantee, we shall be required to pay Additional Amounts related to taxes, subject to the exceptions described in Additional Amounts above, imposed by any UK taxing jurisdiction by reason of the guarantee payment. The subsidiary that assumes our obligations will also be entitled to redeem the debt securities of the relevant series in the circumstances described in Redemption above with respect to any change or amendment to, or change in the application

Edgar Filing: ROYAL BANK OF SCOTLAND GROUP PLC - Form F-3

or official interpretation of, the laws or regulations (including any treaty) of the assuming subsidiary's jurisdiction of incorporation which occurs after the date of the assumption. However, the determination of whether the solvency condition has been satisfied shall continue to be made with reference to The Royal Bank of Scotland Group plc, unless applicable law requires otherwise.

An assumption of our obligations under the debt securities of any series might be deemed for US federal income tax purposes to be an exchange of those debt securities for new debt securities by each beneficial owner, resulting in a recognition of taxable gain or loss for those purposes and possibly certain other adverse tax consequences. You should consult your tax advisor regarding the US federal, state and local income tax consequences of an assumption.

Governing Law

The debt securities and the indentures will be governed by and construed in accordance with the laws of the State of New York, except that, as the indentures specify, the subordination provisions of each series of debt securities and the indentures will be governed by and construed in accordance with the laws of England.

Notices

All notices to holders of registered debt securities shall be validly given if in writing and mailed, first-class postage prepaid, to them at their respective addresses in the register maintained by the trustee.

The Trustee

The Bank of New York is the trustee under the indentures. The trustee shall have and be subject to all the duties and responsibilities specified with respect to an indenture trustee under the Trust Indenture Act of 1939. Subject to the provisions of the Trust Indenture Act of 1939, the trustee is under no obligation to exercise any of the powers vested in it by the indentures at the request of any holder of notes, unless offered reasonable indemnity by the holder against the costs, expense and liabilities which might be incurred thereby. We and certain of our subsidiaries maintain deposit accounts and conduct other banking transactions with The Bank of New York in the ordinary course of our business. The Bank of New York is also the book-entry depository with respect to certain of our debt securities and the depository with respect to the ADSs representing certain of our preference shares, and trustee with respect to certain of our exchangeable capital securities.

13

Consent to Service of Process

Under the indentures, we irrevocably designate CT Corporation System as our authorized agent for service of process in any legal action or proceeding arising out of or relating to the indentures or any debt securities brought in any federal or state court in The City of New York, New York and we irrevocably submit to the jurisdiction of those courts.

14

DESCRIPTION OF DOLLAR PREFERENCE SHARES

The following is a summary of the general terms of the dollar preference shares of any series. Each time that we issue dollar preference shares, we will file a prospectus supplement with the SEC, which you should read carefully. The prospectus supplement will designate the terms of the dollar preference shares of the particular series, which are set out in the resolutions establishing the series that our board of directors or an authorized committee thereof (referred to in this section as the board of directors) adopt. These terms may be different from those summarized below, and if so the applicable prospectus supplement will state that, and the description of the dollar preference shares of that series contained in the prospectus supplement will apply. You should also

read our Articles of Association, which we have filed with the SEC as an exhibit to the registration statement of which this prospectus is a part. You should read the summary of the general terms of the ADR deposit agreement under which American Depositary Receipts evidencing American Depositary Shares that may represent dollar preference shares may be issued, under the heading "Description of American Depositary Receipts".

General

Under our Articles of Association, our board of directors is authorized to provide for the issuance of dollar preference shares, in one or more series, with the dividend rights, liquidation value per share, redemption provisions, voting rights and other rights, preferences, privileges, limitations and restrictions that are set forth in resolutions providing for their issue adopted by our board of directors. Our board of directors may only provide for the issuance of dollar preference shares of any series if a resolution of our shareholders has authorized the allotment of shares.

15

The dollar preference shares of any series will have the dividend rights, rights upon liquidation, redemption provisions and voting rights described below, unless the relevant prospectus supplement provides otherwise. You should read the prospectus supplement for the specific terms of any series, including:

16

- the number of shares offered, the number of shares offered in the form of ADSs and the number of dollar preference shares represented by each ADS;
- the public offering price of the series;
- the liquidation value per share of that series;
- the dividend rate, or the method of calculating it;
- the place where we will pay dividends;
- the dates on which dividends will be payable;
- the circumstances under which dividends may not be payable;
- voting rights;
- the restrictions applicable to the sale and delivery of the dollar preference shares;

- whether and under what circumstances we will pay additional amounts on the dollar preference shares in the event of certain developments with respect to withholding tax or information reporting laws;
- any redemption, conversion or exchange provisions;
- any listing on a securities exchange; and
- any other rights, preferences, privileges, limitations and restrictions relating to the series.

The prospectus supplement will also describe material US and UK tax considerations that apply to any particular series of dollar preference shares.

The dollar preference shares of any series will rank junior as to dividends to the cumulative preference shares, equally as to dividends with other non-cumulative preference shares, the exchange preference shares of any series and the sterling preference shares, equally as to repayment of capital on a winding up or liquidation with other non-cumulative preference shares, the exchange preference shares of any series, the sterling preference shares and the cumulative preference shares and, unless the resolutions of our board of directors establishing any series of dollar preference shares specify otherwise and the related prospectus supplement so states, will rank equally in all respects with the dollar preference shares of each other series and any other of our shares which are expressed to rank equally with them. The preferential rights to dividends of the holders of the cumulative preference shares are cumulative whereas the preferential rights to dividends of the holders of any series of dollar preference shares, any series of exchange preference shares, the euro preference shares, and any sterling preference shares will be or are non-cumulative. Holders of dollar preference shares will have no pre-emptive rights.

The dollar preference shares will rank in priority to our additional value shares and our ordinary shares as regards the right to receive dividends and rights to repayment of capital if we are wound up or liquidated, whether or not voluntarily.

There are no restrictions under our articles of association or under Scots law as currently in effect that limit the right of non-resident or foreign owners, as such, to acquire dollar preference shares of any series freely or, when entitled to vote dollar preference shares of a particular series, to vote those dollar preference shares. There are currently no English or Scots laws, decrees, or regulations that would prevent the remittance of dividends or other payments on the dollar preference shares of any series to non-resident holders.

Dividends

Non-cumulative preferential dividends on each series of dollar preference shares will be payable at the rate or rates and on the dates set out in the relevant prospectus supplement and will accrue from their date of issue.

Pursuant to our articles of association, our board of directors may resolve prior to the issue and allotment of any series of dollar preference shares that full dividends on such series of dollar preference shares in respect of a particular dividend payment date will not be declared and paid if, (i) in its sole and absolute discretion, the board of directors resolves prior to the relevant dividend payment date that such dividend (or part thereof) shall not be paid and/or (ii) in the opinion of the board of directors, payment of a dividend would breach or cause a breach of the capital adequacy requirements of the UK Financial Services Authority that apply at that time to us and/or any of our subsidiaries, or subject to the next following paragraph, our distributable profits, after the payment in full, or the setting aside of a sum to provide for the payment in full, of all dividends stated to be payable on or before

the relevant dividend payment date on the cumulative preference shares (and any arrears of dividends thereon), are insufficient to cover the payment in full of dividends on that series of dollar preference shares and dividends on any of our other preference shares stated to be payable on the same date as the dividends on that series and ranking equally as to dividends with the dollar preference shares of that series (including the payment in full of any arrears of dividends on any equally ranking cumulative preference shares then in issue). The UK Companies Act 1985 defines "distributable profits" as, in general terms, and subject to adjustment, accumulated realized profits less accumulated realized losses.

Unless the applicable prospectus supplement states otherwise, if dividends are to be paid but our distributable profits are, in the opinion of the board of directors, insufficient to enable payment in full of dividends on any series of dollar preference shares on any dividend payment date and also the payment in full of all other dividends stated to be payable on such date on any other non-cumulative preference shares and any other share capital (other than the cumulative preference shares) expressed to rank *pari passu* therewith as regards participation in profits, after payment in full, or the setting aside of a sum to cover the payment in full, of all dividends stated to be payable on or before such date on any cumulative preference share, then the board of directors shall (subject always to sub-clauses (i) and (ii) of the preceding paragraph) declare and pay dividends to the extent of the available distributable profits on a pro rata basis so that (subject as aforesaid) the amount of dividends declared per share on the dollar preference shares of the series and the dividends stated to be payable on such date on any other non-cumulative preference shares and any other share capital (other than the cumulative preference shares) expressed to rank *pari passu* therewith will bear to each other the same ratio that accrued dividends per share on the dollar preference shares of the series and other non-cumulative preference shares and any other share capital (other than cumulative preference shares), bear to each other. If any dividend or part of a dividend on any series of dollar preference shares is not payable for the reasons described above, the board of directors may, if applicable law permits, pay a special non-cumulative preferential dividend on the series of dollar preference shares at a rate not exceeding one US cent per share. However, under our articles of association, no dividend shall be payable in contravention of the special rights attaching to any of our shares.

Dividends on the cumulative preference shares, including any arrears, are payable in priority to any dividends on any series of dollar preference shares, and as a result, we may not pay any dividend on any series of dollar preference shares unless we have declared and paid in full dividends on the cumulative preference shares, including any arrears.

If we have not declared and paid in full the dividend stated to be payable on any series of dollar preference shares on the most recent dividend payment date, or if we have not set aside a sum to provide for payment in full, in either case for the reasons set out in sub-clause (ii) of the second paragraph of this section, we may not declare or pay any dividends upon any of our other share capital (other than the cumulative preference shares) and we may not set aside any sum to pay such dividends, unless, on the date of declaration, we set aside an amount equal to the dividend for the then-current dividend period payable on that series of dollar preference shares to provide for the payment in full of the dividend on that series of dollar preference shares on the next dividend payment date. If we have not declared and paid in full any dividend payable on any series of dollar preference shares on any dividend payment date, or if we have not set aside a sum to provide for payment in full, in either case for the reasons set out in sub-clause (ii) of the second paragraph of this section, we may not redeem, purchase or otherwise acquire for any consideration any of our other share capital and may not set aside any sum or establish any sinking fund to redeem, purchase or otherwise acquire them, until we have declared and paid in full dividends on that series of dollar preference shares in respect of successive dividend periods singly or together aggregating no less than 12 months.

In addition, if we have not declared and paid in full the dividend stated to be payable on any other series of dollar preference shares, or on any of our non-cumulative preference shares, or if we have not set aside a sum to provide for payment in full, in either case for the reasons set out in sub-clause (ii) of the second paragraph of this section, then:

- we may not declare or pay dividends on that series of dollar preference shares, and we may not set aside any sum for payment of such dividends, unless, on the declaration date, we set aside an amount equal to the dividend on that other series of non-cumulative dollar preference shares or other non-cumulative preference shares for the then-current dividend period for payment in full on the next applicable dividend payment date; and

- we may not redeem, repurchase or otherwise acquire any dollar preference shares of that series, and we may not set aside any sum nor establish any sinking fund therefor, until such time as we have declared and paid in full dividends on that other series of non-cumulative dollar preference shares or other non-cumulative preference shares in respect of successive dividend periods singly or together aggregating no less than 12 months.

To the extent that any dividend on any dollar preference share to which sub-clause (i) of the second paragraph of this section applies is, on any occasion, not declared and paid by reason of the exercise of the directors' discretion referred to in sub-clause (i) of the second paragraph of this section, holders of such dollar preference shares shall have no claim in respect of such non-payment. In addition, such non-payment shall not prevent or restrict (a) the declaration and payment of dividends on any other series of dollar preference shares or on any of our non-cumulative preference shares expressed to rank *pari passu* with our dollar preference shares, (b) the setting aside of sums for the payment of dividends referred to in (a), (c) except as set forth in the following paragraph, the redemption, purchase or other acquisition of our shares by us, or (d) except as set forth in the following paragraph, the setting aside of sums, or the establishment of sinking funds, for any such redemption, purchase or other acquisition by us.

If we have not declared and paid in full the dividend stated to be payable on any series of dollar preference shares as a result of the directors' discretion referred to in sub-clause (i) of the second paragraph of this section, then we may not redeem, purchase or otherwise acquire for any consideration any of our share capital ranking after such dollar preference shares, and may not set aside any sum nor establish any sinking fund for the redemption, purchase or other acquisition thereof, until such time as we have declared and paid in full dividends on such series of dollar preference shares in respect of successive dividend periods singly or together aggregating no less than 12 months. In addition, no dividend may be declared or paid on any of our share capital ranking after such dollar preference shares as to dividends until such time as the dividend stated to be payable on the dollar preference shares to which the discretion in sub-clause (i) of the second paragraph of this section applies in respect of a dividend period has thereafter been declared and paid in full.

No series of dollar preference shares shall be treated as ranking after any other series of preference shares with which it is expressed to rank *pari passu* as regards participation in profits, by reason only of the directors' discretion referred to in sub-clause (i) of the second paragraph of this section, or any dividend on that series not being paid by virtue of such discretion.

Dividends on the dollar preference shares of any series will be non-cumulative. If the board of directors does not pay a dividend or any part of a dividend when due on a dividend payment date in respect of any series of dollar preference shares because it is not required to do so, then holders of dollar preference shares of the applicable series will have no claim in respect of the non-payment and we will have no obligation to pay the dividend accrued for the dividend period or to pay any interest on the dividend, whether or not dividends on the dollar preference shares of the series are declared for any future dividend period. The holders of the dollar preference shares of any series will have no right to participate in our profits.

Any dividend which has remained unclaimed for 12 years from the date when it became due shall, if the board of directors so resolves, be forfeited and shall revert to us.

We will calculate the amount of dividends payable on the dollar preference shares of any series for each dividend period using the method determined by the board of directors before the shares are issued, except for any dividend period shorter than a full dividend period, for which the amount of dividend payable will be calculated on the basis of 12 30-day months, a 360-day year and the actual number of days elapsed in the period.

Dividends declared on the dollar preference shares of any series will be payable to the ADR depository or the record holders as they appear on the register on the appropriate record dates, which will be the number of days before the relevant dividend payment dates that the board of directors determines before the allotment of the particular series. If applicable fiscal or other laws and regulations permit, each payment will be made, in the case of dollar preference shares of any series in bearer form, by dollar check drawn on, or by transfer to a dollar account maintained by the payee with, a bank in London or in The City of New York or, in the case of

19

dollar preference shares of any series in registered form, by dollar check drawn on a bank in London or in The City of New York and mailed to the record holder at the holder's address as it appears on the register for the dollar preference shares. If any date on which dividends are payable on the dollar preference shares of any series is not a business day, then we will pay the dividend on the next business day, without any interest or other payment in respect of the delay, unless it falls in the next calendar month, in which case we will make the payment on the preceding business day. A "business day" is any day on which banks are open for business, and foreign exchange dealings may be conducted, in London and The City of New York.

Liquidation Rights

If we are wound up or liquidated, whether or not voluntarily, the holders of the dollar preference shares of each series will be entitled to receive out of our surplus assets available for distribution to shareholders, after payment of arrears (if any) of dividends on the cumulative preference shares up to the date of payment, equally with our cumulative preference shares, any other series of non-cumulative preference shares then outstanding, and all of our other shares ranking equally with that series of dollar preference shares as regards participation in our surplus assets, a distribution in US dollars per dollar preference share equal to the liquidation value per share, together with an amount equal to dividends for the then current dividend period accrued to the date of payment, before any distribution or payment may be made to holders of our ordinary shares or any other class of our shares ranking after the dollar preference shares of that series. If the assets available for distribution are insufficient to pay in full the amounts payable with respect to the dollar preference shares of that series and any of our other preference shares ranking equally as to any such distribution with those dollar preference shares, the holders of those dollar preference shares and other preference shares will share ratably in any distribution of our surplus assets in proportion to the full respective preferential amounts to which they are entitled. After payment of the full amount of the liquidation distribution to which they are entitled, the holders of the dollar preference shares will have no right or claim to any of our surplus assets and will not be entitled to any further participation in surplus assets. If the holders of the dollar preference shares are entitled to any recovery with respect to the dollar preference shares in any winding up or liquidation, they might not be entitled in such proceedings to a recovery in US dollars and might be entitled only to a recovery in pounds sterling.

Optional Redemption

Unless the relevant prospectus supplement specifies otherwise, we may redeem the dollar preference shares of each series, at our option, in whole or in part from time to time, on any date later than five years after they are issued, in accordance with the notice period and at the redemption prices set forth in the prospectus supplement plus the dividends otherwise payable for the then-current dividend period accrued to the redemption date.

Each notice of redemption will specify:

- the redemption date;
- the particular dollar preference shares of the series to be redeemed;

- the redemption price, specifying the amount of the accrued but unpaid dividend per share to be included and stating that dividends shall cease to accrue on redemption; and
- the place or places where holders may surrender documents of title and obtain payment of the redemption price.

Our Articles of Association provide that no defect in the notice of redemption or in the giving of the notice will affect the validity of the redemption proceedings.

If fewer than all of the outstanding dollar preference shares of a series are to be redeemed, our Articles of Association provide that, for the purposes of determining the particular dollar preference shares to be redeemed, we shall cause a drawing to be made in the presence of our independent auditors.

If certain limitations contained in the Articles of Association, the special rights of any of our shares, and the provisions of applicable law permit, we may, at any time or from time to time, purchase outstanding dollar

preference shares of any series by tender, available to all holders of those dollar preference shares, in the open market, or by private agreement, in each case upon the terms and conditions that the board of directors shall determine. Any dollar preference shares of any series that we purchase for our own account will pursuant to applicable law be treated as cancelled and will no longer be issued and outstanding.

Under existing UK Financial Services Authority requirements, we may not redeem or purchase any dollar preference shares unless the UK Financial Services Authority consents in advance. The UK Financial Services Authority may impose conditions on any redemption or purchase.

Voting Rights

The holders of the dollar preference shares of any series will not be entitled to receive notice of, attend or vote at any general meeting of our shareholders except as provided by applicable law or as described below.

If any resolution is proposed for adoption by our shareholders varying or abrogating any of the rights attaching to the dollar preference shares of a particular series or proposing that we be wound up, the holders of the outstanding dollar preference shares will be entitled to receive notice of and to attend the general meeting of shareholders at which the resolution is to be proposed and will be entitled to speak and vote on that resolution, but not on any other resolution. In addition, if, before any general meeting of shareholders, we have failed to pay in full the dividend payable on the dollar preference shares of a particular series for a number of dividend periods specified in the relevant prospectus supplement, the holders of the dollar preference shares of that series shall be entitled to receive notice of, attend, speak and vote at that meeting on all matters. In these circumstances only, the rights of the holders of dollar preference shares of that series to vote shall continue until we have resumed the payment in full of dividends on the dollar preference shares of that series for the number of dividend periods specified in the prospectus supplement. Holders of any series of dollar preference shares shall be entitled to receive notice of, attend, speak and vote at general meetings in other circumstances if the board of directors determines, as specified in the prospectus supplement.

Whenever holders of dollar preference shares are entitled to vote at a general meeting of shareholders, on a show of hands each holder present in person shall have one vote and on a poll each holder present in person or by proxy shall have the number of votes for each dollar preference share of the relevant series that the board of directors determines, as specified in the relevant prospectus supplement.

Our Articles of Association provide that all resolutions shall be decided on a show of hands unless, either before or on the declaration of the result of the vote taken on a show of hands, a poll is demanded by:

- the chairman of the meeting;
- not less than three shareholders present in person or by proxy;
- the ADR depository;
- a shareholder or shareholders, including holders of any series of dollar preference shares entitled to vote on the resolution, present in person or by proxy who represent at least 10% of the total voting rights of all shareholders entitled to vote on the resolution; or
- a shareholder or shareholders present in person or by proxy and holding shares conferring a right to vote at the meeting on which an aggregate sum has been paid up equal to not less than 10% of the total sum paid up on all shares conferring that right.

The holders, including holders of any series of dollar preference shares at a time when they have voting rights as a result of our having failed to pay dividends on the series for the number of dividend periods specified in the applicable prospectus supplement, of not less than 10% of the paid up capital that at the relevant date carries the right of voting at our general meetings are entitled to require our board of directors to convene an extraordinary general meeting. In addition, the holders of any series of dollar preference shares may have the right to vote separately as a class in certain circumstances as described below under the heading "[Variation of Rights]".

At December 31, 2004, we had approximately 3,173 million ordinary shares outstanding. The dollar preference shares of any series will not limit our ability to issue additional ordinary shares.

Form and Denomination

The dollar preference shares of any series will, when issued, be fully paid and, as such, will not be subject to a call for any additional payment. For each dollar preference share of each series issued, an amount equal to its nominal value will be credited to our issued share capital account and an amount equal to the difference between its issue price and its nominal value will be credited to our share premium account.

The dollar preference shares of each series will be represented by a single certificate. If in registered form, the certificate will be issued to the ADR depository and if in bearer form the certificate will be deposited with the ADR depository under the ADR deposit agreement. We may consider the ADR depository one holder of any series of dollar preference shares so deposited for all purposes. Unless the relevant prospectus supplement specifies otherwise, dollar preference shares of any series withdrawn from deposit under the ADR deposit agreement will be evidenced by share certificates in registered form without dividend coupons. If an ADR holder elects to receive share certificates in registered form, the share certificates will be delivered at the time of withdrawal. Unless the prospectus supplement specifies otherwise, the dollar preference shares of any series may not be withdrawn from deposit in bearer form.

Title to dollar preference shares of any series in registered form will pass by transfer and registration on the register for the dollar preference shares of the series. Title to dollar preference shares of any series in bearer form, or to any dividend coupons appertaining to them, will pass by delivery of the relevant bearer share

warrants or dividend coupon
