**A PURPORTED CLASS ACTION AGAINST THE COMPANY WAS REMITTED FOR  
CONSIDERATION TO THE DISTRICT COURT OF TEL AVIV-JAFFA**

**Netanya, Israel– July 19, 2007**

While the Company has not issued any report concerning the development set forth below, the Company's controlling shareholder will provide an immediate report about this development under its Israeli reporting requirements and, consequently, the Company is filing this Form 6-K.

Pursuant to an appeal of the Tel Aviv-Jaffa District Court's June 2004 decision to deny a purported class action lawsuit filed against Cellcom Israel Ltd. (the "Company") in August 2001 by one of the Company's subscribers, in connection with the Company's outgoing call tariffs for the "Talkman" (pre-paid) plan and the collection of a distribution fee for "Talkman" calling cards, the Israeli Supreme Court granted, on July 10, 2007, a petition filed by both parties by mutual consent, in light of the Israeli Class Actions Law, 2006, to remit the purported class action lawsuit for consideration in the District Court of Tel Aviv-Jaffa.

If the lawsuit is certified as a class action, the amount claimed is NIS 135 million, as at the filing date of the lawsuit. The Company believes that it has good defense against the certification of the lawsuit as a class action.

**About Cellcom Israel**

Cellcom Israel Ltd., established in 1994, is the leading Israeli cellular provider; Cellcom Israel provides its 2.928 million subscribers (as at March 2007) with a broad range of value added services including cellular and landline telephony, roaming services for tourists in Israel and for its subscribers abroad and additional services in the areas of music, video, mobile office etc., based on Cellcom Israel's technologically advanced infrastructure. Cellcom Israel operates an HSDPA 3.5 Generation network enabling the fastest high speed content transmission available in the world, in addition to GSM/GPRS/EDGE and TDMA networks. Cellcom Israel offers Israel's broadest and largest customer service infrastructure including telephone customer service centers, retail stores, and service and sale centers, distributed nationwide. Through its broad customer service network Cellcom Israel offers its customers technical support, account information, direct to the door parcel services, internet and fax services, dedicated centers for the hearing impaired etc. In April 2006 Cellcom Fixed Line Communications L.P., a limited partnership wholly-owned by Cellcom Israel, became the first cellular operator to be granted a special general license for the provision of landline telephone communication services in Israel, in addition to data communication services.
