Proxy Statement

GENERAL

This proxy statement (first mailed to shareholders on or about April 24, 2006) is furnished in connection with the solicitation of proxies by Westwood One, Inc., a Delaware corporation (the Company or Westwood), for use at the Annual Meeting of Shareholders of the Company to be held on May 16, 2006 at 10:00 a.m., Pacific Time, in the Dayton Meeting Room of The Beverly Hilton, 9876 Wilshire Boulevard, Beverly Hills, CA 90210, and any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The Company's Annual Report on Form 10-K for the year ended December 31, 2005, including consolidated financial statements and other information, accompanies this Proxy Statement but does not form a part of the proxy soliciting material.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting of Shareholders accompanying this proxy statement, including the election of directors, the ratification of the selection of the Company's independent auditors and such other business as may properly come before the meeting. In addition, management will report on the performance of the Company during 2005 and respond to questions from shareholders.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on April 14, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the meeting, or any postponements or adjournments of the meeting. As of the record date, there were 86,262,901 shares of Common Stock of the Company (Common Stock) outstanding, excluding treasury shares, and 291,796 shares of Class B Stock of the Company (Class B Stock) outstanding.

What are the voting rights of holders of the Company's Common Stock and Class B Stock?

Under the Company's certificate of incorporation, each holder of outstanding Common Stock is entitled to cast one (1) vote for each share of Common Stock held by such holder and each holder of Class B Stock is entitled to cast fifty (50) votes for each share of Class B Stock held by such holder. Only the Common Stock is publicly traded.

Who can attend the meeting?

All shareholders as of the record date, or their duly appointed proxies, may attend the meeting. If you attend, please note that cameras, recording devices and other electronic devices will not be permitted at the meeting.

Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date in order to gain entrance.

Table of Contents

What constitutes a quorum?

With respect to the election of the directors to be elected by the holders of the Common Stock voting alone, the presence at the meeting, in person or by proxy, of the holders of at least one-third of the shares of Common Stock outstanding on the record date and the presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the Common Stock and the Class B Stock outstanding on the record date will constitute a quorum, permitting the holders of Common Stock to take action on that matter. With respect to all other matters to be voted on at the meeting, the presence at the meeting, in person or by proxy, of the holders of a majority of the aggregate voting power of the Common Stock and the Class B Stock outstanding on the record date will constitute a quorum, permitting the shareholders to take action on those matters.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum.

How do I vote?

If you complete and properly sign and date the accompanying proxy card and return it to the Company, it will be voted as you direct. If you are a registered shareholder and attend the meeting, you may deliver your completed proxy card in person. Street name shareholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with the Secretary of the Company either a notice of revocation or a duly executed proxy bearing a later date. In addition, the powers of the proxy holders will be suspended if you attend the meeting in person and vote, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors of the Company (the Board or the Board of Directors). The Board's recommendation is set forth together with the description of each item in this proxy statement. In summary, the Board recommends a vote:

FOR the election of the nominated directors; and

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent auditors for fiscal 2006.

Management is not aware of any matters, other than those specified above, that will be presented for action at the annual meeting, but if any other matters do properly come before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, at their discretion.

What vote is required to approve each item?

With respect to each matter to be voted on, the affirmative vote of a majority of the votes entitled to be cast and represented in person or by proxy at the meeting will be required to approve each such matter. Other than with respect to the election of Messrs. Dennis, Carnesale and Little, the Common Stock and the Class B Stock vote together as a class on all matters proposed. With respect to the election of Messrs. Dennis, Carnesale and Little, the Common Stock votes separately as a class and the Class B Stock does not vote. A properly executed proxy marked **WITHHOLD AUTHORITY** with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. A properly executed proxy marked **ABSTAIN** with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Table of Contents

If you hold your shares in street name through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some or all of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes will, however, be counted in determining whether there is a quorum.

What is beneficial ownership?

Beneficial ownership has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act). Under Rule 13d-3, certain shares may be deemed to be beneficially owned by more than one person (such as where persons share voting power or investment power). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage of ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of such acquisition rights. As a result, the percentage of outstanding shares of any person as shown in the following table does not necessarily reflect the person's actual voting power at any particular date.

How much stock do the Company's largest shareholders and directors and executive officers own?

The following table shows the amount of the Common Stock and Class B Stock beneficially owned (unless otherwise indicated) by our largest shareholders (those who own more than 5% of the outstanding class of shares), our directors, the current executive officers named in the Executive Compensation Summary Table below and those directors and executive officers as a group. Except as otherwise indicated, all information is as of April 14, 2006. At April 14, 2006, there were 86,262,901 shares of Common Stock outstanding and 291,796 shares of Class B Stock outstanding.

Table of Contents

How is the Board of Directors structured and what are their terms?

The Board of Directors is divided into three classes (Class I, II, and III), each class serving for three-year terms, which terms are staggered. The Board of Directors currently is comprised of eleven individuals. Only one class of directors is elected at each annual meeting. The Company's certificate of incorporation provides that at least 3~~3~~³ % of directors must be independent outside directors. Such independent directors are elected by holders of Common Stock voting alone as a class. Pursuant to the Company's certificate of incorporation, holders of Common Stock, voting alone, have the right to elect 20% of the Board of Directors, which is currently three directors. The independent directors will be elected each year, as set forth below. The remaining members of the Board are elected by all shareholders voting together as a single class.

How many Board members are Independent under the listing standards of the New York Stock Exchange?

Pursuant to our Corporate Governance Guidelines, a copy of which is available on our website (www.westwoodone.com under the caption "Investor Relations"), the Board of Directors is required to affirmatively determine that a majority of the directors is independent under the listing standards of the New York Stock Exchange (the "NYSE"). In accordance with the Guidelines, the Board of Directors undertakes an annual review of director independence. During this review, the Board considers all transactions and relationships between each director or any member of his immediate family and the Company and its affiliates. The purpose of this review is to determine whether any such relationships or transactions is considered a "material relationship" that would be inconsistent with a determination that a director is independent. The Board has not adopted any "categorical standards" for assessing independence, preferring instead to consider and disclose existing relationships with the non-management directors and the Company. The Board observes all criteria for independence established by the NYSE and other governing laws and regulations.

As a result of this review, the Board of Directors affirmatively determined that six directors are independent under the listing standards of the NYSE. The independent directors are Messrs. Carnesale, Dennis, Greenberg, Holt, Little and Smith. In determining that these six directors are independent, the Board reviewed the NYSE corporate governance rules and also determined that the following relationship is not a material relationship and therefore does not affect the independence determination: Mr. Holt has been the Chairman, Chief Executive Officer and owner (along with his spouse) of U.S. International Media LLC and Chairman, Chief Executive Officer and owner (along with his spouse) of Patriot Communications LLC, which purchased approximately \$724,453 and \$222,190, respectively, of advertising time from the Company on behalf of its clients for 2005. The Board determined that this relationship is not material based upon the fact that the value of the advertising time purchased is immaterial financially to the Company, on the one hand, and U.S. International Media LLC and Patriot Communications LLC (either combined or separately), on the other hand.

How does the Board select nominees for the Board?

The Nominating and Governance Committee, which consists solely of independent directors, considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. A shareholder who wishes to recommend a prospective nominee for the Board should notify the Company's Secretary or any member of the Nominating and Governance Committee in writing and include supporting materials the shareholder considers relevant to the potential candidate's qualifications.

Once a prospective nominee has been identified, the Nominating and Governance Committee, either with or without Board input, determines whether to conduct a full evaluation of the candidate. The preliminary determination is primarily based on the need for additional Board members to fill vacancies or to expand the size of the Board as well as a result of its review of the composition of the Board in light of the characteristics of independence, diversity, age, skills, experience, availability of service to Westwood One and other Board needs, including but not limited to audit committee financial expertise. After completing their evaluation, the Nominating and Governance Committee makes a recommendation to the full Board as to who should be nominated and the Board determines the nominee.

Messrs. Hollander, Berger and Kosann are officers and/or employees of CBS Radio, which beneficially owns 18.5% of the Common Stock of the Company. CBS Radio manages the business and operations of the Company pursuant to the terms of a Management Agreement (Management Agreement). Through the Management Agreement, CBS Radio currently provides to the Company the services of a chief executive officer and a chief financial officer. The Management Agreement was entered into in March 1999 and was subsequently amended to, among other things, extend the Management Agreement until March 31, 2009. Pursuant to the Management Agreement, the Company is obligated to pay to CBS Radio an annual base fee (which base fee is \$3,000,000, effective April 1, 2004) subject to an annual increase by a percentage amount equal to the increase based on a specified consumer price index. The expense associated with the Management Agreement in 2005 was \$2,853,000.

In addition, the Company pays to CBS Radio incentive bonus compensation in an amount equal to 10% of the amount by which the Company's operating cash flow exceeds a target amount for the applicable year, subject to certain adjustments. The Company must also reimburse CBS Radio for certain out-of-pocket expenses incurred by CBS Radio in performing the services contemplated by the Management Agreement consistent with past practice. CBS Radio did not earn an incentive bonus in fiscal 2005 as targeted cash flow levels were not achieved. As additional compensation to CBS Radio under the Management Agreement, CBS Radio was granted seven warrants to purchase an aggregate 4,500,000 shares of the Company's Common Stock (comprised of two warrants to purchase 1,000,000 Common Stock shares per warrant and five warrants to purchase 500,000 Common Stock shares per warrant). Of the seven warrants issued, the two one million share warrants have an exercise price of \$43.11 and \$48.36, respectively, and become exercisable if (A) if the average price of the Company's Common Stock reaches a price of \$64.67 and \$77.38, respectively, for at least 20 out of 30 consecutive trading days for any period throughout the ten year term of the warrants or (B) upon the termination of the Management Agreement by the Company in certain circumstances as described in the terms of such warrants.

The exercise price for each of the five remaining warrants is equal to \$38.87, \$44.70, \$51.40, \$59.11 and \$67.98, respectively. These warrants each have a term of 10 years and become exercisable on January 2, 2005, 2006, 2007, 2008, and 2009, respectively, subject to a trading price condition. The trading price condition specifies the average price of the Company's Common Stock for each of the 15 trading days prior to January 2 of the applicable year (commencing on January 2, 2005 with respect to the first 500,000 warrant tranche and each January 2 thereafter for each of the remaining four warrants) must be at least equal to both the exercise price of the warrant and 120% of the corresponding prior year 15 day trading average. In the case of the \$38.87 warrants, the Company's average stock price for the 15 trading days prior to January 2, 2005 must have equalled or exceeded \$40.66 for the warrants to have become exercisable. The average stock price for the 15 trading days prior to January 2, 2005 did not equal or exceed \$40.66, and therefore, the first of the five warrants to purchase 500,000 common shares did not become exercisable and is no longer eligible to become exercisable. In the case of the \$44.70 warrants, the Company's average stock price for the 15 trading days prior to January 2, 2006 must have equalled or exceeded \$31.37 for the warrants to have become exercisable. The Company's stock did not equal or exceed \$31.37 for the 15 trading days prior to January 2, 2006 and, therefore, the second of the five warrants to purchase 500,000 common shares did not become exercisable and is no longer eligible to become exercisable.

The Company and CBS Radio also have entered into a registration rights agreement with respect to the shares of Common Stock issuable upon exercise of the warrants pursuant to which the Company granted to CBS Radio specified demand and registration rights.

The Management Agreement provides that all transactions (other than the Management Agreement and Representation Agreement (as described below) to operate the CBS Radio Networks which were ratified by the Company's shareholders) between the Company and CBS Radio or its affiliates will be on a basis that is at least as favorable to the Company as if the transaction were entered into with an independent third party. In addition, subject to specified exceptions, all agreements between the Company and CBS Radio or any of its affiliates must be approved by the Company's Board of Directors.

The Company has a Representation Agreement with CBS Radio to operate the CBS Radio Networks until March 31, 2009. The Company retains all revenue and is responsible for all expenses of the CBS Radio Networks. In

addition, a number of CBS Radio's radio stations are affiliated with the Company's radio networks and the Company

purchases several programs from CBS Radio. During 2005, the Company incurred expenses aggregating approximately \$78,388,000 under the Representation Agreement and for CBS Radio affiliations and programs.

Mr. Lerman has been a member of the Washington, D.C. law firm of Leventhal, Senter and Lerman, PLLC since 1986. From time to time, the Company engages Leventhal, Senter and Lerman, PLLC in certain matters. The fees associated with those engagements aggregated approximately \$17,000 in 2005. In addition, Leventhal, Senter and Lerman PLLC provides services to CBS Radio and Mr. Lerman serves as CBS Radio's General Counsel.

Mr. Holt has been the Chairman and Chief Executive Officer of U.S. International Media LLC since March 2004 and the Chairman and Chief Executive Officer of Patriot Communications LLC since March 1999. Mr. Holt, along with his spouse, owns 100% of Patriot Communications LLC and U.S. International Media LLC. U.S. International Media LLC is a media buying service that purchased approximately \$724,453 of advertising time from the Company on behalf of its clients for 2005. Patriot Communications LLC is a provider of telecommunications services that purchased approximately \$222,190 of advertising time from the Company on behalf of its clients for 2005.

Mr. Berger, who was elected as a director on April 4, 2006, was previously the Executive Vice President, Chief Financial Officer of Emmis Communications Corporation, an operator of radio and television stations throughout the United States. Many of the radio stations owned by Emmis broadcast programming produced by the Company. During 2005, the Company paid Emmis owned stations approximately \$513,317 pursuant to the terms of the stations affiliation agreements with the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and more than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from its directors and executive officers, the Company believes that during 2005 its executive officers, directors and more than ten percent beneficial owners complied with all SEC filing requirements applicable to them.

Report of the Audit Committee

The Audit Committee operates pursuant to its Charter, which was revised and approved by the Board of Directors and is available on the Company's website (www.westwoodone.com). The Charter, which complies with applicable SEC regulations, and NYSE rules, addresses five broad areas of responsibility of the Audit Committee:

- 1) Reviewing and discussing the preparation of quarterly and annual financial reports with the Company's management and its independent auditors;
- 2) Supervising the relationship between the Company and its independent auditors, including discussing the matters required by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees (SAS 61) and PCAOB Auditing Standard No. 2 An Audit of Internal Control Over Financial Reporting Performed in Conjunction with an Audit of Financial Statements (PCAOB 2) with its independent auditors, evaluating the independence of the auditors in accordance with Independence Standards Board Standard No. 1, as amended Independence Discussions with Audit Committees, and recommending their appointment or removal and reviewing the scope of their audit and non-audit services and related fees;
- 3) Overseeing management's implementation of effective systems of internal controls;
- 4) Reviewing and approving the internal corporate audit staff functions; and
- 5) Reviewing and investigating any matters pertaining to the integrity of management, including conflicts of interest, or adherence to standards of business conduct.

Table of Contents

The Audit Committee has reviewed and discussed, with both management and its independent auditors all financial statements prior to their filing with the SEC. Management advised the Audit Committee in each case that all financial statements were prepared in accordance with generally accepted accounting principles, and reviewed significant issues with the Audit Committee. The Audit Committee also held discussions with the Company's independent auditors concerning the matters required to be discussed by SAS 61, PCAOB 2 and other PCAOB and SEC regulations as such may be modified or supplemented.

The Audit Committee appointed PricewaterhouseCoopers LLP (PWC) as the Company's independent auditors for the year ended December 31, 2006 and reviewed with the Company's financial managers, the independent auditors and the director of internal audit, PWC's overall audit scopes and plans.

The Audit Committee also discussed with PWC their independence and received from PWC the written disclosures and the letter from PWC required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). In addition, the Audit Committee pre-approved PWC's audit and audit related fees and has determined that the provision of non-audit services by PWC is compatible with maintaining their independence.

The Audit Committee also has discussed with the Company's independent auditors, with and without management present, their recommendations regarding the Company's internal accounting controls and the overall quality of the Company's financial reporting and disclosures.

The Audit Committee frequently met in private session separately with the senior members of the Company, the Company's director of internal audit, the Company's General Counsel and the Company's independent auditors. Based on its reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that it approve the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 filed with the SEC. The Audit Committee also recommended to the Board the approval of the Company's independent auditors for the year ending December 31, 2006.

Fees to Independent Auditors

The following table presents fees for professional services rendered by PWC for the audit of the Company's financial statements for fiscal years 2005 and 2004 as well as fees billed for audit-related services, tax services and all other services rendered by PWC for 2005 and 2004.

	2005	2004
(in thousands)		
(1) Audit Fees	\$600	\$830
(2) Audit-Related Fees (a)		35
(3) Tax Fees		
(4) All Other Fees		

- (a) Such services included employee benefit plan audits, audits required by state municipalities, internal control reviews and consultations regarding financial accounting and reporting standards.

As discussed above, all audit-related services were approved by the Audit Committee, which concluded that the provision of such services by PWC did not impair that firm's independence in the conduct of the audit.

Audit Committee Pre-Approval Policies and Procedures

All services provided to the Company by PWC in 2005 were pre-approved by the Audit Committee. Under the Company's pre-approval policies and procedures, the Chair of the Audit Committee is authorized to pre-approve the engagement of PWC to provide certain specified audit and non-audit services, and the engagement of any accounting firm to provide certain specified audit services.

EXECUTIVE COMPENSATION

Report of the Compensation Committee

What are the duties and responsibilities of the Compensation Committee in establishing compensation?

The Compensation Committee has the following responsibilities pursuant to its Charter (a copy of which is available on the Company's website at www.westwoodone.com):

- Establish, oversee and recommend to the Board the implementation of overall compensation policies for senior executive officers as well as for compensation provided to officers pursuant to the Management Agreement and the Chairman of the Board;
- Review and approve corporate goals and objectives relative to the compensation of senior executive officers;
- Review the results of and procedures for the evaluation of other executive officers by the Chief Executive Officer;
- At the direction of the Board, establish compensation for the Company's non-employee directors; and
- Oversee the administration of all qualified and non-qualified employee compensation and benefit plans, including stock incentive plans.

Each of the members of the Compensation Committee is independent with the meaning of the Company's Corporate Governance Guidelines and the listing standards of the NYSE.

In carrying out its responsibilities, the Compensation Committee is authorized to engage outside advisors to consult with the Committee as it deems appropriate.

What are the objectives of the Company's executive compensation policy?

The objective of the Company's executive compensation policy is to attract, retain and motivate management in a manner that is in the best interests of the Company's shareholders. To meet that objective, compensation for senior executive officers and other management is comprised of three components: a base salary, an annual incentive bonus and periodic grants of equity-based awards. The Compensation Committee believes the granting of equity-based awards more closely aligns the interest of executives and management to the interests of the Company's shareholders.

Tax Deductibility Under Section 162(M). Current U.S. tax law has a \$1,000,000 annual tax deduction limit on compensation the Company pays to the Chief Executive Officer (CEO) and the four other most highly compensated executive officers. The limit does not apply to performance-based compensation (as defined under the Internal Revenue Code of 1986, as amended and related regulations (the Code)). In general, compensation is performance-based only if payment is contingent upon attainment of pre-established objective performance goals that are set by the Compensation Committee. The Compensation Committee may use its discretion to set actual compensation below the maximum amount calculated by application of the Company performance criteria. The Committee's general policy is to structure compensation programs that allow the Company to fully deduct the compensation under Section 162(M) requirements. The Compensation Committee also believes that the Company needs flexibility to meet its incentive and retention objectives, even if the Company may not deduct all of the compensation.

How is the compensation of the Company's Chief Executive Officer determined?

The services of the Company's CEO are provided by CBS Radio pursuant to the terms of the Management Agreement, which was approved by the Company's shareholders. In consultation with CBS Radio, the Compensation Committee determines the base salary and incentive bonus payable to the CEO. Additionally, the Compensation Committee determines the size and frequency of any stock-based compensation provided to the CEO. In making that determination, the Compensation Committee considered past practices, experience and the Company's overall financial performance.

Table of Contents

How were the base salaries, bonuses and levels of stock option grants determined for the Chairman of the Board and other executive officers?

Compensation for the Chairman of the Board

Mr. Pattiz, in his role as Chairman of the Board of Westwood, has continued to emphasize the Company's values and assist the Company in its endeavors throughout 2005. The Board is pleased with Mr. Pattiz's leadership, and accordingly, in 2003 the Compensation Committee together with the full Board extended Mr. Pattiz's existing contract for an additional five (5) years, commencing December 1, 2003 and continuing through November 30, 2008. Mr. Pattiz's base salary is \$400,000 per annum. Pursuant to an amendment to his existing contract, approved by the full Board in November 2005, beginning on December 1, 2005 and on each subsequent December 1 of his term of employment, Mr. Pattiz is entitled to a non-qualified option to purchase 25,000 shares of Common Stock of the Company and 8,333 RSUs, each pursuant to the terms of the 2005 Plan. Prior to such amendment, Mr. Pattiz was entitled to an annual stock option grant to acquire 50,000 shares of Common Stock on December 1st of each contract year; such stock options remain subject to the terms and conditions set forth in the stock option agreements between Mr. Pattiz and the Company, as amended on May 25, 2005. Additionally, for services rendered by Mr. Pattiz in 2005, Mr. Pattiz was awarded 4,167 RSUs and a non-qualified option to purchase 12,500 shares of Common Stock of the Company on December 7, 2005.

Compensation of the Other Executive Officers

Executive officers receive annual compensation (excluding employee benefits), which is comprised of base salary and incentive compensation. Incentive compensation consists of a cash bonus and equity based awards. In awarding compensation, we consider the financial results of the Company and individual managerial performance as well as an individual's performance in achieving strategic business objectives. We believe the compensation of our executives is sufficient to motivate our executives to enable the Company to be competitive to both attract and retain executives, which we believe is critical to the Company's long-term success and the creation of shareholder value.

In determining base salary, we consider an individual's performance, experience and responsibilities. Base salary creates a secure base of cash compensation, which is competitive in the industry. With regard to individual performance, we rely to a large extent on the CEO's evaluation of an individual executive officer's performance. Incentive compensation, consisting of both cash incentives and long-term incentives (equity), reflects overall Company performance and operating group performance, where appropriate. Long-term incentives previously provided in the form of stock options under the 1989 Plan and 1999 Plan vest over a period of five years and if granted under the 2005 Plan, vest over a period of approximately four years. We believe that equity-based compensation, the value of which depends on the Company's future performance and stock price, provides a continuous incentive to executive officers and aligns their interests to our shareholders.

The Compensation Committee

The Compensation Committee consists of the following individuals:

Gerald Greenberg, Chair of the Compensation Committee

David L. Dennis

Joseph B. Smith

Compensation Committee Interlocks and Insider Participation

As stated above, the Company's Compensation Committee is comprised solely of independent outside directors. The Compensation Committee consists of Mr. Greenberg, Mr. Dennis and Mr. Smith. The Company has no interlocking relationships or other transactions involving any of our Compensation Committee members that are required to be reported pursuant to applicable SEC rules.

Mr. Bortnick's agreement provided for an annual salary of \$450,000, \$475,000 and \$500,000, respectively, and a bonus potential of \$325,000, \$350,000, and \$350,000, in 2004, 2005 and 2006, respectively. In addition, the agreement provided additional benefits which are standard for executives in the industry, including participation in the Company's stock option plan. Under the terms of the employment agreement, if the agreement was not renewed, Mr. Bortnick was entitled to a payment equivalent to ninety days' base pay. In connection with his separation from the Company on April 13, 2006, Mr. Bortnick entered into a separation agreement. Pursuant to the terms of the separation agreement, the Company will continue to pay Mr. Bortnick his base salary (\$500,000) through December 31, 2006, in accordance with the Company's current payroll practice, and will pay three months of Mr. Bortnick's COBRA premiums for May to July 2006. In exchange for such compensation, Mr. Bortnick released the Company and all its related parties from any and all future claims relating to his employment at the Company. Mr. Bortnick also ratified and reaffirmed the confidentiality, non-competition and non-solicitation provisions set forth in Sections 8(a) through 8(d) of his employment agreement. Finally, Mr. Bortnick agreed to extend the terms of his non-competition and non-solicitation provisions (set forth in Sections 8(c) and 8(d) of his employment agreement) through April 30, 2008.

The Company has a written employment agreement with Mr. Zaref effective January 1, 2004, pursuant to which Mr. Zaref is to serve as the Chief Financial Officer for a three-year term ending December 31, 2006 at an annual salary of \$350,000, \$375,000 and \$400,000 in 2004, 2005 and 2006, respectively. In addition to his salary Mr. Zaref is eligible for a potential annual bonus of \$150,000, \$175,000 and \$200,000 in 2004, 2005 and 2006, respectively, and stock option grants as determined by the Compensation Committee of the Board of Directors. In addition, the Agreement provides additional benefits standard for executives in the industry. The Agreement is terminable by the Company in the event of death, permanent and total disability or for cause. In the event of a change of control (as defined in his employment agreement), Mr. Zaref shall have 30 days to terminate his employment for good reason. In such event Mr. Zaref would be entitled to the following through the remainder of the term of his employment agreement: (i) his base salary, (ii) his bonus compensation (which bonus compensation would be forfeited if Mr. Zaref secured future employment or engaged in other entrepreneurial or consulting activity); and (iii) medical and dental insurance coverage provided by COBRA. The following table contains information regarding equity compensation plans, and warrants issued to CBS Radio under the Management Agreement, as of December 31, 2005:

Total	11,888,272		9,674,070

- (1) Options included herein were granted or are available for grant as part of the Company's 1989 Plan, 1999 Plan and/or 2005 Plan that were approved by shareholders of the Company. The Compensation Committee of the Board of Directors approves periodic option grants to executive officers and other employees based on their contributions to the operations of the Company. Also, on May 19, 2005, the stockholders of the Company approved the Company's 2005 Plan at the Company's annual meeting of shareholders. Among other things, the 2005 Plan provides for the granting of RSUs of the Company. A maximum of 9,200,000 shares of Common Stock of the Company is authorized for the issuance of awards under the 2005 Plan. Beginning on May 19, 2005, the date of the Company's 2005 annual meeting of shareholders, outside directors automatically receive a grant of RSUs equal to \$100,000 in value on the date of each Company annual meeting of shareholders. Any newly appointed outside director will receive an initial grant of RSUs equal to \$150,000 in value on the date such director is appointed to the Company's Board. Recipients of RSUs are entitled to receive dividend equivalents on the RSUs (subject to vesting) when and if the Company pays a cash dividend on its Common Stock. RSUs awarded to outside directors vest over a three-year period in equal one-third increments on the first, second and third anniversary of the date of the grant, subject to the director's continued service with the Company. Directors' RSUs vest automatically, in full, upon a change in control or upon their retirement, as defined in the 2005 Plan. RSUs are payable to outside directors in shares of the Company's Common Stock. For a more complete description of the provisions of the 2005 Plan, refer to the Company's 2005 proxy statement in

which the 2005 Plan and a summary thereof are included as exhibits, filed with the SEC on April 29, 2005.

- (2) Warrants included herein were granted to CBS Radio in conjunction with the Management Agreement, and were approved by shareholders of the Company on May 29, 2002. Of the seven warrants issued, two warrants to purchase an aggregate of 2,000,000 shares of Common Stock each have an exercise price of \$43.11 and \$48.36, respectively, and become exercisable: (A) if the average price of the Company's Common Stock reaches a price of \$64.67 and \$77.38, respectively, for at least 20 out of 30 consecutive trading days for any period throughout the ten year term of the warrants or (B) upon the termination of the Management Agreement by the Company in certain circumstances as described in the terms of such warrants. Of the remaining five warrants to purchase an aggregate of 2,500,000 shares of Common Stock, the exercise price for each of the five warrants is equal to \$38.87, \$44.70, \$51.40, \$59.11, and \$67.98, respectively. The five warrants have a term of 10 years (only if they become exercisable) and become exercisable on January 2, 2005, 2006, 2007, 2008, and 2009, respectively. However, in order for the warrants to become exercisable, the average price of the Company's Common Stock for each of the 15 trading days prior to January 2 of such year (commencing on January 2, 2005 with respect to

Table of Contents

the first 500,000 warrant tranche and each January 2 thereafter for each of the remaining four warrants) must be at least equal to both the exercise price of the warrant and 120% of the corresponding prior year 15 day trading average. In the case of the \$38.87 warrants, the Company's average stock price for the 15 trading days prior to January 2, 2005 must have equalled or exceeded \$40.66 for the warrants to have become exercisable. The average stock price for the 15 trading days prior to January 2, 2005 did not equal or exceed \$40.66, and therefore, the first of the five warrants to purchase 500,000 common shares did not become exercisable and is no longer eligible to become exercisable. In the case of the \$44.70 warrants, the Company's average stock price for the 15 trading days prior to January 2, 2006 must have equalled or exceeded \$31.37 for the warrants to have become exercisable. The Company's stock did not equal or exceed \$31.37 for the 15 trading days prior to January 2, 2006 and, therefore, the second of the five warrants to purchase 500,000 common shares did not become exercisable and is no longer eligible to become exercisable.

PROPOSAL 1 ELECTION OF DIRECTORS

At the annual meeting, holders of Common Stock, voting alone, will elect the independent Class II directors and holders of Common Stock and Class B Stock, voting together, will elect the other Class II director, for three-year terms, until their successors are elected and qualified. The Board of Directors has nominated David L. Dennis (independent director), Albert Carnesale (independent director), Grant F. Little, III (independent director) and Walter Berger to serve three-year terms ending in 2009. All nominees currently serve as Class II directors of the Company. Unless otherwise indicated on any proxy, the persons named as proxy voters on the enclosed proxy card intend to vote the stock represented by each proxy to elect these nominees. The nominees are willing to serve as directors, but should any or all refuse to or be unable to serve, the named proxy holders will vote for one or more other persons nominated by the Board of Directors.

The election of Messrs. Dennis, Carnesale, Little and Berger will require the affirmative vote of a majority of the votes entitled to be cast and represented in person or by proxy at the meeting. With respect to the election of Mr. Berger, the Common Stock and the Class B Stock vote together as a class. With respect to the election of Messrs. Dennis, Carnesale and Little, the Common Stock votes separately as a class and the Class B Stock will not vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF DAVID L. DENNIS, ALBERT CARNESALE, GRANT F. LITTLE, III AND WALTER BERGER AS CLASS II DIRECTORS.

PROPOSAL 2 SELECTION OF INDEPENDENT ACCOUNTANTS

Action will be taken at the annual meeting to ratify the selection of PricewaterhouseCoopers LLP as independent accountants of the Company for the fiscal year ending December 31, 2006. PricewaterhouseCoopers LLP has been the independent accountants of the Company since 1984. The Company knows of no direct or material indirect financial interest of PricewaterhouseCoopers LLP in the Company or of any connection of that firm with the Company in the capacity of promoter, underwriter, voting trustee, officer or employee. We are asking our shareholders to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board is submitting the selection of PricewaterhouseCoopers LLP to our shareholders for ratification as a matter of good corporate practice.

Representation of Independent Accountants at Annual Meeting

A representative of PricewaterhouseCoopers LLP will be present at the annual meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The affirmative vote of a majority of the Common Stock and Class B Stock, voting together as a single class, represented in person or by proxy at the annual meeting is required to ratify the selection of PricewaterhouseCoopers LLP.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE TO RATIFY THE SELECTION OF PRICEWATERHOUSECOOPERS LLP.

OTHER MATTERS

The Board of Directors does not intend to bring other matters before the meeting except items required to conduct the meeting. In addition, the Company has not received notice from any shareholder of an intent to present a proposal at the meeting. On any matter properly brought before the meeting by the Board or by others, the persons named as proxies in the accompanying proxy, or their substitutes will vote as recommended by the Board of Directors or, if no recommendation is given, at their discretion.

The original solicitation of proxies by mail may be supplemented by telephone, telegram and personal solicitation by officers and other regular employees of the Company, but no additional compensation will be paid on account of these additional activities. MacKenzie Partners has been retained to distribute proxy solicitation materials to brokers, banks and other nominees and to assist in the solicitation of proxies from stockholders.
