**An Important Message From Express Scripts
CAREMARK STOCKHOLDERS
VOTE AGAINST CAREMARK'S MERGER WITH CVS!
Caremark Stockholders Deserve Better**

I. THE CVS MERGER IS FUNDAMENTALLY FLAWED

It is a prime example of a board not working in the best interests of its stockholders:

Pays only a nominal cash consideration through a dividend funded 45.5% by Caremark stockholders

The limited post-closing tender offer provides no guaranteed benefit to Caremark stockholders
Caremark stockholders can only be sure of a full and fair price with an open and fair process.

II. CAREMARK HAS BETTER OPTIONS THAN CVS

Since 1997, Express Scripts has grown 1,595% as opposed to 235% for CVS.*

History shows that vertical PBM mergers destroy value time and time again.

If Caremark stockholders want cash, Caremark can independently pay a \$7.50 dividend or more!

III. THE EXPRESS SCRIPTS OFFER IS BETTER

We believe in the significant value creation of an Express Scripts-Caremark combination.

We offer more value than CVS more cash and a higher-growth stock.

We are ready, willing and able to commence due diligence and to potentially increase our offer.

We will be at the table as soon as Caremark runs an open and fair process.

We believe that we will obtain antitrust approval and close no later than the third quarter.

We believe that you, the stockholders not Caremark's board forced CVS to offer the special dividend.

DON'T LET THE CAREMARK BOARD LEAVE MORE MONEY ON THE TABLE
