GE Interest Plus is an investment in the senior, unsecured corporate debt of the General Electric Capital Corporation. You should note that GE Interest Plus Notes are not a money market fund, which is generally a diversified fund consisting of investments in short-term debt securities of many companies. Unlike bank accounts and certificates of deposit, GE Interest Plus is not an FDIC-insured deposit. GE Interest Plus is not guaranteed under the FDIC's Temporary Liquidity Guarantee Program. It is possible to lose money if GE Capital is unable to pay its debts. Please see the prospectus for important investment information.
