 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01. Other Events

Effective January 1, 2009, Covanta Holding Corporation (the Company) adopted Statement of Financial Accounting Standards (SFAS) No. 160, Noncontrolling Interests in Consolidated Financial Statements an amendment of Accounting Research Bulletin (ARB) No. 51 (SFAS 160) and Financial Accounting Standards Board (FASB) Staff Position (FSP) No. APB 14-1, Accounting for Convertible Debt Instruments That May Be Settled in Cash upon Conversion (Including Partial Cash Settlement) (FSP APB 14-1). These pronouncements required the Company to retrospectively restate previously disclosed audited consolidated financial statements. This Form 8-K is being filed to include the effects of the adoption of these pronouncements on the audited consolidated financial statements of the Company as of December 31, 2008 and 2007 and for each of the years ended December 31, 2008, 2007 and 2006.

The primary effect of the adoption of SFAS 160 is the presentation of minority interests (now called noncontrolling interests in subsidiaries) in the audited consolidated financial statements for all years presented. FSP APB 14-1 was effective for the Company's \$373.8 million aggregate principal amount of 1.00% Senior Convertible Debentures and required retrospective application as of and for the years ended December 31, 2008 and 2007. The FSP requires the issuer of convertible debt instruments with cash settlement features to separately account for the liability (\$276.0 million) and equity components (\$97.8 million) of the instrument. FSP APB 14-1 also requires an accretion of the resultant debt discount over the expected life of the Debentures. The consolidated income statements were retrospectively modified compared to previously reported amounts as follows (in millions, except per share amounts):

	Twelve Months Ended December 31,	
	2008	2007
Additional pre-tax non-cash interest expense	\$ (18.0)	\$ (15.4)
Additional deferred tax benefit	7.7	6.6
Change in net income and retained earnings	\$ (10.3)	\$ (8.8)
Change to basic earnings per share	\$ (0.07)	\$ (0.05)
Change to diluted earnings per share	\$ (0.07)	\$ (0.06)

See Note 2. Recent Accounting Pronouncements of the Notes to the Consolidated Financial Statements in the attached Exhibit for additional details related to the adoption of these pronouncements.

For the convenience of the reader, the following Items of the Company's Annual Report on Form 10-K for the year ended December 31, 2008 (the 2008 10-K) have been amended and restated to give effect to the changes discussed above and are included as exhibits to this 8-K: Item 6. Selected Financial Data; Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and Item 8. Financial Statements and Supplementary Data. The amended and restated Item 6. Selected Financial Data, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and Item 8. Financial Statements and Supplementary Data of the 2008 10-K continue to reflect circumstances as of the date of the initial filing with the Securities and Exchange Commission (the SEC) on March 2, 2009 and the Company has not updated the disclosures contained herein to reflect events that occurred at a later date. The information in this Current Report on Form 8-K should be read in conjunction with the 2008 10-K and any filings made by the Company with the SEC since March 2, 2009.

Item 9.01. Financial Statements and Exhibits.
