PROXY STATEMENT

This Proxy Statement is furnished by the Board of Directors of The New Germany Fund, Inc. (the Board of Directors or Board), a Maryland corporation (the Fund), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the Meeting) to be held at 10:00 a.m., New York time, on June 30, 2009 at the New York Marriott East Side Hotel, 525 Lexington Avenue, New York, New York 10017. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying Proxy Card is executed properly and returned, shares represented by it will be voted at the Meeting, and any postponement or adjournment thereof, in accordance with the instructions on the Proxy Card. However, if no instructions are specified, shares will be voted FOR the election of four (4) directors of the Fund (Directors) nominated by the Board (Proposal 1) and FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP, an independent public accounting firm, as independent auditors for the Fund (Proposal 2). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund, by submitting a subsequently executed and dated proxy or by attending the Meeting and voting in person.

If a stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the Investment Company Act), the Fund may determine that any vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the Investment Company Act, the acquisition of more than 3% of the Fund's common stock by another fund (whether registered, private or offshore) is unlawful. There is legal uncertainty about the operation of Section 12(d)(1) and about the Fund's right under federal and state law to invalidate votes cast by any person whose Fund shares are held in violation of law. The Fund is prepared, if necessary, to seek judicial resolution of the uncertainty in any particular case.

The close of business on May 8, 2009 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 19,207,657.60 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Annual Meeting, this Proxy Statement and the form of Proxy Card will first be mailed to stockholders on or about May 22, 2009.

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. The Fund intends to treat properly executed proxies that are marked abstain and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Under Maryland law, abstentions do not constitute a vote for or against a matter and will be disregarded in determining the votes cast on an issue. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker

does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

PROPOSAL 1:

ELECTION OF DIRECTORS

The Fund's charter (the Charter) provides that the Board of Directors be divided into three classes of Directors serving staggered three-year terms and until their successors are elected and qualify. The term of office for Directors in Class III expires at the 2009 Annual Meeting, Class I at the next succeeding annual meeting and Class II at the following succeeding annual meeting. Four Class III nominees, Dr. Kurt W. Bock, Dr. Franz Wilhelm Hopp, Dr. Friedbert H. Malt and Dr. Frank Trömel, are proposed in this Proxy Statement for election. If elected, each of the four Class III nominees will serve a three-year term of office until the Annual Meeting of Stockholders in 2012 and until his respective successor is elected and qualifies. Mr. Ernst-Ulrich Matz, a Director in Class III who has served on the Fund's Board of Directors since 1995, is retiring from the Board and, as a result, is not proposed in this Proxy Statement for election.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill that vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy Card to vote each Proxy Card for the election of our four nominees listed above. Each nominee has indicated that he will continue to serve as a Director if elected, but if any nominee should be unable to serve, proxies will be voted for any other person determined by the persons named in the form of Proxy Card in accordance with their discretion. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director.

Information Regarding Directors and Officers

The following tables show certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of the Fund, and about all officers of the Fund. All current Directors resident in the United States own Fund shares. Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Fund, that is not subject to German regulation or tax reporting.

(1) Valuation date is March 31, 2009. Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Fund, that is not subject to German regulation or tax reporting.

(2) The Family of Investment Companies consists of the Fund, The European Equity Fund, Inc. and The Central Europe and Russia Fund, Inc., which are closed-end funds that share the same investment adviser and manager and hold themselves out as related companies.

The Board of Directors presently has five standing committees including an audit committee (the Audit Committee), an advisory committee (the Advisory Committee), an executive committee (the Executive Committee), a nominating committee (the Nominating Committee) and a valuation committee (the Valuation Committee).

The Audit Committee, currently comprising Messrs. Burt, Cannon, Wadsworth and Walbröl and Drs. Malt and Trömel, operates pursuant to a written charter. The Audit Committee charter is not currently available on the Fund's website, but is attached hereto as Annex A. The Audit Committee's organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are independent as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is

financially literate and has determined that each of Messrs. Cannon and Wadsworth meets the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission (SEC). Although the Board has determined that these individuals meet the requirements for an audit committee financial expert, their responsibilities are the same as those of the other audit committee members. They are not auditors or accountants, do not perform field work and are not full-time employees. The SEC has determined that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an expert for any purpose as a result of being identified as an audit committee financial expert. The Audit Committee met three times during the fiscal year ended December 31, 2008.

Table of Contents

The Advisory Committee, currently comprising Messrs. Cannon, Goeltz, Matz and Wadsworth and Dr. Trömel, makes recommendations to the full Board with respect to the Management Agreement between the Fund and Deutsche Investment Management Americas Inc., and the Investment Advisory Agreement between the Fund and Deutsche Asset Management International GmbH. The Advisory Committee met one time during the past fiscal year, in connection with the annual continuance of those agreements.

The Executive Committee, currently comprising Messrs. Burt, Cannon, Goeltz, Strenger, Wadsworth and Walbröl, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. During the past fiscal year the Executive Committee did not meet.

The Valuation Committee, currently comprising Messrs. Cannon, Wadsworth and Walbröl and Dr. Trömel, monitors the valuation of portfolio securities and other investments. During the past fiscal year, the Valuation Committee did not meet.

The Nominating Committee is currently comprised of Messrs. Burt, Cannon, Goeltz, Wadsworth and Walbröl and Dr. Trömel. The Board has determined that each of the members of the Nominating Committee is not an interested person as the term is defined in Section 2(a)(19) of the Investment Company Act. Generally, the Nominating Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board. To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund's Bylaws. The relevant portions of the Fund's Bylaws describing these requirements are included as Annex C. The Nominating Committee may also take into account additional factors listed in the Nominating Committee Charter, which generally relate to the nominee's industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and the ability to qualify as an independent director.

The Nominating Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, the Fund's Charter or Bylaws, resolutions of the Board and the qualifications and procedures set forth in the Nominating Committee Charter set forth in Annex B and this proxy statement. A stockholder or group of stockholders seeking to submit a nominee candidate (i) must have beneficially owned at least 5% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the Fund's Bylaws. Generally, this notice must be received not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's Bylaws. The relevant portions describing these requirements are included as Annex C. The Nominating Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating Committee met two times during the past fiscal year.

All members on each of the five committees of the Board are not interested persons as the term is defined in the Investment Company Act (except that Mr. Strenger, an interested person, is a member of the Executive Committee).

During the past fiscal year, the Board of Directors had four regular meetings. Each incumbent Director who served as a Director during the past fiscal year, except Dr. Bock, attended at least 75% of the aggregate number of meetings of the Board and meetings of Board Committees on which that Director served. The Board has a policy that encourages Directors to attend the Annual Meeting of Stockholders, to the extent that travel to the Annual Meeting of Stockholders is reasonable for that Director. Two Directors attended the 2008 Annual Meeting of Stockholders.

No Director of all three funds is paid for attending more than two funds' board and committee meetings when meetings of the three funds are held concurrently, and no such Director receives more than the annual fee of two funds. Each of the Fund, The European Equity Fund, Inc. and The Central Europe and Russia Fund, Inc. reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 1.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes entitled to be cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions and broker non-votes will have the same effect as a vote against a Director.

PROPOSAL 2:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has approved PricewaterhouseCoopers LLP (the Firm or PwC), an independent registered public accounting firm, as independent auditors for the Fund for the fiscal year ending December 31, 2009. A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not interested Directors (as defined in the Investment Company Act) of the Fund, have ratified the appointment of PwC as the Fund's independent auditors for that fiscal year. Based principally on representations

Table of Contents

from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent auditors for the Fund since inception.

Neither our Charter nor Bylaws require that the stockholders ratify the appointment of PwC as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Fund and its stockholders. It is intended that the persons named in the accompanying form of proxy will vote for PwC. A representative of PwC will be present at the Meeting and will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning the Fund's financial statements.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for the Fund for the fiscal year ending December 31, 2009. For purposes of Proposal 2 abstentions will have no effect on the result of the vote.

The Audit Committee of each board will review, at least annually, whether PwC's receipt of non-audit fees from the Fund, the Fund's manager, the Fund's investment adviser and all Adviser Entities is compatible with maintaining PwC's independence.

Audit Committee Report

The purposes of the Audit Committee are 1) to assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the performance of the independent auditors; and 2) to prepare this report. Each Member of the Audit Committee is independent, as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter. As set forth in the Audit Committee Charter, management of the Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Fund's investment adviser, manager or to any entity controlling, controlled by or under common control with the Fund's investment adviser or manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has discussed with the auditors their independence.

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to

ANNEX A

**THE NEW GERMANY FUND, INC.
(the Company)**

AUDIT COMMITTEE CHARTER

(Amended and Restated as of October 31, 2003; further amended on April 23, 2004; and further amended on April 25, 2008)

I. Composition of the Audit Committee: The Audit Committee shall be comprised of at least three directors, each of whom shall satisfy the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934.¹ The Board of Directors (the Board) shall determine that each member is financially literate, and that at least one member of the Audit Committee has accounting or related financial management expertise, as such qualifications are interpreted by the Board in its business judgment, and whether any member of the Audit Committee is an audit committee financial expert, as defined by the Securities and Exchange Commission (the SEC). If the Board has determined that a member of the Audit Committee is an audit committee financial expert, it may presume that such member has accounting or related financial management expertise.

No director may serve as a member of the Audit Committee if such director serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee. The Board has determined that simultaneous service on the audit committees of The European Equity Fund, Inc. and The Central Europe and Russia Fund, Inc. (the Related Funds) would not impair a director's ability to effectively serve on the Audit Committee because, among other reasons, the boards of directors and audit committees of all three closed-end funds generally meet concurrently, have substantial director overlaps, have common service providers, and have many operating, financial reporting and accounting issues in common. The Board has further determined that service on the Audit Committee of the Company and the audit committees of the Related Funds should be considered service on a single public company audit committee for purposes of the three-audit committee limitation.

Members shall be appointed by the Board, and shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Board shall designate one member of the Audit Committee as its chairperson.

II. Purposes of the Audit Committee: The purposes of the Audit Committee are to:

1. assist Board oversight of (i) the integrity of the Company's financial statements, (ii) the Company's compliance with legal and regulatory requirements, (iii) the independent auditors' qualifications and independence, and (iv) the performance of the independent auditors; and
2. prepare the report required to be prepared by the Audit Committee pursuant to the rules of the SEC for inclusion in the Company's annual proxy statement.

The function of the Audit Committee is oversight. The management of the Company, including the service providers so contractually obligated, is responsible for the preparation, presentation and integrity of the Company's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards

and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Company's annual financial statements and other procedures. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are

¹ In order to satisfy Rule 10A-3 of the 1934 Act, a member of the Audit Committee may not (1) accept directly or indirectly any consulting, advisory or other compensatory fee from the Company other than (a) director's fees and (b) any other regular benefits that other directors receive, or (2) be an interested person of the Company as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940.

not full-time employees of the Company and are not, and do not represent themselves to be, performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards, and each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons or organizations absent actual knowledge to the contrary (which shall be promptly reported to the Board of Directors), and (iii) representations made by management as to any non-audit services provided by the auditors to the Company, to the Company's investment manager or investment adviser or any entity in a control relationship with the investment manager or investment adviser, or to the Company's custodian (including sub-custodians).

The independent auditors shall submit to the Audit Committee annually a formal written statement (the Auditors Statement) describing: the auditors' internal quality-control procedures; any material issues raised by the most recent internal quality-control review or peer review of the auditors, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the auditors, and any steps taken to deal with any such issues; and (to assess the auditors' independence) all relationships between the independent auditors and the (a) Company, (b) the Company's investment manager or investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser, whether or not it provides services to the Company, and including at least the matters set forth in Independence Standards Board No. 1. The description of relationships should include a description of the non-audit services, including the fees associated therewith, that were not pre-approved by the Company's Audit Committee.

The independent auditors shall submit to the Audit Committee annually a formal written statement of the fees billed in each of the last two fiscal years for each of the following categories of services rendered by the independent auditors: (i) the audit of the Company's annual financial statements or services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements; (ii) assurance and related services not included in clause (i) that are reasonably related to the performance of the audit or review of the Company's financial statements, in the aggregate and by each service; (iii) tax compliance, tax advice and tax planning services, in the aggregate and by each service; and (iv) all other products and services rendered by the independent auditors, in the aggregate and by each service. The statement as to (ii), (iii) and (iv) should include (and separately disclose) fees billed in each of the last two fiscal years for the indicated services to (a) the Company, (b) the Company's investment manager and investment adviser, and (c) any entity in a control relationship with the investment manager or investment adviser that provides ongoing services to the Company.

III. Meetings of the Audit Committee: The Audit Committee shall meet semi-annually or more frequently if circumstances dictate, to discuss with management and the independent auditor the annual audited financial statements and to address the matters set forth in Article IV. The Audit Committee should meet separately at least annually with each of management and the independent auditors to discuss any matters that the Audit Committee or any of these persons or firms believe should be discussed privately. The Audit Committee may request any officer or employee of the Company or any service provider, outside counsel to the Company or the independent directors or the Company's independent auditors to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. Members of the Audit Committee may participate in a meeting of the Audit Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

IV. Duties and Powers of the Audit Committee: To carry out its purposes, the Audit Committee shall have the following duties and powers:

1. with respect to the independent auditors,

(i) to be directly responsible for the appointment, retention, compensation, and oversight of the work of the independent auditors (including the resolution of disagreements between management and the independent auditors regarding financial reporting), who shall report directly to the Audit Committee; provided that the auditor appointment shall be subject to ratification by the Board;

(iv) to ensure that the independent auditors prepare and deliver annually an Auditors' Statement (it being understood that the independent auditors are responsible for the accuracy and completeness of this Statement), and to discuss with the independent auditors any relationships or services disclosed in this Statement that may impact the quality of audit services or the objectivity and independence of the Company's independent auditors;

(v) to obtain from the independent auditors in connection with any audit a timely report relating to the Company's annual audited financial statements describing all critical accounting policies and practices used, all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors, and any material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences;

(vi) to review and evaluate the qualifications, performance and independence of the independent auditors, as well as the lead partner of the independent auditors;

(vii) to discuss with management the timing and process for implementing the rotation of the lead audit partner, the concurring partner and any other active audit engagement team partner and consider whether there should be a regular rotation of the audit firm itself; and

(i) to advise management, relevant service providers and the independent auditors that they are expected to provide or cause to be provided to the Audit Committee a timely analysis of significant financial reporting issues and practices;

To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge, as defined in the Fund's By-laws, and must not have any Conflict of Interest, as defined in the Fund's By-laws. Whether a proposed nominee satisfies the foregoing qualifications shall be determined by the Committee in its sole discretion. The Committee may also take into account a wide variety of factors in considering Director candidates, including (but not limited to): (i) the candidate's knowledge in matters relating to the investment company industry; (ii) any experience possessed by the candidate as a director or senior officer of other public or private companies; (iii) the candidate's educational background; (iv) the candidate's reputation for high ethical standards and personal and professional integrity; (v) any specific financial, technical or other expertise possessed by the candidate, and the extent to which such expertise would complement the Board's existing mix of skills and qualifications; (vi) the candidate's perceived ability to contribute to the ongoing functions of the Board, including the candidate's ability and commitment to attend meetings regularly, work collaboratively with other members of the Board and carry out his or her duties in the best interests of the Fund; (vii) the candidate's ability to qualify as an Independent Director; and (viii) such other criteria as the Nominating Committee determines to be relevant in light of the existing composition of the Board and any anticipated vacancies or other factors.

Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Fund's Directors, (ii) the Fund's officers, (iii) the Fund's investment manager, investment adviser or their affiliates, (iv) the Fund's stockholders (see below) and (v) any other source the Committee deems to be appropriate. The Committee will not consider self-nominated candidates or candidates nominated by members of a candidate's family, including such candidate's spouse, children, parents, siblings, uncles, aunts, grandparents, nieces and nephews. The Committee may, but is not required to, retain a third-party search firm at the Fund's expense to identify potential candidates.

Consideration of Candidates Recommended by Stockholders

The Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, the Fund's Articles of Incorporation or By-laws, resolutions of the Board and the qualifications and procedures set forth in this Charter and the Fund's annual proxy statement, including the requirements that a stockholder or group of stockholders seeking to submit a nominee candidate (i) must have beneficially owned at least 5% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. Delegation to Subcommittee

The Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

Resources and Authority of the Committee

The Committee shall have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. (1) Nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made. In no event shall the public announcement of a postponement or adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such person, (B) the class and number of shares of stock of the Corporation that are beneficially owned by such person, (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act or pursuant to the Investment Company Act and the rules thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (D) a statement specifying which of clauses (1)-(7) of the definition of "Relevant Experience and Country Knowledge" in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a "Conflict of Interest" as defined in Article III, Section 3 of the Bylaws; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder (including any anticipated benefit to the stockholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made, (x) the name and address of such stockholder, as they appear on the Corporation's stock ledgers and a current name and address, if different, and of such beneficial owner, and (y) the class and number of shares of each class of stock of the Corporation which are owned beneficially and of record by such stockholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event the Board of Directors increases or decreases the maximum or minimum number of directors in accordance with Article III, Section 2 of these Bylaws, and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of mailing of the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by

such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who is a stockholder of record both at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be) for election as a director as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(2) of this Section 13 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. (c) *General.* (1) Only such persons who are nominated in accordance with the procedures set forth in this Section 13 and Article III, Section 3 of these Bylaws shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or business is not in compliance with this Section 13, to declare that such defective nomination or proposal be disregarded.

Nothing in this Section 13 shall be deemed to affect any right of stockholders to request inclusion of proposals in, nor the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act.
