On the Closing Date, simultaneously with the purchase and sale of the Initial Investment, the Trust and TPG Funds will enter a Shareholders Agreement, substantially in the form attached as Exhibit 6 (the Shareholders Agreement), which provides for certain rights and obligations between the parties thereto.

Composition of the Corporation's Board of Directors

The Corporation's Amended and Restated Articles of Incorporation (the Charter) requires that the Board of Directors shall nominate or, in the case of those candidates nominated by others, recommend for election as directors, at least a majority of persons who qualify as independent as defined therein and the Trust has agreed to such restriction pursuant to the Stockholder and Registration Rights Agreement dated as of October 2, 2006 between the Corporation and the Trust (see Exhibit 2 to this Schedule 13D). Under the Shareholders Agreement, the Trust and the TPG Funds have agreed to take all necessary actions for the Corporation Board of Directors to consist of 11 directors and, in addition to the two designees of

Temporary Restrictions on Trust's Right to Vote in Favor of Certain Business Combinations

Under the Shareholders' Agreement, for 24 months following the Closing Date, the Trust will take all necessary actions to oppose and not otherwise support or facilitate certain types of mergers, consolidations, share exchanges, tender offers and other business combination transactions, unless certain conditions set forth in the Shareholders' Agreement are met.

Certain Temporary Transfer Restrictions

In the Shareholders' Agreement, the Trust has agreed with the TPG Funds that it will not sell additional shares of Issuer Common Stock for a period of 270 days following the Closing Date except in the case of a bona fide financial emergency.

The Trust has agreed to transfer to the TPG Funds its registration rights under an existing agreement with the Issuer to the extent they relate to the Initial Shares and any shares of Issuer Common Stock delivered to the TPG Funds from the Trust in the event of physical settlement under the Confirmation. The TPG Funds agreed that, for a period of eighteen months following the Closing Date, under certain circumstances, if the TPG Funds sell any of the Initial Shares they will make a payment to the Trust of one-half of any net profit on the sale.

General

In addition to and subject to the foregoing, the Trust, at any time and from time to time may sell additional shares of Issuer Common Stock or economic interests in the shares of Issuer Common Stock, depending upon an ongoing evaluation of its investment in Issuer Common Stock, applicable legal restrictions, prevailing market conditions, liquidity requirements of the Trust and/or other considerations.
