**ITEM 1.01 Entry Into a Material Definitive Agreement.  
Preferred Stock Offering**

Effective September 18, 2009, OPKO Health, Inc., a Delaware corporation (the *Company*), entered into a securities purchase agreement (the *Purchase Agreement*) with the private investors named therein (the *Investors*), pursuant to which the *Investors* agreed to purchase an aggregate of 1,209,677 shares (the *Shares*) of the *Company*'s newly-designated 8.0% Series D Cumulative Convertible Preferred Stock, par value \$0.01 per share (*Series D Preferred Stock*), at a purchase price of \$24.80 per share, together with warrants (the *Warrants*) to purchase up to an aggregate of 3,024,196 shares of the *Company*'s common stock, par value \$.01 (the *Common Stock*) at an exercise price of \$2.48 per share (the *Investment*). Initially, the *Series D Preferred Stock* is convertible into ten shares of the *Company*'s *Common Stock*, and the *Series D Preferred Stock* purchase price is based on the average closing price of the *Company*'s *Common Stock* as reported on the NYSE Amex for the five days preceding the execution of the *Purchase Agreement*. In connection with the *Investment*, the *Company* will receive an aggregate of approximately \$30 million. Closing of the *Investment* is expected to occur on or around September 25, 2009.

Included among the investors is Frost Gamma Investments Trust (the *Gamma Trust*), a trust controlled by Dr. Phillip Frost, the *Company*'s Chairman of the Board and Chief Executive Officer, and Hsu Gamma Investment, L.P, a limited partnership controlled by Jane H. Hsiao, the *Company*'s Vice Chairman and Chief Technical Officer.

The *Company* agreed to issue the *Shares* and the *Warrants* in reliance upon the exemption from registration under Section 4(2) of the Securities Act of 1933, as amended (the *Act*). The *Shares* issued in the *Investment*, including the shares of the *Company*'s common stock into which the preferred shares and warrants may be converted, will be restricted securities as that term is defined by Rule 144 under the *Act*, subject to a three year contractual lockup, and no registration rights have been granted.

On September 22, 2009, the *Company* filed with the Secretary of State of the State of Delaware a Certificate of Designation of the Powers, Preferences and Relative, Participating, Optional and Other Special Rights of 8.0% Series D Cumulative Convertible Preferred Stock, and Qualifications, Limitations and Restrictions Thereof (the *Certificate of Designation*). A summary of the *Certificate of Designation* is set forth below:

*Dividends.* Holders of the *Series D Preferred Stock* are entitled to receive, when, as and if declared by the *Company*'s Board of Directors, dividends on each share of *Series D Preferred Stock* at a rate per annum equal to 8.0% of the sum of (a) \$24.80, plus (b) any and all declared and unpaid and accrued dividends thereon, subject to adjustment for any stock split, combination, recapitalization or other similar corporate action (the *Liquidation Amount*). All dividends shall be cumulative, whether or not earned or declared, accruing on an annual basis from the issue date of the *Series D Preferred Stock*.

*Voting.* The Holders of *Series D Preferred Stock* have the right to receive notice of any meeting of holders of the *Company*'s *Common Stock* or *Series D Preferred Stock* and to vote (on an as-converted into *Common Stock* basis) upon any matter submitted to a vote of the holders of *Common Stock* or *Series D Preferred Stock*. Except as otherwise expressly set forth in the *Company*'s Amended and Restated Certificate of Incorporation, as amended from time to time, the holders of *Series D Preferred Stock* will vote on each matter submitted to them with the holders of *Common Stock* and all other classes and series of the *Company*'s capital stock entitled to vote on such matter, taken together as a single class.

*Rank.* With respect to dividend distributions (other than required dividends to the holders of the *Company*'s *Series A Preferred Stock*) and distributions upon liquidation, winding up or dissolution of the *Company*, the *Series D Preferred Stock* ranks senior to all classes of *Common Stock*, the *Company*'s *Series A Preferred Stock*, the *Company*'s *Series C Preferred Stock*, and to each other class of the *Company*'s capital stock existing now or hereafter created that are not specifically designated as ranking senior to or *pari passu* with the *Series D Preferred Stock*.

*Liquidation Preference.* Upon the occurrence of a Liquidation Event (as defined in the Certificate of Designation), holders of Series D Preferred Stock are entitled to be paid, subject to applicable law, out of the assets of the Company available for distribution to its stockholders, an amount in cash (the Liquidation Payment ) for each share of Series D Preferred Stock equal to the greater of (x) the Liquidation Amount for each such share of Series D Preferred Stock outstanding plus (i) any declared and unpaid dividends and (ii) accrued dividends or (y) the amount for each share of Series D Preferred Stock the holders would be entitled to receive pursuant to the Liquidation Event if all of the shares of Series D Preferred Stock had been converted into Common Stock as of the date immediately prior to the date fixed for determination of stockholders entitled to receive a distribution in such Liquidation Event. Such Liquidation Payment will be paid before any cash distribution will be made or any other assets distributed in respect of any class of securities junior to the Series D Preferred Stock, including, without limitation, Common Stock and the Company's Series A Preferred Stock.

*Conversion.* The holder of any share of Series D Preferred Stock may at any time and from time to time convert such share into such number of fully paid and nonassessable shares of Common Stock as is determined by dividing (A) the Liquidation Amount of the share by (B) the Conversion Price, which is initially \$2.48, subject to adjustment as provided in the Certificate of Designation. Initially, the Series D Preferred Stock is convertible into 10 shares of the Company's Common Stock.

*Mandatory Conversion.* The Corporation may, at any time, convert the outstanding Series D Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as is determined by dividing (A) the Liquidation Amount of the shares by (B) the Conversion Price, but only if the closing bid price of the Common Stock exceeds \$5.00 per share during any thirty (30) consecutive trading days prior to each conversion. Initially, the Series D Preferred Stock is convertible into 10 shares of the Company's Common Stock.

*Redemption.* To the extent it is lawfully able to do so, the Company may redeem all of the then outstanding shares of Series D Preferred Stock by paying in cash an amount per share equal to \$24.80 plus all declared or accrued unpaid dividends on such shares, subject to adjustment for any stock dividends or distributions, splits, subdivisions, combinations, reclassifications, stock issuances or similar events with respect to the Common Stock.

The foregoing description of the Purchase Agreement, the Warrant and the Certificate of Designation is only a summary and is qualified in its entirety by reference to the full text of the Form of Purchase Agreement, the Form of Warrant to Purchase Shares of Common Stock and the Certificate of Designation, which are filed as Exhibit 10.1, Exhibit 10.2 and Exhibit 3.1, respectively, to this Current Report on Form 8-K, and each of which is incorporated herein by reference.

#### **Investment in Cocrystal Discovery, Inc.**

Effective September 21, 2009, the Company entered into an agreement pursuant to which the Company invested \$2.5 million in Cocrystal Discovery, Inc., a privately held biopharmaceutical company ( Cocrystal ) in exchange for 1,701,723 shares of Cocrystal's Series A Preferred Stock. A group of investors led by The Frost Group, LLC, whose members include the Gamma Trust, Jane Hsiao, Steven D. Rubin the Company's Executive Vice President Administration, and Rao Uppaluri, the Company's Chief Financial Officer (the Frost Investors ), previously invested \$5 million in Cocrystal, and agreed to invest an additional \$5 million payable in two equal installments. As a result of an amendment to the Frost Investor agreements dated June 9, 2009, OPKO, rather than the Frost Investors, would make the first installment investment (\$2.5 million) on or around September 18, 2009. Following the second installment investment of \$2.5 million in Cocrystal by the Frost Investors, OPKO will own approximately 16% of Cocrystal and the Frost Group will own approximately 42% of Cocrystal, each on a fully diluted basis. Dr. Frost, Mr. Rubin, and Dr. Hsiao currently serve on the Board of Directors of Cocrystal.
