Item 1.01. Entry into a Material Definitive Agreement.

Effective December 9, 2009, Invacare Corporation (the Company) entered into a Third Amendment to Credit Agreement and Consent by and among the Company, certain subsidiaries of the Company named therein, the Lenders party thereto, PNC Bank, National Association (formerly, National City Bank), as Multicurrency Administrative Agent, Multicurrency Collateral Agent, Swing Line Lender and an L/C Issuer, PNC Bank Canada Branch (formerly, National City Bank, Canada Branch), as Canadian Administrative Agent and Canadian Collateral Agent, and Banc of America Securities Asia Limited, as Australian Administrative Agent and Australian Collateral Agent (the Amendment), which amended the Credit Agreement, dated as of February 12, 2007, by and among the Company and the other parties named therein, as amended (the Credit Agreement).

The Amendment, among other things, permits the Company to implement an intercompany restructuring of its Canadian subsidiaries and amends the Credit Agreement to (1) allow for further intercompany restructurings by the Company without further amendment or waiver under the Credit Agreement pursuant to certain specified terms and conditions; (2) establish an Australian letter of credit arrangement under the Credit Agreement similar to and consistent with the multicurrency and Canadian letter of credit arrangements previously established under the Credit Agreement; (3) revise certain restrictive covenants to provide the Company with additional flexibility to complete certain dispositions of its property; (4) permit the Company to prepay intercompany indebtedness pursuant to certain terms and condition; and (5) permit the Company, pursuant to certain terms and conditions, to redeem, purchase or otherwise retire the Company s subordinated indebtedness, including its 9/4% Senior Notes due 2015 (the Senior Notes) and the Company s 4.125% Senior Subordinated Convertible Debentures due 2027 (the Convertible Notes), in an aggregate amount not to exceed \$75,000,000. In connection with the Amendment, the Company paid to the consenting lenders under the Credit Agreement customary fees and expenses.

The foregoing description of the Amendment is a summary and is qualified in its entirety by reference to the terms of the Amendment, which is attached hereto as Exhibit 10.1.

The Company may from time to time seek to retire or purchase the Company s outstanding Senior Notes and/or Convertible Notes, in open market purchases, privately negotiated transactions or otherwise. Such purchases or exchanges, if any, will depend on prevailing market conditions, the Company s liquidity requirements, contractual restrictions and other factors. The amounts involved in any such transactions, individually or in the aggregate, may be material.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
