**Notice Regarding Projected Dividend for the Fiscal Year Ending December 31, 2009
 (the 109th Business Term)**

At a Board of Directors meeting held on December 22, 2009, Canon Inc. (the Company) passed a resolution regarding the projected year-end dividend per share for the fiscal year ending December 31, 2009 (the 109th Business Term) as follows.

1. Basic Policy Regarding Profit Distribution and Dividend for the Period

Canon is being more proactive in returning profits to shareholders, mainly in the form of a dividend, taking into consideration planned future investments, free cash flow, and the Company's consolidated business performance. Specifically, the Company's medium- to long-term objective is a consolidated payout ratio of approximately 30%.

Despite projecting lower profits due to the harsh environment for the fiscal year ending December 31, 2009, to provide a stable return to shareholders, the Company plans to distribute a year-end dividend of ¥55.00 per share the same year-end dividend amount as fiscal year 2008.

The Company's projection for consolidated results for the fiscal year ending December 31, 2009, is provided below and remains unchanged since being announced on October 27, 2009.
