***Introductory Statement***

This Amendment to Schedule 13D (this Amendment) is being filed to amend certain information provided in the Schedule 13D (the Original Filing) filed by the Reporting Persons on January 12, 2009 as a result of the conversion of 9,783 shares of Series B Preferred Stock into 378,446 shares of Common Stock on August 5, 2010. Any capitalized term used in this Amendment but not defined herein shall have the meaning given to such term in the Original Filing. This Amendment supplements or amends certain items in the Original Filing as indicated below. Unless otherwise specified below, the information in the Original Filing remains unchanged.

***Item 1. Security and Issuer***

There are no changes to Item 1 of the Original Filing.

***Item 2. Identity and Background***

This Amendment amends the Original Filing to provide a new Schedule A listing the name, residence or business address, position, present principal occupation or employment, the name and, if other than any Reporting Person, the principal business and address of any corporation or organization in which such employment is conducted and citizenship of each director and executive officer of each Reporting Person.

In addition, the final two paragraphs of Item 2 in the Original Filing are deleted in their entirety and replaced with the following:

During the last five years, none of the Reporting Persons and, to the best of the Reporting Persons' knowledge, none of the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

***Item 3. Source and Amount of Funds or Other Consideration***

Item 3 of the Original Filing is hereby amended and restated in its entirety as follows:

Of the shares reported hereby as beneficially owned by the Reporting Persons, 34 shares of Common Stock (the Trust Shares) are held in a bona fide fiduciary capacity in certain trust or investment accounts for the account of third parties and are beneficially owned by the Reporting Persons and Harris N.A. The Trust Shares were received by the Reporting Persons or their subsidiaries through pro rata distribution of the Common Stock as part of the spin-off of the Issuer from The Phoenix Companies, Inc. on December 31, 2008. No consideration was paid by the Reporting Persons or their subsidiaries in receipt of the Trust Shares.

On October 30, 2008, Harris entered into an Investment and Contribution Agreement (the Investment Agreement), by and among Harris, Phoenix Investment Management Company, the Issuer and The Phoenix Companies, Inc. Pursuant to the Investment Agreement, Harris agreed to purchase certain securities of the Issuer in a two step transaction as follows: (i) 9,783 shares of Series A Non-Voting Convertible Preferred Stock, par value \$0.01 per share (the Series A Preferred Stock), for an aggregate purchase price of \$1 at the first closing (which occurred on October 31, 2008), and (ii) 35,217 shares of the Series B Voting Convertible Preferred Stock, par value \$0.01 per share (the Series B Preferred Stock and, together with the Series A Preferred Stock, the Preferred Stock), for an aggregate purchase price of \$35 million at the second closing (which occurred on December 31, 2008). In accordance with the Investment Agreement, at the second closing, Harris also exchanged all of the shares of Series A Preferred Stock it acquired at the first closing for the same number of shares of the Series B Preferred Stock. After giving effect to the purchase at the second closing and the exchange, the Reporting Persons beneficially own in the aggregate 45,000 shares of Series B Preferred Stock. The source of the consideration paid to acquire the Series A Preferred Stock on October 31, 2008 and the Series B Preferred Stock on December 31, 2008 was working capital of Harris.

On August 5, 2010, Harris exercised its right to convert 9,783 shares of Series B Preferred Stock into 378,446 shares of Common Stock (the Conversion). After giving effect to the Conversion, the Reporting Persons own in the aggregate 35,217 shares of Series B Preferred Stock and 378,480 shares of Common Stock (including the Trust Shares). No consideration was paid by the Reporting Persons or their subsidiaries in connection with the Conversion.

**Table of Contents**

***Item 4. Purpose of Transaction***

Pursuant to the terms of the Investment Agreement, Harris had a Put Right and the Issuer had a Call Option pertaining to the 9,783 shares of Series B Preferred Stock that Harris received at the second closing in exchange for the 9,783 shares of Series A Preferred Stock Harris received at the first closing. On August 2, 2010, the Issuer notified Harris of its intention to exercise the Call Option with respect to the 9,783 shares of Series B Preferred Stock. Prior to the proposed settlement date for the Issuer's exercise of the Call Option, Harris completed the Conversion, converting the 9,783 shares of Series B Preferred Stock into Common Stock and extinguishing both the Put Right and the Call Option in accordance with the terms of the Investment Agreement. Because the Put Right and the Call Option were extinguished by the Conversion, Item 4 of the Original Filing is hereby amended by deleting the subsection titled *The Put Right and the Call Option* in its entirety.

Furthermore, Item 4 of the Original Filing is hereby supplemented with the following information:

As of the date of this Amendment, except as set forth below or in the Original Filing, none of the Reporting Persons nor, to the best knowledge of the Reporting Persons, any of the persons listed in Schedule A, has any current plans or proposals that relate to or would result in any of the actions set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D. However, as part of their ongoing evaluation of this investment, the Reporting Persons may formulate new plans or proposals which could relate to or which could result in one or more of the actions referred to in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

The 35,217 shares of Series B Preferred Stock beneficially owned by the Reporting Persons after the Conversion, if converted into Common Stock at the current conversion rate of 38.3139 shares of Common Stock per each share of Preferred Stock, will result in the Reporting Persons beneficially owning, in the aggregate, 1,349,300 shares of Common Stock (in addition to the Trust Shares and the shares acquired through the Conversion). The Reporting Persons currently intend to hold their beneficially owned shares of Common Stock and Series B Preferred Stock, and any additional shares of Common Stock to be issued upon conversion of any shares of the Series B Preferred Stock, for investment purposes only.

The Reporting Persons expect to evaluate on an ongoing basis the Issuer's financial condition, results of operations, business and prospects, the market price of the Common Stock, conditions in securities markets generally and in the market for shares of companies like the Issuer, general economic and industry conditions and other factors that the Reporting Persons deem relevant to their investment decisions. Based on such evaluations, and subject to the provisions of the Investment Agreement, the Reporting Persons may at any time or from time to time determine to acquire additional Common Stock, or Preferred Stock or other securities convertible into or exchangeable for Common Stock or derivatives relating to Common Stock, or dispose of Common Stock, Preferred Stock or other securities convertible into or exchangeable for Common Stock or derivatives relating to Common Stock that the Reporting Persons own or may hereafter acquire, through open market or privately negotiated transactions or otherwise, at such prices and on such terms as they deem advisable. The Reporting Persons intend to monitor closely their investment in the Issuer. The Reporting Persons and their representatives and advisers intend to discuss from time to time with members of the Board of Directors and management of the Issuer the performance of the Issuer, personnel matters, strategic or extraordinary transactions and similar matters, in each case subject to Harris's rights and obligations under the Investment Agreement. The Reporting Persons and their representatives and advisers may communicate with other shareholders, industry participants and other interested parties concerning the Issuer. Based on the Reporting Persons' continuing evaluation of the foregoing factors, the Reporting Persons reserve the right to change their plans and intentions at any time or from time to time, as they deem appropriate. In addition, the Reporting Persons or their subsidiaries may from time to time purchase and sell equity securities of the Issuer in a fiduciary or similar capacity for the account of third parties.

***Item 5. Interest in Securities of the Issuer***

Item 5 of the Original Filing is hereby amended and restated in its entirety as follows:

(a) As of the date of this Amendment, the Trust Shares are held in a bona fide fiduciary capacity in certain trust or investment accounts for the account of third parties and are beneficially owned by the Reporting Persons and Harris N.A.

As of the date of this Amendment, the Reporting Persons beneficially own 378,446 shares of Common Stock acquired as a result of the Conversion.

---

**Table of Contents**

As of the date of this Amendment, the Reporting Persons beneficially own, in the aggregate, 35,217 shares of Series B Preferred Stock for their own account. As of the date of this Amendment, each share of Series B Preferred Stock is convertible into 38.3139 shares of Common Stock, and the entire 35,217 shares of Series B Preferred Stock beneficially owned by the Reporting Persons are convertible, in the aggregate, into 1,349,300 shares of Common Stock. The number of shares issuable upon the conversion of the Series B Preferred Stock may be adjusted from time to time in accordance with certain customary anti-dilution protection provisions and the amount of accumulated and unpaid dividends as set forth in the certificate of designations of the Series B Preferred Stock (the Certificate of Designations). In the event that all of the shares of the Series B Preferred Stock beneficially owned by the Reporting Persons are converted into Common Stock at the current conversion rate of 38.3139 shares of Common Stock per one share of Series B Preferred Stock, based upon the 7,571,746 shares of Common Stock of the Issuer outstanding as of August 19, 2010 (including the shares of Common Stock issuable upon conversion of the Series B Preferred Stock beneficially owned by the Reporting Persons), the Reporting Persons would own 22.8% of the outstanding shares of Common Stock.

Harris may convert the shares of Series B Preferred Stock at any time. Upon the delivery to the Issuer of a written consent or consents by holders of a majority in liquidation preference of the then outstanding shares of Series B Preferred Stock approving a mandatory conversion of the Series B Preferred Stock, all of the shares of the Series B Preferred Stock then outstanding will be automatically converted into shares of Common Stock. Under certain circumstances, no holder of Series B Preferred Stock will be entitled to receive shares of Common Stock upon their conversion to the extent (but only to the extent) that such receipt would cause such converting holder to become, directly or indirectly, a beneficial owner of more than 24.9% of the shares of Common Stock outstanding and such receipt would result in the assignment of the investment advisory contracts to which the Issuer or any of its subsidiaries that is a registered investment adviser is a party. In addition, if for twenty trading days in any thirty consecutive trading day period the aggregate closing price of the Common Stock exceeds 175% of the then applicable conversion price of the Series B Preferred Stock, the Issuer may elect to cause each share of the Series B Preferred Stock held by a holder of the Series B Preferred Stock to be converted into shares of Common Stock, unless such holder of the Series B Preferred Stock elects instead to forfeit thereafter its right to receive dividends paid on outstanding shares of Common Stock based on the number of shares of Common Stock into which such shares of Series B Preferred Stock could be converted.

At any time after the six-year anniversary of the date of the first closing, all (but not less than all) of the outstanding shares of Series B Preferred Stock will be redeemed at a price per share equal to the liquidation preference of the Series B Preferred Stock thereof plus interest thereon, from the last dividend payment date to the effective date of such redemption, at a rate of LIBOR plus 3 percent per annum pursuant to written notice delivered to the holders of Series B Preferred Stock by the Issuer, in its sole discretion. In addition, at any time and from time to time no earlier than the seven-year anniversary of the date of the first closing, shares of Series B Preferred Stock will be redeemed by the Issuer, at the option of the holder, at a price per share equal to the liquidation preference of the Series B Preferred Stock plus interest from the last dividend payment date to the effective date of such redemption, at a rate of LIBOR plus 3 percent per annum after receipt by the Issuer from any holder of Series B Preferred Stock of written notice requesting redemption of all or any portion of the outstanding shares of Series B Preferred Stock held by such holder.

The terms of the Series B Preferred Stock are provided in the Certificate of Designations, which was filed as Exhibit 4.02 to the Original Filing and is hereby incorporated by reference herein.

(b) The Reporting Persons and Harris N.A. have shared power to vote and to dispose of the 34 Trust Shares. The Reporting Persons have the sole power to vote and to dispose of the 378,446 shares of Common Stock acquired as a result of the Conversion. The Reporting Persons have the sole power to vote and to dispose of the 35,217 shares of Series B Preferred Stock and would have sole power to vote and to dispose of the shares of Common Stock issuable upon the conversion of the Series B Preferred Stock.

(c) As described above, in accordance with the terms of the Certificate of Designations, Harris exercised its option to convert 9,783 shares of Series B Preferred Stock into 378,446 shares of Common Stock on August 5, 2010.

***Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer***

There are no changes to Item 6 of the Original Filing.

**Table of Contents**

***Item 7. Material to be Filed as Exhibits***

There are no additional exhibits being filed with this Amendment.
