Item 1.01. Entry into a Material Definitive Agreement.

On December 17, 2010 (the **Effective Date**), NaviSite, Inc. (**NaviSite**) and its wholly owned subsidiary, Clearblue Technologies/Dallas, Inc. (**Seller**), entered into an Asset Purchase Agreement (the **Asset Purchase Agreement**) with IXI Investments, LLC (**IXI**), and Cologix Dallas, Inc. (the **Buyer**) (by joinder and as successor-in-interest to IXI, the original party to the Agreement), pursuant to which NaviSite and the Seller sold to the Buyer, at a closing that occurred later that day, (the **Closing**) substantially all of NaviSite's and the Seller's assets primarily used in connection with the Dallas colocation business (the **Business**).

The purchase price for the assets sold by NaviSite and the Seller to the Buyer was \$12,750,000 (the **Cash Amount**) and is subject to adjustment pursuant to a working capital adjustment mechanism set forth in the Asset Purchase Agreement. The Buyer also assumed certain liabilities of NaviSite and the Seller related to the Business, including accounts payable, customer credits and liabilities arising after Closing with respect to certain agreements assumed by the Buyer at the Closing. As security for the indemnification obligations of NaviSite and the Seller set forth in the Asset Purchase Agreement, \$1,275,000 was retained from the Cash Amount and deposited in escrow with a third-party agent at the Closing, and will be held in escrow until February 29, 2012.

NaviSite intends to use the net proceeds of the transactions contemplated by the Asset Purchase Agreement to repay certain principal obligations under the Amended and Restated Credit Agreement, dated as of September 12, 2007, by and among NaviSite, certain of its subsidiaries, Canadian Imperial Bank of Commerce, CIBC World Markets Corp., CIT Lending Services Corporation, and certain affiliated entities.

Due solely to the sale of the Business, NaviSite is revising its guidance for the second quarter of fiscal year 2011 to revenue of between \$32.2 million and \$32.7 million and adjusted EBITDA of between \$7.1 million and \$7.4 million.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information set forth in Item 1.01 of this Form 8-K is hereby incorporated in this Item 2.01 by reference.

Item 9.01 Financial Statements and Exhibits.

(b) Pro forma financial information.

The following unaudited pro forma condensed consolidated financial statements present the pro forma financial position and results of operations of NaviSite and its subsidiaries (the **Company**) based upon historical financial information after giving effect to the sale of substantially all of the assets of the Business to the Buyer, pursuant to the Asset Purchase Agreement.

The unaudited pro forma condensed consolidated financial statements presented herein have been prepared in accordance with Article 11 of Regulations S-X and are based upon the Company's audited consolidated financial statements for the years ended July 31, 2010 and 2009, and the unaudited consolidated financial statements as of and for the three months ended October 31, 2010 and 2009, and certain assumptions, as set forth in the related notes, that the Company believes are reasonable. The unaudited pro forma condensed consolidated balance sheet is presented as if the sale had been completed on October 31, 2010, and the unaudited pro forma condensed consolidated statements of operations are presented as if the sale had been completed as of the beginning of the reporting period. The pro forma adjustments presented herein are based on estimates and certain information that is currently available and may change as additional information becomes available. The unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the results of operations or the financial position that would have been achieved had the sale been completed at the beginning of or as of the periods presented, nor are they indicative of the future results of operations or future financial position of the Company.

Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

- 1** Historical financial statements agree to NaviSite's annual report on Form 10-K filed with the SEC on October 22, 2010, and reflects as discontinued operations the two assets sales concemented in fiscal year 2010; netASPx business and the two co-location data centers. See Footnote 5 to NaviSite's financial statements for further details concerning discontinued operations.
 - 2 Pro Forma Adjustments**
 - (a)** Net cash proceeds of \$7.9 million assumed to be used to pay down existing debt, as required under NaviSite's Amended Credit Agreement. NaviSite retained approximately \$2.6 million to be reinvested in future capital assets as permitted under the Amended Credit Agreement and \$0.9 million to pay out estimated liabilities relating to the sale including transaction fees and income taxes.
 - (b)** To eliminate substantially all historical assets and liabilities of the Business.
 - (c)** To account for estimated accrued liabilities related to the sale; including transaction related costs and income taxes payable on the gain on sale.
 - (d)** To reflect pay down of \$7.9 million in debt, as required under NaviSite's Amended Credit Agreement and eliminate deferred long term rent attributable to the Business.
 - (e)** To reflect transaction related gain, based upon management's estimated transaction related accruals and estimated income taxes payable.
 - (f)** To eliminate the historical revenues and expenses of the Business.
 - (g)** Impact of the reduction in Pro Forma interest expense for the period, as a result of assumed debt reduction.
 - (h)** To include the long term escrow receivable of \$1.3 million.
