**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(c) On February 15, 2011, Mr. Chansoo Joung resigned from the Board of Directors (the Board) of Targa Resources Corp. (the Company), effective February 16, 2011.

(d) In order to fill the vacancy created by Mr. Joung's resignation from the Board, the remaining Board members elected Mr. Ershel C. Redd Jr. to serve on the Board, effective February 16, 2011. Mr. Redd will serve as a Class II Director, with a term expiring in 2012. Mr. Redd was appointed as a member of the Company's Audit Committee, Nominating and Governance Committee and Conflicts Committee.

There are no understandings or arrangements between Mr. Redd and any other person pursuant to which Mr. Redd was selected to serve as a director of the Company. There are no relationships between Mr. Redd and the Company or any of its subsidiaries that would require disclosure pursuant to Item 404(a) of Regulation S-K. As a non-employee director, Mr. Redd will receive compensation in accordance with the Company's policies for compensating non-employee directors, including awards under the Company's 2010 Stock Incentive Plan. On February 17, 2011, the Committee made a bonus stock award under the Plan (as defined below) of 2,310 shares to Mr. Redd.

(e) 2011 Annual Incentive Compensation Plan. On February 14, 2011, the Compensation Committee (the Committee) of the Board of the Company, which is the indirect parent of the general partner of Targa Resources Partners LP (the Partnership), approved the Company's 2011 Annual Incentive Compensation Plan (the Bonus Plan). The Bonus Plan is a discretionary annual cash bonus plan available to all of the Company's employees, including its executive officers. The purpose of the Bonus Plan is to reward employees for contributions toward the Company's business priorities (including business priorities of the Partnership) approved by the Committee and to aid the Company in retaining and motivating employees. Under the Bonus Plan, funding of a discretionary cash bonus pool is expected to be recommended by the Company's chief executive officer (the CEO) and approved by the Committee based on the Company's achievement of certain business priorities, including strategic, financial and operational objectives. The Bonus Plan is approved by the Committee, which considers certain recommendations by the CEO. Near or following the end of the year, the CEO recommends to the Committee the total amount of cash to be allocated to the bonus pool based upon overall performance of the Company relative to these objectives, generally ranging from 0 to 2x the total target bonus for the employees in the pool. Upon receipt of the CEO's recommendation, the Committee, in its sole discretion, determines the total amount of cash to be allocated to the bonus pool. Additionally, the Committee, in its sole discretion, determines the amount of the cash bonus award to each of the Company's executive officers, including the CEO. The executive officers determine the amount of the cash bonus pool to be allocated to the Company's departments, groups and employees (other than the executive officers of the Company) based on performance and upon the recommendation of their supervisors, managers and line officers.

The Committee has established the following eight key business priorities for 2011:

continue to control all operating, capital and general and administrative costs;

invest in our businesses;

continue priority emphasis and strong performance relative to a safe workplace;

reinforce business philosophy and mindset that promotes compliance with all aspects of our business including environmental and regulatory compliance;

continue to manage tightly credit, inventory, interest rate and commodity price exposures;

execute on major capital and development projects, such as finalizing negotiations, completing projects on time and on budget, and optimizing economics and capital funding;

pursue selected growth opportunities, including new gathering and processing build-outs leveraging our NGL logistics platform for development projects, other fee-based capex projects and potential purchases of

strategic assets; and

execute on all business dimensions to maximize value and manage risks.

---

The Committee has targeted a total cash bonus pool for achievement of the business priorities based on the sum of individual employee market-based target percentages ranging from approximately 3% to 100% of each employee's eligible earnings. Generally, eligible earnings are an employee's base salary and overtime pay. The Committee has discretion to adjust the cash bonus pool attributable to the business priorities based on accomplishment of the applicable objectives as determined by the Committee and the CEO. Funding of the Company's cash bonus pool and the payment of individual cash bonuses to employees are subject to the sole discretion of the Committee.

2010 Stock Incentive Plan.
