(formerly known as Apco Argentina Inc.), a Cayman Islands company (the Issuer ). Unless specifically amended hereby, the disclosure set forth in the Schedule 13D shall remain unchanged.

**Item 4. Purpose of Transaction.**

The information previously provided in response to Item 4 is hereby amended and supplemented by adding the following at the end thereof:

On February 16, 2011, Williams announced its intention to pursue a plan to separate Williams' businesses into two stand-alone, publicly traded corporations. Williams currently plans to contribute the ownership of its natural gas exploration and production assets, including all Shares of the Issuer that are beneficially owned by Williams, to a new diversified exploration and production company (New E&P). Williams would then separate New E&P via an initial public offering of up to 20 percent of its interest in New E&P, followed by a tax-free spinoff to Williams shareholders of its remaining interest.

The separation plan will be subject to customary regulatory approvals, the receipt of a tax opinion from counsel and/or Internal Revenue Service rulings, the execution of intercompany agreements, finalization of the capital structure of the two corporations, final approval of the Williams board and other customary matters. There can be no assurance as to the timing of the separation plan or that the transaction terms announced by Williams will result in any changes to Williams' current structure or to the ownership of the Shares that are currently owned by Williams.

**Item 5. Interest in Securities of the Issuer.**

The information previously provided in response to Item 5 is hereby amended and restated by replacing the text thereof in its entirety with the following:

(a) (1) Global Energy is the record owner of 20,301,592 Shares, which based on calculations made in accordance with Rule 13d-3, represents 69.0% of the outstanding Shares.

(2) Williams, as indirect 100% owner of Global Energy, may, pursuant to Rule 13d-3, be deemed to beneficially own 20,301,592 Shares, which based on calculations made in accordance with Rule 13d-3, represents 69.0% of the outstanding Shares.

(3) See Schedule 1 for the aggregate number and percentage of Shares beneficially owned by the Listed Persons.

(b) The information set forth in Items 7 through 11 of the cover pages hereto is incorporated herein by reference. See Schedule 1 for the information applicable to the Listed Persons.

(c) Except as described in this Schedule 13D, none of the Reporting Persons or, to the Reporting Persons knowledge, the Listed Persons, has effected any transactions in the Shares during the past 60 days.
