June 27, 2011**

**PROXY STATEMENT**

This Proxy Statement is furnished by the Board of Directors of The Central Europe and Russia Fund, Inc. (the Board of Directors or Board ), a Maryland corporation (the Fund ), in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders (the Meeting ) to be held at 11:00 a.m., New York time, on June 27, 2011 at the New York Marriott East Side Hotel, 525 Lexington Avenue, New York, New York 10017. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Annual Meeting of Stockholders.

If the accompanying Proxy Card is executed properly and returned, shares represented by it will be voted at the Meeting, and any postponement or adjournment thereof, in accordance with the instructions on the Proxy Card. However, if no instructions are specified, shares will be voted FOR the election of three (3) Class II directors of the Fund ( Directors ) nominated by the Board (Proposal 1) and FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP, an independent public accounting firm, as independent auditors for the Fund (Proposal 2). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of the Fund, by submitting a subsequently executed and dated proxy or by attending the Meeting and voting in person.

If a stockholder owns shares of the Fund in violation of applicable law, including the Investment Company Act of 1940, as amended (the Investment Company Act ), the Fund may determine that any vote attributable to such shares shall not be counted, or that such shares will not be counted for quorum purposes, or both. Under Section 12(d)(1) of the Investment Company Act, the acquisition of more than 3% of the Fund's common stock by another fund (whether registered, private or offshore) is unlawful. There is legal uncertainty about the operation of Section 12(d)(1) and about the Fund's right under federal and state law to invalidate votes cast by any person whose Fund shares are held in violation of law. The Fund is prepared, if necessary, to seek judicial resolution of the uncertainty in any particular case.

The close of business on May 13, 2011 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, the Fund had 13,563,775.96 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting. It is expected that the Notice of Annual Meeting, this Proxy Statement and the form of Proxy Card will first be mailed to stockholders on or about May 19, 2011.

A quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. The Fund intends to treat properly executed proxies that are marked abstain and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Under Maryland law, abstentions do not constitute a vote for or

## **Table of Contents**

against a matter and will be disregarded in determining the votes cast on an issue. A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

### **PROPOSAL 1:**

#### **ELECTION OF DIRECTORS**

The Fund's charter (the Charter) provides that the Board of Directors be divided into three classes of Directors serving staggered three-year terms and until their successors are elected and qualify. The term of office for Directors in Class II expires at the 2011 Annual Meeting, Class III at the next succeeding annual meeting and Class I at the following succeeding annual meeting. Three Class II nominees are proposed for election in this Proxy Statement, Ambassador Richard R. Burt, Dr. Friedbert H. Malt and Mr. Robert H. Wadsworth (currently a Class III Director). If elected, each of the three Class II nominees will serve a three-year term of office until the Annual Meeting of Stockholders in 2014 and until his respective successor is elected and qualifies.

As a result of the upcoming retirement of Mr. John Bult, a Class II Director, each class of Directors of the Board would not be of approximate equal size if no further action were taken. Under the Fund's By-laws and the New York Stock Exchange Listed Company Manual Rule 304 ( NYSE Rule 304 ), the classes of the Fund's board are required to be of approximately equal size. Accordingly, the Fund's Nominating Committee nominated Mr. Robert H. Wadsworth, as a member of one of the largest classes of Directors of the Fund (Class III), to fill the Class II vacancy created by Mr. Bult's retirement with Mr. Wadsworth's resignation from Class III contingent upon his election to the Board as a member of Class II. If each nominee is elected, each class of Directors of the Board would be of approximately equal size and in compliance with the requirements of the Fund's Bylaws and NYSE Rule 304.

Should any vacancy occur on the Board of Directors, the remaining Directors would be able to fill that vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying form of Proxy Card to vote each Proxy Card for the election of our four nominees listed above. Each nominee has indicated that he will continue to serve as a Director if elected, but if any nominee should be unable to serve, proxies will be voted for any other person determined by the persons named in the form of Proxy Card in accordance with their discretion. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director.

#### **Board of Directors Information**

The management of the business and affairs of the Fund is overseen by the Board of Directors. Directors who are not interested persons of the Fund as defined in the 1940 Act, are referred to as Independent Directors, and Directors who are interested persons of the Fund are referred to as Interested Directors. Certain information concerning the Fund's governance structure and each Director is set forth below.

*Experience, Skills, Attributes, and Qualifications of the Fund's Directors.* The Nominating and Governance Committee of the Fund's Board, which is composed entirely of Independent Directors, reviews the experience, qualifications, attributes and skills of potential candidates for nomination or election by the Board, and conducts a similar review in connection with the proposed nomination of current Directors for re-election by stockholders. When

assessing a candidate for

**Table of Contents**

nomination it is the policy of the Nominating and Governance Committee to consider whether the individual's background, skills, and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board. The Nominating and Governance Committee assesses the effectiveness of this policy as part of its annual self assessment. Additional information concerning the Nominating and Governance Committee's consideration of nominees appears in the description of the Committee following the table below.

The Board has concluded that, based on each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors, that each Director is qualified and should continue to serve as such. In determining that a particular Director was and continues to be qualified to serve as a Director, the Board has considered a variety of criteria, none of which, in isolation, was controlling. In addition, the Board has taken into account the actual service and commitment of each Director during his tenure (including the Director's participation in Board and committee meetings, as well as his current and prior leadership of standing and ad hoc committees) in concluding that each should continue to serve. Information about the specific experience, skills, attributes and qualifications of each Director, which in each case led to the Board's conclusion that the Director should serve (or continue to serve) as a director of the Fund, is provided in the table following the Risk Oversight section below.

The Board believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes, and skills, which allow the Board to operate effectively in governing the Fund and protecting the interests of shareholders. Among other attributes common to all Directors are their willingness and ability to commit the necessary time and attention to their duties as Directors, their ability to review critically, evaluate, question and discuss information provided to them (including information requested by the Directors), to interact effectively with each other and with Deutsche Investment Management Americas Inc., the fund's investment manager (the Investment Manager), Deutsche Asset Management International GmbH (the Investment Adviser) and other service providers, counsel and the Fund's independent registered public accounting firm, to exercise effective business judgment in the performance of their duties as Directors. References to the qualifications, attributes and skills of Directors are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Director as having special expertise or experience and shall not be deemed to impose any greater responsibility or liability on any Director or on the Board by reason thereof.

**Board Structure and Oversight Function.** The Board is responsible for oversight of the Fund. The Fund has engaged the Investment Manager and the Investment Adviser to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Investment Manager and the Investment Adviser and the Fund's other service providers in the operations of each Fund in accordance with the Fund's investment objective and policies and otherwise in accordance with the requirements of the 1940 Act and other applicable Federal, state and other securities and other laws, and the Fund's charter and bylaws. The Board meets in person at regularly scheduled meetings four times throughout the year. In addition, the Directors may meet in person or by telephone at special meetings or on an informal basis at other times. The Directors also regularly meet outside the presence of any representatives of the Investment Manager and the Investment Adviser. As described below, the Board has established five standing committees—the Audit, Nominating and Governance, Advisory, Valuation and Executive Committees—and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. Each committee other than the Executive Committee is composed exclusively of Independent Directors. Each year the Directors evaluate the performance of the Board and its committees. The responsibilities of each committee, including its oversight responsibilities, are described further below. The

## **Table of Contents**

Independent Directors have also engaged independent legal counsel, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

The Chairman's duties include setting the agenda for each Board meeting in consultation with management, presiding at each Board meeting, meeting with management between Board meetings, and facilitating communication and coordination between the Directors and management. Christian Strenger, the Chairman of the Fund's Board of Directors is an Interested Director as defined in the 1940 Act because he is a member of the Supervisory Board of a company that is affiliated with the Investment Manager and the Investment Adviser and because of his ownership of shares of the ultimate parent of the Investment Manager and the Investment Adviser. The Directors believe that it is appropriate for Mr. Strenger to serve as Chairman and that his service benefits shareholders because of his extensive knowledge of the investment management industry, the Deutsche Bank organization and the Funds. In addition, the Directors note that, although Mr. Strenger is an Interested Director as defined in the 1940 Act, he is not involved in the management of the Fund and is not an officer or director of the Investment Manager or the Investment Adviser. The Independent Directors are satisfied that they can act independently and effectively without having an Independent Director serve as Chairman and note that a key structural component for ensuring that they are in a position to do so is for the Independent Directors to constitute a substantial majority of the Board. Richard Karl Goeltz, an Independent Director and Chairman of the Nominating and Governance Committee, serves as Lead Independent Director for the Fund and as such is available to act as liaison between the Independent Directors and management and to consult with the Chairman to the extent deemed appropriate.

***Risk Oversight.*** The Fund is subject to a number of risks, including investment, compliance and operational risks. Day-to-day risk management with respect to the Fund resides with the Investment Manager and the Investment Adviser or other service providers (depending on the nature of the risk), subject to supervision by the Investment Manager. The Board has charged the Adviser and its affiliates with (i) identifying events or circumstances the occurrence of which could have demonstrable and material adverse effects on the Fund; (ii) to the extent appropriate, reasonable or practicable, implementing processes and controls reasonably designed to lessen the possibility that such events or circumstances occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously, and to revise as appropriate, the processes and controls described in (i) and (ii) above.

Risk oversight forms part of the Board's general oversight of each Fund's investment program and operations and is addressed as part of various regular Board and committee activities. Each of the Investment Manager, the Investment Adviser, and the Fund's other principal service providers has an independent interest in risk management but the policies and the methods by which one or more risk management functions are carried out may differ from the Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. Oversight of risk management is provided by the Board and the Audit Committee. The Directors regularly receive reports from, among others, management, the Fund's Chief Compliance Officer, its independent registered public accounting firm, counsel, and internal auditors for the Investment Manager, as appropriate, regarding risks faced by the Fund and the Investment Manager's risk management programs.

Not all risks that may affect the Fund can be identified, nor can controls be developed to eliminate or mitigate their occurrence or effects. The processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Investment Manager, its affiliates or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals.

**Table of Contents****Information Regarding Directors and Officers**

The following tables show certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of the Fund, and about all officers of the Fund. Most current Directors resident in the United States own Fund shares. The Fund has elected to be subject to the statutory calculation, notification and publication requirements of the German Investment Tax Act (Investmentsteuergesetz) (the Act) for the fiscal year ended October 31, 2010 and intends to elect to be subject to the Act for the fiscal year ending October 31, 2011. Absent this election, Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Fund, that is not subject to German regulation or tax reporting. In light of the Fund's election to be subject to the Act, the Board of Directors encourages all Directors of the Fund (including those who are German residents) to invest in the Fund.

(1) Valuation date is March 31, 2011. The Fund has elected to be subject to the statutory calculation, notification and publication requirements of the German Investment Tax Act (Investmentsteuergesetz) (the Act) for the fiscal year ended October 31, 2010 and intends to elect to be subject to the Act for the fiscal year ending October 31, 2011. Absent this election, Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Fund, that is not subject to German regulation or tax reporting. In light of the Fund's election to be subject to the Act, the Board of Directors encourages all Directors of the Fund (including those who are German residents) to invest in the Fund.

(2) The Family of Investment Companies consists of the Fund, The European Equity Fund, Inc. and The New Germany Fund, Inc., which are closed-end funds that share the same investment adviser and manager and hold themselves out as related companies.

The Board of Directors presently has five standing committees including an audit committee (the Audit Committee), an advisory committee (the Advisory Committee), an executive committee (the Executive Committee), a nominating and governance committee (the Nominating and Governance Committee) and a valuation committee (the Valuation Committee).

The Audit Committee, currently comprising Messrs. Burt, Cannon (Chair), Goeltz, Wadsworth and Walbröl and Dr. Malt, operates pursuant to a written charter. The Audit Committee charter is currently available on the Fund's website, [www.dws-Investments.com](http://www.dws-Investments.com). The Audit Committee's organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are independent as required by the independence standards of Rule 10A-3 under the Securities

Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is financially literate and has determined that each of Messrs. Cannon, Goeltz and Wadsworth meets the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission ( SEC ). Although the Board has determined that all three meet the requirements for an audit committee financial expert, their responsibilities are the same as

**Table of Contents**

those of the other audit committee members. Messrs. Cannon, Goeltz and Wadsworth are not auditors or accountants, do not perform field work and are not full-time employees. The SEC has determined that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an expert for any purpose as a result of being identified as an audit committee financial expert. The Audit Committee met five times during the fiscal year ended October 31, 2010.

The Advisory Committee, currently comprising Messrs. Cannon, Goeltz and Wadsworth (Chair), makes recommendations to the full Board with respect to the Management Agreement between the Fund and Deutsche Investment Management Americas Inc., and the Investment Advisory Agreement between the Fund and Deutsche Asset Management International GmbH. The Advisory Committee met twice during the past fiscal year, in connection with the annual continuance of those agreements.

The Executive Committee, currently comprising Messrs. Burt, Cannon, Goeltz, Strenger, Wadsworth and Walbröl, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. During the past fiscal year the Executive Committee did not meet.

The Valuation Committee, currently comprising Messrs. Cannon, Wadsworth (Chair) and Walbröl, reviews the Fund's valuation procedures and makes recommendations with respect thereto and, to the extent required by such procedures, determines the fair value of the Fund's securities or other assets. During the past fiscal year, the Valuation Committee met once.

The Nominating and Governance Committee is currently comprised of Messrs. Burt, Cannon, Goeltz (Chair), Wadsworth and Walbröl. The Board has determined that each of the members of the Nominating and Governance Committee is not an interested person as the term is defined in Section 2(a)(19) of the Investment Company Act. Generally, the Nominating and Governance Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board, and also advises the Board regarding governance matters generally and confirms that the Board and Audit Committee undertake annual self-evaluations. To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund's Bylaws. The relevant portions of the Fund's Bylaws describing these requirements are included as Annex A. The Nominating and Governance Committee may also take into account additional factors listed in the Nominating and Governance Committee Charter, which generally relate to the nominee's industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and the ability to qualify as an independent director. When assessing a candidate for nomination, the Nominating and Governance Committee considers whether the individual's background, skills and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board.

The Nominating and Governance Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, the Fund's Charter or Bylaws, resolutions of the Board and the qualifications and procedures set forth in the Nominating and Governance Committee Charter, which is currently available on the Fund's website, [www-dws-investments.com](http://www-dws-investments.com). A stockholder or group of stockholders seeking to submit a nominee candidate (i) must have beneficially owned at least 5% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at

**Table of Contents**

which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the Fund's Bylaws. Generally, this notice must be received not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's Bylaws. The relevant portions describing these requirements are included as Annex C. The Nominating and Governance Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating and Governance Committee met three times during the past fiscal year.

All members on each of the five committees of the Board are not interested persons as the term is defined in the Investment Company Act, with the exception of Mr. Strenger, who is a member of the Executive Committee.

During the past fiscal year, the Board of Directors had four regular meetings. Each incumbent Director who served as a Director during the past fiscal year attended at least 75% of the aggregate number of meetings of the Board and meetings of Board Committees on which that Director served. The Board has a policy that encourages Directors to attend the Annual Meeting of Stockholders, to the extent that travel to the Annual Meeting of Stockholders is reasonable for that Director. One Director attended the 2010 Annual Meeting of Stockholders.

To communicate with the Board of Directors or an individual Director of the Fund, a stockholder must send a written communication to the Fund's principal office at 345 Park Avenue, NYC20-2799, New York, New York 10154 (c/o The Central Europe and Russia Fund, Inc.), addressed to (i) the Board of Directors of the Fund or an individual Director, and (ii) the Secretary of the Fund. The Secretary of the Fund will direct the correspondence to the appropriate parties.

The Fund pays each of its Directors who is not an interested person of the Fund, of the investment adviser or of the manager an annual fee of \$6,000 plus \$750 for each Board and Committee meeting attended. Each such Director who is also a Director of The European Equity Fund, Inc. or The New Germany Fund, Inc. also receives the same annual and per-meeting fees for services as a Director of each such fund. These compensation arrangements were effective as of January 1, 2010. Each of the Fund, The European Equity Fund, Inc. and The New Germany Fund, Inc. reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. Effective January 1, 2011, the Chairman of the Audit Committee receives a \$1,000 retainer. These three funds, together with 118 other open- and closed-end funds advised by wholly owned entities of the Deutsche Bank Group in the United States, represent the entire Fund Complex within the meaning of the applicable rules and regulations of the SEC. The following table sets forth (a) the aggregate compensation from the Fund for the fiscal year ended October 31, 2010, and (b) the total compensation from each fund in the Fund Complex that

**Table of Contents**

includes the Fund, for the 2010 fiscal year of each such fund, (i) for each Director or Nominee for Director who is not an interested person of the Fund, and (ii) for all such Directors as a group:

Name of Director	Aggregate Compensation from Fund	Total Compensation from Fund Complex
Detlef Bierbaum	\$ 2,250	\$ 15,298
Ambassador Richard R. Burt	\$ 11,334	\$ 33,000

Werner Walbröl	\$ 11,833	\$ 34,500
<b>Total</b>	<b>\$ 69,167</b>	<b>\$ 283,798</b>

No compensation is paid by the Fund to Directors who are interested persons of the Fund or of any entity of the Deutsche Bank Group or to officers. Mr. Bierbaum was an interested person of the Fund until April 2010 and, as such, received partial compensation from the Fund Complex during the fiscal year ended October 31, 2010.

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 1.**

*Required Vote.* Provided a quorum has been established, the affirmative vote of a majority of the votes entitled to be cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions and broker non-votes will have the same effect as a vote against a Director.

**PROPOSAL 2:**

**RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS**

The Audit Committee has approved PricewaterhouseCoopers LLP (the Firm or PwC), an independent registered public accounting firm, as independent auditors for the Fund for the fiscal year ending October 31, 2011. A majority of members of the Board of Directors, including a majority of the members of the Board of Directors who are not interested Directors (as defined in the Investment Company Act) of the Fund, have ratified the appointment of PwC as the Fund's independent auditors for that fiscal year. Based principally on representations from the Firm, the Fund knows of no direct financial or material indirect financial interest of such Firm in the Fund. That Firm, or a predecessor firm, has served as the independent auditors for the Fund since inception.

Neither our Charter nor Bylaws require that the stockholders ratify the appointment of PwC as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether or not to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Fund and its stockholders. It is intended that the persons named in the accompanying form of proxy will vote for PwC. A representative of PwC will be

**Table of Contents**

present at the Meeting and will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning the Fund's financial statements.

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2.**

*Required Vote.* Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for the Fund for the fiscal year ending October 31, 2011. For purposes of Proposal 2, abstentions will have no effect on the result of the vote.

**Information With Respect To The Fund's Independent Auditors**

The following table shows fees paid to PwC by the Fund during the Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for engagements for non-audit services pre-approved by the Audit Committee for the Fund's manager and investment adviser and certain entities controlling, controlled by, or under common control with the manager and investment adviser that provide ongoing services to the Fund (collectively, the Adviser Entities), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each board will review, at least annually, whether PwC's receipt of non-audit fees from the Fund, the Fund's manager, the Fund's investment adviser and all Adviser Entities is compatible with maintaining PwC's independence.

Fiscal Year	Audit Fees <sup>(1)</sup> Fund	Audit Related Fees <sup>(2)</sup>		Tax Fees <sup>(3)</sup>		All Other Fees <sup>(4)</sup>

(2) Audit Related Fees are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under Audit Fees.

(3) Tax Fees are the aggregate fees billed for professional services for tax compliance and tax planning.

(4) All Other Fees are the aggregate fees billed for products and services other than Audit Fees, Audit Related Fees and Tax Fees.

*Audit Committee Pre-Approval Policies and Procedures.* Generally, the Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent auditors and (ii) all non-audit services to be performed by the Fund's independent auditors for the Fund's investment adviser or any Adviser Entities with respect to operations and financial reporting of the Fund. Any member of the Audit Committee may pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting. The auditors shall report to the Audit Committee at each of its regular meetings all audit or non-audit services to the Fund and all non-audit services to the Adviser Entities that relate directly to the Fund's operations and financial reporting initiated since

**Audit Committee Report**

The purposes of the Audit Committee are: (1) to assist the Board of Directors in its oversight of (i) the integrity of the Fund's financial statements; (ii) the Fund's compliance with legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the retention and performance of the independent auditors; and (2) to prepare this report. The Audit Committee assists the Board of Directors in its oversight of the Fund's policies and practices with respect to accounting, financial reporting, internal control over financial reporting, independent audits, and risk management. The Audit Committee regularly discusses the Fund's most significant risk exposures and the steps management has taken to monitor and control such exposures. Each Member of the Audit Committee is independent, as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter. As set forth in the Audit Committee Charter, management of the Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of the Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of the Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Fund's independent auditors to the Fund's investment adviser, manager or to any entity controlling, controlled by or under common control with the Fund's investment adviser or manager that provides ongoing services to the Fund is compatible with maintaining the auditors' independence. During the past fiscal year, no non-audit services that were not pre-approved by the Audit Committee were provided by the Fund's independent auditors. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as currently in effect, and has discussed with the auditors their independence.

**Table of Contents**

The members of the Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Fund's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board of Directors of the Fund that the audited financial statements of the Fund be included in the Fund's annual report to stockholders for the fiscal year ended October 31, 2010.

Section 13. Advance Notice of Stockholder Nominees for Director and Other Stockholder Proposals. (a) Annual Meetings of Stockholders. (1) Nominations of persons for election to the Board of Directors and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record both at the time of giving of notice provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13(a).

(2) For nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and such other business must otherwise be a proper matter for action by the stockholders. To be timely, a stockholder's notice shall be delivered to the Secretary at the principal executive offices of the Corporation not less than 90 days nor more than 120 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting; provided, however, that in the event that the date of mailing of the notice for the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of mailing of the notice for the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 120th day prior to the date of mailing of the notice for such annual meeting and not later than the close of business on the later of the 90th day prior to the date of mailing of the notice for such annual meeting or the tenth day following the day on which disclosure of the date of mailing of the notice for such meeting is first made. In no event shall the public announcement of a postponement or adjournment of an annual meeting commence a new time period for the giving of a stockholder's notice as described above. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (A) the name, age, business address and residence address of such person, (B) the class and number of shares of stock of the Corporation that are beneficially owned by such person, (C) all other information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act or pursuant to the Investment Company Act and the rules thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), and (D) a statement specifying which of clauses (1)-(7) of the definition of "Relevant Experience and Country Knowledge" in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a "Conflict of Interest" as defined in Article III, Section 3 of the Bylaws; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder (including any anticipated benefit to the stockholder therefrom) and of each beneficial owner, if any, on whose behalf the proposal is made; and (iii) as to the stockholder giving the notice and each beneficial owner, if any, on whose behalf the nomination or proposal is made,

(x) the name and address of such stockholder, as they appear on the Corporation's stock ledgers and a current name and address, if different, and of such beneficial owner, and (y) the class and number of shares of each class of stock of the Corporation which are owned beneficially and of record by such stockholder and owned beneficially by such beneficial owner.

(3) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event the Board of Directors increases or decreases the maximum or minimum number of directors in accordance with Article III, Section 2 of these Bylaws, and there is no public announcement of such action at least 100 days prior to the first anniversary of the date of mailing of the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary at the principal executive offices of the Corporation not later than the close of business on the tenth day following the day on which such public announcement is first made by the Corporation.

(b) *Special Meetings of Stockholders.* Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) provided that the Board of Directors has determined that directors shall be elected at such special meeting, by any stockholder of the Corporation who is a stockholder of record both at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting and who complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder may nominate a person or persons (as the case may be) for election as a director as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (a)(2) of this Section 13 shall be delivered to the Secretary at the principal executive offices of the Corporation not earlier than the 120th day prior to such special meeting and not later than the close of business on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. (c) *General.* (1) Only such persons who are nominated in accordance with the procedures set forth in this Section 13 and Article III, Section 3 of these Bylaws shall be eligible to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 13. The chairman of the meeting shall have the power and duty to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the procedures set forth in this Section 13 and, if any proposed nomination or business is not in compliance with this Section 13, to declare that such defective nomination or proposal be disregarded.

(2) For purposes of this Section 13, (a) the date of mailing of the notice shall mean the date of the proxy statement for the solicitation of proxies for election of directors and (b) public announcement shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press or comparable news service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to the Exchange Act or the Investment Company Act.
