REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To Participants and Administrator of the
Credit Acceptance Corporation 401(k) Profit Sharing Plan and Trust

We have audited the accompanying statements of net assets available for benefits of the Credit Acceptance Corporation 401(k) Profit Sharing Plan and Trust (the Plan) as of December 31, 2006 and 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Plan is not required to have, nor were we engaged to perform an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan s internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2006 and 2005, and the changes in net assets available for benefits for the year ended December 31, 2006 in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules, Schedule H, Part IV, line 4i-Schedule of Assets (Held at End of Year) December 31, 2006 and Schedule H, Question 4a- Delinquent Participant Contributions for the year ended December 31, 2006 are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**CREDIT ACCEPTANCE CORPORATION 401(K) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF THE PLAN

The following brief description of the Credit Acceptance Corporation (the Company) 401(k) Profit Sharing Plan and Trust (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a defined contribution plan available to all salaried and hourly employees of the Company who have at least 90 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions Participants may contribute up to 20 percent of their annual compensation, subject to current Internal Revenue Service (IRS) limitations of \$15,000 and \$14,000 in 2006 and 2005, respectively, and other limitations based upon the participant's compensation level. Contributions withheld from an employee's pay on a pre-tax basis are not taxable until withdrawn from the Plan by the participant. The Company makes matching contributions equal to \$0.50 for every \$1.00 of elective deferred contributions made by each active participant, not to exceed \$1,250 annually. Other contributions made by the Company are at its discretion.

Participant Accounts Each participant's account is credited with the participant's contribution and the Company's matching contributions plus an allocation of the Company's discretionary contributions, if any, and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan.

Vesting Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Loans Subject to predefined conditions and terms, a participant may borrow from their fund accounts up to 50 percent of the participant's vested fund balance, not to exceed \$50,000.

Payment of Benefits Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the participant's vested fund balance in either a lump-sum amount or in installment payments. All benefits requested before December 31, 2006 were paid prior to year end.

Forfeited Accounts At December 31, 2006 and 2005 forfeited non-vested accounts totaled \$0 and \$61,694, respectively. Forfeited accounts are used to reduce future employer contributions.

Expenses Plan expenses (other than investment management and loan fees) are paid by the Company.

Table of Contents**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and the reported amounts of additions and deductions from assets available for benefits during the reported period. Actual results could differ from those estimates.

Fully Benefit-Responsive Investment Contracts - As described in Financial Accounting Standards Board Staff Position, FSP AAG INV-1 and SOP 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans (the FSP), investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a collective trust. As required by the FSP, the Statements of Net Assets Available for Benefits presents the fair value of the investment in the collective trust as well as the adjustment of the investment in the collective trust from fair value to contract value relating to the investment contracts. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Valuation of Investments and Income Recognition Investments are recorded at fair value as determined by the trustee of the Plan using quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The Plan's interest in the collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year end. Dividends are recorded on the ex-dividend date.

Payments of Benefits Benefits are recorded when paid.

New Accounting Pronouncements In September 2006, the FASB issued Statement on Financial Accounting Standards No. 157, Fair Value Measurements (SFAS 157). SFAS 157 establishes a single authoritative definition of fair value, sets out a framework for measuring fair value and requires additional disclosures about fair value measurement. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007. The Company does not believe the adoption of SFAS 157 will have a material impact on the Plan's financial statements.

3. CHANGE IN TRUSTEE

ABN Amro Trust Services Company served as trustee of the Plan until November 14, 2005. Since that time Principal Trust Company has served as the Plan's trustee.

4. INVESTMENTS

As of December 31, investments representing 5 percent or more of the Plan's assets are as follows:

	2006	2005
American Funds EuroPacific A	\$ 1,637,000	\$ 1,193,079
Franklin Balance Sheet Inv A	1,509,577	1,103,336

Table of Contents

During the year ended December 31, 2006 total realized and unrealized appreciation is as follows:

Mutual funds	\$ 723,718
Common/Collective Trusts	176,353
Credit Acceptance Stock Fund	474,322
Net appreciation of investments	\$ 1,374,393

5. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the trustee; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. The Credit Acceptance Stock Fund and participant loans also qualify as party-in-interest investments.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

7. TAX STATUS

The Company has adopted a standardized prototype plan. The IRS has issued a favorable opinion letter dated August 30, 2001, in regards to the standardized prototype plan. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. As such, no provision for income taxes has been included in the Plan's financial statements.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2006 to Form 5500:

Net assets available for benefits per the financial statements	\$ 10,943,874
Adjustments from fair value to contract value for interest in collective trust relating to fully benefit-responsive investment contracts	\$ (16,446)
Net assets available for benefits per the Form 5500	\$ 10,927,428

The following is a reconciliation of investment income per the financial statements at December 31, 2006 to the Form 5500:

Total investment income per the financial statements	\$ 1,489,508
Adjustment from fair value to contract value for fully benefit-responsive investment contracts	\$ (16,446)
Total investment income per the Form 5500	\$ 1,473,062

9. RISKS AND UNCERTAINTIES

The Plan invests in various securities including mutual funds and Company stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Table of Contents

10. NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Company remitted participant contributions of \$1,196,182 to the trustee during 2006 which were remitted later than required by Department of Labor (DOL) Regulation 2510.3-102.

The Company will file Form 5330 with the Internal Revenue Service and pay the required excise tax on the transactions. In addition, participant accounts will be credited with an appropriate amount of lost earnings.
