## Edgar Filing: STRAYER EDUCATION INC - Form SC 13D/A

in its entirety.

### Item 3. Source and Amount of Funds or Other Consideration

Item 3 is hereby amended by adding the following below the penultimate paragraph thereof:

"On or prior to May 15, 2001 (the "Closing Date"), the conditions to the Closing under the terms of the Preferred Stock Purchase Agreement were satisfied and pursuant thereto:

(i) the Irrevocable Proxy, pursuant to the terms thereof, terminated and ceased to have any further force or effect;

(ii) the rights granted to the Purchasers under the Support and Option Agreement to require the Bailey Stockholder to tender, upon the request of the Purchasers, 7,175,000 shares of Common Stock, pursuant to the terms thereof, terminated;

(iii) the Option became exercisable; and

(iv) the Company issued and delivered certificates to DBCI and New Mountain representing 1,346,154 and 4,423,077 shares of the Preferred Stock, respectively, which shares of Preferred Stock are initially convertible into 1,346,154 and 4,423,077 shares of Common Stock, respectively."

Item 3 is hereby further amended by deleting the last paragraph thereof in its entirety and by replacing it with the following:

"The source of funds used by DBCI to purchase the Preferred Stock and the Option was working capital of DBCI."

### Item 4. Purpose of the Transaction

Item 4 is hereby amended by deleting the penultimate sentence of the fourth paragraph thereof, in its entirety.

Item 4 is hereby amended by adding the following before the penultimate paragraph thereof:

"On April 30, 2001, the Bailey Stockholders pursuant to the Support and Option Agreement, tendered 7,175,000 shares (the "Tendered Shares") of Common Stock owned by them into the Offer, all of which Tendered Shares were accepted by the Company.

On the Closing Date, pursuant to the terms of the Preferred Stock Purchase Agreement:

(i) the Company completed the Offer on the terms and subject to the conditions set forth in the Offer to Purchase, dated April 17, 2001 and in the related Letter of Transmittal, dated as of April 17, 2001, which were filed by the Company as Exhibits (a)(1)(A) and (a)(1)(B), respectively, to Schedule TO filed by the Company with the SEC on April 17, 2001 and are incorporated herein by reference (SEC file number 005-48233);

## Edgar Filing: STRAYER EDUCATION INC - Form SC 13D/A

(ii) the Purchasers and the Company executed a Registration Rights Agreement (the "Registration Rights Agreement"), dated as the Closing Date, the form of which is attached as Exhibit 10.02 to the Current Report on Form 8-K filed by the Company with the SEC on December 8, 2000 (SEC file number 000-21039) and is incorporated herein by reference. The Registration Rights Agreement grants to the Purchasers and their respective affiliates (the "Covered Holders") the right on not more than two occasions to require the Company to register for offer and sale under the Securities Act of 1933 all or a portion of the Preferred Stock and/or Common Stock received upon conversion thereof or purchased upon exercise of the Option (collectively, the "Registrable Securities"). Additionally, a majority of the Covered Holders may request on two occasions in any calendar year that the Company effect a shelf registration covering all or a portion of the Registrable Securities then outstanding, if the Company is so eligible to file a shelf registration statement. The Covered Holders also have the right, subject to certain limitations, to request that the Company include their respective Registrable Securities in a registration undertaken by the Company for its own behalf or on behalf of any of its other stockholders. All requests for registration are subject to customary terms and conditions. The Company has agreed to pay all registration expenses incurred by it in connection with the exercise of registration rights by the Covered Holders;

(iii) pursuant to the terms of the Support and Option Agreement, the Option became exercisable;

(iv) the Company filed a charter amendment and the Articles Supplementary with the State Department of Assessments and Taxation of Maryland on the Closing Date; and

(v) the Company issued and delivered certificates to DBCI and New Mountain representing 1,346,154 and 4,423,077 shares of the Preferred Stock, respectively, which shares of the Preferred Stock are initially convertible into 1,346,154 and 4,423,077 shares of Common Stock, respectively.

Under the Articles Supplementary the holders of the Preferred Stock have the right to elect (w) at least one half of the members of the Board of Directors for so long as at least 90% of the votes that can be cast by the holders of the Preferred Stock on the Closing Date remain outstanding, (x) at least 40% of the members of the Board of Directors for so long as at least 50% of the votes that can be cast by the Preferred Stock on the Closing Date remain outstanding, (y) at least 25% of the members of the Board of Directors for so long as at least 25% of the votes that can be cast by the holders of the Preferred Stock on the Closing Date remain outstanding, or (z) at least one member of the Board of Directors for so long as at least 10% of the votes that can be cast by the holders of the Preferred Stock on the Closing Date remain outstanding. As discussed above, the Purchasers have, pursuant to the Shareholders Agreement, agreed as to how such rights to elect members of the Board of Directors will be allocated between themselves. Additionally, as long as clause (w) or (x) above is satisfied, the Company shall not, and shall not permit any of its subsidiaries to, without the consent of a majority of the directors elected by the holders of the Preferred Stock, effect or validate any of the following:

(i) any authorization or issuance, reclassification, repurchase, redemption or other acquisition of any of its equity securities or any rights, warrants, options or other securities exercisable for,

## Edgar Filing: STRAYER EDUCATION INC - Form SC 13D/A

convertible into or otherwise carrying the right to acquire any equity securities, or any derivative or similar securities with respect to any of the foregoing;

(ii) any issuance or incurrence of (or agreement to issue or incur, including by way of an acquisition of any entity, or any merger, business combination or similar transaction or as a result of any amendment to any indenture, credit agreement or other similar instrument) indebtedness (other than trade payables) if, after giving effect thereto, the Company's indebtedness (other than trade payables) would be greater than \$25 million, on a consolidated basis;

(iii) the liquidation, dissolution, winding up or reorganization of the Company;

(iv) any transaction or series of related transactions involving a change of control of the Company or the sale of all or substantially all of the equity or assets of the Company, or any acquisition, disposition or other business combination transaction (or series of transactions) involving consideration in an amount greater than \$20 million in the aggregate;

(v) any amendment to the Company's charter or bylaws; or

(vi) the removal or replacement of, or the establishment of the level or form of compensation payable to, the Company's Chief Executive Officer, Chief Operating Officer or Chief Financial Officer.

Under the Articles Supplementary, each share of the Preferred Stock shall entitle its holder at any time to vote on all matters entitled to be voted on by the holders of Common Stock (or any other voting security) voting together as a single class therewith (with each share of Preferred Stock being entitled to the number of votes equal to the number of shares of Common Stock into which such Preferred Stock is convertible into at such time). In addition, as long as any shares of the Preferred Stock are outstanding, the affirmative vote of the holders of at least a majority of the Preferred Stock then outstanding voting as a single class shall be necessary for effecting, entering into, engaging in or approving:

(i) any reclassification of the Preferred Stock or any change in the Company's charter or bylaws which would adversely affect the dividend or liquidation preferences, voting powers or other rights of the holders of the Preferred Stock;

(ii) the authorization or creation of, or the increase in the authorized amount of, or issuance of any shares of any class or series of (or reclassification of any securities into) securities of the Company ranking senior or on par with the Preferred Stock with respect to distributions or rights on liquidation, or any security convertible into or exercisable for or otherwise representing the right to acquire any such securities or any derivative or similar securities representing any of the foregoing;

(iii) any issuance of shares of Common Stock at a price equal to or less than \$26 per share, adjusted to reflect any changes in capitalization of the Company after the Closing Date or of securities convertible into or exchangeable for, or otherwise representing the right to acquire Common Stock for a consideration per share equal to or less than \$26 per share, as adjusted, based on the initial consideration paid; and

## Edgar Filing: STRAYER EDUCATION INC - Form SC 13D/A

(iv) the declaration, payment or making of any dividend or other distribution in respect of any shares of the stock of the Company other than dividends on the Preferred Stock and the regular quarterly dividends in cash (adjusted to reflect changes in the Common Stock after the Closing Date), provided that Board of Directors may without a vote of the holders of the Preferred Stock nominally increase such regular quarterly dividend.

The holders of the Preferred Stock, pursuant to the Articles Supplementary, are entitled to receive dividends prior to any amounts being paid on the Common Stock when, as and if declared by the Board of Directors out of funds legally available therefor with such dividends on the Preferred Stock being payable as follows:

- (i) from the Closing Date until the fifth anniversary of that date, dividends accrue at an annual rate of 7.0% of the sum of the liquidation amount, which liquidation amount on the Closing Date was \$26.00 per share, plus any accumulated and

unpaid dividends, with 3.5% of that amount payable in cash quarterly and the balance shall accumulate and compound quarterly until the Preferred Stock either converts, is redeemed, or a liquidation event occurs; and

- (ii) thereon until the date of payment beginning with the fifth anniversary of the Closing Date, dividends accrue at an annual rate of 3% of the sum of the liquidation amount plus any accumulated and unpaid dividends thereon until the date of payment, all of which are payable in cash when the dividend is declared.

In addition, when and if the board of directors declares regular quarterly dividends on the common stock up to \$0.065 per share, holders of the Preferred Stock are not entitled to participate in the Common Stock dividend. However, the Preferred Stock will participate on an as-converted basis in any dividends on Common Stock in excess of the regular quarterly dividends.

Under the Articles Supplementary the holders of the Preferred Stock have certain preemptive rights as set forth under the charter of the Company with respect to certain issuances of Common Stock issued after the Closing Date.

On May 16, 2001, the escrow agent released to the Company the Escrow Fund, of which the Company used approximately \$30 million of its cash together with the \$150 million representing the aggregate purchase price of Preferred Stock, deposited therein to pay the Bailey Stockholders for the Tendered Shares. Pursuant to the terms of the Preferred Stock Purchase Agreement, the Tendered Shares were then canceled (remaining authorized, but unissued). Consequently, the outstanding number of shares of Common Stock was reduced from 15,514,882 shares (the number of shares outstanding on May 15, 2001 prior to the consummation of the Offer) to 8,339,882 shares. As of the Closing Date, there are authorized and outstanding 5,769,231 shares of Preferred Stock.

The Reporting Persons do not intend to amend or supplement the Schedule 13D as amended to reflect the additional shares of Common Stock, which may be issued upon conversion of the Preferred Stock, due solely to the accrual and addition of dividends to the liquidation preference."

Item 5. Interest in Securities of the Issuer

## Edgar Filing: STRAYER EDUCATION INC - Form SC 13D/A

The prior responses to this item set forth in the Schedule 13D filed on March 26, 2001 are deleted in their entirety and replaced by the following:

"(a) DBCI's beneficial ownership of 6,769,231 shares of Common Stock, as a result of its acquisition of the Preferred Stock and the Option and as a result of group status with New Mountain, constitutes beneficial ownership of approximately 48% of the total number of shares of outstanding Common Stock (assuming the number of shares outstanding on May 16, 2001). Except as described above, during the past sixty days, none of DBCI, DBCP L.P., DBCP Inc. nor Taunus, nor, to the best knowledge of DBCI, DBCP L.P., DBCP Inc., and Taunus, any of the persons set forth on Schedule I, has effected any transactions in shares of Common Stock.
