PROXY STATEMENT

SOLICITATION AND REVOCABILITY OF PROXIES

The enclosed proxy is solicited by and on behalf of the Board of Directors of the Company (the "Board of Directors") for use at the Annual Meeting to be held at 11:00 a.m., Central Daylight Time on Thursday, May 3, 2001, in the Grand Ballroom of the Hotel Sofitel, 425 N. Sam Houston Parkway E., Houston, Texas or at any adjournment(s) thereof. The solicitation of proxies by the Board of Directors will be conducted primarily by mail. In addition, officers, directors and employees of the Company may solicit proxies personally or by telephone, telegram or other forms of wire or facsimile communication. The Company will reimburse brokers, custodians, nominees and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of common stock of the Company ("Common Stock"). The costs of the solicitation will be borne by the Company. This proxy statement and the form of proxy were first mailed to stockholders of the Company on or about March 26, 2001.

The enclosed proxy, even though executed and returned, may be revoked at any time prior to the voting of the proxy (a) by execution and submission of a revised proxy, (b) by written notice to the Secretary of the Company or (c) by voting in person at the Annual Meeting. In the absence of such revocation, shares represented by the proxies will be voted at the Annual Meeting.

At the close of business on March 6, 2001, the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting, there were 44,680,331 outstanding shares of Common Stock, each share of which is entitled to one vote. ITEM 1

ELECTION OF DIRECTORS

Eleven directors are to be elected at the Annual Meeting. The nominees for election as directors are Joe B. Foster, David A. Trice, Randy A. Foutch, Charles W. Duncan, Jr., Howard H. Newman, Thomas G. Ricks, C. E. (Chuck) Shultz, Terry Huffington, Dennis R. Hendrix, Philip J. Burguieres and Claire S. Farley. If elected, each director will serve until the Company's 2002 Annual Meeting of Stockholders and until his or her successor shall have been elected and qualified. Each of the nominees for director (other than Mr. Foutch and Ms. Farley) currently serves as a director of the Company. A plurality of the votes cast in person or by proxy by the holders of Common Stock is required to elect a director. Accordingly, abstentions and "broker non-votes" will have no effect on the outcome of the election assuming a quorum is present or represented by proxy at the Annual Meeting. A broker non-vote occurs if a broker or other nominee does not have discretionary authority and has not received instructions with respect to a particular item. Stockholders may not cumulate their votes in the election of directors.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominees listed below. Although the Board of Directors does not contemplate that any of the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of such other person(s) as may be nominated by the Board of Directors.

Standing committees of the Board of Directors include the following:

AUDIT COMMITTEE. The Audit Committee, which currently consists of Messrs. Ricks, Shultz and Burguieres and Ms. Huffington, met four times during 2000. COMPENSATION OF DIRECTORS

DIRECTOR FEES. Non-employee directors are paid a \$20,000 annual fee. In addition, a fee of \$1,000 is paid to each non-employee director for attendance at each meeting of the Board and for attendance at any committee meeting, as a committee member, not held in conjunction with a meeting of the Board. A fee of \$500 is also paid to each non-employee director for participation in each telephonic board meeting and for participation as a committee member in each committee meeting not held in conjunction with a board meeting. The Company's non-employee directors were paid \$226,500 in the aggregate in 2000 as compensation for serving as directors. Only non-employee directors are compensated for serving as directors. Non-employee directors are also reimbursed for out-of-pocket expenses incurred to attend board and committee meetings.

RESTRICTED STOCK. Pursuant to the Newfield Exploration Company 2000 Non-Employee Director Restricted Stock Plan (the "Non-Employee Director Plan") each non-employee director who is in office immediately after an annual meeting of stockholders receives a number of restricted shares of Common Stock determined by dividing \$30,000 by the closing sales price of the Common Stock on the New York Stock Exchange (the "NYSE") on the date of the annual meeting (rounded down to nearest whole share). In addition, each non-employee director who is appointed to the Board (and not in connection with an annual meeting of stockholders) is granted, effective on the date of appointment, a number of restricted shares of Common Stock determined by dividing \$30,000 by the closing sales price of the Common Stock on the NYSE on the date of such appointment (rounded down to nearest whole share). With respect to all such grants, the restrictions lapse on the day before the first annual meeting of stockholders following the date of grant. An aggregate of 50,000 restricted shares were initially available for issuance pursuant to the Non-Employee Director Plan. Each of Messrs. Duncan, Newman, Shultz, Hendrix and Burguières, John C. Sawhill (deceased) and Ms. Huffington were granted 750 restricted shares on May 4, 2000 pursuant to the Non-Employee Director Plan. EMPLOYMENT AGREEMENTS

Contemporaneously with Joe B. Foster's retirement as Chief Executive Officer of the Company on January 31, 2000, Mr. Foster and the Company entered into an employment agreement providing for Mr. Foster to be a non-officer employee of the Company. The employment agreement initially terminates on February 15, 2002, but automatically extends for one additional year on each of the first, second and third anniversaries of the initial termination date unless either party gives at least 30 days prior notice of its election not to so extend. Pursuant to the agreement, Mr. Foster is entitled to an annual base salary of \$225,000 and is eligible to participate in all benefit plans of the Company available to similarly situated employees. Upon termination of the employment agreement for any reason other than for cause, Mr. Foster will be entitled to severance through January 30, 2005 at a rate of \$200,000 per year.

In January 2001, the Company acquired Lariat Petroleum, Inc. (see "-- Compensation Committee Interlocks and Insider Participation"). Randy A. Fouch was Chairman of the Board, President and Chief Executive Officer of Lariat prior to its merger into a wholly owned subsidiary of the Company. Effective as of the date of the merger, Mr. Fouch's existing employment agreement with Lariat was modified to provide that he would continue as President and Chief Executive of Lariat's successor, Newfield Exploration Mid-Continent Inc., and Mr. Fouch was appointed Vice President - Mid-Continent of the Company. The agreement, as so modified, provides for an initial base salary

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

of \$225,000 and the grant effective as of the date of the merger of 25,000 restricted shares and options to purchase 100,000 shares of Common Stock of the Company pursuant to the 2000 Omnibus Plan. The term of the agreement automatically extends each day so that the remaining term is always one year unless either party provides notice to the other of the termination of such automatic extension. Following such a notice, the agreement will terminate on the one year anniversary of the date of such notice. Notwithstanding the foregoing, either party may terminate the agreement at any time for any reason by providing notice to the other party. If such termination is by the Company and is for a reason other than cause, disability or material breach of the agreement or is by Mr. Foutch and is the result of the Company's material breach of the agreement, Mr. Foutch's office being relocated outside of Tulsa County, Oklahoma without his consent or a change in control of the Company (as defined in the 2000 Omnibus Plan), then the Company shall continue to pay Mr. Foutch his then current base salary until the first anniversary of the date of such termination or for a period of 90 days following such termination if such termination resulted from Mr. Foutch's death.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Duncan, Newman, Ricks and Hendrix, Ms. Huffington and John C. Sawhill (deceased) served during all or part of 2000 on the Compensation Committee of the Board of Directors. There were no "interlocks" among any of the members of the Compensation Committee and any of the executive officers of the Company.

In January 2001, the Company acquired Lariat Petroleum, Inc. by merging Lariat into Newfield Exploration Mid-Continent Inc., a wholly owned subsidiary of the Company, pursuant to an Amended and Restated Agreement and Plan of Merger dated as of January 19, 2001 (the "Merger Agreement"). The aggregate merger consideration, inclusive of Lariat debt and certain other obligations, was approximately \$333 million. Part of that consideration included the issuance of approximately 1.9 million shares of the Company's Common Stock.

WPV owned approximately 88% and Randy A. Foutch owned approximately 6% of the outstanding capital stock of Lariat on a fully diluted basis. WPV received cash proceeds of approximately \$78.6 million and 1,864,735 shares of Common Stock of the Company and Mr. Foutch received cash proceeds of approximately \$9.6 million and 26,158 shares of Common Stock of the Company in the merger. In addition, contemporaneously with the merger, WPV received approximately \$39.1 million as repayment in full of notes payable by Lariat to WPV. Pursuant to the Merger Agreement, the Company is entitled, subject to certain limitations, to indemnification for certain customary matters from the former stockholders of Lariat, including WPV and Mr. Foutch.

In connection with the merger, the Company entered into a Registration Rights Agreement with the former stockholders of Lariat that received Common Stock of the Company in the merger, including WPV and Mr. Foutch. Pursuant to such agreement, the Company filed a registration statement with the SEC to register the reoffer and resale of such Common Stock under the Securities Act of 1933 (the "Securities Act"). The Company is required to maintain the effectiveness of the registration statement for the shorter of two years and the date upon which all of the shares covered by such registration statement have been sold. In addition, the Company agreed to indemnify the other parties to the Registration Rights Agreement against certain liabilities that they may incur in connection with the reoffer and resale of their shares of Common Stock, including liabilities arising under the Securities Act, and to contribute to payments that they may be required to make with respect thereto.

The sole general partner of WPV is WP & Co. EMW LLC manages WPV. Mr. Newman is a managing director and a member of EMW LLC and a general partner of WP & Co.

Mr. Hendrix is a director of Duke Energy Corporation and of Chase Bank of Texas N.A., an affiliate of The Chase Manhattan Bank. The Company sells gas to, and purchases transportation services from, Duke Energy Corporation, or its subsidiaries and affiliates, in the ordinary course of business. The Company believes that the payments that it receives for sales of such gas and the charges and fees that it pays for such transportation services are competitive with those of other companies. The Company maintains its revolving credit facility with The Chase Manhattan Bank, as Agent.

Ms. Huffington is a principal owner of Huffco International L.L.C. ("Huffco") and David A. Trice, President and Chief Executive Officer of the Company, is a minority owner of Huffco. In May 1997, prior to Ms. Huffington and Mr. Trice becoming affiliated with the Company, the Company acquired substantially all of the assets of Huffco. The acquired assets included all of the outstanding common stock of Huffco China, LDC, now known as Newfield China, LDC ("Newfield China"), the owner of an undivided 35% interest in a production sharing contract area in Bohai Bay, offshore the People's Republic of China. Huffco retained preferred shares of Newfield China that provide for an aggregate dividend equal to 10% of the excess of proceeds received by Newfield China from the sale of oil, gas and other minerals over all costs incurred with respect to exploration and production in Block 05/36, Bohai Bay, plus an allocated portion of the cash purchase price paid by the Company to Huffco at the closing of the Huffco Transaction. At December 31, 2000, Newfield China had approximately \$19.6 million in unrecovered costs, no reserves and no revenue and, as a result, no dividends have been paid to date on the preferred shares. Huffco also has the right to further payments upon the occurrence of certain events. If the Company acquires an interest in two particular blocks offshore Cote de Ivoire on or before May 15, 2002, the Company will pay Huffco \$2.6 million, subject to certain adjustments if the Company sells such interest to a third party under certain circumstances. Based on current facts, the Company does not anticipate acquisition of an interest in the two blocks. In addition, if the Company commits to a development program in the Federal Republic of Nigeria on or before May 15, 2002, the Company will pay Huffco \$1 million. The Company has not committed to a development program nor any other project in Nigeria.

Foutch was Chairman of the Board, President and Chief Executive Officer of Lariat prior to the merger. Effective as of the date of the merger, Mr. Foutch's existing employment agreement with Lariat was modified (see "-- Employment Agreements") to provide that he would continue as President and Chief Executive of Lariat's successor, Newfield Exploration Mid-Continent Inc., and Mr. Foutch was appointed Vice President - Mid-Continent of the Company. Mr. Foutch was a stockholder of Lariat prior to the merger and is a party to the Merger Agreement and Registration Rights Agreement. McDermott, Weatherford International, Inc. and Chase Bank of Texas N.A., an affiliate of The Chase Manhattan Bank. The Company purchases oil field goods, equipment and services from Weatherford, McDermott and Baker Hughes, or their respective subsidiaries and affiliates, in the ordinary course of business. The Company believes that the charges and fees that it pays for such goods, equipment and services are competitive with the charges and fees of other companies providing such items. The Company maintains its revolving credit facility with The Chase Manhattan Bank, as Agent.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers (as defined in Rule 16a-1(f)), directors and persons who own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely on its review of the copies of such reports received by it and representations from certain reporting persons that they have complied with the relevant filing requirements, the Company believes that all filing requirements applicable to its officers, directors and 10% stockholders were complied with during the year ended December 31, 2000, except that Charles W. Duncan Jr. filed an Annual Statement of Changes in Beneficial Ownership on Form 5 in February 2001 that delinquentlly reported a sale of 6,000 shares of the Company's Common Stock in November 2000 by a Trust of which Mr. Duncan serves as trustee. Pursuant to the requirements of Section 16(a) of the Exchange Act, such transaction should have been reported by Mr. Duncan on a Report of Change of Beneficial Ownership on Form 4 in December 2000, but such report was not filed.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee oversees the administration of compensation programs applicable to all employees of the Company, including its executive officers. Executive compensation is reviewed and approved annually by the Committee.

The Compensation Committee seeks to encourage growth in the Company's oil and gas reserves, earnings and cash flow and to enhance stockholder value through the creation and maintenance of compensation opportunities that attract and retain committed, highly qualified personnel. To achieve those goals, the Committee believes that the compensation of all employees, including executive officers, should include the following components:

- A base salary that is competitive with compensation offered by other similar oil and gas exploration and production enterprises.
- Annual incentive compensation, based on Company performance and profitability, to reward achievement of Company objectives, individual responsibility and productivity, high quality work and impact on Company results. See "-- Executive Compensation -- Incentive Compensation Plan" below.
- The opportunity to purchase Common Stock at a discount of at least 15% through the Newfield Employee Stock Purchase Plan and the provision of other equity incentives as motivators for all employees and to better align the interests of employees and stockholders.
- Case specific compensation plans to accommodate individual circumstances or nonrecurring situations as required.

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), generally disallows a tax deduction to a public company for compensation paid to its chief executive officer and four other most highly

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

compensated executive officers if the compensation of any such officers exceeds \$1 million in a particular year. Qualifying performance-based compensation is not subject to the deduction limit if certain requirements are met.

10

13

As noted above, a significant portion of the Company's compensation is performance-based. The Company has structured portions of its performance-based compensation (such as stock option grants) in a manner that excludes such compensation from the deduction limit. Awards under the Company's Incentive Compensation Plan after 1996 and grants of restricted shares under the 1995 Omnibus Plan do not, however, qualify for exclusion from the deduction limit. For Section 162(m) purposes, the market value of restricted shares are included in the year that the shares vest. As a result, if the market price of the Common Stock increases significantly, the amount of compensation for purposes of Section 162(m) will also increase significantly. For Section 162(m) purposes, deferred awards under the Incentive Compensation Plan after 1996 are included in the year paid, and are paid, at the election of the recipient, in either cash or Common Stock. During the deferral period, the awards to be paid in cash accrue interest and the value of awards to be paid in Common Stock vary depending on the Common Stock's market price.

The Compensation Committee has not intended and does not currently intend to award compensation to any executive officer that would exceed the deduction limit of Section 162(m), but no assurance can be given that such limit will not be exceeded if the market price of the Common Stock increases significantly after the date of an award. The 1998 Omnibus Plan and the 2000 Omnibus Plan are structured to permit the Compensation Committee to award restricted shares that will be excluded from the deduction limit. The Compensation Committee may, however, determine that it is in the best interest of the Company to award restricted shares pursuant to such plan that do not meet the requirements for exclusion from the deduction limit or to otherwise award compensation that would exceed such limit.

COMPANY PERFORMANCE. The Company's net production for 2000 was 140 billion cubic feet of natural gas equivalent ("Bcfe"), an increase of 23% over 1999 production. During 2000, the Company replaced 166% of 1999 production and added 232 Bcfe of new reserves. The Company's proved reserves at year-end 2000 were 687 Bcfe, up 16% over 1999. Net income in 2000 was \$132.3 million, or \$2.93 per diluted share. This compares to \$33.2 million in 1999, or \$0.79 per diluted share. Operating cash flow before changes in assets and liabilities for 2000 was \$384 million, an 85% increase over 1999. This increase reflects both increased production and higher commodity prices.

During 2000, the Company balanced its drilling program with the acquisition of proved properties. The Company completed its largest-ever acquisition with the purchase of three producing fields in South Texas for \$139 million in the first quarter of 2000. On December 28, 2000, the Company announced a definitive agreement with respect to its \$333 million acquisition of Lariat Petroleum. Lariat's operations are concentrated in the Anadarko Basin of Oklahoma. It had proved reserves at year-end 2000 of 256 Bcfe. The acquisition closed in January 2001, establishing a new focus area with a large inventory of prospects and leads. During 2000, the Company drilled 57 wells, of which 45 were successful, including its first international discovery in Bohai Bay, offshore China. Substantially all of the Company's investment activities during 2000 were funded by cash flow from operations.

EXECUTIVE COMPENSATION. Before taking the actions described in this report, the Compensation Committee considered the Company's financial and operating results. A summary of the indicators deemed particularly relevant by the Compensation Committee are presented above. Specific actions taken by the

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

Compensation Committee regarding executive compensation are summarized below.

Base Salary. The Compensation Committee evaluated peer group information in setting base salary levels. Annual salary adjustments for the Company's executive group are based on general levels of market salary increases, individual performance and the Company's overall financial and operating results, without any specific relative weight assigned to any of these factors.

Contemporaneously with Mr. Foster's retirement as Chief Executive Officer of the Company on January 31, 2000, Mr. Foster and the Company entered into an employment agreement providing for Mr. Foster to be a non-officer employee of the Company. See "-- Employment Agreements." Pursuant to the agreement, Mr. Foster is entitled to an annual base salary of \$225,000.

Stock Option Awards. Each of Messrs. Waldrup, Rathert, Schaible and Pew were granted options to purchase 20,000 shares of Common Stock in February 2000 pursuant to the 2000 Omnibus Plan to provide

11

14

incentive with respect to the Company's future performance and to reward them for their contribution to the Company's performance in 1999. Twenty percent of each of these awards will vest on the first and each succeeding anniversary of the date of grant.

Incentive Compensation Plan. The Incentive Compensation Plan is funded by amounts equal to the revenues that would be attributable to a 1% overriding royalty interest on acquired producing properties and a 2% overriding royalty interest from exploration properties, bearing upon both the interest of the Company and certain investors that participated in the Company's activities in such properties and proportionately reduced to the interest of the Company and such investors. Amounts available for distribution under the Incentive Compensation Plan attributable to the overriding royalty interests bearing against the Company are limited to 5% of the Company's Adjusted Net Income (as defined in the Incentive Compensation Plan). Awards may consist of both a current and deferred amount. Eligible employees may elect for a portion of deferred amounts to be paid in Common Stock instead of cash. If an eligible employee elects for a deferred amount to be paid in Common Stock, the number of shares of Common Stock to be awarded is determined by using the fair market value of the Common Stock on the date of the award. Deferred Awards are paid in four annual installments, each installment consisting of 25% of the deferred award, plus interest on awards paid in cash.

Awards granted to the named executive officers in February 2001 for the 2000 performance period pursuant to the Incentive Plan are presented under "Bonus" in the Summary Compensation Table. Such awards were based approximately 50% on level of responsibility and the Company's performance and approximately 50% on individual productivity, quality of work and impact on the Company's results. The Compensation Committee established awards for each executive after hearing the recommendations of the Chief Executive Officer.

Deferred Compensation Plan. The Company's highly compensated employee Deferred Compensation Plan allows an eligible employee to defer a portion of his or her salary or bonus on an annual basis. The Company matches 100% of an employee's deferral up to 8% of such employee's salary, subject to limitations imposed by the plan. The Company's contribution is reduced by contributions made by the Company to the 401(k) Plan on behalf of such employee.

Restricted Stock Awards. In February 2000, the Compensation Committee awarded 5,000 restricted shares to each of Messrs. Waldrup, Rathert, Schaible and Pew and 1,006 restricted shares to Mr. Foster pursuant to the 1998 Omnibus

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

Plan. These awards are reflected under "Long Term Compensation Awards" in the Summary Compensation Table. The restricted shares vest on the ninth anniversary of the date of grant. However, the restricted shares will vest earlier, at a rate of 20% per year, upon the achievement of certain annual performance targets (either (i) 10% or greater rate of return on average stockholders' equity or (ii) the addition of proved reserves during the performance year at least equal to production for such year). The awards were granted to Messrs. Waldrup, Rathert, Schaible and Pew in order to provide them with further incentive with respect to the Company's future performance, to further align their interests with those of the Company's stockholders and to reward them for their contribution to the Company's performance in 1999. The award was made to Mr. Foster in connection with his retirement as Chief Executive Officer and as a reward for past contributions to the Company.

CHIEF EXECUTIVE OFFICER COMPENSATION. As described above, the Company's executive compensation philosophy, including the compensation of the Chief Executive Officer, is a competitive base salary and incentive compensation based upon the Company's performance. Specific actions taken by the Compensation Committee regarding Mr. Trice's compensation for the 2000 performance year are summarized below.

Base Salary. Mr. Trice's base salary was increased at the time of his promotion to Chief Executive Officer in February 2000 to a level consistent with that of Mr. Foster's when he served as Chief Executive Officer.

Incentive Compensation Plan. In February 2001, Mr. Trice received a \$468,750 current award and a \$156,250 deferred award for the 2000 performance period pursuant to the Incentive Compensation Plan. These awards were based approximately 50% on the Company's performance and Mr. Trice's level of

12

15

responsibility and approximately 50% on productivity, perceived quality of work and impact on the Company's results.

Stock Plans. In February 2000, Mr. Trice was granted options to acquire 30,000 shares of Common Stock pursuant to the 2000 Omnibus Plan and awarded 10,000 restricted shares pursuant to the 1998 Omnibus Plan. These actions were taken in recognition of Mr. Trice's promotion to Chief Executive Officer, in order to provide him with further incentive with respect to the Company's future performance, to further align his interests with those of the Company's stockholders and to reward him for his contribution to the Company's performance in 1999.

This report is submitted on behalf of the Compensation Committee.

STOCKHOLDER RETURN PERFORMANCE PRESENTATION

As required by applicable rules of the SEC, the performance graph shown below was prepared based upon the following assumptions:

- (1) \$100 was invested in the Company's Common Stock, the S&P 500 and the

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

Peer Group (as defined below) on December 29, 1995 at the closing price on such date.

- (2) Peer Group investment is weighted based on the stock market capitalization of each individual company within the Peer Group at the beginning of the period.
- (3) Dividends are reinvested on the ex-dividend dates.

The companies that comprise the Company's Peer Group are as follows: Apache Corporation, Cross Timbers Oil Company, Devon Energy Corporation, Enron Oil & Gas Company, Noble Affiliates, Inc., Pogo Producing Company, and Vintage Petroleum, Inc. The Louisiana Land and Exploration Company ("LL&E") and Seagull Energy Corporation ("Seagull") were included in the Company's Peer Group and the Stockholder Return Performance Presentation shown below until October 1997 and March 1999, respectively. As neither Burlington Resources, which acquired LL&E in October 1997, nor Ocean Energy Inc., which merged with Seagull in March 1999, are members of the Company's Peer Group, LL&E and Seagull are not included in the Peer Group after such transactions. However, for purposes of the Stockholder Return Performance Presentation, the LL&E investment and the Seagull investment were allocated pro rata based on investment value among the remainder of the Peer Group companies at the times of their respective acquisitions.

- the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal and regulatory compliance; and
- the independence and performance of the Company's independent auditors and any internal audit function that may be utilized in the future.

Its specific responsibilities are set forth in its charter, which is attached as Appendix A to this proxy statement.

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

The Audit Committee has reviewed and discussed with the Company's management and PricewaterhouseCoopers LLP, the Company's independent accountants, the audited financial statements of the Company contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2000.

The Audit Committee has also discussed with the Company's independent accountants the matters required to be discussed pursuant to Statements on Auditing Standards No. 61, "Communication with Audit Committees." The Audit Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and has discussed with PricewaterhouseCoopers LLP such independent accountants' independence. The Audit Committee has also considered whether the provision of non-audit services to the Company by PricewaterhouseCoopers LLP is compatible with maintaining their independence.

Based on the review and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000 to be filed with the SEC.

This report is submitted on behalf of the Audit Committee.

AUDIT FEES

PricewaterhouseCoopers LLP has billed the Company \$121,000, in the aggregate, for professional services rendered by them for the audit of the Company's annual financial statements for the year ended December 31, 2000 and the reviews of the interim financial statements included in the Company's Quarterly Reports on Form 10-Q filed with the SEC during 2000.

ALL OTHER FEES

The aggregate fees for non-audit services rendered by PricewaterhouseCoopers LLP to the Company for the fiscal year ended December 31, 2000 were \$231,600. Such non-audit services did not include financial information systems design or implementation. The Audit Committee has considered whether the rendering of such non-audit services by PricewaterhouseCoopers LLP is compatible with maintaining the principal accountant's independence.

ITEM 2

RATIFICATION OF APPOINTMENT OF AUDITORS

Pursuant to the recommendation of the Audit Committee, the Board of Directors appointed PricewaterhouseCoopers LLP, independent public accountants, to audit the consolidated financial statements of the Company for the year ending December 31, 2001. The Company is advised that no member of PricewaterhouseCoopers LLP has any direct or material indirect financial interest in the Company or, during the past three years, has had any connection with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee.

Ratification of this appointment shall be effective upon receiving the

Edgar Filing: NEWFIELD EXPLORATION CO /DE/ - Form DEF 14A

affirmative vote of the holders of a majority of the Common Stock present or represented by proxy and entitled to vote at the Annual Meeting. Under Delaware law, an abstention would have the same effect as a vote against this proposal, but a broker non-vote would not be counted for purposes of determining whether a majority had been achieved.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF THIS APPOINTMENT.

In the event the appointment is not ratified, the Board of Directors will consider the appointment of other independent auditors. A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting, will be offered the opportunity to make a statement if such representative desires to do so and will be available to respond to appropriate questions.

ITEM 3

OTHER MATTERS

The Board of Directors does not know of any other matters that are to be presented for action at the Annual Meeting.
