PROXY STATEMENT

These proxy materials are furnished to you in connection with the solicitation of proxies by the Board of Directors of Group 1 Automotive, Inc. for use at our 2004 Annual Meeting of Stockholders and at any adjournment of that meeting. The meeting will be held at JPMorgan Chase, Mezzanine Level, 707 Travis Street, Houston, Texas, on Wednesday, May 19, 2004, at 10:00 a.m., central time. This proxy statement and the enclosed proxy card are being mailed to stockholders beginning on or about April 12, 2004. Because many stockholders are unable to attend the meeting, our Board of Directors solicits proxies from our stockholders to ensure that each stockholder has an opportunity to vote on all matters scheduled to come before the meeting. We urge you to read carefully the material in this proxy statement.

ABOUT THE ANNUAL MEETING

WHAT IS THE PURPOSE OF THE MEETING?

At our annual meeting, stockholders will act upon the matters outlined in the notice of meeting, including the election of directors, the approval of an amendment to the Group 1 Automotive, Inc. 1996 Stock Incentive Plan, the ratification of Ernst & Young LLP as our independent auditors and consideration of any other matters properly presented at the meeting. In addition, senior management will report on our business and financial performance during fiscal 2003 and respond to your questions.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Only our stockholders as of 5:00 p.m., central time, on March 26, 2004, the record date, are entitled to receive notice of the annual meeting and to vote at the meeting. On March 26, 2004, there were 22,485,284 shares of Group 1 common stock issued and outstanding and entitled to vote at the meeting.

HOW MANY VOTES CAN I CAST?

You are entitled to one vote for each share of Group 1 common stock you owned at 5:00 p.m., central time, on March 26, 2004 on all matters presented at the meeting.

HOW DO I VOTE MY SHARES?

If you hold your shares as a stockholder of record, you can vote in person at the annual meeting or you can provide a proxy to be voted at the meeting either:

- over the telephone by calling 1-800-435-6710;
- electronically, using the Internet, at www.eproxy.com/gpi; or
- by mailing in the enclosed proxy card.

If you are a stockholder of record and you would like to vote by telephone or by using the Internet, please refer to the specific instructions set forth on the enclosed proxy card. Voting by telephone or by the Internet is expressly permitted in Delaware, our state of incorporation. The telephone and Internet voting procedures have been set up for your convenience and have been designed to authenticate your identity, allow you to give voting instructions and confirm that those instructions have been recorded properly. If you wish to vote using a paper format and you return your signed proxy to us before the annual meeting, we will vote your shares as you direct.

If you choose to submit your proxy with voting instructions by telephone or through the Internet, you will be required to provide your assigned control number located on the enclosed proxy card before your proxy will be accepted. In addition to the instructions that appear on the enclosed proxy card and information sheet, step-by-step instructions will be provided by recorded telephone message or at the designated Web site on the Internet. Once you have voted in accordance with those instructions, you will receive confirmation that your proxy has been successfully submitted.

If you hold your shares in "street name," you will receive instructions from your broker or other nominee describing how to vote your shares. If you do not instruct your broker or nominee how to vote such shares, they may vote your shares as they decide as to each matter for which they have discretionary authority under the rules of the New York Stock Exchange.

If you vote by granting a proxy, B.B. Hollingsworth, Jr., our Chairman, President and Chief Executive Officer or Beth Sibley, our Assistant Corporate Secretary, will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy card without giving specific voting instructions, Mr. Hollingsworth or Ms. Sibley will vote those shares as recommended by our Board of Directors.

WHAT IS THE DIFFERENCE BETWEEN A STOCKHOLDER OF RECORD AND A "STREET NAME" HOLDER?

If your shares are registered directly in your name with Mellon Investor Services, LLC, our stock transfer agent, you are considered the stockholder of record with respect to those shares. If your shares are held in a stock brokerage account or other nominee, you are considered the beneficial owner of

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

those shares, and your shares are held in "street name."

HOW DO I VOTE MY SHARES IN PERSON AT THE MEETING?

If you are a stockholder of record, you may vote your shares by completing a ballot at the meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you currently plan to attend the annual meeting in person, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting. If you hold your shares in "street name," you may only vote those shares in person if you obtain a signed proxy from your broker or other nominee giving you the right to vote the shares.

CAN I REVOKE MY PROXY?

Yes. You can revoke your proxy at any time before it is exercised by:

- submitting written notice of revocation to John S. Watson, Group 1 Automotive, Inc., 950 Echo Lane, Suite 100, Houston, TX 77024;
- submitting another proxy by telephone, via the Internet or by mail that is later dated and, if by mail, that is properly signed; or
- attending our meeting and voting your shares in person.

2

WHAT VOTE IS REQUIRED TO APPROVE THE ELECTION OF DIRECTORS?

In the election of directors, you may either vote "FOR" the nominees or "WITHHOLD" your vote for the nominees. Abstentions and broker non-votes will have no effect on the outcome of the election of the directors. If a nominee receives a plurality of the votes cast, he will be elected to our Board of Directors.

Abstentions occur when stockholders are present at the annual meeting but choose to withhold their vote for any of the matters upon which the stockholders are voting. "Broker non-votes" occur when nominees (such as banks and brokers) that hold shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners before the meeting and do not have discretionary authority to vote those shares under the applicable rules of the New York Stock Exchange.

WHAT VOTE IS REQUIRED TO APPROVE THE AMENDMENT TO THE GROUP 1 AUTOMOTIVE, INC. 1996 STOCK INCENTIVE PLAN?

In voting on the amendment to the Group 1 Automotive, Inc. 1996 Stock Incentive Plan, you may vote "FOR" the amendment, "AGAINST" the amendment or "ABSTAIN" from voting on the amendment. Holders of a majority of the shares of our common stock cast with respect to the proposal must vote "FOR" the amendment to the Group 1 Automotive, Inc. 1996 Stock Incentive Plan in order for the amendment to be approved at the annual meeting. In addition, under applicable rules of the New York Stock Exchange, in order for the proposal to be approved, the total number of shares of common stock cast on the proposal must represent over 50% of our common stock entitled to vote on the proposal. Abstentions will be counted as votes cast against the proposal and broker non-votes will not be counted as votes cast with respect to the proposal under applicable rules of the New York Stock Exchange.

WHAT VOTE IS REQUIRED TO APPROVE THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS OF GROUP 1?

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

In voting on the ratification of the appointment of Ernst & Young LLP as our independent auditors, you may vote "FOR" the ratification, "AGAINST" the ratification or "ABSTAIN" from voting on the ratification. Holders of a majority of the shares of our common stock cast with respect to the proposal must vote "FOR" the ratification of the appointment of Ernst & Young LLP as our independent auditors in order for such ratification to be approved at the annual meeting. Abstentions and broker non-votes are not counted as votes cast with respect to the proposal.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND I VOTE ON THE PROPOSALS?

The Board of Directors recommends that you vote:

- FOR each of the nominees for director set forth on page 5;
- FOR the approval of the amendment to the Group 1 Automotive, Inc. 1996 Stock Incentive Plan; and
- FOR the ratification of the appointment by the Audit Committee of Ernst & Young LLP as our independent auditors.

WHAT IS A QUORUM?

A quorum is the presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares as of the record date. There must be a quorum for the meeting to be held. If you submit a valid proxy card, vote by Internet or phone, or attend the meeting, your shares will be counted to determine whether there is a quorum. Abstentions and broker non-votes will be counted toward the quorum.

3

MAY I PROPOSE ACTIONS FOR CONSIDERATION AT NEXT YEAR'S ANNUAL MEETING OF STOCKHOLDERS OR NOMINATE INDIVIDUALS TO SERVE AS DIRECTORS?

You may submit proposals for consideration at future stockholder meetings, including director nominations. In order for a stockholder proposal, including a director nomination, to be considered for inclusion in our proxy statement for next year's annual meeting, the written proposal must be received by us no later than December 13, 2004. In addition, for a stockholder proposal, including a director nomination, to be considered at next year's annual meeting, the written proposal must be received by us no earlier than February 18, 2005 and no later than March 10, 2005. Please read "Stockholder Proposals for 2005 Annual Meeting" on page 35 for a more detailed discussion of the requirements for submitting a stockholder proposal for consideration at next year's annual meeting.

ITEM 1 - ELECTION OF DIRECTORS

Our Restated Certificate of Incorporation provides for a classified Board of Directors. The directors are divided into three classes, with each class serving for a period of three years. As a result, the stockholders elect approximately one-third of the members of our Board of Directors annually. You are being asked to elect three Class II directors at this annual meeting to serve until the 2007 annual meeting, until his successor is elected and qualified or until the earlier of his death, resignation or removal. The term for our Class I directors expires in 2006, and the term for our Class III directors expires in 2005.

In accordance with our bylaws, the three nominees who receive the greatest number of votes cast for election by our stockholders will be elected as

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

directors. As a result, abstentions and broker non-votes will have no effect on the outcome of the election of directors, assuming a quorum is present or represented by proxy at the annual meeting. Stockholders may not cumulate their votes in the election of our directors.

Unless otherwise instructed or unless authority to vote is withheld, the enclosed proxy will be voted for the election of the nominees listed in this proxy statement. We have no reason to believe that the nominees will be unable or unwilling to serve if elected. However, if a nominee should become unable or unwilling to serve for any reason, proxies may be voted for another person nominated as a substitute by our Board of Directors, or the Board of Directors may reduce the number of directors.

The following table sets forth certain information, as of the date of this Proxy Statement, regarding the nominees and the other directors of Group 1.

CORPORATE GOVERNANCE

CORPORATE GOVERNANCE GUIDELINES

Our Board of Directors has adopted Corporate Governance Guidelines, which can be viewed on our Web site at www.grouplauto.com. Among other matters, the guidelines include the following:

DIRECTOR QUALIFICATION STANDARDS

- The Nominating/Governance Committee is responsible for establishing criteria for selecting new directors and actively seeking individuals to become directors for recommendation to the Board. This assessment will include members' qualification as independent, as well as consideration of diversity, age, skill and experience in the context of the needs of the Board.
- The number of directors that constitutes the Board will be between three and nine. The Board believes that a smaller board generally functions more effectively than a large board as smaller boards generally promote greater participation by each board member, more effective and efficient decision making and greater individual accountability.
- No director may serve on more than four other public company boards.

6

DIRECTOR RESPONSIBILITIES

- The basic responsibility of each director is to exercise his or her business judgment to act in what he or she reasonably believes to be in the best interests of Group 1 and its stockholders.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

- Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.
- Directors are encouraged to attend the annual meeting of stockholders.

DIRECTOR ACCESS TO MANAGEMENT AND INDEPENDENT ADVISORS

- The Board and each committee of the Board have the power to hire independent legal, financial or other advisors as they may deem necessary.
- The Board has full and free access to the officers and employees of Group 1 and welcomes regular attendance at each Board meeting of senior officers of Group 1.

CHIEF EXECUTIVE OFFICER EVALUATION AND MANAGEMENT SUCCESSION

- The Compensation Committee will annually review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of those goals and objectives and set the compensation of the Chief Executive Officer.
- The Nominating/Governance Committee will meet annually on succession planning.

ANNUAL PERFORMANCE EVALUATION, DIRECTOR ORIENTATION AND CONTINUING EDUCATION

- The Board will conduct an annual self-evaluation of itself, its committees and each individual director.
- All new directors must participate in an orientation program.
- Group 1 will periodically allocate Board meeting time to receive information and updates on corporate governance issues, director best practices and legal and regulatory changes.

CODE OF ETHICS FOR CHIEF EXECUTIVE OFFICER, CHIEF FINANCIAL OFFICER, CONTROLLER AND CERTAIN OTHER OFFICERS

The Board has adopted a code of ethics for our Chief Executive Officer, our Chief Financial Officer our Controller and all other financial and accounting officers of Group 1. A copy of this code of ethics can be viewed at our Web site at www.grouplauto.com. Any change to, or waiver from, this code of ethics will be disclosed on our Web site within five business days after such change or waiver. Among other matters, this code of ethics requires each of these officers to:

- Act with honesty and integrity, including the ethical handling of actual or apparent conflicts of interest in personal and professional relations.
- Avoid conflicts of interest and disclose any material transactions or relationships that reasonably could be expected to give rise to a conflict of interest.

- Work to ensure that Group 1 fully, fairly and accurately discloses information in a timely and understandable manner in all reports and documents that Group 1 files with the Securities and Exchange Commission and in other public communications made by Group 1.
- Comply with applicable governmental laws, rules and regulations.
- Report any violations of the code to the Chief Executive Officer and the Chairman of the Audit Committee.

CODE OF CONDUCT

The Board has adopted a code of conduct, which sets forth the standards of behavior expected of every employee, director and agent of Group 1. A copy of this code of conduct can be viewed at our Web site at www.grouplauto.com. Among other matters, this code of conduct is designed to deter wrongdoing and to promote:

- Avoidance of conflicts of interest.
- Compliance with all applicable laws and regulations.
- The safeguarding of Group 1 assets.

INFORMATION ABOUT OUR BOARD OF DIRECTORS AND COMMITTEES

Our Board of Directors held six meetings in fiscal year 2003. During the fiscal year, all directors attended at least 96% of the meetings of the Board of Directors and of the committees on which each served. Under our corporate governance guidelines, our directors are encouraged to attend the annual meeting of our stockholders. All of our directors attended our 2003 annual meeting of stockholders.

THE INDEPENDENCE OF THE MEMBERS OF THE BOARD OF DIRECTORS

The Board of Directors has determined that each member of the Board of Directors, other than Mr. Hollingsworth, our Chairman, President and Chief Executive Officer, and Mr. Howard, the former President of the Howard Group, is

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

"independent" as that term is defined in the New York Stock Exchange's listing standards.

Group 1 has in the past, and may in the future, make donations to various charitable organizations. From time to time, some of our directors, officers and employees have been, and in the future may be, affiliated with

8

such charities. Our Board of Directors has determined that any such affiliations have not impacted the independence of our independent directors.

EXECUTIVE SESSIONS OF THE BOARD OF DIRECTORS

The independent directors meet in executive session at each regularly scheduled meeting of the Board of Directors. In addition, the non-management directors meet in executive sessions at least annually at a regularly scheduled meeting of the Board of Directors. The director who presides at these meetings is chosen by the Board of Directors at the annual meeting of directors, which coincides with the annual meeting of stockholders, and serves until the next annual meeting of directors. The presiding director rotates among the Chairs of the committees of the Board of Directors. The presiding director is responsible for preparing an agenda for the meetings of the independent directors or non-management directors in executive session. Mr. Quinn has been designated to act as the presiding director until the next annual meeting of directors, which is expected to occur in May 2004.

- Oversee our systems of internal controls regarding finance, accounting, legal compliance and ethics that our management and Board of Directors have established;

9

- Provide an open avenue of communication among our independent auditors, financial and senior management, the internal auditing department, and our Board of Directors, always emphasizing that the independent auditors are accountable to the Audit Committee; and
- Perform such other functions as our Board of Directors may assign to the Audit Committee from time to time.

In connection with these purposes, the Audit Committee annually selects, engages and evaluates the performance and on-going qualifications of, and determines the compensation for, our independent auditors, reviews our annual and quarterly financial statements and confirms the independence of our independent auditors. The Audit Committee also meets with our management and external auditors regarding the adequacy of our financial controls and our compliance with legal, tax and regulatory matters and significant Group 1 policies. While the Audit Committee has the responsibilities and powers set forth in its charter, it is not the duty of the Audit Committee to plan or conduct audits, to determine that our financial statements are complete and accurate or to determine that such statements are in accordance with accounting principles generally accepted in the United States and other applicable rules and regulations. Our management is responsible for the preparation of our financial statements in accordance with accounting principles generally accepted in the United States and our internal controls. Our independent auditors are responsible for the audit work on our financial statements. It is also not the duty of the Audit Committee to conduct investigations or to assure compliance with laws and regulations and our policies and procedures. Our management is responsible for compliance with laws and regulations and compliance with Group 1's policies and procedures.

Our Board of Directors has adopted an Audit Committee Charter. The Audit committee reviewed and amended its charter at its regularly scheduled meetings in November 2003 and March 2004. A copy of the revised Audit Committee Charter is attached as Exhibit A to this Proxy Statement for your reference and is also posted on our Web site, www.grouplauto.com.

During fiscal year 2003, the Audit Committee met nine times and consisted of Mr. Adams (Chairman), Mr. Quinn and Mr. Lataif. In November 2003, our Board of Directors, based on the recommendation of the Nominating/Governance Committee, appointed Mr. Strange to the Audit Committee. Mr. Strange also serves on the Audit Committees of Compass Bancshares, Inc., New Jersey Resources Corporation and BearingPoint, Inc. The Board of Directors has determined that such simultaneous service on these other Audit Committees and our Audit Committee will not impair the ability of Mr. Strange to serve effectively on our Audit Committee.

All members of the Audit Committee are independent as that term is defined in the New York Stock Exchange's listing standards and as that term is defined

by Rule 10A-3 promulgated under the Securities Exchange Act of 1934. Our Board of Directors has determined that each member of the Audit Committee is financially literate and that Mr. Adams has the necessary accounting and financial expertise to serve as chairman. Our Board of Directors has designated Mr. Strange as an "audit committee financial expert" following a determination that Mr. Strange met the criteria for such designation under the Securities and Exchange Commission rules and regulations.

The Audit Committee Report is set forth on pages 14 and 15 of this Proxy Statement.

NOMINATING/GOVERNANCE COMMITTEE

Our Nominating/Governance Committee was formed in November 2002 to serve the following purposes:

- Assist our Board of Directors by identifying individuals qualified to become members of our Board of Directors and recommend director nominees to our Board of Directors for election at the annual meetings of stockholders or for appointment to fill vacancies;

10

- Recommend director nominees to our Board of Directors for each committee of our Board of Directors;
- Advise our Board of Directors about the appropriate composition of our Board of Directors and its committees;
- Advise our Board of Directors about and recommend to our Board of Directors appropriate corporate governance practices and assist our Board of Directors in implementing those practices;
- Lead our Board of Directors in its annual review of the performance of the Board of Directors and its committees;
- Direct all matters relating to the succession of our Chief Executive Officer; and
- Perform such other functions as our Board of Directors may assign to the Nominating/Governance Committee from time to time.

In connection with these purposes, the Nominating/Governance Committee actively seeks individuals qualified to become members of our Board of Directors, seeks to implement the independence standards required by law, applicable listing standards, our certificate of incorporation or bylaws and our corporate governance guidelines, and identifies the qualities and characteristics necessary for an effective Chief Executive Officer.

All members of the Nominating/Governance Committee are independent as that term is defined in the New York Stock Exchange's listing standards. The Nominating/Governance Committee consisting of Mr. Quinn (Chairman), Mr. Adams, Mr. Lataif and Mr. Watson held six meetings during fiscal year 2003.

The Nominating/Governance Committee is responsible for establishing criteria for selecting new directors and actively seeking individuals to become directors for recommendation to the Board of Directors. In considering candidates for the Board of Directors, the Nominating/Governance Committee will consider the entirety of each candidate's credentials. There is currently no set of specific minimum qualifications that must be met by a nominee recommended by the Nominating/Governance Committee, as different factors may assume greater or

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

lesser significance at particular times and the needs of the Board of Directors may vary in light of its composition and the committee's perceptions about future issues and needs. However, while the Nominating/Governance Committee does not maintain a formal list of qualifications, in making its evaluation and recommendation of candidates, the committee may consider, among other factors, diversity, age, skill, experience in the context of the needs of the Board of Directors, independence qualifications and whether prospective nominees have relevant business and financial experience, have industry or other specialized expertise and have high moral character.

The committee may consider candidates for the Board from any reasonable source, including from a search firm engaged by the committee or stockholder recommendations; provided that the procedures set forth below are followed. The Nominating/Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate is recommended by a stockholder or not. However, in evaluating a candidate's relevant business experience, the committee may consider previous experience as a member of our Board of Directors. Any invitation to join the Board of Directors must be extended by the Board of Directors as a whole, by the Chairman of the Nominating/Governance Committee and by the Chairman of the Board.

Stockholders or a group of stockholders may recommend potential candidates for consideration by the Nominating/Governance Committee by sending a written request to our Secretary at our principal executive offices, 950 Echo Lane, Suite 100, Houston, Texas 77024 not earlier than the 150th calendar day and not later than the 120th calendar day before the first anniversary of the date our proxy statement is released to security holders in connection with the preceding year's annual meeting. The written request must include the candidate's name, contact information, biographical information and qualifications. The request must also include the potential candidate's written consent to being named in our proxy statement as a nominee and to

11

serving as a director if nominated and elected. The stockholder or group of stockholders making the recommendation must also disclose, with the written request described above, the number of shares of common stock that the stockholder or group beneficially owns and the period of time the stockholder or group has beneficially owned the securities. From time to time, the committee may request additional information from the nominee or the stockholder.

The stockholder recommendation procedures described above do not preclude a stockholder of record from making nominations of directors or making proposals at any annual stockholder meeting; provided that they comply with the requirements described in the section entitled "Stockholder Proposals for 2005 Annual Meeting."

Our Board of Directors has adopted a Nominating/Governance Committee Charter, which is posted on our Web site, www.grouplauto.com.

COMPENSATION COMMITTEE

Our Compensation Committee has the following purposes:

- Review, evaluate, and approve our agreements, plans, policies, and programs to compensate the corporate officers and directors of Group 1;
- Produce an annual report on executive compensation and to publish the report in our proxy statement for our annual meeting of stockholders;

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

- Otherwise discharge the Board of Directors' responsibility relating to compensation of our directors and corporate officers; and
- Perform such other functions as our Board of Directors may assign to the Compensation Committee from time to time.

In connection with these purposes, the Compensation Committee approves the compensation levels and terms of employment for our executive officers, including salary and bonus levels, and reviews and makes recommendations to our Board of Directors with respect to compensation of all directors. In addition, the Compensation Committee oversees our stock option, stock purchase and deferred compensation plans. All members of the Compensation Committee are independent as that term is defined in the New York Stock Exchange's listing standards. The Compensation Committee, consisting of Mr. Watson (Chairman), Mr. Adams and Mr. Quinn, held six meetings during fiscal year 2003.

Our Board of Directors has adopted a Compensation Committee Charter, which is posted on our Web site, www.grouplauto.com.

The Compensation Committee's Report on Executive Compensation is set forth on pages 16 through 18 of this Proxy Statement.

DIRECTOR COMPENSATION

In 2003, each of our non-employee directors, other than Mr. Strange, received an annual retainer fee of \$12,000. Mr. Strange was elected in October 2003 and received a pro rated retainer fee of \$3,000. Our directors also receive a fee of \$1,500 for attendance at each Board meeting and a fee of \$1,000 for attendance at each meeting of a committee of the Board of Directors. Chairs of the committees of our Board of Directors receive an additional \$4,000 annual fee for serving in that capacity.

12

Some of our directors have elected to participate in the Group 1 Automotive, Inc. Deferred Compensation Plan. During 2003, Messrs. Adams, Lataif and Quinn deferred \$45,000, \$33,000 and \$45,000, respectively, of their retainer and attendance fees. Our directors also receive the use of one company vehicle or the economic equivalent and are also eligible for grants of stock options and other awards pursuant to the Group 1 Automotive, Inc. 1996 Stock Incentive Plan. The following table sets forth information concerning stock options granted in 2003, 2002 and 2001 to our non-employee directors:

- (1) During 2001 and 2002 Mr. Howard was an employee of Group 1.
- (2) Mr. Strange was granted an option to purchase 10,000 shares upon his election to the Board of Directors in October 2003. None of the other directors were granted any options in 2003 because the shares available under the Group 1 Automotive, Inc. 1996 Stock Incentive Plan are limited and the Compensation Committee and the Board of Directors determined that the remaining options should be saved for the future needs of Group 1.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management and Ernst & Young LLP, our independent auditors, our audited financial statements as of and for the year ended December 31, 2003. The Audit Committee has also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

Ernst & Young LLP submitted to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee discussed with Ernst & Young LLP such firm's independence. The Audit Committee has also considered whether the provision of non-audit services to our Company by Ernst & Young LLP is compatible with maintaining their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in Group 1's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

Respectfully submitted by the Audit Committee of the Board of Directors of

Group 1,

John L. Adams (Chairman)
 Louis E. Lataif
 Stephen D. Quinn

AUDIT AND OTHER FEES

Set forth below is a summary of certain fees paid to Arthur Andersen LLP, our former independent accountants, and to Ernst & Young LLP, our current independent auditors, for services related to the fiscal years ended December 31, 2002 and December 31, 2003. In determining the independence of Arthur Andersen LLP and Ernst & Young LLP, the Audit Committee considered whether the provision of non-audit services is compatible with maintaining Arthur Andersen LLP's and Ernst & Young LLP's independence.

| | | 2002 ---- | 2003 ---- |
|------------------------|-----------------------------|---------------------------|---------------------------|
| | Arthur Andersen ----- | Ernst & Young ----- | Ernst & Young ----- |
| Audit Fees | \$ 49,000 | \$ 510,000 | \$ 873,328 |
| Audit Related Fees ... | -- | -- | 18,000 |
| Tax Fees | 24,263 | 116,942 | 124,735 |
| All Other Fees | -- | -- | -- |

AUDIT FEES. Audit fees consisted of amounts incurred for services performed in association with the annual financial statement audit (including required quarterly reviews), and other procedures required to be performed by the independent auditor to be able to form an opinion on our consolidated financial statements. Other procedures included consultations relating to the audit or quarterly reviews, and services performed in connection with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings, as well as out-of-pocket expenses incurred in connection with performing these services.

AUDIT RELATED FEES. Audit related fees consisted of amounts incurred for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent auditor. Audit related services included assistance with internal control reporting requirements.

14

TAX FEES. Tax fees consisted of amounts incurred for tax compliance and tax consultation services provided.

ALL OTHER FEES. No other fees were incurred during the periods presented.

The Audit Committee considers whether the provision of these services is compatible with maintaining Ernst & Young LLP's independence, and has determined such services for fiscal 2003 and 2002 were compatible. All of the services described above were pre-approved by the Audit Committee pursuant to paragraph (c) (7) (ii) (C) of Rule 2-01 of Regulation S-X under the Exchange Act, to the extent that rule was applicable during fiscal 2002 and 2003.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Ernst & Young LLP does not provide any internal audit services to Group 1. We use a separate firm, Crowe Chizek and Company LLP, for internal audit services.

In November 2003, the Audit Committee adopted a policy requiring pre-approval by the Audit Committee of all services (audit and non-audit) to be provided to Group 1 by its independent auditor. In accordance with this policy, the Audit Committee has given its approval for the provision of audit services by Ernst & Young LLP through June 1, 2004 and has also given its approval for up to a year in advance for the provision by Ernst & Young LLP of particular categories or types of audit-related, tax and permitted non-audit services, in each case subject to a specific budget. Any proposed services to be provided by the independent auditor not covered by one of these approvals, including proposed services exceeding pre-approved budget levels, will require special pre-approval by the Audit Committee. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

EXECUTIVE OFFICERS

Except as described under the heading "Executive Compensation -- Employment Agreements" below, our executive officers serve at the pleasure of our board of directors and are subject to annual appointment by our board of directors at its first meeting following each annual meeting of stockholders. The following table sets forth certain information as of April 1, 2004 regarding our executive officers:

| NAME ---- | AGE --- | POSITION ----- |
|-------------------------|------------|---|
| B.B. Hollingsworth, Jr. | 61 | Chairman, President & Chief Executive Officer |
| John T. Turner | 60 | Executive Vice President |

B.B. HOLLINGSWORTH, JR.

Mr. Hollingsworth's biographical information may be found on page 5 of this Proxy Statement.

Prior to joining Group 1, Mr. Turner functioned in executive corporate development roles at several large, acquisition-oriented public companies for approximately fifteen years. Prior to this period, he was a partner in a public accounting firm.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

BACKGROUND

The executive compensation program is designed to attract, motivate and retain executives who are key to our long-term success. In this process, we want

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

to align an executive's compensation with Group 1's attainment of business goals and an increase in stockholder value. To achieve this goal, we have adopted both short-term and long-term incentive compensation plans that are dependent upon our performance. The Compensation Committee reviews executive compensation and makes appropriate adjustments based on company performance, achievement of predetermined goals, and changes in an executive's duties and responsibilities. The compensation of other Group 1 employees is based on a similar philosophy.

Base Salary. The Compensation Committee has established a pay-for-performance philosophy by providing base salaries that generally fall in the 50th percentile of companies that are included in a compensation study prepared by Towers Perrin, a consulting firm experienced in executive compensation, and with access to national compensation surveys and our financial records. In addition, we provide incentive compensation programs to our executive officers. Executive salary levels have been and will continue to be based on market salary levels, individual performance and the financial performance of Group 1.

Incentive Compensation. The Compensation Committee has adopted an incentive compensation program for its executive officers that is based on the earnings per share of Group 1. Depending on the earnings per share target achieved, these individuals could earn bonuses up to 150 percent of their base compensation for 2004, dependent upon their position. This level of compensation generally falls in the 75th percentile of companies in the compensation study.

Deferred Compensation Plan. The deferred compensation plan is designed as a retention tool for key executives and general managers. It allows the group the opportunity to accumulate additional savings for retirement on a tax-deferred basis. Participants in the plan are allowed to defer receipt of a portion of their salary and/or bonus compensation. The participants can choose from various defined investment options to determine their earnings crediting rate. One such option is a declared interest rate which was set at 10.0% by the Compensation Committee for 2004. However, Group 1 has complete discretion over how the funds are utilized and these funds represent an unsecured obligation of Group 1 to the participants.

Stock Option Plan. Stock options are granted to employees, including our executive officers, to align their long-term interests with those of our stockholders. Additionally, it allows them to develop and maintain a potentially significant equity ownership position in Group 1.

Employee Stock Purchase Plan. Generally, under this plan, all employees, including our executive officers, are offered the opportunity to purchase a limited amount of Group 1 common stock at a 15% discount to market. This is an additional equity incentive we offer to all of our employees to further promote the enhancement of stockholder value.

COMPENSATION FOR 2003

The Compensation Committee consults from time to time with Towers Perrin and reviews each element of compensation to ensure that the total compensation delivered reflects company performance with input on market competitiveness. During the last review, held in November 2003, the Compensation Committee confirmed that the executive compensation program met the targeted objectives, except with respect to stock option grants. During 2003, we were constrained from issuing stock options due to lack of availability under the Group 1 Automotive, Inc. 1996 Stock Incentive Plan.

Chief Executive Officer Compensation. As described above, our executive compensation philosophy is based on providing competitive base salaries with incentive compensation programs, including the

compensation of our Chief Executive Officer, B.B. Hollingsworth, Jr. The following discussion summarizes Mr. Hollingsworth's compensation for 2003.

Base Salary. Mr. Hollingsworth's base salary was increased 9% during 2003 to \$720,000. The base salary portion of Mr. Hollingsworth's compensation is targeted to provide a salary that approximates the 50th percentile of those provided by peer group companies in the compensation study, after considering relative performance of the companies.

Incentive Compensation. Mr. Hollingsworth earned incentive compensation of \$990,000 during 2003, as compared to \$900,000 during 2002, representing a 10% increase. Mr. Hollingsworth received the highest level of incentive compensation achievable, as Group 1's earnings per share for the year exceeded the highest target for the year. Diluted earnings per share increased 16% from \$2.80 in 2002 to \$3.26 in 2003. Mr. Hollingsworth's targeted total cash compensation (current salary plus targeted bonus) is designed to fall in the 50th percentile of the peer group companies in the compensation study. If Group 1 achieves the highest goal for 2004 as determined by the Compensation Committee, Mr. Hollingsworth's total cash compensation is designed to fall in the 75th percentile of the peer group companies.

Deferred Compensation Plan. Mr. Hollingsworth participated in the Group 1 Automotive, Inc. Deferred Compensation Plan during 2003, deferring \$500,000 of his incentive compensation. Mr. Hollingsworth did not defer any of his base salary. In 2003, Mr. Hollingsworth selected the 10.0% declared interest investment option for all of his deferrals under the plan. Since the average federal interest rate during 2003 was 5.9% Mr. Hollingsworth earned \$101,593 in above-market interest during 2003 on amounts deferred under this plan.

Stock Option Plan. In 2003, we did not grant Mr. Hollingsworth options to purchase shares of our common stock under the Group 1 Automotive, Inc. 1996 Stock Incentive Plan. This decision is not in line with the compensation practices of the targeted 50th percentile of our peer group companies in the compensation study. The Compensation Committee determined not to grant any stock options to Mr. Hollingsworth, the other executive officers or directors (other than Mr. Strange) because the shares available under the Group 1 Automotive, Inc. 1996 Stock Incentive Plan are limited and should be saved for the future needs of Group 1.

Split Dollar Life Insurance. On January 23, 2002, Group 1, with the approval of the Compensation Committee, entered into an agreement with a trust established by Mr. Hollingsworth and his wife (the "Split-Dollar Agreement"). Under the Split-Dollar Agreement, Group 1 committed to make advances of a portion of the insurance premiums on a life insurance policy purchased by the trust on the joint lives of Mr. and Mrs. Hollingsworth. Under the terms of the Split-Dollar Agreement, Group 1 committed to pay the portion of the premium on the policies not related to term insurance each year for a minimum of seven years. Group 1's obligations under the Split-Dollar Agreement to pay premiums on the split-dollar insurance are not conditional, contingent or terminable under the express terms of the contract. Premiums to be paid by Group 1 are approximately \$300,000 per year. The face amount of the policy is \$7.5 million. Group 1 is entitled to reimbursement of the amounts paid, without interest, upon the first to occur of (a) the death of the survivor of Mr. and Mrs. Hollingsworth and (b) the termination of the Split-Dollar Agreement. In no event will Group 1's reimbursement exceed the accumulated cash value of the insurance policy, which will be less than the premiums paid in the early years. The Split-Dollar Agreement terminates upon the later to occur of the following: (a) the date that Mr. Hollingsworth ceases to be an officer, director, consultant or employee of Group 1 for any reason other than total and permanent disability and

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

(b) January 23, 2017. The insurance policy has been assigned to Group 1 as security for repayment of the amounts which Group 1 contributes toward payments due on such policy.

In accordance with the terms of the Split-Dollar Agreement, Group 1 paid the 2002 premium in the amount of \$299,697 in January and April 2002. However, due to the uncertainty surrounding the applicability of the Sarbanes-Oxley Act of 2002 ("Sarbanes-Oxley Act") to split-dollar life insurance arrangements, Group 1, Mr. and Mrs. Hollingsworth and the trustees of the trust have entered into letter agreements pursuant to which Mr. and Mrs. Hollingsworth and the trustees consented to the deferral of Group 1's then-current obligations to pay premiums in 2003 and 2004 on the split-dollar life insurance policies until January 2005 or such earlier time as the parties mutually determine that such payments are not prohibited by the Sarbanes-Oxley Act.

17

On March 2, 2004, the Compensation Committee received a legal opinion from Vinson & Elkins L.L.P., Group 1's outside legal counsel, that based on the facts, assumptions and legal analysis set forth in the opinion, such counsel believed that there is a reasonable basis to conclude that Group 1's payment of premiums as required by the terms of the Split-Dollar Agreement would not violate the prohibitions of Section 402 of the Sarbanes-Oxley Act. In such opinion, Vinson & Elkins L.L.P. stated that, although the matter is not free from doubt, the Split-Dollar Agreement appeared to meet the requirements of the grandfather clause in Section 402 because the Split Dollar Agreement was entered into before the date of enactment of the Sarbanes-Oxley Act, because the obligations of Group 1 to pay premiums on the split-dollar insurance are not conditional, contingent or terminable under the express terms of the contract, and because the agreed-upon deferrals were adverse to Mr. and Mrs. Hollingsworth and beneficial to Group 1. Vinson & Elkins L.L.P. also stated that its conclusion is subject to change if any definitive interpretive guidance is issued in the future by the SEC or the Department of Justice, or if Section 402 is interpreted judicially.

Group 1 currently intends to request that the staff of the SEC issue to Group 1 a No-Action Letter stating that the staff will not recommend an enforcement action against Group 1 to the SEC if Group 1 resumes making premium payments on the split-dollar insurance as required by the terms of the Split-Dollar Agreement. Group 1 currently anticipates that, unless the staff of the SEC informs Group 1 that in their view such payments would violate the Sarbanes-Oxley Act or Group 1 obtains other more definitive guidance on the matter, Group 1 would resume making payments under the Split-Dollar Agreement, including the payments that were previously due but deferred, prior to the end of the deferral period.

Tax Deductions for Compensation. In conducting the programs applicable to executives, the Compensation Committee considers the effects of Section 162(m) of the Internal Revenue Code, which denies publicly held companies a tax deduction for annual compensation in excess of one million dollars paid to their chief executive officer or any of their four other most highly compensated executive officers who are employed on the last day of a given year, unless their compensation is based on performance criteria that are established by a committee of outside directors and approved, as to their material terms, by that company's stockholders. Our stock option plan is generally designed and implemented so that it qualifies for full deductibility under Section 162(m). However, certain compensation or awards may be granted under this plan that do not qualify under Section 162(m). In addition, the portion of total salary and bonus compensation that exceeds one million dollars for each of our Chief Executive Officer and our other executive officers does not so qualify and is subject to the limitation on deductibility under Section 162(m). As a result, we

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

may from time to time pay compensation to our executive officers that is not deductible.

Respectfully submitted by the Compensation Committee of the Board of Directors of Group 1,

Max P. Watson, Jr. (Chairman)
 John L. Adams
 Stephen D. Quinn

EMPLOYMENT AGREEMENTS

Effective March 1, 2002, Mr. Hollingsworth entered into a new employment agreement with us which extends through November 2, 2005. Mr. Hollingsworth's current base salary under the employment agreement is \$720,000. The base salary may be increased from time to time by Group 1. Mr. Hollingsworth's participation in bonus plans will be governed by the incentive compensation plans adopted by the Compensation Committee of the Board applicable to Mr. Hollingsworth. Mr. Hollingsworth is also entitled to participate, on the same basis generally as our other employees, in all general employee benefit plans and programs that are made available to all or substantially all of our employees.

In the event of an "involuntary termination" of Mr. Hollingsworth's employment, Mr. Hollingsworth may terminate his employment with Group 1 (if Mr. Hollingsworth's employment was not terminated by Group 1) and receive, in any event, his base salary plus his incentive bonus for the year prior to his termination for each year remaining on his employment agreement. In addition, upon an involuntary termination, Mr. Hollingsworth's stock options will become 100% vested and the exercise of those stock options will continue to be permitted as if his employment had continued for the full term of his employment agreement. An "involuntary termination" includes termination of Mr. Hollingsworth by Group 1 without cause (as defined in the employment agreement), a material breach of Mr. Hollingsworth's employment agreement by Group 1 or the dissolution, merger, sale of substantially all of the assets or a change of control (as defined in the employment agreement) of Group 1. Upon Mr. Hollingsworth's death or disability, his stock options will

become 100% vested. We are not obligated to pay any amounts to Mr. Hollingsworth other than his pro rata base salary through the date of his termination upon:

- voluntary termination of employment by Mr. Hollingsworth;
- termination of employment by us for cause, as defined in the employment agreement;
- death of Mr. Hollingsworth; or
- long-term disability of Mr. Hollingsworth.

Mr. Hollingsworth has agreed not to compete with Group 1 for a period of two years after termination of his employment and not to induce any employee of Group 1 to leave his or her employment with Group 1 or hire any employee of Group 1 for a period of three years after termination of his employment.

On May 21, 2003, but effective as of March 1, 2002, we entered into an amendment to the employment agreement with Mr. Hollingsworth. Under the amendment, if any payment made by us to or for the benefit of Mr. Hollingsworth would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, we are required to pay Mr. Hollingsworth an additional amount to cover any such taxes and any interest or penalties imposed with respect to such taxes.

Messrs. Turner and Thompson entered into employment agreements with us dated November 3, 1997. Both of these agreements expired on November 2, 2002. These employment agreements provide that, unless terminated or not renewed by us or Messrs. Turner or Thompson, the term of their employment will continue on a month-to-month basis unless terminated at any time by either us or them, with or

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

without cause, upon thirty days notice. Under the terms of his employment agreement, Mr. Turner is generally prohibited from competing or assisting others to compete with Group 1 during the period of employment and for a period of three years after termination of employment and is generally prohibited from inducing any other employee to terminate employment with Group 1 during the period of employment and for a period of five years after termination of employment.

Mr. Thompson resigned as Executive Vice President, Chief Financial Officer and Treasurer effective March 31, 2004. In connection with his resignation, Mr. Thompson and Group 1 entered into an amendment to his employment agreement. Under the terms of the amendment, Mr. Thompson agreed to continue to serve as an employee of Group 1 until January 1, 2005. In consideration of his services to Group 1, we will pay him \$5,000 per month. In addition, he is entitled to an additional payment of \$39,166.68 during April 2004 as reimbursement of accrued vacation and certain other expenses. As permitted by his stock option agreements, his options will continue to vest in accordance with their terms so long as he remains an employee and he will continue to be entitled to exercise his options in accordance with their terms until three months after termination of his employment. In addition, the amendment modified his non-competition obligations to provide that he is generally prohibited from competing or assisting others to compete with Group 1 until March 31, 2006 and from inducing any other employee to terminate employment with Group 1 until March 31, 2007. Prior to the amendment, Mr. Thompson was subject to the same non-competition periods as Mr. Turner.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Set forth below is a description of certain transactions entered into between our company and our executive officers, directors and 5% stockholders.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Bob Howard Dealership Acquisitions

In 2001, Mr. Howard advised us, that upon the expiration of his then existing employment agreement on November 1, 2002, he planned to retire as an employee of Group 1. As part of his retirement plan, Mr. Howard said that he would like to acquire an automobile dealership in Oklahoma City, Oklahoma. We informed Mr. Howard that, subject to the approval of our Board of Directors waiving the conflict of interest policy and the non-competition provisions in Mr. Howard's employment agreement, we would have no objection to Mr. Howard acquiring a limited number of dealerships in Oklahoma City that we could not otherwise acquire.

After our Board of Directors waived our conflict of interest policy and the non-competition provisions in Mr. Howard's employment agreement with respect to the acquisitions of those dealerships, Mr. Howard proceeded to acquire Ford, Lincoln, Mercury, Jaguar and Volvo dealerships in Oklahoma City. At that time, we were prohibited from acquiring any of these dealerships because Ford Motor Company had targeted their sale to individuals only.

25

In September 2002, we were informed by Ford Motor Company that we could pursue the acquisition of Mr. Howard's Ford, Lincoln and Mercury dealership in Oklahoma City. We desired to acquire the franchises to add to our 13 franchises that operate in the Oklahoma City market. Mr. Howard agreed to sell the Ford, Lincoln and Mercury dealership to us at his effective cost, if we would sell to him our Mercedes-Benz dealership in Oklahoma City at its appraised value. Mr. Howard's effective cost of the Ford, Lincoln and Mercury dealership was approximately \$13.0 million. It was determined that Mr. Howard would not realize a gain on this transaction, and we believed our investment in the dealership would be accretive to our earnings per share. The appraised value of our Mercedes-Benz dealership was \$7.7 million, which included an estimate of working capital and exceeded our cost.

As part of the proposed transaction, Mr. Howard agreed to purchase unimproved land adjacent to the dealership for \$79,000, which was considered fair market value and equaled our cost basis. Also, Mr. Howard would no longer be paying monthly rent to us for the building adjacent to the Mercedes-Benz dealership, as this building was included in the Mercedes-Benz facilities lease that Mr. Howard would assume in connection with his purchase of this dealership.

At the November 13, 2002 meeting of our Board of Directors, our Board of Directors approved our acquisition of the Ford, Lincoln and Mercury dealership from Mr. Howard and the sale of our Mercedes-Benz dealership, including the adjacent land, to Mr. Howard on the terms set forth in the preceding paragraphs. As part of that approval, our Board of Directors agreed to waive any conflict of interest and any non-competition covenants in Mr. Howard's employment agreement that might arise or be violated by virtue of Mr. Howard owning the Mercedes-Benz dealership.

Effective in January 2003, we purchased the Ford, Lincoln and Mercury franchises from Mr. Howard and sold the Mercedes-Benz franchise to a company owned by Mr. Howard. The Ford, Lincoln and Mercury franchises had \$131.2 million in annual revenues during 2002, and the Mercedes-Benz franchise had \$47.4 million in annual revenues during 2002. In completing the acquisitions, the aggregate consideration paid by us consisted of \$12.7 million of cash, net of cash received and the assumption of approximately \$22.9 million of inventory financing. We received \$7.4 million in cash from the sale of the Mercedes-Benz dealership franchise and related assets, which included actual working capital at the date of closing and exceeded our cost in the dealership by approximately \$1.3 million. This excess sales price over cost was recorded as a reduction of

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

the cost basis in the newly acquired Ford, Lincoln and Mercury dealerships. Additionally, the outstanding inventory financing for the Mercedes-Benz dealership was assumed by a company owned by Mr. Howard. Mr. Howard's Mercedes-Benz dealership reimburses us for any accounting related costs incurred on behalf of his dealership, and in 2003 such reimbursements totaled \$22,200.

In addition, effective February 18, 2003, Group 1 sold certain dealership buildings in Oklahoma City to Mr. Howard for \$4.5 million and leased them back on a 25-year lease. The sales price represented Group 1's cost basis in recently constructed buildings and no gain or loss was recognized. In connection with this transaction, Group 1 entered into a lease, for land owned by Mr. Howard and the buildings sold and leased back, which is described in the last paragraph under "Leases" below.

Leases

We generally seek to enter into lease agreements that have 30 year terms and are cancelable at our option at various times during the lease term. As a result, we lease a majority of our facilities at what are believed to be market terms. Pursuant to the terms of the lease agreements, we are required to pay all applicable property taxes, maintain adequate insurance and, if necessary, repair or replace the leased buildings.

North Broadway Real Estate, an Oklahoma limited liability company, owned 50% by Mr. Howard and 50% by an unrelated third party, leases the real estate and facilities of one of our collision repair centers to us. This lease provides for a monthly rental rate of \$13,300.

Bob Howard Pontiac-GMC, one of our subsidiaries, leases two properties owned by Mr. Howard and used by Bob Howard Pontiac-GMC and Bob Howard Dodge Chrysler Jeep as automobile dealerships in Oklahoma City, Oklahoma. These leases provide for monthly rental payments of \$91,195.

Registration Agreement

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

During 2001, Mr. Howard entered into a registration agreement with us. Under the agreement, we included 700,000 shares of Group 1 common stock owned by Mr. Howard in a registration statement that we were filing for our benefit, in return for Mr. Howard's agreement not to sell any shares of Group 1 common stock owned by him, except for shares of common stock sold pursuant to the registration statement, until the earlier of (i) the first business day immediately following the consummation of the sale of all his shares of common stock covered by the registration statement or (ii) the first business day immediately following the termination of the registration agreement by Mr. Howard or us. The registration agreement allows us to defer the sale by Mr. Howard of any shares of common stock covered by this registration statement under certain circumstances. We agreed to pay all expenses incurred in connection with the registration statement, other than expenses directly attributable to the inclusion of Mr. Howard's shares of our common stock in the registration statement. In addition, Mr. Howard agreed to pay any underwriters' discounts and commissions applicable to his shares of common stock covered by the registration statement as well as the costs for experts or professionals, including counsel, employed by Mr. Howard or on his behalf in connection with the registration of his shares under the registration agreement. We have agreed to indemnify Mr. Howard for liabilities arising under the Securities Act with respect to any offering of his shares under the registration statement, other than liabilities arising from information furnished by Mr. Howard. Mr. Howard has agreed to indemnify us for liabilities arising under the Securities Act with respect to any such offering as a result of information furnished by him. As of February 29, 2004, Mr. Howard has sold 657,404 of the 700,000 shares covered by the registration agreement.

ITEM 2 - AMENDMENT TO GROUP 1 AUTOMOTIVE, INC. 1996 STOCK INCENTIVE PLAN

GENERAL

Our Board of Directors and stockholders adopted the Group 1 Automotive, Inc. 1996 Stock Incentive Plan (the "Stock Incentive Plan") in November 1996. Amendments to the Stock Incentive Plan increasing the number of shares issuable under the plan were approved by our Board of Directors and stockholders in 1997, 1999 and 2000. As a result, an aggregate of 4,500,000 shares may be issued under the Stock Incentive Plan.

27

On March 10, 2004, our Board of Directors adopted an amendment to the Stock Incentive Plan to:

- increase the number of shares of common stock available for issuance under the plan from 4,500,000 to 5,500,000 shares;
- extend the duration of the plan to March 9, 2014; and
- prohibit the issuance of options to purchase our common stock at a price below the fair market value of a share of common stock on the date of grant of such option.

The amendment to the Stock Incentive Plan is contingent upon receiving the affirmative vote of the holders of a majority of our common stock cast with respect to the proposal. In addition, under applicable rules of the New York Stock Exchange, in order for the proposal to be approved, the total number of shares of common stock cast with respect to the proposal must represent over 50% of our common stock entitled to vote on the proposal. Abstentions will be counted as votes cast against the proposal and broker non-votes will not be

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

counted as votes cast with respect to the proposal under applicable rules of the New York Stock Exchange Our Board of Directors recommends voting "FOR" approval by the stockholders of the amendment to the Stock Incentive Plan. The amendment is attached to this proxy statement as Exhibit B.

PURPOSE OF THE PLAN

One of the purposes of the Stock Incentive Plan is to align our executives' and other key employees' long-term interests with those of our stockholders and to allow these individuals to develop and maintain a potentially significant equity ownership position in Group 1. We believe that our Stock Incentive Plan provides these individuals with an increased incentive to contribute to our future success and prosperity, thus enhancing the value of Group 1 for the benefit of our stockholders. A further purpose of the Stock Incentive Plan is to enhance our ability to attract and retain individuals who are essential to the progress, growth and profitability of Group 1. We believe that our current ability to attract and retain key personnel is acutely important for the future success of our company as a result of the loss of two of our senior executive officers over the past year and our expected increased acquisition activity over the next year. Mr. Bishop, our Senior Vice President, Operations, was declared dead as a result of a drowning accident on December 2, 2003. In addition, Mr. Thompson, our Executive Vice President, Chief Financial Officer and Treasurer, resigned from such position on March 31, 2004. We are currently conducting searches to replace those persons and to fill other key positions. If any of our current senior executives leave or if we fail to attract and retain other qualified employees, our business could be adversely affected.

INCREASE IN NUMBER OF SHARES

The proposed amendment amends the plan to increase the number of shares of common stock available for issuance under the plan from 4,500,000 to 5,500,000 shares. As of December 31, 2003, we had stock options to purchase an aggregate of 2,837,635 shares of our common stock outstanding under the Stock Incentive Plan and only 414,148 shares available under the plan for future grants. We do not believe that this number of shares is adequate to attract and retain high quality replacements for the senior executive officers that we have recently lost or the principals and key personnel of our anticipated acquired operations and to incentivize our existing executives and key personnel. Our Board of Directors believes that the Stock Incentive Plan should be amended to increase the number of shares authorized under the plan by 1,000,000 shares in order to meet our needs. We believe that the additional availability from this increase will be sufficient to attract new senior executive officers and to cover any other awards to our executives and key employees for the foreseeable future.

In considering whether to approve an amendment to the Stock Incentive Plan to increase the number of shares available under the plan, our Board of Directors performed a detailed analysis of the percentage of our outstanding stock represented by outstanding options and shares available for future grant under the plan, or "overhang." The overhang at any particular date is calculated by dividing (a) the number of shares of common stock subject to options outstanding on such date plus the number of shares available for issuance under the plan on such date by (b) the number of shares described in clause (a) above plus the total number of shares of common stock outstanding on such date. At December 31, 2002 and 2003, the overhang was approximately

28

14.4% and 12.6%, respectively. Over the next 12 months, we expect that options to purchase approximately 377,000 shares will be exercised by Mr. Thompson and the estate of Mr. Bishop as a result of their termination of employment with us.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

In addition, we estimate that options to purchase an additional 435,000 shares will be exercised in 2004 by other participants with grants maturing in 2004. After giving effect to the 1,000,000 share increase in the availability under the plan and the expected exercise of the options to purchase approximately 812,000 shares as described above, we estimate that the overhang will be approximately 12.9%.

EXTENSION OF THE DURATION

The proposed amendment amends the plan to extend the duration of the plan from November 2006 to March 9, 2014. Upon termination of the plan, future awards are not permitted to be made under the plan. Termination of the plan does not affect awards made prior to termination.

PROHIBITION OF ISSUANCE OF OPTIONS WITH EXERCISE PRICE BELOW FAIR MARKET VALUE

The plan currently permits the issuance of non-statutory stock options to purchase common stock at a purchase price that is no less than 80% of the fair market value of a share of our common stock on the date of the grant of such option. We have, however, never issued any stock options under the plan at an exercise price below the fair market value of our common stock on the date of the grant. The proposed amendment amends the plan to prohibit the issuance of options to purchase our common stock at a price below the fair market value of a share of our common stock on the date of the grant of such option.

SUMMARY OF STOCK INCENTIVE PLAN

The following general description of the Stock Incentive Plan does not cover all matters addressed by the Stock Incentive Plan. We urge you to read the Stock Incentive Plan.

The Stock Incentive Plan provides for the grant of any or all of the following types of awards:

- incentive stock options;
- stock options that do not constitute incentive stock options ("non-statutory stock options"); and
- restricted stock.

Any stock option granted in the form of an incentive stock option must satisfy the applicable requirements of Section 422 of the Code. Awards may be made to the same person on more than one occasion and may be granted singly, in combination or in tandem as determined by the Compensation Committee, which is currently comprised of Messrs. Adams, Quinn and Watson. In November 2003, the Compensation Committee established a subcommittee of the Compensation Committee consisting solely of Messrs. Adams and Quinn, both "Non-Employee Directors" within the meaning of Rule 16b-3. The subcommittee was granted all authority to grant awards under the plan. Unless the context requires otherwise, references in this section to the "Compensation Committee" will also include this subcommittee.

Term. The Stock Incentive Plan was adopted effective as of November 1996 and will terminate in November 2006 unless terminated earlier by our Board of Directors. Our Board of Directors has approved, subject to approval by our stockholders, an extension of the duration of the plan to March 9, 2014. Termination of the Stock Incentive Plan will not affect the awards made prior to termination, but awards will not be made after termination.

Administration. The Stock Incentive Plan is administered by the Compensation Committee. Subject to the terms of the Stock Incentive Plan, the

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Compensation Committee has sole authority and discretion to: (1) designate which employees, consultants or directors shall receive an award; (2) determine the types of awards to be granted under the Stock Incentive Plan; (3) determine the time or times an award shall be made; (4) determine the number of shares of our common stock that may be issued under each option or restricted stock award; (5) determine the terms and conditions of any award; (6) interpret, construe and administer the Stock Incentive Plan and any agreement relating to an award made under the Stock Incentive Plan; and (7) make any

29

other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the plan.

Eligibility. Awards may be granted only to persons who, at the time of grant, are employees or consultants of Group 1 or its subsidiaries or directors of Group 1. As of December 31, 2003, 794 employees of Group 1 or its subsidiaries or directors of Group 1 had been granted options under the Stock Incentive Plan.

Shares Subject to the Stock Incentive Plan. There are 4,500,000 shares of Common Stock reserved for issuance under the Stock Incentive Plan. An additional 1,000,000 shares of our common stock have been reserved for issuance subject to approval by our stockholders. If an award granted under the Stock Incentive Plan lapses or otherwise terminates without the delivery of shares of our common stock or of other consideration, then the shares of our common stock covered by such award will again be available for granting awards under the Stock Incentive Plan. The maximum number of shares of our common stock that may be subject to awards granted to any one individual during any calendar year may not exceed 500,000 shares. This limitation with respect to any individual shall be applied in a manner that will permit compensation generated under the Stock Incentive Plan to constitute "performance-based" compensation for purposes of Section 162(m) of the Internal Revenue Code. Any shares of our common stock delivered pursuant to an award may consist, in whole or in part, of authorized and unissued shares or (where permitted by applicable law) previously issued shares of our common stock reacquired by us. The number of shares authorized to be issued under the Stock Incentive Plan and the maximum number of shares that may be awarded to any one individual during any calendar year are subject to adjustment upon a reorganization, stock split, recapitalization or other change in our capital structure.

Stock Options. The Stock Incentive Plan provides for two types of options: incentive stock options and non-statutory stock options. The Compensation Committee is authorized to grant options to eligible participants (which in the case of incentive stock options are only individuals who are employed by Group 1 or one of its subsidiaries at the time of grant) with the following terms and conditions:

The purchase price per share of our common stock will be determined by the Compensation Committee; provided, however, that prior to the approval by our stockholders of the proposed amendment to the Stock Incentive Plan (a) in the case of an incentive stock option, such purchase price will not be less than the fair market value of a share of our common stock on the date of grant of such option and (b) in the case of a non-statutory stock option, such purchase price will not be less than 80% of the fair market value of a share of our common stock on the date of grant of such option. Our Board of Directors has approved, subject to approval by our stockholders, an amendment to the Stock Incentive Plan to provide that, in the case of any options granted under the plan, the purchase price per share of our common stock will not be less than the fair market value of a share of our common stock on the date of the grant of such

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

option regardless of whether such option is an incentive stock option or a non-statutory stock option. Further, the purchase price of any incentive stock option granted to an employee who possesses more than 10% of the total combined voting power of all classes of stock of Group 1 or of any subsidiary of Group 1 within the meaning of Section 422(b)(6) of the Internal Revenue Code must be at least 110% of the fair market value of a share of our common stock at the time such option is granted. The purchase price or portion thereof shall be paid in full in the manner prescribed by the Compensation Committee.

The Compensation Committee determines the term of each option; provided, however, that any incentive stock option granted to an employee who possesses more than 10% of the total combined voting power of all classes of stock of Group 1 or of any subsidiary of Group 1 within the meaning of Section 422(b)(6) of the Internal Revenue Code must not be exercisable after the expiration of five years from the date of grant. The Compensation Committee also determines the time at which an option may be exercised in whole or in part, and the method by which (and the form, including cash or shares of our common stock or any combination thereof having a fair market value on the exercise date equal to the relevant exercise price, in which) payment of the exercise price with respect thereto may be made or deemed to have been made.

Each incentive stock option shall not be transferable other than by will or the laws of descent and distribution, and shall be exercisable during the holder's lifetime only by such holder or the holder's guardian or legal representative. Each non-statutory stock option will not be transferable other than (a) by will or the laws

30

of descent and distribution, (b) pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or (c) with the consent of the Compensation Committee.

Restricted Stock Awards. The Compensation Committee is authorized to grant restricted stock awards to eligible individuals. We have not granted any restricted stock awards under the Stock Incentive Plan on or prior to the date of this proxy statement. Pursuant to a restricted stock award, shares of our common stock will be issued or delivered to the holder without any cash payment to Group 1, except to the extent otherwise provided by the Compensation Committee or required by law; provided, however, that such shares will be subject to certain restrictions on the disposition thereof and certain obligations to forfeit such shares to Group 1 as may be determined in the discretion of the Compensation Committee. The restrictions on disposition and the forfeiture restrictions may lapse based upon (a) our attainment of specific performance targets established by the Compensation Committee that are based on (1) the price of a share of our common stock, (2) our earnings per share, (3) our market share, (4) the market share of one of our business units designated by the Compensation Committee, (5) our sales, (6) the sales of one of our business units designated by the Compensation Committee or (7) the return on stockholders' equity achieved by us, (b) the holder's continued employment with us or continued service as a consultant or director for a specified time, (c) the occurrence of any event or the satisfaction of any other condition specified by the Compensation Committee, or (d) a combination of these factors. We retain custody of the shares of our common stock issued pursuant to a restricted stock award until the disposition and forfeiture restrictions lapse. The holder may not sell, transfer, pledge, exchange, hypothecate, or otherwise dispose of such shares until the expiration of the restriction period. However, upon the issuance to the holder of shares of our common stock pursuant to a restricted stock award, except for the foregoing restrictions, such holder will have all

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

the rights of one of our stockholders with respect to such shares, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares.

Corporate Change. The Stock Incentive Plan provides that, upon a Corporate Change (as hereinafter defined), the Compensation Committee may accelerate the vesting and exercise date of options, cancel options and make payments in respect thereof in cash, adjust the outstanding options as appropriate to reflect such Corporate Change, or provide that each option shall thereafter be exercisable for the number and class of securities or property that the optionee would have been entitled to had the option already been exercised. Upon the occurrence of a Corporate Change, the Compensation Committee may fully vest any restricted stock awards then outstanding and, upon such vesting, all restrictions applicable to such restricted stock will terminate. The Stock Incentive Plan provides that a Corporate Change occurs (a) if Group 1 is dissolved and liquidated, (b) if Group 1 is not the surviving entity in any merger or consolidation (or survives only as a subsidiary of an entity), (c) if Group 1 sells, leases or exchanges or agrees to sell, lease or exchange all or substantially all of its assets, (d) if any person, entity or group acquires or gains ownership or control of more than 50% of the outstanding shares of Group 1's voting stock or (e) if after a contested election of directors, the persons who were directors before such election cease to constitute a majority of our Board of Directors.

Amendment. Our Board of Directors in its discretion may terminate the Stock Incentive Plan at any time with respect to any shares for which an award has not theretofore been made. Our Board of Directors has the right to alter or amend the Stock Incentive Plan or any part thereof from time to time; provided that no change in any award theretofore made may be made which would impair the rights of the recipient of the award without the consent of such recipient and provided, further, that our Board of Directors may not, without approval of the stockholders, amend the Stock Incentive Plan to (a) increase the maximum aggregate number of shares of our common stock that may be issued under the Stock Incentive Plan or (b) change the class of individuals eligible to receive awards under the Stock Incentive Plan.

UNITED STATES FEDERAL INCOME TAX ASPECTS OF THE STOCK INCENTIVE PLAN

Non-Statutory Stock Options. As a general rule, no federal income tax is imposed on the optionee upon the grant of a non-statutory stock option such as those under the Stock Incentive Plan and we are not entitled to a tax deduction by reason of such a grant. Generally, upon the exercise of a non-statutory stock option, the optionee will be treated as receiving compensation taxable as ordinary income in the year of exercise in an amount equal to the excess of the fair market value of the shares on the date of exercise over the option price

31

paid for such shares. Upon the exercise of a non-statutory stock option, and subject to the application of Section 162(m) of the Internal Revenue Code as discussed below, we may claim a deduction for compensation paid at the same time and in the same amount as compensation income is recognized to the optionee assuming any federal income tax reporting requirements are satisfied. Upon a subsequent disposition of the shares received upon exercise of a non-statutory stock option, any appreciation after the date of exercise should qualify as capital gain. If the shares received upon the exercise of an option are transferred to the optionee subject to certain restrictions, then the taxable income realized by the optionee, unless the optionee elects otherwise, and our tax deduction (assuming any federal income tax reporting requirements are satisfied) should be deferred and should be measured at the fair market value of the shares at the time the restrictions lapse.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Incentive Stock Options. The incentive stock options under the Stock Incentive Plan are intended to constitute "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. Incentive stock options are subject to special federal income tax treatment. No federal income tax is imposed on the optionee upon the grant or the exercise of an incentive stock option if the optionee does not dispose of shares acquired pursuant to the exercise within the two-year period beginning on the date the option was granted or within the one-year period beginning on the date the option was exercised (collectively, the "holding period"). In such event, we would not be entitled to any deduction for federal income tax purposes in connection with the grant or exercise of the option or the disposition of the shares so acquired. With respect to an incentive stock option, the difference between the fair market value of the stock on the date of exercise and the exercise price must be included in the optionee's alternative minimum taxable income. However, if the optionee exercises an incentive stock option and disposes of the shares received in the same year and the amount realized is less than the fair market value of the shares on the date of exercise, the amount included in alternative minimum taxable income will not exceed the amount realized over the adjusted basis of the shares.

Upon disposition of the shares received upon exercise of an incentive stock option after the holding period, any appreciation of the shares above the exercise price should constitute capital gain. If an optionee disposes of shares acquired pursuant to his or her exercise of an incentive stock option prior to the end of the holding period, the optionee will be treated as having received, at the time of disposition, compensation taxable as ordinary income. In such event, and subject to the application of Section 162(m) of the Internal Revenue Code as discussed below, we may claim a deduction for compensation paid at the same time and in the same amount as compensation is treated as received by the optionee. The amount treated as compensation is the excess of the fair market value of the shares at the time of exercise (or in the case of a sale in which a loss would be recognized, the amount realized on the sale if less) over the exercise price; any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as short-term or long-term capital gain, depending on the holding period of the shares.

Restricted Stock. An employee who has been granted restricted stock under the Stock Incentive Plan will not realize taxable income at the time of grant, and we will not be entitled to a deduction at that time, assuming that the restrictions constitute a substantial risk of forfeiture for federal income tax purposes. Upon expiration of the forfeiture restrictions (i.e., as shares become vested), the holder will realize ordinary income in an amount equal to the excess of the fair market value of the shares at such time over the amount, if any, paid for such shares, and, subject to the application of Section 162(m) of the Internal Revenue Code as discussed below, we will be entitled to a corresponding deduction. Dividends paid to the holder during the period that the forfeiture restrictions apply will also be compensation to the employee and deductible as such by us. Notwithstanding the foregoing, the recipient of restricted stock may elect to be taxed at the time of grant of the restricted stock based upon the fair market value of the shares on the date of the award, in which case (a) subject to Section 162(m) of the Internal Revenue Code, we will be entitled to a deduction at the same time and in the same amount, (b) dividends paid to the recipient during the period the forfeiture restrictions apply will be taxable as dividends and will not be deductible by us, and (c) there will be no further federal income tax consequences when the forfeiture restrictions lapse.

Section 162(m) of the Internal Revenue Code. Section 162(m) of the Internal Revenue Code precludes a public corporation from taking a deduction for annual compensation in excess of \$1 million paid to its chief executive officer or any of its four other highest-paid officers. However, compensation that

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

qualifies under Section 162(m) of the Internal Revenue Code as "performance-based" is specifically exempt from the deduction limit. Based on Section 162(m) of the Internal Revenue Code and the regulations thereunder, our ability to

32

deduct compensation income generated in connection with the exercise of stock options granted under the Stock Incentive Plan that have an exercise price equal to or greater than the fair market value of the shares on the date of grant should not be limited by Section 162(m) of the Internal Revenue Code. However, Section 162(m) of the Internal Revenue Code could limit our deduction with respect to compensation income generated in connection with the exercise of an option that had an exercise price less than the fair market value of the shares on the date of grant. The Stock Incentive Plan has been designed to provide flexibility with respect to whether restricted stock awards will qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code and, therefore, be exempt from the deduction limit. If the forfeiture restrictions relating to a restricted stock award are based solely upon the satisfaction of one of the performance criteria set forth in the Stock Incentive Plan, then we believe that the compensation expense relating to such an award will be deductible by us if the restricted stock becomes vested. However, compensation expense deductions relating to restricted stock awards will be subject to the Section 162(m) deduction limitation if the restricted stock becomes vested based upon any other criteria set forth in such award.

The Stock Incentive Plan is not qualified under Section 401(a) of the Internal Revenue Code.

The comments set forth in the above paragraphs are only a summary of certain of the United States federal income tax consequences relating to the Stock Incentive Plan. No consideration has been given to the effects of state, local, or other tax laws on the Stock Incentive Plan or award recipients.

INAPPLICABILITY OF ERISA

Based upon current law and published interpretations, we do not believe the Stock Incentive Plan is subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

OUR BOARD OF DIRECTORS RECOMMENDS
A VOTE "FOR" APPROVAL OF THE AMENDMENT TO
THE GROUP 1 AUTOMOTIVE, INC. 1996 STOCK INCENTIVE PLAN.

ITEM 3 - RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS

On May 9, 2002, we dismissed Arthur Andersen LLP ("Andersen") as our independent auditors and engaged Ernst & Young LLP as our independent auditors. The decision to change independent auditors was recommended by the Audit Committee and was approved by the Board of Directors.

33

Andersen's reports on our consolidated financial statements for the two fiscal years preceding Andersen's dismissal contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During 2001 and the period from January 1, 2002 through May 9, 2002, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Andersen, would have caused Andersen to make reference to the subject matter of the disagreements in connection with Andersen's report; and during such period there were no "reportable events" of the kind listed in Item 304(a)(1)(v) of Regulation S-K.

We have previously provided Andersen with a copy of the foregoing disclosure and requested Andersen to furnish us with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements in the foregoing disclosure and, if not, stating the respects in which it does not agree. Andersen's letter was filed with the Securities and Exchange Commission as Exhibit 16.1 to our current report on Form 8-K/A dated as of May 15, 2002.

During 2001 and the period from January 1, 2002 through May 9, 2002, we did not consult Ernst & Young LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements, or any other matters or reportable events listed in Item 304(a)(2)(i) and Item 304(a)(2)(ii) of Regulation S-K.

Our stockholders are being asked to ratify our Audit Committee's appointment of Ernst & Young LLP as our independent auditors for fiscal 2004. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so. It is also expected that such representative will be available to respond to appropriate questions.

The ratification of our Audit Committee's appointment of Ernst & Young LLP as our independent auditors for fiscal 2004 requires our receiving the affirmative vote of the holders of a majority of our common stock cast with respect to the proposal. Abstentions and broker non-votes would not be counted as votes cast with respect to the proposal.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT
OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING
DECEMBER 31, 2004.

We will pay the entire cost of the solicitation.

ANNUAL REPORT

Our annual report, including our financial statements and the financial statement schedules, accompany this proxy statement. Our stockholders are referred to the annual report for financial and other information about us.

STOCKHOLDER PROPOSALS FOR 2005 ANNUAL MEETING

Pursuant to the various rules promulgated by the Securities and Exchange Commission, stockholders interested in submitting a proposal for inclusion in our proxy materials and for presentation at the 2005 Annual Meeting of Stockholders may do so by following the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934, as amended. To be eligible for inclusion in such proxy materials, stockholder proposals must be received by our Secretary no later than December 13, 2004. No stockholder proposal was received for inclusion in this Proxy Statement.

In addition to the requirements of the Securities and Exchange Commission described in the preceding paragraph, and as more specifically provided for in our bylaws, in order for a nomination of persons for election to our Board of Directors or a proposal of business to be properly brought before our Annual Meeting of Stockholders, it must be either specified in the notice of the meeting given by our Secretary or otherwise brought before the meeting by or at the direction of our Board of Directors or by a stockholder entitled to vote and who complies with the following notice procedures. A stockholder making a nomination for election to our Board of Directors or a proposal of business must deliver proper notice to our Secretary at least 70 days but not more than 90 days prior to the anniversary date of the 2004 Annual Meeting. For a stockholder nomination for election to our Board of Directors or a proposal of business to be considered at the 2005 Annual Meeting of Stockholders, it should be properly submitted to our Secretary no earlier than February 18, 2005 and no later than March 10, 2005.

For each individual that a stockholder proposes to nominate as a director, the stockholder must provide notice to our Secretary. Such notice must set forth all of the information required in solicitations of proxies under the Securities

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

and Exchange Commission rules or any other law. For any other business that a stockholder desires to bring before an annual meeting, the stockholder must provide a brief description of such business, the reasons for conducting such business and any material interest in such business of the stockholder and any beneficial owner on whose behalf the stockholder has made the proposal. If a stockholder provides notice for either event described above, such notice must include the following information:

- the name and address of the stockholder as it appears on our books;
- the name and address of the beneficial owner, if any, as it appears on our books; and
- the class or series and the number of shares of our stock that are owned beneficially and of record by the stockholder and the beneficial owner.

If we increase the number of directors to be elected at an annual meeting, we must make a public announcement naming all of the nominees for director and specifying the size of the increased Board of Directors at least 80 days prior to the first anniversary of the preceding year's annual meeting. However, if we fail to make such an announcement, a stockholder's notice regarding the nominees for the new positions created by such increase will be considered timely if it is delivered to our Secretary at the address indicated on page 1 of this proxy statement not later than the close of business on the 10th day following the day on which the public announcement is first made.

35

Detailed information for submitting stockholder proposals is available upon written request to our Secretary at 950 Echo Lane, Suite 100, Houston, Texas 77024. These requirements are separate from and in addition to the Securities and Exchange Commission's requirements that a stockholder must meet in order to have a Stockholder proposal included in our Proxy Statement for the 2005 Annual Meeting of Stockholders.

EXHIBIT A

GROUP 1 AUTOMOTIVE, INC. AUDIT COMMITTEE CHARTER

The Board of Directors (the "BOARD") of Group 1 Automotive Inc. (the "COMPANY") has heretofore constituted and established an Audit Committee (the "COMMITTEE") with authority, responsibility, and specific duties as described in this Audit Committee Charter.

PURPOSES

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

The purposes of the Committee are:

1. To oversee the quality, integrity and reliability of the financial statements and other financial information the Company provides to any governmental body or the public;
2. To oversee the Company's compliance with legal and regulatory requirements;
3. To oversee the independent auditors' qualifications and independence;
4. To oversee the performance of the Company's internal audit function and independent auditors;
5. To oversee the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics that management and the Board have established;
6. To provide an open avenue of communication among the independent auditors, financial and senior management, the internal auditing department, and the Board, always emphasizing that the independent auditors are accountable to the Audit Committee; and
7. To perform such other functions as the Board may assign to the Committee from time to time.

Consistent with this purpose, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels.

The Audit Committee shall prepare annually a report meeting the requirements of any applicable regulations of the Securities and Exchange Commission (the "SEC") to be included in the Company's proxy statement relating to its annual meeting of stockholders.

COMPOSITION

The Committee will be appointed annually by the Board on the recommendation of the Nominating/Governance Committee of the Board and shall serve until the annual meeting of the Board following the next annual meeting of the stockholders of the Company. The Chairman of the Committee (the "CHAIR") shall be designated by the Nominating/Governance Committee or, if no such designation is made, shall be selected by the affirmative vote of the majority of the Committee.

The Committee shall be comprised of at least three directors. The members of the Committee shall meet the independence and experience requirements of the New York Stock Exchange (the "NYSE"), Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "EXCHANGE ACT") and the rules and regulations of the SEC. At least one member of the Committee shall be an audit committee financial expert as defined by the SEC. The Board shall determine annually whether each member of the Committee is independent in accordance with the requirements described above. If a member of the Committee serves on more than three audit committees of public companies (including the Company's Audit Committee), prior to appointing that member to the Committee, the Board shall determine that such person's membership on those other audit committees will not impair that person's ability to serve effectively on the Company's Audit Committee, and the Company shall disclose such determination in the Company's annual proxy statement.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

Notwithstanding the foregoing membership requirements, no action of the Committee shall be invalid by reason of any such requirement not being met at the time such action is taken.

A-1

AUTHORITY AND RESPONSIBILITIES

The Committee shall have the authority to take all actions it deems advisable to fulfill its responsibilities and duties. As such, the Committee will have direct access to financial, legal, and other staff and consultants of the Company. Such consultants may assist the Committee in defining its role and responsibilities, consult with Committee members regarding a specific audit or other issues that may arise in the course of the Committee's duties, and conduct independent investigations, studies, or tests. The Committee has the authority to employ such other accountants, attorneys, consultants or other outside advisors to assist the Committee as it deems advisable, which expenses the Company shall pay. The Committee may also meet with the Company's investment bankers or financial analysts who follow the Company. The Committee may require any officer or employee of the Company or any of its subsidiaries, the Company's outside legal counsel, and the Company's external auditors to meet with the Committee or any member of the Committee. The Committee will report to the Board on a regular basis, and the Board shall provide an annual performance evaluation of the Committee.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with accounting principles generally accepted in the United States and applicable rules and regulations. These are the responsibilities of the Company's management and the Company's independent auditors. The Company's management is responsible for compliance with laws and regulations and compliance with the Company's policies and procedures.

Without limiting the generality of the preceding statements, the Committee shall have the authority, and is entrusted with responsibility to do the following actions:

FINANCIAL REPORTING PROCESS.

1. Annually (a) select and engage the Company's independent auditors retained to audit the financial statements of the Company; (b) review, evaluate and determine the compensation of the independent auditors; and (c) evaluate the performance and on-going qualifications of the independent auditors. Any independent auditors selected by the Committee shall be a "registered public accounting firm" within the definition contained in Section 2 of the Sarbanes-Oxley Act of 2002, as required by law. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the independent auditors.
2. Dismiss the independent auditors if it determines, in its sole discretion, that such action is necessary. The Committee shall also consider whether or not the firm used as the independent auditors should be rotated every five years.
3. Review the experience and qualifications of the senior members of the independent auditors' team and the quality control procedures of the independent auditors.

Edgar Filing: GROUP 1 AUTOMOTIVE INC - Form DEF 14A

4. Require that the independent auditors rotate the lead audit partner and the reviewing audit partner engaged on the Company's account every five years.
5. Pre-approve all audit services and all permitted audit-related services, tax services and other non-audit services to be performed by the Company's independent auditors. The Committee may delegate its pre-approval authority for these services to one or more members, whose decisions shall be presented to the full Committee at its scheduled meetings. Each of these services must receive specific pre-approval by the Committee unless the Committee has provided general pre-approval for such category of services in accordance with policies and procedures that comply with applicable laws and regulations.
6. Set guidelines for the Company's hiring of employees or former employees of the independent auditors who were engaged on the Company's account.
