STATEMENT BY MANAGEMENT CONCERNING THE REVIEW OF UNAUDITED FINANCIAL INFORMATION

The preceding unaudited condensed consolidated financial statements contain all adjustments, consisting only of normal recurring adjustments, necessary to present fairly, in accordance with accounting principals generally accepted in the United States of America, the financial position of Lamar Bancshares, Inc. and its subsidiaries as of September 30, 2004 and the results of their operations and their cash flows for the periods presented. These condensed consolidated financial statements should be read in conjunction with the annual consolidated financial statements and notes thereto included in the Registration Statement on Form S-4 filed with the Securities and Exchange Commission by MidSouth Bancorp, Inc. on August 6, 2004.

The results of operations for the nine-month period ended September 30, 2004 are not necessarily indicative of the results to be expected for the entire year.

Annex B

SELECTED UNAUDITED PRO FORMA COMBINED FINANCIAL INFORMATION

The following tables present unaudited pro forma condensed combined financial statements for MidSouth Bancorp, Inc. after giving effect to the completion of MidSouth Bancorp Inc.'s acquisition of Lamar Bancshares, Inc., with respect to the unaudited pro forma combined statement of condition as of September 30, 2004 and the related unaudited pro forma combined statements of income for the year ended December 31, 2003 and for the nine months ended September 30, 2004.

MidSouth Bancorp, Inc. acquired all of the outstanding common stock of Lamar Bancshares, Inc. in a transaction accounted for under the purchase accounting method in accordance with accounting principles generally accepted in the United States of America. MidSouth Bancorp, Inc. paid approximately \$10,780,000 in cash and issued 369,304 shares (based on an assumed market value of MidSouth Bancorp, Inc. stock of \$30.91 per share) of its common stock valued at approximately \$11,415,000, before consideration of issuance costs. MidSouth Bancorp, Inc. also incurred acquisition costs of approximately \$171,000.

The unaudited pro forma condensed combined financial statements give the effect of the acquisition under the purchase accounting method in accordance with accounting principles generally accepted in the United States of America. The unaudited pro forma combined financial statements of income combine the historical consolidated financial statements for MidSouth Bancorp, Inc. and Lamar Bancshares, Inc.

The information as of September 30, 2004 and for the year ended December 31, 2003 and the nine months ended September 30, 2004 is derived from:

the unaudited consolidated financial statements of Lamar Bancshares, Inc. for the nine months ended September 30, 2004, which are included elsewhere in this Form 8-K/A;

the audited consolidated financial statements of Lamar Bancshares, Inc. for the year ended December 31, 2003, including the related notes, which are included in the Registration Statement on Form S-4 filed with the Securities and Exchange Commission by MidSouth Bancorp, Inc. on August 6, 2004;

MidSouth Bancorp, Inc.'s unaudited consolidated financial statements for the nine months ended September 30, 2004, which are incorporated by reference into this Form 8-K/A from MidSouth Bancorp, Inc.'s Form 10-Q for the nine months ended September 30, 2004; and

MidSouth Bancorp, Inc.'s audited consolidated financial statements for the year ended December 31, 2003, including the related notes, which are incorporated by reference into this Form 8-K/A from MidSouth Bancorp, Inc.'s Form 10-KSB for the year ended December 31, 2003, including MidSouth Bancorp, Inc.'s accompanying annual report to shareholders.

MidSouth Bancorp, Inc. anticipates that the acquisition will provide the combined company with future financial benefits, such as reduced operating expenses and opportunities to earn more revenue. However, MidSouth Bancorp, Inc. does not reflect these anticipated cost savings and benefits in the unaudited pro forma financial information. While the unaudited pro forma financial information is helpful in showing the financial characteristics of the combined companies, it is not intended to show how the combined companies would have actually performed had they been combined throughout the periods, or how the combined companies would perform in the future. MidSouth Bancorp, Inc. has included in the unaudited pro forma financial statements all the adjustments, consisting of normal recurring adjustments believed necessary for a fair statement of results of the historical periods.

Given the information regarding the acquisition, the actual financial position and results of operations will differ, perhaps even significantly, from the unaudited pro forma amounts reflected below because, among other things:

assumptions used in preparing the unaudited pro forma condensed combined financial statements may be revised in the future due to changes in values of assets, including the finalization of the calculation of the core deposit intangible asset and changes in operating results between the dates of the unaudited pro forma financial information and the date on which the acquisition is completed; and

adjustments may need to be made to the unaudited historical financial information upon which such pro forma information was based.
