Introduction

This Amendment No. 5 further amends Items 2, 3, 4, 5 and 6 and Schedule 1 of the Schedule 13D originally filed by The Williams Companies, Inc. (TWC), Williams Energy Services, LLC (WES), Williams Energy, L.L.C. (WE), MAPCO Inc. (MAPCO), Williams Partners Holdings LLC (Holdings) and Williams Partners GP LLC (GP LLC) with the SEC on September 2, 2005 (the Original Schedule 13D), as amended by Amendment No. 1 filed on April 13, 2006 (Amendment No. 1), Amendment No. 2 filed on June 26, 2006 (Amendment No. 2), Amendment No. 3 filed on December 19, 2006 (Amendment No. 3) and Amendment No. 4 filed on December 20, 2007 (Amendment No. 4). This statement relates to common units representing limited partner interests (Common Units) of Williams Partners L.P., a Delaware limited partnership (the Issuer). Unless specifically amended hereby, the disclosure set forth in the Original Schedule 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3 and Amendment No. 4 shall remain unchanged. This Amendment No. 5 is filed by TWC, WES and GP LLC (collectively, the Reporting Persons).

Item 2. Identity and Background

The information previously provided in response to this Item 2 is hereby amended by adding the following:

In accordance with the provisions of General Instruction C to Schedule 13D, information concerning the executive officers, board of directors and each person controlling the Reporting Persons, as applicable (collectively, the Listed Persons), required by Item 2 of Schedule 13D is provided on Schedule 1 and is incorporated by reference herein. To the Reporting Persons' knowledge, none of the persons listed on Schedule 1 as a director or executive officer of GP LLC, TWC or WES has been, during the last five years, (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

The information previously provided in response to this Item 3 is hereby amended by adding the following:

Pursuant to the Underwriting Agreement, dated December 5, 2007 (the Underwriting Agreement), between the Issuer, GP LLC, Williams Partners Operating LLC, a wholly owned subsidiary of the Issuer, and Lehman Brothers Inc., Citigroup Global Markets Inc. and Merrill Lynch & Co., as representatives of the underwriters listed on schedule 1 of the Underwriting Agreement (collectively, the Underwriters), the Issuer offered and sold in a firm commitment underwritten offering 9,250,000 common units representing limited partner interests in the Issuer (Common Units) on December 11, 2007. Pursuant to the Underwriting Agreement, the Issuer granted the Underwriters a 30-day option to purchase up to an additional 1,387,500 Common Units (the Option) on the same terms as the Common Units sold by the Partnership. On January 9, 2008, the Underwriter purchased 800,000 additional Common Units from the Issuer after partially exercising the Option.

Pursuant to the Redemption Agreement, GP LLC agreed to transfer to the Issuer, and the Issuer agreed to redeem from GP LLC, a number of Common Units equal to the number of Common Units purchased from the Issuer by the Underwriters upon exercising the Option. As a result of the exercise of the Option by the Underwriters, the Issuer redeemed 800,000 Common Units from GP LLC on January 9, 2008 (the Redemption Units) in accordance with the Redemption Agreement. The Issuer redeemed the Redemption Units from GP LLC at a price per Common Unit of \$36.24, the net proceeds per Common Unit (after deducting underwriting discounts and commissions, but before expenses) in the public offering conducted pursuant to the Underwriting Agreement.

On November 29, 2007, William Lowrie, a member of the board of directors of TWC, acquired beneficial ownership of 350 common units in an open market transaction at a price of \$38.50 per common unit. On December 6, 2007, Mr. Michael H. Krimball, a member of the board of directors of GP LLC, acquired beneficial ownership of 20,000 common units in an open market transaction at a price of \$38.15 per common unit. On December 6, 2007, the Shelly Stone Armstrong Trust dated August 10, 2004, acquired 5,000 common units in an open market transaction at a price of \$38.25 per common unit. Mr. Alan S. Armstrong, the Chief Operating Officer and a member of the board of directors of GP LLC, is the trustee of the Shelly Armstrong Trust. On December 15, 2007, Mr. Krimball acquired beneficial ownership of an additional 663 common units as a grant of restricted common units under the Williams Partners GP LLC Long-Term Incentive Plan.

References to, and descriptions of, the Underwriting Agreement as set forth in this Item 3 are qualified in their entirety by reference to the Underwriting Agreement filed as Exhibit 1-1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on December 10, 2007.

References to, and descriptions of, the Redemption Agreement as set forth in this Item 3 are qualified in their entirety by reference to the Redemption Agreement filed as Exhibit 10.4 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on December 17, 2007.

Item 4. Purpose of Transaction

The information previously provided in response to this Item 4 is hereby amended by replacing the text thereof in its entirety with the following:

The Common Units reported in Item 3 above were acquired for investment purposes.

Pursuant to the Amended and Restated Limited Liability Company Agreement of GP LLC (the "GP LLC Agreement"), WES has the right to appoint the board of directors of GP LLC. Through the right to appoint the board of directors of GP LLC pursuant to the GP LLC Agreement, WES and, through its 100% direct ownership of WES, TWC have the ability to influence the management policies and control of the Issuer with the aim of increasing the value of the Issuer, and thus, the Reporting Persons' investment.

The Subordinated Units beneficially owned by WES are convertible into Common Units on a one-for-one basis once certain financial tests set forth in the Issuer's Amended and Restated Agreement of Limited Partnership, as amended by Amendments No. 1, 2 and 3 thereto (as amended, the "Partnership Agreement"), are met. WES and the other owners of the Subordinated Units may distribute the Common Units issued upon conversion of the Subordinated Units to their respective members, although they may elect to dispose of some or all of the Subordinated Units earlier in public or private transactions.

Pursuant to the terms of the Partnership Agreement, among other conditions, GP LLC may not be removed from its position as general partner of the Issuer unless 66²/₃% of the outstanding units, voting together as a single class, including units held by GP LLC and its affiliates, vote to approve such removal and the Issuer receives an opinion of counsel regarding limited liability and tax matters. Any removal of GP LLC is also subject to the approval of a successor general partner by the vote of the holders of a majority of the outstanding units, voting as separate classes. The ownership of more than 33¹/₃% of the outstanding units by GP LLC and its affiliates would give them the practical inability to prevent GP LLC's removal.

The Partnership Agreement contains specific provisions that are intended to discourage a person or group from attempting to remove GP LLC as the Issuer's general partner or otherwise change the Issuer's management. If any person or group other than GP LLC and its affiliates acquires beneficial ownership of 20% or more of any class of units, that person or group loses voting rights on all of its units. This loss of voting rights does not apply to any person or group that acquires the units from GP LLC or its affiliates and any transferees of that person or group approved by GP LLC or to any person or group who acquires the units with the prior approval of the board of directors of GP LLC.

Under the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act and applicable state securities laws any Common Units, Subordinated Units or other partnership securities proposed to be sold by GP LLC or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following any withdrawal or removal of GP LLC as the Issuer's general partner.

On April 6, 2006, the Issuer entered into a Purchase and Sale Agreement (the "Initial Purchase Agreement") with WES, Williams Field Services Group, LLC ("WFSG"), Williams Field Services Company, LLC ("WFSC"), GP LLC and Williams Partners Operating LLC, the operating subsidiary of the Issuer ("Williams OLLC"). Pursuant to the Initial Purchase Agreement, WES, WFSG, WFSC and GP LLC agreed to contribute to the Issuer a 25.1% membership interest (the "Initial Four Corners Interest") in Williams Four Corners LLC ("Four Corners") for aggregate consideration of \$360.0 million. The following description of the Initial Purchase Agreement is qualified in its entirety by reference to the Initial Purchase Agreement filed as Exhibit 2.1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on April 7, 2006 which is incorporated in its entirety in this Item 4.

In accordance with the Initial Purchase Agreement, on June 20, 2006, the Issuer, Williams OLLC, WES, WFSG, WFSC and GP LLC entered into a Contribution, Conveyance and Assumption Agreement (the "Contribution Agreement") pursuant to which WES, WFSG, WFSC and GP LLC contributed the Initial Four Corners Interest to the Issuer in exchange for aggregate consideration of approximately \$360.0 million. On June 20, 2006 and prior to the closing of the transactions contemplated by the Contribution Agreement, WFSC contributed to Four Corners its natural gas gathering, processing and treating assets in the San Juan Basin in New Mexico and Colorado. The foregoing description of the Contribution Agreement is qualified in its entirety by reference to the Contribution Agreement filed as Exhibit 10.1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the

Commission on June 20, 2006 which is incorporated in its entirety in this Item 4.

On June 20, 2006, the Issuer also closed a public offering of 7,590,000 Common Units at a public offering price of \$31.25 per Common Unit and a private placement of \$150 million aggregate principal amount of 7¹/₂% Senior Notes due 2011. A portion of the net proceeds of these offerings were used to pay the purchase price for the Initial Four Corners Interest. The offerings and the acquisition of the Initial Four Corners Interest materially increased the capitalization of the Issuer.

On November 16, 2006, the Issuer entered into a Purchase and Sale Agreement (the Subsequent Purchase Agreement) with WES, WFSG, WFSC, GP LLC and Williams OLLC. Pursuant to the Subsequent Purchase Agreement, WES, WFSG, WFSC and GP LLC agreed to contribute to the Issuer the remaining 74.9% membership interest in Four Corners that the Issuer did not already own (the Remaining Four Corners Interest) for aggregate consideration of \$1.223 billion, subject to possible adjustment in favor of the Issuer. The foregoing description of the Subsequent Purchase Agreement is qualified in its entirety by reference to the Subsequent Purchase Agreement filed as Exhibit 2.1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on November 21, 2006 which is incorporated in its entirety in this Item 4.

In accordance with the Subsequent Purchase Agreement, on December 13, 2006, Issuer, Williams OLLC, WES, WFSC, WFSG and GP LLC entered into a Contribution, Conveyance and Assumption Agreement pursuant to which WES, WFSG, WFSC and GP LLC contributed the Remaining Four Corners Interest in exchange for aggregate consideration of \$1.223 billion.

On December 13, 2006, the Issuer also closed (i) a public offering of 8,050,000 Common Units at a public offering price of \$38.00 per Common Unit, (ii) a private placement of \$600 million aggregate principal amount of 7¹/₄% Senior Notes due 2017 and (iii) a private placement of 2,905,030 Common Units and 6,805,492 Class B units representing limited partner interest in the Issuer (Class B Units) at a negotiated purchase price of \$36.59 per Common Unit and \$35.81 per Class B Unit. The net proceeds from these offerings were used to pay the purchase price for the Remaining Four Corners Interest. These offerings and the acquisition materially increased the capitalization of the Issuer. The Class B units converted into Common Units on a one-for-one basis on May 21, 2007 upon the approval of the Issuer's common unitholders.

On November 30, 2007, the Issuer entered into a Purchase and Sale Agreement (the Wamsutter Purchase Agreement) with WES, WFSG, WFSC, GP LLC and Williams OLLC. Pursuant to the Wamsutter Purchase Agreement, WES, WFSG, WFSC and GP LLC agreed to contribute to the Issuer 100% of the Class A limited liability company membership interests and 50% of the initial Class C units representing limited liability company membership interests (the Wamsutter Interest) in Wamsutter for aggregate consideration of \$750.0 million. The following description of the Wamsutter Purchase Agreement is qualified in its entirety by reference to the Wamsutter Purchase Agreement filed as Exhibit 2.1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on December 3, 2007 which is incorporated in its entirety in this Item 4.

In accordance with the Wamsutter Purchase Agreement, on December 11, 2007, WFSC and Wamsutter entered into an Assignment Agreement (the Assignment Agreement) pursuant to which WFSC transferred an approximate 1,700-mile natural gas gathering system, including a natural gas processing plant, located in the Washakie Basin in Wyoming to Wamsutter. The foregoing description of the Assignment Agreement is qualified in its entirety by reference to the Assignment Agreement filed as Exhibit 10.1 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on December 17, 2007 which is incorporated in its entirety in this Item 4.

In accordance with the Wamsutter Purchase Agreement, on December 11, 2007, the Issuer, Williams OLLC, WES, WFSG, WFSC and GP LLC entered into a Contribution, Conveyance and Assumption Agreement (the Wamsutter Contribution Agreement) pursuant to which WES, WFSG, WFSC and GP LLC contributed the Wamsutter Interest to the Issuer in exchange for aggregate consideration of \$750.0 million. The foregoing description of the Wamsutter Contribution Agreement is qualified in its entirety by reference to the Wamsutter Contribution Agreement filed as Exhibit 10.2 to the Issuer's current report on Form 8-K (File No. 001-32599) filed with the Commission on December 17, 2007 which is incorporated in its entirety in this Item 4.

On December 11, 2007, the Issuer also closed a public offering of 9,250,000 common units at a public offering price of \$37.75 per Common Unit. The Issuer used the net proceeds from this offering to pay \$333.3 million of the \$750 million aggregate consideration to acquire the Wamsutter Interest and to pay approximately \$1.9 million of estimated expenses associated with the offering and the acquisition of the Wamsutter Interest. The Issuer financed the

remainder of the aggregate consideration through (i) \$250 million of term loan borrowings less associated transactions costs under the Issuer's \$450 million revolving credit facility, (ii) the issuance of 4,163,527 unregistered Common Units to GP LLC and (iii) the increase in GP LLC's capital account in the amount of approximately \$10.3 million to allow it to maintain its 2% general partner interest in GP LLC.

The public offering and the issuance of unregistered common units to GP LLC materially increased the capitalization of the Issuer.

The information provided in Item 3 above is hereby incorporated by reference herein.

The Issuer may from time to time increase the amount of its quarterly distribution to unitholders at the discretion of the board of directors of GP LLC. The information provided under the caption Issuer's Partnership Agreement-Cash Distributions under Item 6 below is hereby incorporated by reference herein.

As of the date of this Schedule 13D, none of the Reporting Persons, and to the Reporting Persons' knowledge, none of the Listed Persons has any plans or proposals which relate to or would result in any of the following actions, except as disclosed herein and except that (i) the Reporting Persons or their affiliates or the Listed Persons may, from time to time or at any time, subject to market and general economic conditions and other factors, purchase additional Common Units in the open market, in privately negotiated transactions or otherwise, or sell at any time all or a portion of the Common Units or Subordinated Units now owned or hereafter acquired by them to one or more purchasers, (ii) members of the board of directors of GP LLC may choose not to stand for re-election at the end of their respective terms and (iii) the Issuer may issue Common Units or other securities representing interests in the Issuer to participants, including executive officers and directors of GP LLC, pursuant to GP LLC's Long Term Incentive Plan:

the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;

an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;

a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;

any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;

any material change in the present capitalization or dividend policy of the Issuer;

any other material change in the Issuer's business or corporate structure including but not limited to, if the Issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by Section 13 of the Investment Company Act of 1940;

changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;

causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or

any action similar to any of those enumerated above.

Depending on the factors described in the preceding paragraph, and other factors that may arise in the future, the Listed Persons may be involved in such matters and, depending on the facts and circumstances at such time, may formulate a plan with respect to such matters. In addition, the Listed Persons may entertain discussions with, and proposals to, the Issuer, to other unitholders of the Issuer or to third parties.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information previously provided in response to this Item 6 is hereby amended by replacing the text thereof in its entirety with the following:

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.

Omnibus Agreement

Under the terms of an Omnibus Agreement, dated August 23, 2005, entered into among the Issuer, GP LLC, WES, WE, Williams Pipeline, Holdings, Williams OLLC and (for purposes of Articles V and VI thereof only) TWC (the *Omnibus Agreement*):

GP LLC will provide the Issuer with a five-year partial credit for general and administrative, or G&A, expenses incurred on the Issuer's behalf. For 2005, the amount of this credit was \$3.9 million on an annualized basis but was pro rated from the closing of the Issuer's initial public offering (the Offering) through the end of 2005. Beginning in 2006, the amount of the G&A credit was \$3.2 million, and the amount of the credit decreases by \$800,000 for each subsequent year. As a result, after 2009, the Issuer will no longer receive any credit and will be required to reimburse GP LLC for all of the G&A expenses incurred on the Issuer's behalf.

Holdings, WES, WE and Williams Pipeline (collectively, the Williams Indemnitors) will indemnify the Issuer against certain environmental and related liabilities arising out of or associated with the operation of the assets before the closing date of the Offering. These liabilities include both known and unknown environmental and related liabilities, including: (i) remediation costs associated with the KDHE Consent Orders and certain fugitive natural gas liquids associated with the Issuer's Conway storage facilities; (ii) the costs associated with the installation of wellhead control equipment and well meters at the Issuer's Conway storage facility; (iii) KDHE-related cavern compliance at the Issuer's Conway storage facility; and (iv) the costs relating to the restoration of the overburden along the Issuer's Carbonate Trend pipeline in connection with erosion caused by Hurricane Ivan in September 2004. The Williams Indemnitors will not be required to indemnify the Issuer for any project management or monitoring costs. This indemnification obligation will terminate three years after the closing of the Offering, except in the case of the remediation costs associated with the KDHE Consent Orders which will survive for an unlimited period of time. There is an aggregate cap of \$14.0 million on the amount of indemnity coverage, including any amounts recoverable under the Issuer's insurance policy covering those remediation costs and unknown claims at Conway. In addition, the Issuer is not entitled to indemnification until the aggregate amounts of claims exceed \$250,000. Liabilities resulting from a change of law after the closing of the Offering are excluded from the environmental indemnity by the Williams Indemnitors for the unknown environmental liabilities.

The Williams Indemnitors will also indemnify the Issuer for liabilities related to:

- certain defects in the easement rights or fee ownership interests in and to the lands on which any assets contributed to the Issuer are located and failure to obtain certain consents and permits necessary to conduct the Issuer's business that arise within three years after the closing of the Offering; and

- certain income tax liabilities attributable to the operation of the assets contributed to the Issuer prior to the time they were contributed.

The Williams Indemnitors will reimburse the Issuer for the excess (up to \$3.4 million) of the Issuer's original 40% share (approximately \$27.8 million) of the total cost of the Tahiti pipeline lateral expansion project above the amount of the required escrow deposit (\$24.4 million) attributable to the Issuer's original 40% interest in Discovery Producer Services LLC, a Delaware limited liability company (*Discovery*). The Williams Indemnitors will reimburse the Issuer for these capital expenditures upon the earlier to occur of a capital call from Discovery or Discovery actually incurring the expenditure. The Williams Indemnitors will also reimburse the Issuer for its original 40% share of any liability to Discovery for potential shipper refunds that may be required by FERC for retained system gas gains and the over-recovery of lost and unaccounted-for gas at Discovery in excess of \$4.0 million. Although the Partnership acquired an additional 20% ownership interest in Discovery, the Discovery-related indemnifications under the Omnibus Agreement continue to be based on the 40% ownership interest the Partnership held when the Omnibus Agreement became effective.

The Williams Indemnitors will indemnify the Issuer for any liabilities associated with the failure of MAPCO to assign a license relating to a fractionation process used at the Conway fractionation facility to the Issuer and/or any costs incurred in obtaining a consent to such assignment.

TWC will grant a license to the Issuer for the use of certain marks, including the Issuer's logo, for as long as TWC controls GP LLC, at no charge.

Issuer's Partnership Agreement

GP LLC, as the sole general partner of the Issuer, and WE, WES, Williams Pipeline and Holdings, as limited partners of the Issuer, and all other limited partners of the Issuer are party to the Partnership Agreement.

Cash Distributions

Pursuant to the terms of the Issuer's Partnership Agreement, the Issuer intends to make minimum quarterly distributions of \$0.35 per unit per quarter, or \$1.40 per unit on an annualized basis, if the Issuer has sufficient cash from its operations after the establishment of cash reserves and payment of fees and expenses, including payments to GP LLC in reimbursement for all expenses incurred by it on the Issuer's behalf. In general, the Issuer will pay any cash distributions made each quarter to its unitholders in the following manner:

first, 98% to the common unitholders, pro rata, and 2% to GP LLC, until each outstanding common unit has received the minimum quarterly distribution for that quarter;

second, 98% to the common unitholders, pro rata, and 2% to GP LLC, until each outstanding common unit has received any arrearages in payment of the minimum quarterly distribution for any prior quarters during the subordinated period;

third, 98% to the subordinated unitholders, pro rata, and 2% to GP LLC, until each outstanding subordinated unit has received the minimum quarterly distribution for that quarter;

fourth, 98% to the common unitholders, pro rata, and 2% to GP LLC, until each unitholder has received an amount equal to the excess of \$0.4025 over the minimum quarterly distribution for that quarter;

fifth, 98% to the subordinated units, pro rata, and 2% to GP LLC, until each subordinated unit has received the minimum quarterly distribution for that quarter; and

sixth, 98% to all unitholders, pro rata, and 2% to GP LLC, until each unitholder has received a distribution of \$0.4025 per unit for that quarter.

If cash distributions per unit exceed \$0.4025 in any quarter, GP LLC will receive increasing percentages, up to a maximum of 50%, of the cash distributed in excess of that amount. These distributions are referred to as incentive distributions.

Conversion of Subordinated Units

Pursuant the terms of the Partnership Agreement, in any quarter during the subordination period (the period Subordinated Units are outstanding), the Subordinated Units are entitled to receive the minimum quarterly distribution of \$0.35 only after the Common Units have received the minimum quarterly distribution and any arrearages in the payment of the minimum quarterly distribution from prior quarters. Subordinated Units will not accrue distribution arrearages. The subordination period will end once the Issuer meets certain financial tests set forth in the Partnership Agreement. These financial tests require, among other things, that the Issuer either (a) have earned and paid the minimum quarterly distribution and arrearages (if any) on all of its outstanding units for any three consecutive, non-overlapping four-quarter periods or (b) have earned and paid an amount that equals or exceeds 150% of the annualized minimum quarterly distribution on each outstanding unit for any four-quarter period. When the subordination period ends, all remaining Subordinated Units will convert into Common Units on a one-for-one basis, and the Common Units will no longer be entitled to arrearages.

Limited Call Right

Pursuant to the Partnership Agreement, if at any time GP LLC and its affiliates hold more than 80% of the then-issued and outstanding partnership securities of any class, GP LLC will have the right, but not the obligation, which it may assign in whole or in part to any of its affiliates or to the Issuer, to acquire all, but not less than all, of the remaining partnership securities of the class held by unaffiliated persons as of a record date to be selected by GP LLC, on at least 10 but not more than 60 days notice. The purchase price in the event of this purchase is the greater of: (i) the highest price paid by either of GP LLC or any of its affiliates for any partnership securities of the class purchased within the 90 days preceding the date on which GP LLC first mails notice of its election to purchase those partnership securities; and (ii) the current market price as of the date three days before the date the notice is mailed.

Voting Rights

The Partnership Agreement sets forth the voting rights of the partners of the Issuer (including WES, WE, Williams Pipeline, Holdings and GP LLC), including, among others, those for the removal of GP LLC as the Issuer's general partner, the transfer of the general partner interest in the Issuer and the transfer of the incentive distribution rights in the Partnership.

Registration Rights

Under the Partnership Agreement, the Issuer has agreed to register for resale under the Securities Act and applicable state securities laws any Common Units, Subordinated Units, Class B Units or other partnership securities proposed to be sold by GP LLC or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following any withdrawal or removal of GP LLC as the Issuer's general partner. The Issuer is obligated to pay all expenses incidental to the registration, excluding underwriting discounts and commissions.

Amended and Restated Limited Liability Company Agreement of GP LLC

Under the Amended and Restated Limited Liability Company Agreement of GP LLC, WES has the right to elect the members of the board of directors of GP LLC.

Redemption Agreement

The description of the Redemption Agreement contained in Item 3 is hereby incorporated by reference herein.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
