- The interest rates on the EdNotes may be changed by SLM Corporation from time to time, but any such change will not affect the interest 1 rate on any EdNotes offered prior to the effective date of the change.
- 2 Expressed as a percentage of aggregate principal amount.
- 3 See Supplemental Plan of Distribution in the Prospectus supplement for additional information concerning price to public and underwriting compensation.
- On the Interest Reset Date, the Calculation Agent will establish the new rate based on the BEY for the 3 month T Bill auction published in H.15 (http://www.federalreserve.gov//Releases/h15/update/default.htm).

In the event that the results of the 91 day Treasury Bill auction ceases to be published or reported, or that no auction is held in a particular week, then the rate in effect as a result of the last such report will remain in effect until such time, as the results of auctions of 91 day Treasury Bills will again be published.
