-

**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On March 22, 2007, the Board of Directors of Progress Software Corporation (the Company) approved amendments to the Employee Retention and Motivation Agreements with each of the named executive officers of the Company. Each Employee Retention and Motivation Agreement provides for certain payments and benefits upon a Change in Control (as defined in such agreement) of the Company and upon an Involuntary Termination (as defined in such agreement) of the named executive officer's employment by the Company. Upon a Change in Control, each named executive officer's annual cash bonus award will be fixed and guaranteed at his respective target level, and payment of such bonus will immediately be made on a pro-rata basis with respect to the elapsed part of the relevant fiscal year. In addition, upon a Change in Control, all outstanding unvested options and restricted equity of the named executive officer will fully accelerate, unless the acquirer assumes all such options and restricted equity. Upon Involuntary Termination of a named executive officer within 12 months following a Change in Control, all remaining outstanding options and restricted equity of the named executive officer will automatically vest, the executive officer will be entitled to receive a lump sum payment equal to 15 months of his total target compensation, and the executive officer's benefits will continue for 15 months.

The foregoing summary is qualified in its entirety by reference to the form of Employee Retention and Motivation Agreement, as amended and restated, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
