-----  
PROXY STATEMENT  
-----

The accompanying proxy is solicited by the Board of Directors of Administaff, Inc., a Delaware corporation (the "Company"), for use at the 2003 Annual Meeting of Stockholders to be held on May 8, 2003, and at any reconvened meeting after an adjournment thereof. The Annual Meeting of Stockholders will be held at 10:00 a.m., Central Daylight Savings Time, at the Company's Corporate Headquarters, Centre I in the Auditorium located at 22900 Hwy. 59 N. (Eastex Freeway), Kingwood, Texas 77339.

Stockholders of record may vote in one of four ways:

- o by attending the meeting and voting in person;
- o by signing, dating and returning your proxy in the envelope provided;
- o by submitting your proxy on the Internet at the address listed on your proxy card; or
- o by submitting your proxy using the toll-free number listed on your proxy card.

If your shares are held in an account at a brokerage firm or bank, you may submit your voting instructions by signing and timely returning the enclosed voting instruction form, by Internet at the address shown on your voting instruction form, by telephone using the toll-free number shown on that form, or by providing other proper voting instructions to the registered owner of your shares.

If you either return your signed proxy or submit your proxy using the Internet or telephone procedures that may be available to you, your shares will be voted as you direct. IF THE ACCOMPANYING PROXY IS PROPERLY EXECUTED AND RETURNED, BUT NO VOTING DIRECTIONS ARE INDICATED THEREON, THE SHARES REPRESENTED THEREBY WILL BE VOTED FOR EACH OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT. In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting of Stockholders. The Board of Directors is not currently aware of any such other matters. Any stockholder of record giving a proxy has the power to revoke it at any time

## Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

before it is voted by (i) submitting written notice of revocation to the Secretary of the Company at the address listed above, (ii) submitting another proxy that is properly signed and later dated, or (iii) voting in person at the Annual Meeting. Stockholders who hold their shares through a nominee or broker are invited to attend the meeting but must obtain a signed proxy from the broker in order to vote in person.

The expense of preparing, printing and mailing proxy materials to the Company's stockholders will be borne by the Company. The Company's transfer agent, Mellon Investor Services, LLC, will assist in the solicitation of proxies from stockholders at a fee of approximately \$500 plus reimbursement of reasonable out-of-pocket expenses. In addition, proxies may be solicited personally or by telephone by officers or employees of the Company, none of whom will receive additional compensation. The Company will also reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners of our common stock.

The approximate date on which this Proxy Statement and the accompanying proxy card will first be sent to stockholders is March 31, 2003.

At the close of business on March 10, 2003, the record date for the determination of stockholders of the Company entitled to receive notice of, and to vote at, the 2003 Annual Meeting of Stockholders or any reconvened meeting after an adjournment thereof, 26,853,278 shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), were outstanding. Each share of Common Stock is entitled to one vote upon each of the matters to be voted on at the meeting. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock is required for a quorum. If a

1

quorum is present at the meeting, action on a matter (other than the election of directors) shall be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. Directors of the Company shall be elected by a plurality of the votes cast. In determining the number of votes cast, shares abstaining from voting or not voted on a matter will not be treated as votes cast. Accordingly, although proxies containing broker non-votes (which result when a broker holding shares for a beneficial owner has not received timely voting instructions on certain matters from such beneficial owner) are considered "shares present" in determining whether there is a quorum present at the Annual Meeting, they are not treated as votes cast with respect to any matter, and thus will not affect the outcome of the voting on a particular proposal.

PROPOSAL NUMBER 1:

ELECTION OF DIRECTORS

## GENERAL

The Company's Certificate of Incorporation and Bylaws provide that the number of directors on the Board shall be fixed from time to time by the Board of Directors but shall not be less than three nor more than 15 persons. The number of members constituting the Board of Directors is currently fixed at seven.

In accordance with the Certificate of Incorporation of the Company, the members of the Board of Directors are divided into three classes and are elected for a term of office expiring at the third succeeding annual stockholders' meeting following their election to office, or until a successor is duly elected and qualified. The Certificate of Incorporation also provides that such classes shall be as nearly equal in number as possible. The terms of office of the Class I, Class II and Class III directors expire at the annual meeting of stockholders in 2005, 2003 and 2004, respectively.

The term of office of each of the current Class II directors expires at the time of the 2003 Annual Meeting of Stockholders, or as soon thereafter as their successors are elected and qualified. The Board of Directors has appointed three committees: the Finance, Risk Management and Audit Committee, the Compensation Committee and the Nominating Committee.

The members of the Finance, Risk Management and Audit Committee are Mr. Brown, who serves as Chairperson, Mr. Lattanzio and Mr. Young. All three members are "independent" under the standards of The New York Stock Exchange and SEC Regulations. The Finance, Risk Management and Audit Committee (the "Committee") has been appointed by the Board

of Directors to assist the Board in fulfilling its responsibility to oversee the financial affairs, risk management, accounting and financial reporting processes and audits of financial statements of the Company by reviewing and monitoring (i) the financial affairs of the Company, (ii) the integrity of the Company's financial statements, (iii) the Company's compliance with legal and regulatory requirements, (iv) the independent auditor's (the "external auditors") qualifications and independence, (v) the performance of the personnel responsible for the Company's internal audit function (the "internal auditors") and the external auditors, and (vi) the Company's policies and procedures with respect to risk management, as well as other matters which may come before it as directed by the Board of Directors. The Finance, Risk Management and Audit

## Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

Committee charter, which has been adopted by the Board of Directors and is attached as Appendix A to this proxy statement, contains a detailed description of the Committee's duties and responsibilities.

The members of the Compensation Committee are Mr. Fields, who serves as Chairperson, and Mr. Petsch. The Compensation Committee evaluates the performance of and determines the compensation for senior management, administers the Company's compensation programs and performs such other duties as may from time to time be determined by the Board of Directors.

Mr. Sarvadi is currently the sole member of the Nominating Committee; however, in 2002, the Board of Directors performed the duties of the Nominating Committee. It is the Board's intention to reconstitute the Nominating Committee in 2003 so that all of the members of such committee are independent. The Nominating Committee considers and makes recommendations to the Board of Directors or the stockholders regarding persons to be nominated by the Board of Directors for election as directors and, in the event of a vacancy in the office of the Chief Executive Officer, would recommend a successor to the Board. The Nominating Committee will consider nominations to the Board submitted by stockholders, provided that any stockholder submitting a nomination complies with the procedures set forth in the Company's Bylaws governing nominations by stockholders. Such procedures are described under "Additional Information."

### INFORMATION REGARDING MEETINGS

During 2002, the Finance, Risk Management and Audit Committee had 10 meetings, the Compensation Committee had three meetings, the Nominating Committee had no meetings and the Board of Directors had five meetings. All of the members of the Board participated in more than 75% of the meetings of the Board and Committees of which they were members during the fiscal year ended December 31, 2002.

### DIRECTOR COMPENSATION

Directors who are employees of the Company receive no additional compensation for serving on the Board of Directors. Directors of the Company who are not employees of the Company are paid (i) an annual retainer of \$20,000, (ii) \$3,500 for each Board of Directors meeting attended, (iii) an annual fee of \$3,000 payable for each committee of the Board (if any) which that Director chairs, and (iv) reasonable expenses incurred in serving as a director. All compensation can be taken in cash or Common Stock, at the director's option. In addition, pursuant to the Company's 2001 Incentive Plan, each non-employee director automatically receives, on the date such person first becomes a director, a grant of nonqualified options to purchase 7,500 shares of Common Stock, which have a term of ten years and vest in increments of one-third of the total grant on the first, second and third anniversaries of the grant. In addition, following each annual meeting of the Company's stockholders, each non-employee director who was not initially elected at such meeting, receives an annual grant of nonqualified options to purchase an additional 5,000 shares of Common Stock, all of which have a term of ten years and are fully vested and exercisable on the date of grant. The exercise price of all such options is the closing sale price on the New York Stock Exchange of the Common Stock on the date the options are granted.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee is responsible for evaluating the performance of and determining the compensation for executive officers including the Chief Executive Officer. It is also responsible for overseeing the Company's 1997 Incentive Plan and 2001 Incentive Plan (the "Incentive Plans"). The Compensation Committee has furnished the following report on executive compensation for 2002.

The Company's compensation programs are designed to attract and retain key executives responsible for the success of the Company and motivate management to enhance long-term stockholder value. The annual compensation package for executive officers, including the Chief Executive Officer, generally consists of three components: (i) a base salary payable in cash, (ii) variable compensation, which is targeted as a percentage of base pay and may be payable in cash awards, phantom shares, performance units, bonus stock or other stock-based awards, and (iii) long-term incentive compensation, which generally consists of stock options.

Base Salary

The base salary is intended to provide a stable annual salary at a level consistent with individual contributions and at a level that attracts and retains talented executive officers. In 2000, the Compensation Committee reviewed the overall compensation levels of executives of a peer group of companies, and generally sought to set base compensation at the median point of the range of those compensation levels and total compensation (variable plus base) at the third quartile of the range in comparison to such peer companies. In determining the overall level of compensation in 2000 for each of the Company's executive officers, including the Chief Executive Officer, the Compensation Committee took into account various qualitative and quantitative indicators of corporate and individual performance. In setting base salary for executives other than the Chief Executive Officer, the Compensation Committee also considered the Chief Executive Officer's subjective evaluation of each executive's performance. In 2001 and 2002, the Compensation Committee set the base salary for each of the Company's executive officers, including the Chief Executive Officer, at 3% above their salary for the previous year.

Variable Compensation

Variable compensation is intended to link officers' compensation to the

Company's performance. As an incentive, the Compensation Committee sets a target for variable compensation which is generally computed as a percentage of base salary. The target variable compensation is subject to adjustment based on the Company's performance. In determining the amount of variable compensation to award, if any, the Compensation Committee considers factors that it deems relevant to the measurement of the Company's performance. Such factors have included earnings per share, pretax earnings and other factors that the committee has identified as relating to the Company's performance. Based on these factors, no variable compensation was paid to any executive officer in 2002, except for Mr. Sarvadi who received options to purchase 30,000 shares of Common Stock, and Mr. Rawson who received an additional bonus equal to the interest paid by him on loans from the Company plus any applicable taxes due on such additional bonus. See "CEO Compensation" below and "Certain Relationships and Related Transactions."

#### Long-term Incentive Compensation

Long-term incentive compensation is provided through the Incentive Plans, the objectives of which are to promote the interests of the Company by encouraging employees of the Company and its subsidiaries to acquire or increase their equity interest in the Company and to provide a means whereby such persons may develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to remain with and devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. Awards under the Incentive Plans have generally been made in the form of stock options, although in the future such awards may include phantom shares, performance units, bonus stock or other stock-based awards. The Compensation Committee believes that stock options align the interest of the Company's executives with those of its stockholders by encouraging executives to enhance the value of the Company, and hence, the price of the Common Stock and each stockholder's return. The Company may periodically grant new options or other long-term equity-based incentives to provide continuing incentive for future performance. In making the decision to grant options, the Compensation Committee considers factors including an executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company. The Compensation Committee evaluates the overall dilutive effect of the total grant and then establishes individual grant levels based on the executive's grade level.

10

In 2002, the Company granted options to purchase an aggregate of 326,000 shares of Common Stock to executive officers of the Company, including the Chief Executive Officer.

#### CEO Compensation

The compensation of the Chief Executive Officer is determined in the same manner as the other executives of the Company, as set forth above, and includes stock options. In 2002, the Compensation Committee granted Mr. Sarvadi options to purchase 30,000 shares of Common Stock. In making the grant, the Compensation Committee considered Mr. Sarvadi's large ownership position in the Company. Although the Compensation Committee believes that the grant of options to Mr. Sarvadi further aligns his interests with those of stockholders, the Compensation Committee considered the grant to Mr. Sarvadi to be more in the

## Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

nature of variable compensation than a long-term incentive.

Section 162(m) of the Internal Revenue Code

Because the Company has not yet granted any executive officer compensation exceeding \$1,000,000 in any year, the Compensation Committee has not yet adopted a policy with respect to the limitation under Section 162(m) of the Internal Revenue Code, which generally limits the Company's ability to deduct compensation in excess of \$1,000,000 to a particular executive officer in any year. The Compensation Committee, in consultation with the Board of Directors, will adopt such a policy if the compensation awarded to an executive exceeds such amount.

### REPORT OF THE FINANCE, RISK MANAGEMENT AND AUDIT COMMITTEE

The Finance, Risk Management and Audit Committee (the "Committee") has been appointed by the Board of Directors to assist the Board in fulfilling its responsibility to oversee the financial affairs, risk management, accounting and financial reporting processes and audits of the financial reporting processes and audits of the financial statements of the Company. The Committee operates under a written charter adopted by the Board of Directors and reviewed annually by the Committee. A copy of the Committee charter is attached to this proxy statement as Appendix A. The Committee is comprised solely of independent directors, as defined in Section 303.01 of the Listed Company Manual of the New York Stock Exchange. The Committee has furnished the following report for 2002.

The Committee has reviewed and discussed the Company's consolidated audited financial statements as of and for the year ended December 31, 2002 with management and the independent auditor. The Committee has discussed with the independent auditor the matters required to be discussed by Statement on Auditing Standards No. 61, (Communication with Audit Committees), as currently in effect.

The Committee has received from the independent auditor the written disclosures and letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and the Committee has discussed with the independent auditor that firm's independence. The Committee has also considered the compatibility of the provision of non-audit services with the independent auditor's independence.

Based on the Committee's reviews and discussions referred to above, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's annual report on Form 10-K for the year ended December 31, 2002 for filing with the Securities and Exchange Commission.

#### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and officers, and persons who own more than 10% of the Common Stock, to file initial reports of ownership and reports of changes in ownership (Forms 3, 4, and 5) of Common Stock with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% stockholders are required by Securities and Exchange Commission regulation to furnish the Company with copies of all such forms that they file.

Based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all Section 16(a) reports with respect to the year ended December 31, 2002 applicable to its officers, directors and greater than 10% beneficial owners, were timely filed, except that Gregory E. Petsch was late in filing one Form 4 reflecting a change in the beneficial ownership of his Common Stock.

#### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In June 1995, Richard G. Rawson, Executive Vice President of Administration, Chief Financial Officer, Treasurer and a director of the Company, exercised options to purchase 897,334 shares of Common Stock (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) at a price of \$1.50 per share (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000). The purchase price was paid in cash by Mr. Rawson. In connection with the exercise of the options, the Company entered into a loan agreement with Mr. Rawson in the amount of approximately \$694,000, whereby the Company paid certain federal income tax withholding requirements

related to the stock option exercise. This loan was paid in full in June 2002. The loan accrued interest at 6.93%; however, pursuant to an understanding Mr. Rawson had with the Company, in each year that the loan was outstanding, Mr. Rawson received a bonus equal to the interest paid by Mr. Rawson

on the loans, plus any applicable taxes due on such component of his bonus. See "Report of the Compensation Committee of the Board of Directors."

Our Ship Limited Partnership, Ltd. ("Our Ship"), which is a family limited partnership owned by Mr. Paul Sarvadi, President and Chief Executive Officer of the Company, and members of his immediate family, is a client of the Company. In 2002, Our Ship paid comprehensive service fees of \$86,167 (\$24,689 net of payroll costs) to the Company. Mr. Sarvadi's brother is an owner and officer of three companies that are clients of the Company. In 2002, the three companies paid comprehensive service fees totaling \$2,305,191 (\$537,102 net of payroll costs) to the Company.

In March 1998, the Company completed a Securities Purchase Agreement (the "Agreement") with American Express Travel Related Services Company, Inc. ("American Express") whereby the Company sold to American Express units consisting of shares of Common Stock and warrants to purchase additional shares of Common Stock for a total purchase price of \$17.7 million. The warrants had exercise prices ranging from \$20 to \$40 per share (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) and terms ranging from three to seven years. On March 5, 2002, American Express exercised warrants to purchase 526,271 shares of Common Stock at \$25.00 per share. The Company repurchased the 526,271 shares of Common Stock from American Express for a per share price of \$27.02, which was the closing price of the shares on the New York Stock Exchange Composite Transaction Tape on March 5, 2002. On February 25, 2003, the Company purchased 1,286,252 shares of Common Stock from American Express at a purchase price of \$6.00 per share.

In March 1998, the Company entered into a Marketing Agreement with American Express, under which American Express is utilizing its resources and working jointly with the Company to generate appointments with prospects for the Company's services from the American Express customer base in certain markets. In addition, certain American Express services are included in the Company's My MarketPlace(SM) offerings. The Company pays a commission to American Express based upon the number of worksite employees paid after being referred to the Company pursuant to the Marketing Agreement and the total number of worksite employees paid by the Company. In 2002, the Marketing Agreement produced 17.4% of the Company's sales leads and 16.6% of new worksite employees sold. In 2002, the Company paid commissions totaling \$1.9 million to American Express under this agreement. The Marketing Agreement expires at the end of 2005 for existing markets, but was recently extended until the end of 2006 for new markets opened after 2002 through 2005.

- o Other Services -- there were no fees for other services in 2002 or 2001.

The Finance, Risk Management and Audit Committee reviewed the non-audit services provided to the Company and considered whether Ernst & Young's provision of such services was compatible with maintaining its independence.

#### REQUIRED AFFIRMATIVE VOTE

If the votes cast in person or by proxy at the 2003 Annual Meeting of Stockholders in favor of this proposal exceed the votes cast opposing the proposal, the appointment of Ernst & Young LLP as the Company's independent public accountants for the year ending December 31, 2003 will be ratified. If the appointment of Ernst & Young is not ratified, the Finance, Risk Management and Audit Committee will reconsider the appointment.

THE FINANCE, RISK MANAGEMENT AND AUDIT COMMITTEE RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF ERNST & YOUNG LLP'S APPOINTMENT AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2003, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

ADDITIONAL INFORMATION

DELIVERY OF PROXY STATEMENT

Effective in December 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for securityholders and cost savings for companies. This year, a number of brokers with accountholders who are Administaff stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholder. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or direct your written request to Administaff, Inc., Attention: Ruth Holub, Investor Relations Administrator, 19001 Crescent Springs Drive, Kingwood, Texas 77339 or contact Ruth Holub at 800-237-3170. The Company will promptly deliver a separate copy to you upon request. If you are a holder of record of Administaff shares, you will be receiving a communication from our transfer agent, Mellon Investor Services, regarding householding of the materials we send to you. Householding of your materials will take effect unless you inform them that you would prefer to receive multiple copies. You may communicate with Mellon Investor Services by writing to P. O. Box 3315, South Hackensack, New Jersey 07606, or by email at [www.shrrelations@melloninvestor.com](mailto:www.shrrelations@melloninvestor.com).

### APPENDIX A

ADMINISTAFF

FINANCE, RISK MANAGEMENT AND  
AUDIT COMMITTEE CHARTER

PURPOSE

The Finance, Risk Management and Audit Committee (the "Committee") has been appointed by the Board of Directors to assist the Board in fulfilling its responsibility to oversee the financial affairs, risk management, accounting and financial reporting processes and audits of financial statements of the Company by reviewing and monitoring (i) the financial affairs of the Company, (ii) the integrity of the Company's financial statements, (iii) the Company's compliance with legal and regulatory requirements, (iv) the independent auditor's (the "external auditors") qualifications and independence, (v) the performance of the personnel responsible for the Company's internal audit function (the "internal auditors") and the external auditors, and (vi) the Company's policies and procedures with respect to risk management, as well as other matters which may come before it as directed by the Board of Directors.

The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "Commission") to be included in the Company's annual proxy statement.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. The Board of Directors and the Committee recognize that the Company's management is responsible for preparing the Company's financial statements and the external auditors are responsible for auditing those financial statements. Therefore, the Board of Directors and the Committee's responsibility is one of oversight.

MEMBERSHIP AND MEETINGS

The Committee shall consist of not fewer than three directors who serve at the discretion of the Board of Directors. The Board of Directors shall appoint the members of the Committee on the recommendation of the Nominating Committee. The Committee's composition shall meet the independence and experience requirements of the New York Stock Exchange ("NYSE"), Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations of the Commission. At least one member of the Committee shall be a financial expert, as defined by the Commission. Committee members shall not serve simultaneously on audit committees of more than two other public companies.

The Committee shall meet as often as it determines is necessary, but in any event shall meet not less frequently than quarterly. The Committee shall meet separately, periodically, with the management, with the internal auditors and with the external auditors. The Committee may ask officers and employees of the Company, the Company's outside counsel, the Company's external auditor or others to attend meetings with, and furnish pertinent information to, the Committee.

AUTHORITY

The Committee is empowered to investigate any matter relating to the financial affairs and risk management of the Company brought to its attention, and shall have full access to all books, records, facilities and personnel of the Company. The Committee shall have the authority to retain and obtain advice and assistance from independent counsel, accounting and other advisors without seeking board approval. The Company shall provide for appropriate funding, as determined by the Committee, for payment of compensation to the external auditor

for the purpose of rendering or issuing an audit report and to any advisors employed by the Committee.

17

#### RESPONSIBILITIES

The Committee has the sole responsibility and authority to select (subject to stockholder ratification), evaluate and, where appropriate, replace the Company's external auditors. The Committee shall preapprove all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed by the external auditors, subject to, and in compliance with, the de minimus exception for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act. The Committee shall be directly responsible for the compensation and oversight of the work of the external auditor (including resolution of disagreements between management and the external auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The external auditor shall report directly to the Committee. The Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permitted non-audit services, provided that the decisions of such sub-committee to grant preapprovals shall be presented to the full Committee at its next scheduled meeting.

In addition to the foregoing, the Committee shall:

#### Oversight of the External Auditors

Review and discuss with the external auditor the planning and staffing of the annual audit and any other services provided by the Company's external auditors, and approve the terms of and any fees related to the audit and such other services.

1. Review and evaluate the lead partner of the external auditors.
2. At least annually, obtain and review a report by the external auditors describing (i) the external auditors' internal quality-control procedures, (ii) any material issues raised by the most recent internal quality-control review, or peer review, of the external auditor, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues, and (iii) all relationships between the external auditor and the Company. Evaluate the external auditors' qualifications, performance and independence, including considering whether the external auditor's quality controls are adequate and the provision of permitted non-audit services is compatible with maintaining the external auditor's independence. In making this evaluation, the Committee shall take into account the opinions of management and the internal auditor.
3. Ensure that the external auditors deliver to the Committee on a periodic basis a formal written report delineating all relationships between the external auditors and the Company, actively engage in a

## Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

dialogue with the external auditors with respect to any such disclosed relationships or services that may impact the objectivity and independence of the external auditors, and recommend that the Board of Directors take appropriate action in response to the written report to satisfy itself of the independence of the external auditors. The Committee shall present its conclusions with respect to the external auditor to the full Board of Directors.

4. Assure the regular rotation of both the lead (or coordinating) audit partner (having primary responsibility for the audit) and the audit partner responsible for reviewing the audit as required by law. Consider, whether, in order to assure continuing auditor independence, there should be regular rotation of the audit firm itself.
5. Establish hiring policies for the Company's employment of the external auditors' employees or former employees who participated in any capacity in the audit of the Company.

### Selection and Oversight of the Internal Auditors
