Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

by shares of common stock and Series A Preferred Stock present or represented at the meeting must be voted FOR that nominee with respect to each director position.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE NOMINEES.

RATIFICATION OF AMENDMENTS TO THE 1999 OMNIBUS STOCK PLAN

In 1999, our stockholders approved and adopted our 1999 Omnibus Stock Plan (the "Omnibus Stock Plan"). During 2002, the board of directors approved and adopted two amendments to the Omnibus Stock Plan, subject to approval and ratification of the amendments by our stockholders at the next annual meeting of stockholders.

The amendments are as follows:

- o The first amendment, adopted by the board of directors in April 2002, changed the method by which the amount of issued and outstanding shares of our common stock were calculated under the Omnibus Stock Plan. The amendment required all securities which may be converted into shares of TCBI's common stock to be included in the calculation of the issued and outstanding shares of TCBI's common stock on an as-converted basis. As a result, shares of our Series A Preferred Stock, as well as any other security we issue in the future that is convertible into our common stock, must be included, on an as-converted basis, in the calculation of the number of issued and outstanding shares of our common stock. The method of calculation of the number of issued and outstanding shares of our common stock is important under the Omnibus Stock Plan because the number of shares of our common stock that may be covered by awards under the Omnibus Stock Plan is determined as a percentage of the issued and outstanding shares of our common stock. The current number of issued and outstanding shares of our common stock, calculated in accordance with the Omnibus Stock Plan as amended by this first amendment, is 21,322,040. If the Omnibus Stock Plan had not been amended, the current number of issued and outstanding shares of our common stock would be 19,207,756. The complete text of the first amendment is set forth on Exhibit A.
- o The second amendment, adopted by the board of directors in July 2002, increased the percentage of the issued and outstanding shares of our common stock with respect to which awards may be granted under the Omnibus Stock Plan from 10.0 percent to 12.5 percent. As a result, awards under the Omnibus Stock Plan, including stock options, may be issued with respect to 12.5 percent of the number of shares of the issued and outstanding shares of

TCBI's common stock. The current number of shares of our common stock with respect to which awards may be granted under the Omnibus Stock Plan, calculated in accordance with the Omnibus Stock Plan as amended by this second amendment, is 2,665,255. If the Omnibus Stock Plan had not been amended, the current number of shares of our common stock with respect to which awards may be granted under the Omnibus Stock Plan would be 2,132,204. The complete text of the second amendment is set forth on Exhibit B.

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

The Omnibus Stock Plan is intended to advance our interests by providing to our officers and other key employees who have substantial responsibility for the direction and management incentives to promote the success of our business, to increase their proprietary interest in our success, and to encourage them to remain in our employ. We believe that the Omnibus Stock Plan is a necessary tool to help us compete effectively with our competitors for the services of new employees and the retention of key employees who may be required for the future development of our business.

As a result of the amendments described in this proxy statement, no employee, group of employees or other eligible participant in our Omnibus Stock Plan will receive or be allocated any additional awards.

DESCRIPTION OF THE PLAN AS AMENDED

A summary of the material features of the Omnibus Stock Plan, as amended by the amendments described in this proxy statement, is set forth below:

Common Stock Subject to the Omnibus Stock Plan. The maximum number of shares of our common stock for which awards may be granted under the Omnibus Stock Plan will be 12.5 percent of the issued and outstanding shares of our common stock, calculated in accordance with the Omnibus Stock Plan.

Term. Awards may be granted under the Omnibus Stock Plan at any time after its May 5, 1999 effective date so long as the total number of shares optioned or purchased under the Omnibus Stock Plan does not exceed 10.0 percent of the issued and outstanding shares of our common stock. The Omnibus Stock Plan may be abandoned or terminated at any time by the board of directors, except with respect to awards then outstanding under the Omnibus Stock Plan.

Eligibility. Employees of TCBI and TCBI's subsidiaries are eligible to participate in the Omnibus Stock Plan. As of March 31, 2003, there were 224 such employees.

Administration. The Omnibus Stock Plan shall be administered by the board of directors. The board of directors shall have full and final authority in its discretion, subject to the provisions of the Omnibus Stock Plan: (1) to determine individuals to whom and the time or times at which awards shall be granted; (2) to determine the terms and provisions of granted awards, which need not be identical, including, without limitation, terms covering vesting, exercise dates, and exercise prices; (3) to decide all questions of fact arising in the application of the Omnibus Stock Plan; and (4) to administer and interpret the Omnibus Stock Plan in all respects. Except as provided herein, all determinations made by the board of directors shall be final and conclusive.

Amendment. The board of directors may discontinue the Omnibus Stock Plan at any time and may amend it from time to time, but no amendment, without approval of our stockholders, may (1) increase the total number of shares that may be issued under the Omnibus Stock Plan (except adjustments made in order to prevent substantial dilution or enlargement of rights under the Omnibus Stock Plan as a result of a reorganization, recapitalization, stock split, stock dividend, combination of shares, etc.), (2) materially modify the eligibility requirements for participants in the Omnibus Stock Plan, or (3) materially increase the benefits accruing to participants in the Omnibus Stock Plan.

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

A majority of the votes represented by the shares of our common stock and our Series A Preferred Stock present or represented by proxy at the annual meeting is required for the approval of Proposal 1 regarding the amendments to our Omnibus Stock Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR PROPOSAL 1.

OTHER MATTERS

We do not currently know of any other matters that may come before the annual meeting. However, if any other matters are properly presented at the annual meeting, the proxy holders will vote your proxy in their discretion on such matters.

MEETINGS OF THE BOARD OF DIRECTORS

The business of TCBI is managed under the direction of the board of directors. The board meets on a regularly scheduled basis to review significant developments affecting the company and to act on matters requiring board approval. It also holds special meetings when an important matter requires board action between scheduled meetings. The board of directors met ten times during the year ended December 31, 2002. With the exception of James Cleo Thompson, Jr., Larry A. Makel, Walter W. McAllister III, Steve Rosenberg and Lee Roy Mitchell, all members of the board of directors participated in at least 75% of all board meetings and their respective committee meetings during 2002.

COMMITTEES OF THE BOARD OF DIRECTORS

The board had three standing committees during 2002. The executive committee serves as the nominating committee.

- o EXECUTIVE COMMITTEE. The Executive Committee has the power to act on behalf of the board and to direct and manage the business and affairs of TCBI whenever the board is not in session. Committee members are James R. Holland, Jr. (Chairman), Joseph M. Grant, Frederick B. Hegi, Jr., Larry A. Makel, and Robert W. Stallings. During 2002, the Executive Committee met five times. In its capacity as the nominating committee, the Executive Committee will consider nominees to TCBI's board of directors recommended by our security holders.
- o AUDIT COMMITTEE. The Audit Committee reviews the professional services and independence of the Company's independent auditors and its accounts, procedures and internal controls. The Audit Committee recommends to the board the firm selected to be our independent auditors and monitors the performance of such firm, reviews and approves the scope of the annual audit, reviews and evaluates with the independent auditors our annual audit and annual consolidated financial statements, reviews with management the status of internal accounting controls, evaluates problem areas having a potential financial impact on TCBI that may be brought to its attention by management, the independent auditors or the board, and evaluates all of our public financial reporting documents. Committee members are Walter W. (Bo) McAllister III (Chairman), Steve Rosenberg, Robert W. Stallings, and Ian J. Turpin. During 2002, the Audit Committee met five times.

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

- o COMPENSATION COMMITTEE. The Compensation Committee reviews and approves salaries and bonuses for officers and key employees of TCBI. Committee members are Frederick B. Hegi, Jr. (Chairman), James R. Erwin, Lee Roy Mitchell, and John C. Snyder. During 2002, the Compensation Committee met three times.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has the following goals for compensation programs impacting the executive officers of TCBI and the Bank:

- o to provide motivation for the executive officers and to enhance stockholder value by linking their compensation to the value of common stock,
- o to retain the executive officers who have led TCBI and the Bank,
- o to allow TCBI and the Bank to attract high quality executive officers in the future by providing total compensation opportunities consistent with those provided in the industry and commensurate with TCBI's and the Bank's level of performance, and
- o to maintain reasonable "fixed" compensation costs by targeting base salaries at a competitive average.

The executive compensation package available to executive officers is composed of (a) base salary, (b) annual bonus awards, and (c) long-term incentive compensation, including options and stock awards. In October 2002, we entered into employment agreements with Joseph M. Grant, Raleigh Hortenstine III, George F. Jones, Jr. and C. Keith Cargill, members of our executive management team. The employment agreements have a term of two years, subject to renewal, and have a compensation

10

package that includes a base salary, bonus and a grant of restricted stock under our 1999 Omnibus Stock Plan. Also, as part of the compensation paid, each executive will be eligible to participate in the employee benefit programs and receive other perquisites generally available to our other employees holding positions similar to that of the executives.

BASE SALARY. In determining salary levels, the Compensation Committee considers the entire compensation package for executive officers, including the equity compensation provided under stock plans. We intend for the salary levels to be consistent with competitive practices of comparable institutions and each executive's level of responsibility. The Compensation Committee determines the level of any salary increase to take effect at the beginning of each fiscal year after reviewing (a) the qualifications, experience and performance of the

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

executive officers, (b) the compensation paid to persons having similar duties and responsibilities in other institutions, and (c) the size of the bank and the complexity of its operations. The Compensation Committee consulted a survey of compensation paid to executive officers performing similar duties for depository institutions and their holding companies, with particular focus on the level of compensation paid by comparable institutions.

ANNUAL BONUS AWARDS. In determining bonus awards, the Compensation Committee considers the entire compensation package of the executive officers. The bonus awards are intended to be consistent with each executive officer's level of responsibility and with the competitive practices of comparable financial institutions. The Compensation Committee did not meet during the year to determine bonus compensation to our executive officers during 2002.

LONG-TERM INCENTIVE COMPENSATION. We maintain the Texas Capital Bancshares, Inc. 1999 Omnibus Stock Plan under which employees may receive discretionary grants and awards as determined and awarded solely in the discretion of the Compensation Committee and approved by the full board. The Compensation Committee believes that stock ownership is a significant incentive in aligning the interests of employees and stockholders and building our stockholders' wealth. In September 2002, the Company granted restricted stock awards to the following officers: 90,000 shares to Joseph M. Grant; 80,000 shares to Raleigh Hortenstine; 80,000 shares to George Jones; and 50,000 shares to C. Keith Cargill; however, no shares of restricted stock have vested. In order to more effectively retain our senior executive officers, we determined it was in the best interest of TCBI to enter into employment agreements with these officers. As a result, on October 8, 2002, we entered into Executive Employment Agreements with Joseph M. Grant, Raleigh Hortenstine III, George F. Jones, Jr. and C. Keith Cargill.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER. After taking into consideration the factors discussed above, the Compensation Committee entered into a deferred compensation agreement with Mr. Grant providing him a base salary of \$275,000 for 2000, payable to Mr. Grant in shares of common stock of TCBI. Pursuant to the timely deferral election by Mr. Grant, as evidenced by a duly executed deferred compensation agreement, these shares were placed in a grantor trust of which he is the beneficiary. Pursuant to the terms of the deferred compensation agreement and grantor trust, these shares shall remain general assets of TCBI, subject to the claims of TCBI's general creditors and constitute an unfunded, unsecured promise to pay such compensation to Mr. Grant at a designated future time. Mr. Grant has not deferred any portion of his salary for 2001 or 2002. Consistent with 2000 and 2001, his base salary is \$275,000. The Company also granted Mr. Grant 90,000 shares of restricted stock in 2002. None of the shares of restricted stock have vested.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the executive officers of TCBI or the Bank serves on the Compensation Committee of the board of directors of TCBI or any compensation committee of any other company.

INDEBTEDNESS OF MANAGEMENT AND TRANSACTIONS WITH CERTAIN RELATED PERSONS

In the ordinary course of business, the Bank has made loans, and may continue to make loans in the future, to the Bank's and TCBI's officers, directors and employees. The Bank makes all loans to executive officers and directors in the ordinary course of business, on substantially the same terms as those with other customers.

We are presently a lender in a bank group which has entered into an Amended and Restated Credit Agreement, dated November 9, 2000, with Ace Cash Express, Inc., pursuant to which the bank group provides Ace Cash Express with a revolving credit and term loan facility for working capital, general corporate purposes, store construction and relocation and other capital expenditures. We hold less than 5% of the commitments extended to Ace Cash Express pursuant to the Amended and Restated Credit Agreement, a commitment that represents approximately \$4.6 million if fully funded. Ace Cash Express has entered into an agreement with H&R Block that contemplates placing Ace Cash Express self-service check cashing machines at H&R Block locations. Pursuant to an agreement entered into in January 2002, we agreed to provide the cash to constitute inventory for those machines in exchange for a fee that varies dependent on the amount of cash inventory maintained in the machines. The agreement expired in April 2002. Marshall B. Payne, a former member of our board of directors, is also a member of the board of directors of Ace Cash Express. We entered into a similar agreement during the first quarter of 2003.

Larry A. Makel, a member of our board of directors and our Corporate Secretary, is a partner in the law firm Patton Boggs LLP. We have retained Patton Boggs LLP on a regular basis to perform legal services.

We have entered into indemnification agreements with each of our

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

directors and officers, which may be broader than the specific indemnification provisions contained in our certificate of incorporation, bylaws or under Delaware law. These indemnification agreements may require us, among other things, to indemnify our officers and directors against liabilities that may arise by reason of their status or service as directors or officers. These indemnification agreements also may require us to advance any expenses incurred by our directors or officers as a result of any proceeding against them as to which they could be indemnified. As of the date of this filing, there is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification by us is sought, nor are we aware of any threatened litigation or proceeding that may result in a claim for indemnification. We have purchased a policy of directors' and officers' liability insurance that insures our directors and officers against the cost of defense, settlement or payment of a judgment in certain circumstances.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities and Exchange Act of 1934 requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file initial reports of ownership and reports of changes in ownership with the SEC. We are not aware of any report that needed to be filed by any officer, director or 10% stockholder during 2002, except: Messrs. Corrigan, Erwin, Hortenstine, Snyder, Stallings and Thompson were delinquent with respect to one filing with respect to one transaction, which reports were subsequently filed.

INDEPENDENT AUDITORS

We selected Ernst & Young LLP as independent auditors to examine our accounts for 2003. Representatives of Ernst & Young LLP are expected to be present at the annual meeting and will have the opportunity to make a statement if they desire to do so. They will also be available to answer appropriate questions.

AUDIT FEES

AUDIT FEES

We incurred fees of approximately \$465,000 related to the audit of our 2002 annual consolidated financial statements and the reviews of the consolidated financial statements included in our Forms 10-Q for 2002. This included a June 30, 2002 audit and fees related to the postponed IPO during 2002.

AUDIT RELATED FEES

We incurred fees of approximately \$194,000 for audit related services during 2002. Services included but are not limited to internal audit, consultations related to employee benefit plans, and procedures related to management's assertion regarding effective internal controls in compliance with the requirements of FDICIA.

TAX SERVICES

We incurred other fees of approximately \$135,000 related to various

Edgar Filing: TEXAS CAPITAL BANCSHARES INC/TX - Form DEF 14A

federal, state and local tax services.

ALL OTHER FEES

We did not incur any other fees in 2002.

AUDIT COMMITTEE REPORT

The Audit Committee of the board of directors consists of the four directors whose names appear below.

The Audit Committee's general role as an audit committee is to assist the board of directors in overseeing the Company's financial reporting process and related matters. The Audit Committee has adopted a written charter dated as of August 30, 2002, a copy of which is included as Exhibit C hereto. Each member of the Audit Committee is "independent" as defined in Rule 4200(a)(14) of the National Association of Securities Dealers' listing standards.

The Audit Committee has reviewed and discussed with the Company's management and the Company's independent auditors, the audited financial statements of the Company contained in the Company's Annual Report to Stockholders for the year ended December 31, 2002.

The Audit Committee has also discussed with the Company's independent auditors the matters required to be discussed pursuant to SAS 61 (Codification of Statements on Auditing Standards, Communication with Audit Committees). The Audit Committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (titled, "Independence Discussions with Audit Committees"), and has discussed with Ernst & Young LLP such independent auditors' independence. The Audit Committee has also considered whether the provision of non-audit services to the Company by Ernst & Young LLP is compatible with maintaining their independence.

14

Based on the review and discussion referred to above, the Audit Committee recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, filed with the Securities and Exchange Commission.

This report is submitted on behalf of the Audit Committee.
