Amended 2004 Executive Incentive Plan

On November 3, 2005, the stockholders of Lam Research Corporation (the "Company") approved an amendment (the "Amendment") of the Company's 2004 Executive Incentive Plan (the "Executive Incentive Plan"). The Amendment (i) allows the Company to issue performance-based stock awards from the Company's equity incentive plans in addition to the cash payments previously allowed under the Executive Incentive Plan, (ii) provides that the independent members of the Company's Board of Directors (the "Board") shall be entitled to review and approve the Compensation Committee's determinations of the amounts to be paid to Lam's Chief Executive Officer and Executive Chairman, and the extent to which awards granted to those officers under the Executive Incentive Plan have vested, (iii) provides the Compensation Committee discretion to designate members of senior management eligible to participate in the Executive Incentive Plan, and (iv) revises the business criteria that the Compensation Committee can select from in establishing the business goals for an incentive payment compensation measurement period. The Amendment is effective for measurement periods beginning on or after November 4, 2005.

Amended 1997 Stock Incentive Plan

On November 2, 2005, upon recommendation of the Compensation Committee, the Board approved an amendment of the Company's 1997 Stock Incentive Plan (the "1997 Plan") to remove provisions in the 1997 Plan that required annual equity grants to non-employee Board members (the "Non-Employee Directors") to be made in the form of stock options. Future equity-based grants to Non-Employee Directors may be in any form permitted under the Company's equity incentive plans for which Non-Employee Directors are eligible, in form and amount as determined by the Board upon recommendation of the Compensation Committee.
